MEETING DATE: April 19, 2024

2. BACKGROUND & POLICY CONTEXT OF ISSUE:

General Background Information

At the March 5-6, 2015 Board of Regents (“**Board**”) meeting, the Board agreed i) to approve the due diligence process and negotiation of a Purchase and Sale Agreement (“**PSA**”) by and between Wells Fargo and the UNLV Foundation (“**UNLVF**”), for the purchase of approximately 42 acres of real property located approximately 0.6 miles west of the UNLV Maryland Campus, near the northeast corner of Tropicana Avenue and Koval Lane in Clark County, Nevada (“**Property**”), and, ii) for the assignment of the PSA from UNLVF to UNLV so that UNLV could then subsequently execute the PSA, subject to the satisfactory completion of due diligence activities and reviews.

At the December 3-4, 2015 Board meeting, the Board approved an agenda item for an “Amended Campus Master Plan and Purchase of 42 Acre Parcel near Tropicana Avenue and Koval Lane – UNLV”, which included the approval of (1) the 2015 Limited Campus Master Plan Update, incorporating the Property into the UNLV existing campus master plan; (2) the Assignment and Assumption Agreement transferring to the Board the right to purchase the Property; (3) the purchase of the Property on the terms and conditions outlined in the PSA; (4) the short term Property acquisition financing in the form of a bank loan and promissory note; (5) an authorization allowing the Chancellor to administratively approve and execute any amendments to the PSA extending the closing date of the transaction to a date after the March 2016 Board meeting if needed; and (6) authorization for the Chancellor to execute any documents necessary to effectuate the short term financing and purchase of the Property on forms approved by the Vice Chancellor for Legal Affairs.

Based on the December 3-4, 2015 approval by the Board, UNLV completed the purchase of the Property for \$50M, exclusive of nominal closing costs, with the purchase completed and the subject grant, bargain sale deed recorded on December 24, 2015. The annual debt service expense to UNLV for the purchase of the Property is approximately \$3M per year, with the Capital Improvement Fee (“**CIF**”) serving as the annual debt service funding source, in accordance with prior Board approval for the purchase and financing of the Property.

At the March 3-4, 2016 Board meeting, UNLV presented to the Board an information agenda item for a “Proposed Schedule and Process to Update the Campus Master Plan, UNLV”, which included campus master planning considerations, processes and components for the Property.

At the September 7-8, 2017 Board meeting, the Board approved an agenda item for a “UNLV Campus Master Plan” which incorporated all relevant updates and additional items per the direction of the Board at the December 3-4, 2015 Board meeting, including (1) providing to the Board a more detailed master planning concepts for the Property, (2) providing to the Board a more detailed information with respect to the 15-20 acres of existing UNLV Maryland Campus land (generally in the area of the existing MPE and EPA facilities) which may have been able to be repurposed or redeveloped, as a result of the Property purchase, and (3) other relevant updates to prior Board requests.

Since the December 24, 2015 UNLV acquisition of the Property, UNLV has generally engaged in a variety of planning and other activities associated with the Property, with a focus on a variety of opportunities, initiatives and benefits for UNLV and community or partner collaborations/engagements – both for general engagement and revenue generation. Such planning and activities included community-driven site clean-ups, planning of options for the development of the Property as a site for a Stadium or Campus Village in association with UNLV, engagement with The Boring Company (“**TBC**”) on a student competition aimed at the advancement of underground boring technology and methods, a short term Facility Use License Agreement (“**FULA**”) for Las Vegas Grand Prix (“**LVGP**”) use of the Property in support of the November 2023 LVGP F1 event in Las Vegas, and other miscellaneous activities on the Property.

Property Long-Term Ground Lease Solicitation and Selection Process

To seek longer-term benefits to UNLV from the ownership of the Property, UNLV engaged in a public Request for Proposal (“**RFP**”) process in 2022-2023 to explore opportunities for UNLV to enter into a long-term ground lease (“**Ground Lease**”) for the Property. The primary focus of such a long-term ground lease was on UNLV receiving long-term ground lease revenue, to monetize UNLV’s ownership of the Property, so that the Property can provide significant and meaningful annual revenue to UNLV to support UNLV strategic priorities and initiatives.

After potential interested party outreach and advertising of the RFP, UNLV received five (5) proposals in response to the RFP. After conducting the evaluation process for the RFP, UNLV selected G2 Capital Development and their wholly owned entity formed as their proposed Tenant for the Property Ground Lease (“G2-42 LLC”) as the party having the most advantageous proposal for the Property Ground Lease, in accordance with the RFP evaluation criteria, and a “Best and Final Offer” process.

Concurrent with the negotiation process between UNLV and G2-42 LLC, as necessary to develop this agenda item for the Board, UNLV entered into a Facility Use License Agreement (“FULA”) with G2-42 LLC, to permit G2-42 LLC to formally commence their due diligence and entitlement processes in preparation for entering into a Ground Lease. It is expected that if the Board approves the Ground Lease, then the FULA will be terminated.

Tenant agrees that the Land shall be leased in an “**as-is**” and “**as-shown**” condition, subject to all encumbrances, conditions, covenants, easements, restrictions, rights of-way, and all other matters affecting the Land (whether or not of record) and all zoning, land use, subdivision, and all other laws, rules, regulations and judicial or administrative orders applicable to the Land or its use or occupancy, with no representation or warranty of any type or nature being made by Landlord, except as specifically set forth herein. Tenant agrees that it is leasing the Land solely upon the basis of its own investigation and not on the basis of any representation, express or implied, written or oral, made by Landlord or its agents, partners, co-venturers, or employees. Without limiting the generality of the foregoing, Landlord makes no warranty as to the sufficiency of the Land for Tenant’s purposes, including the Land, improvements, taxes, bonds, covenants, conditions and restrictions, water or water rights, topography, utilities, soil, subsoil, drainage, environmental or building laws, or rules or regulations, the square footage or acreage contained within the Land, the sufficiency or completeness of any plans for the Land, plats, zoning, or other development items relating to the Land, or as to any improvements on the Land, except as expressly set forth elsewhere in this Lease. Landlord agrees to provide Tenant courtesy copies of environmental, geo-technical and other reports, as such may exist, however, Tenant acknowledges that any information provided by Landlord is provided without warranty or representation of any kind. Tenant is under the affirmative obligation to confirm the reliability and accuracy of all material at its own expense. If Tenant relies on any of the information, then it does so at its own risk. Tenant waives all claims and causes of action against Landlord arising from any inaccuracy, misstatement, false statement, or other error contained in that material, including but not limited to, all matters pertaining to Hazardous Materials. Tenant is deemed to accept the condition of the Land as free of defects and in good, clean, and sanitary condition by taking possession of the Land.

Section 2.04 Term of Lease.

The term of this Lease (“**Term**”) shall begin on the Effective Date and shall expire at midnight on the ninety-ninth (99th) anniversary of the Rent Commencement Date. After full execution of this Lease but prior to the Rent Commencement Date, Tenant shall be entitled to perform certain preconstruction activities on the Land, subject to all of the terms and conditions of this Lease except for the payment of Rent and other monetary amounts owing hereunder.

This Lease is a legally binding agreement between the Parties as of the Effective Date, subject to the termination rights set forth in Section 3.02.

Section 2.05 Intentionally Omitted.

Section 2.06 Quiet Enjoyment; Landlord’s Warranty of Title.

Landlord covenants, warrants and represents that: (a) as fee simple owner, it has good and marketable title to the Land; (b) it has full right and lawful authority to execute this Lease for the Term, in the manner and upon these conditions and provisions; and (c) provided this Lease has not been terminated on account of a Default by Tenant, Tenant shall have quiet and peaceable possession of the Premises during the Term. Landlord covenants and agrees not to enter into, modify, amend, extend or consent or acquiesce to any of the same with respect to any existing or future contract, easement, license, lease, covenant or any other matter that affects or burdens or can affect or burden the Land or any improvements thereon, thereunder or thereover, or any use thereof or Tenant’s rights under this Lease, without Tenant’s prior written consent, which consent Tenant may withhold in its sole discretion.

Section 2.07 UNLV Policy

The term “**UNLV Policy**” as used herein shall mean a rule or policy formally adopted by the Board of Regents of the Nevada System of Higher Education that applies with equal force to all land or improvements owned by or under the direct or indirect control of the Board. The Project shall be consistent with the applicable UNLV Policy as of the Effective Date to the extent specifically set forth in the Development Guidelines. In the event of a conflict between the terms of this Lease and any amendment or modification to UNLV Policy made after the Effective Date, the terms of this Lease shall control unless the applicable amendment or modification reflects any change in Applicable Laws or does not materially adversely affect the operation or economic performance of the Premises for Tenant’s intended use.

**ARTICLE 3
ENTITLEMENTS**

Section 3.01 Entitlement of Improvements.

(a) As provided in Section 3.03, Tenant’s obligations hereunder are subject to Tenant obtaining, at its sole cost and expense, prior to expiration of the Entitlement Period, all necessary entitlements from the County and Landlord, including, without limitation, general plan amendment, rezoning, variance, conditional use permit, special use permit, building, electrical and plumbing permits, environmental impact analysis and mitigations imposed thereby, and other governmental action necessary to permit the development, construction and operation of any Improvements in accordance with this Lease in accordance with Tenant’s master plan for development of the Project, including without limitation, building permits for the first phase of construction and commitments for financing and subleasing (collectively, the “**Entitlements**”), allowing for construction of such office, hotel, resort hotel with gaming, dining, commercial, entertainment, time-share, and other related uses on the Land as Tenant deems necessary or desirable (the “**Entitled Improvements**”), such Entitled Improvements to be acceptable to Tenant in design, schedule and cost. Landlord acknowledges that Tenant’s obligations hereunder do not

include a covenant to obtain the Entitlements, and that Tenant shall not be obligated to appeal the denial of any Entitlement or to defend any appeal of any Entitlement.

(b) Tenant shall deliver to Landlord copies of all submissions and applications to any Governmental Authority regarding the Premises and the Entitlements together with complete copies of all written materials, plans, studies and maps and applications that Tenant intends to provide to such Governmental Authority. All such written materials, plans, studies, maps, and applications that are intended to be submitted to Governmental Authorities, together with all such other written materials that are prepared by or for Tenant in connection with obtaining the Entitlements are herein referred to as the “**Work Product.**” Notwithstanding the foregoing or any other provision hereof to the contrary, if Landlord fails to give written notice to Tenant within five (5) business days after Tenant makes any submittal (or resubmittal) to Landlord of any application for Entitlements either approving such submittal (or resubmittal) or specifying Landlord’s reasonable objections thereto, then the Entitlement Period shall be extended on a day-by-day basis for each day until Landlord issues removes such reasonable objection by giving Tenant written notice. Landlord shall not object to any Work Product or proposed Work Product that (i) does not adversely impact the value of the Land, (ii) is consistent with the Permitted Uses and not a Prohibited Use and (iii) complies with Applicable Law. Landlord shall also have the right to approve all proposed exactions, mitigations and other conditions of approval relating to the Entitlements before they are imposed; provided that such approval right shall apply only to the extent such exactions, mitigations and other conditions of approval materially adversely affect other property owned by Landlord in the vicinity of the Premises. Tenant shall keep Landlord reasonably apprised as to the scheduling of meetings with Governmental Authorities in connection with Tenant’s pursuit of the Entitlements.

(c) In addition to the foregoing, Landlord shall provide Tenant with such reasonable assistance as Tenant may request, provided that such assistance shall be at no cost or expense to Landlord. Tenant shall pay for all costs (the “**Entitlement Costs**”) incurred in connection with all submissions, applications and other matters related to obtaining the Entitlements, including, without limitation, filing fees and the costs of all of the Work Product, provided, however, that in no event shall Tenant be obligated to pay or reimburse Landlord for any costs or expenses incurred by Landlord relating to Entitlements unless Tenant and Landlord agreed in writing in advance that Tenant would pay or reimburse Landlord for such costs or expenses. Under no circumstances shall Landlord have any obligation or liability to pay any of the Entitlement Costs unless the Parties otherwise agree in writing in advance. In the event this Lease is terminated during the Entitlement Period or upon the expiration thereof for any reason, Tenant shall assign to Landlord the rights to all of the Work Product, so that Landlord can, if it so elects, move forward with the development of the Entitled Improvements.

(d) Notwithstanding anything in this Lease to the contrary, Landlord’s right to review and comment on any Work Product or proposed Work Product or disapprove all or any portion thereof, thereof shall be limited solely to confirming that the applicable Improvements to be developed and constructed pursuant to such Work Product (i) do not adversely impact the value of the Premises, (ii) are consistent with the Permitted Uses and not a Prohibited Use, and (iii) comply

with Applicable Law. If Landlord disapproves any plans pursuant to this Section 3.01, and Tenant disputes Landlord's grounds for such disapproval, such dispute shall be resolved pursuant to Section 3.01(e) below.

(e) If Landlord disapproves any Work Product pursuant to this Article 3, and Tenant disputes Landlord's grounds for such disapproval (as limited pursuant to Section 3.01(d) above) and Landlord and Tenant are unable to reach a mutually agreeable resolution of such dispute within thirty (30) days after such disapproval by Landlord, then either Landlord or Tenant may submit such unresolved dispute to Judicial Arbitration and Mediation Service ("**JAMS**") arbitration pursuant to the JAMS Streamlined Arbitration Rules & Procedures ("**Streamlined Arbitration**"), with a concurrent copy to be sent to the other party. In connection with any such Streamlined Arbitration, Landlord and Tenant each hereby agree to expedite the discovery, adjudication and decision process, and shall each cooperate with one another and the JAMS arbitrator to establish and agree upon an expedited timeline for the completion of the same. The JAMS arbitrator shall be knowledgeable in construction matters. The decision of the arbitrator shall be binding upon Landlord and Tenant.

Section 3.02 Entitlement Period.

The "**Entitlement Period**" shall begin on the Effective Date and shall expire on the first to occur of (a) the one-year anniversary of the Effective Date, or (b) Tenant delivering written notice to Landlord waiving its right to terminate as provided in Section 3.03. Notwithstanding the foregoing, Tenant shall have the right (but not the obligation) (a) to extend the Entitlement Period for an additional period of one hundred eighty (180) days by giving Landlord prior written notice thereof at least fourteen (14) calendar days prior to the expiration of the initial Entitlement Period together with payment to Landlord of an Extension Fee of \$400,000, and (b) again for an additional period of one hundred eighty (180) days by giving Landlord prior written notice thereof at least fourteen (14) calendar days prior to the expiration of the first such extension period together with payment to Landlord of an additional Extension Fee of \$400,000. Such Extension Fees shall not be applicable as a credit to the Base Rent otherwise due under this Lease and shall be nonrefundable to Tenant under any circumstances other than Landlord's Default.

Section 3.03 Tenant's Right to Terminate.

In the event Tenant does not obtain the Entitlements in form and substance satisfactory to Tenant in its sole discretion within the Entitlement Period (including any extension thereof in accordance with Section 3.02) for any reason, Tenant shall have the right to terminate this Lease upon written notice to Landlord given within thirty (30) days after the expiration of the Entitlement Period.

Section 3.04 "Rent Commencement Date" Defined.

Unless Tenant terminates this Lease pursuant to the terms of Section 3.03, the "**Rent Commencement Date**" shall be the first day of the first full calendar month following the last day of the Entitlement Period. Following the Rent Commencement Date, the Parties shall file of record

a certification of the Rent Commencement Date and the expiration date of this Lease with the County Recorder of Clark County, Nevada.

ARTICLE 4 IMPROVEMENTS

Section 4.01 Development Guidelines.

Tenant wishes to complete a “mixed use development” on the Land (the “**Development**”), such Development shall be consistent with the applicable UNLV Policy and State of Nevada statutes and regulations to the extent specifically set forth in the Development Guidelines (“**Development Guidelines**”) attached as **Exhibit D**, which is incorporated herein by this reference.

Section 4.02 Improvements.

Tenant may make such improvements to the Premises as it determines in accordance with the Development Guidelines, and may thereafter improve, expand, contract, reconfigure, demolish, or otherwise alter Improvements as Tenant deems in its best interest subject only to the terms and conditions of this Lease. If the granting of one or more easements, licenses or other covenants is necessary to provide utilities or other services to the Land or Improvements, Landlord agrees that it will execute any appropriate documentation presented by Tenant to provide for such easements, licenses or other covenants without delay, and Landlord will not have the right to unreasonably withhold the execution and/or such easements, licenses or other covenants. Tenant may from time-to-time remodel or replace the Improvements if the remodeled or replaced Improvements are of equivalent or better value and quality or are more suitable for necessary commercial or enhanced revenue generation purposes, and the items are free from any liens and encumbrances except as permitted hereunder.

Subject to the Mortgagees Protections including without limitation Leasehold Mortgagees’ right to a New Lease under Article 22, upon any termination of this Lease, whether by reason of the expiration of the Term or upon exercise of the remedy set forth in Section 27.04 (a “**Lease Termination**”) all of Tenant’s rights in the Land shall cease and terminate and shall automatically and without further consideration become the sole and absolute property of Landlord free and clear of all liens and encumbrances created by or caused by Tenant.

Within ten (10) days following Lease Termination, Tenant shall execute, acknowledge and deliver to Landlord, in recordable form, a full release or any other applicable instrument confirming that all of Tenant’s right, title and interest, in the Land, this Lease, the Premises and the Improvements, have expired and have been released. Notwithstanding the foregoing, Tenant may remove its personal property prior to Lease Termination, so long as Tenant repairs any damage to the Improvements caused thereby.

Upon a Lease Termination, the following will, without compensation to Tenant and at Landlord’s election, vest in Landlord: (i) any prepaid rents, payments or security deposits under any subleases; (ii) Tenant’s interest in any and all subleases; (iii) all intangible property related to

the construction of the Improvements; and (iv) all personal property remaining on the Improvements which have not been removed by Tenant within the time period specified in this Section 4.02.

Section 4.03 Easements and Commercial Subdivision Maps.

At Tenant’s request or as may be reasonably required in connection with development and use of the Premises, Landlord agrees to grant, in accordance with UNLV Policy, to third parties’ future easements and rights of way on or over the Premises as required to provide utility services to the Premises. Landlord and Tenant shall agree upon the specific locations of such easements and rights of way. During the period commencing on the Effective Date of this Lease and continuing throughout the Term, Landlord shall not create, grant, or enter into any easement or similar encumbrance affecting the Premises or any portion thereof, except as required by any Governmental Authority.

Section 4.04 Title to Improvements.

Ownership of all Improvements constructed, installed, or placed by Tenant on the Premises shall become and remain vested in the name of Tenant (provided Tenant may convey Improvements to third parties for the Term of this Lease and subject to all the terms of this Lease) until the date of Lease Termination, at which time title to all Improvements shall become vested in Landlord.

**ARTICLE 5
SUBLEASES AND SUBDIVISION OF LAND**

Section 5.01 Subdivision of Land.

Landlord agrees to execute one or more commercial subdivision maps of the Land pursuant to NRS Section 278.325, as requested by Tenant, at Tenant’s sole cost and to permit and cooperate in the recordation of one or more records of survey to create separate legal parcels within the Land.

Section 5.02 Right to Sublease.

Tenant may from time to time Sublease the Premises in part at any time and from time to time without Landlord’s consent. The making of any such Sublease shall not release Tenant from, or otherwise affect in any manner, any of Tenant’s obligations hereunder. All Subleases will contain customary terms and conditions for similar first-class mixed-use hospitality-entertainment, office, retail and restaurant and other uses permitted under this Lease for projects in the Las Vegas area as determined by Tenant in its reasonable discretion, including the obligation to comply with the Prohibited Uses. Tenant shall not be relieved of any liability under this Lease as a result of any Sublease. All Subleases covering any portion of the Premises shall provide that the rights of the Subtenants thereunder shall be subject and subordinate to this Lease and the rights of Landlord hereunder, including but not limited to the obligation of such Subtenants to comply with the Prohibited Uses.

Section 5.03 Major Tenant Subleases.

Tenant plans to develop various portions of the Premises in phases within the framework of the integrated commercial development plan to be prepared by Tenant and submitted to the Landlord, as the same may be amended from time to time and Tenant will resubmit any and all subsequent amendments of such commercial development plan to the Landlord (“**Development Plan**”), and to Sublease separate portions of the Premises for uses compatible with the Development Plan and permitted by this Lease. To facilitate Tenant's ability to finance development of separate phases of the Premises, Tenant shall have the right to enter into separate Subleases with any Subtenant under the terms described in Section 5.04.

Section 5.04 Nondisturbance Agreements with Major Subtenants.

Landlord agrees to enter into a nondisturbance agreement with any Major Subtenant upon request by such Major Subtenant or Tenant. The nondisturbance agreement shall be substantially in the form of **Exhibit K** attached hereto and will provide that, notwithstanding the termination of this Lease, the Major Subtenant Sublease shall continue for the duration of its term and extensions thereof as direct leases between Landlord hereunder and the applicable Major Subtenant thereunder; provided, however, the nondisturbance agreement shall be conditioned on the following: (i) Landlord shall not be liable to any Major Subtenant for any security deposits (unless the security deposit has been delivered to Landlord) under its Major Subtenant Sublease, nor shall Landlord be bound by any rental which is paid more than thirty (30) days in advance of the due date under the terms of the sublease; (ii) the Major Subtenant must not be in Default under its Major Subtenant Sublease on the date of the Lease termination; (iii) the Major Subtenant shall attorn to Landlord; and (iv) Landlord shall not be liable for any act or omission of Tenant or be subject to any offsets or defenses which any Major Subtenant may have against Tenant. In no event shall Tenant enter into any Sublease (including, but not limited to a Major Subtenant Sublease) which has a term (including available extensions) which extends beyond the Term of this Lease, or the terms of which conflict with the terms of this Lease.

Section 5.05 Other (Non-Major) Subtenants.

As to any Subtenant who is not a Major Subtenant, Landlord agrees to grant a request by such Subtenant for a non-disturbance and attornment agreement substantially in the form of **Exhibit K** for a fee paid to Landlord of \$2,500 for each such request. Tenant shall be liable and obligated to reimburse Landlord for any additional costs, fees, and expenses that Landlord may suffer or incur in connection with processing such request following the execution of the non-disturbance and attornment agreement.

**ARTICLE 6
RENT**

Section 6.01 Base Rent.

Commencing on the Rent Commencement Date and continuing thereafter for each Lease Year of the Term, Tenant agrees to pay the applicable Base Rent, due annually, in advance and at

the commencement of each Lease Year of the Term, as herein provided, in lawful money of the United States of America, without deduction or offset, prior notice or demand, and at such place or places as Landlord may from time to time designate. A schedule of annual Base Rent payments is set forth on **Exhibit I** attached hereto. Base Rent for any partial month between the last day of the Entitlement Period and the Rent Commencement Date shall be prorated. All payments shall be in United States dollars.

Section 6.02 Application of License Fee.

Tenant shall be entitled to a credit against the first installment of Base Rent in an amount equal to the License Fee paid by Tenant to in accordance with Section 3.2 of the License Agreement. The License Fee shall not be refundable to Tenant in the event of termination of this Lease prior to the Rent Commencement Date; provided, Tenant shall have the right to terminate this Lease by written notice to Landlord at any time prior to the one hundred twentieth (120th) day following the Effective Date and, in such event, Landlord shall refund to Tenant an amount equal to one hundred percent (100%) of the License Fee within thirty (30) days following Tenant's delivery to Landlord of notice of termination.

Section 6.03 Late Charges.

Tenant hereby acknowledges that late payments by Tenant to Landlord of Rent or any other sum due hereunder will cause Landlord to incur costs not contemplated by this Agreement, the exact amount of which will be extremely difficult to ascertain. Accordingly, if any payment of Rent or other sum due is not received by the Landlord within ten (10) days following written notice from Landlord that such amount is due, Tenant shall pay as a late charge five percent (5%) of the amount due and for any amounts past due for more than thirty (30) days Tenant shall pay the Overdue Rate for all such amounts past due. The Parties hereby agree that the late charge represents a fair and reasonable estimate of the costs Landlord will incur by reason of the late payment.

ARTICLE 7

PAYMENT OF TAXES, ASSESSMENTS, UTILITIES & OTHER IMPOSITIONS

Section 7.01 Taxes.

(a) Business Operation Taxes.

Before any fine, penalty, interest or cost is incurred, Tenant shall pay or cause to be paid, any sales or use taxes, value added taxes, business and occupation taxes and all fees associated with the construction or operation of the Improvements that may be levied, and any and all other federal, state, county and municipal governmental and quasi-governmental levies, fees, rents, assessments or taxes and charges, now or hereinafter imposed on the Premises, assessments, license and permit fees, and all other costs, charges or expenses that benefit the Land during the Term which may have been, or may be imposed upon, or become a lien on the Land.

(b) Real Property Taxes.

Tenant shall pay prior to delinquency, all taxes, if any, assessed against or levied upon, or any similar imposition due as the result of ownership of the Land ("**Real Property Taxes**").

(c) **Personal Property Taxes.**

Tenant shall pay, prior to delinquency, all taxes, if any, assessed against or levied upon Tenant's fixtures, equipment, the Improvements, and personal property located in or upon the Premises, if any ("**Taxed Personal Property**"). If Tenant has Taxed Personal Property, then Tenant shall cause all such Taxed Personal Property to be assessed and billed separately from the real property of which the Premises are a part. Tenant shall dispose of any liens placed upon the Improvements due to unpaid Taxed Personal Property.

Section 7.02 Right to Contest.

Tenant shall have the right to contest, by appropriate proceedings, the amount or validity, in whole or in part, of any taxes. In the event the applicable taxing authority having jurisdiction over the contest proceedings allows the posting of security or some other method of deferring payment of the disputed taxes, Tenant may do so; otherwise, Tenant shall not postpone or defer payment of any disputed taxes but shall pay such taxes in accordance with this Section 7.02 notwithstanding such contest. Landlord shall have no obligation to join in any such proceedings. Tenant shall indemnify and defend Landlord against and hold Landlord harmless from and against any and all claims, demands, losses, costs, liabilities, damages, penalties and expenses, including, without limitation, reasonable attorneys' fees and expenses, arising from or in connection with any such proceedings. In no event shall Tenant be liable for the payment of any income taxes, franchise taxes, corporate taxes or other such taxes imposed upon Landlord.

Section 7.03 Proration.

Any taxes relating to a fiscal period of any taxing authority, only a part of which period is included within the Term, shall be prorated as between Landlord and Tenant so that Landlord shall pay the portion thereof attributable to any period outside the Term, and Tenant shall pay the portion thereof attributable to any period within the Term.

Section 7.04 Assessment Proceedings.

If at any time during the Term any Governmental Authority shall undertake to create an improvement or special assessment district, the proposed boundaries of which shall include the Premises (the "**Proposed District**"), Tenant shall be entitled to appear in any proceeding relating thereto and to exercise all rights of a landowner to have the Premises excluded from the Proposed District, or to determine the degree of benefit to the Premises resulting therefrom. The Party receiving any notice or other information relating to the Proposed District shall promptly advise the other Party in writing of such receipt. If the Proposed District is ultimately formed and affects the Premises, Tenant may pay any resulting bonds over the maximum period allowed by law and shall be liable only for any installments that become due during the Term.

Section 7.05 Impositions.

Except as otherwise specifically provided herein, Tenant shall pay directly to the applicable agency without notice, except as may be required in this Lease, and without abatement, deduction or set-off, as “**Impositions**” all costs and expenses arising from the construction of the Improvements (which specifically includes any related easement parcels relating to the use of the Premises), including, but not limited to, maintenance, repair, and replacement of all Improvements located thereon and costs associated with providing property management; safety and security for the Premises; insurance (as set forth in Article 9 of this Lease); premiums, fees, interest, charges, reimbursements and/or expenditures imposed by or resulting from the application of statutes or regulations, of any federal, state, county, municipal or other Governmental Authority or agency performing a governmental or other function (including, but not limited to, the Environmental Protection Agency and the authority administering the Occupational Safety and Health Act, the Americans with Disabilities Act, or agencies performing the same or similar functions; but as limited by Section 2.07 with respect to Landlord and NSHE) or are incurred to reduce energy consumption or costs and expenses necessary or to protect the health and safety of guests or occupants of the Improvements or to improve the appearance or utility of the Improvements; and obligations of every kind and nature which arise and become due during the Term arising from the construction of the Improvements.

Section 7.06 Impositions for Material Changes.

Any material changes in the Development Plan requested by Tenant which increase Landlord’s cost of holding the Land, shall be paid for by Tenant.

Section 7.07 Utilities.

Tenant shall pay or cause to be paid directly to the utility provider all utility charges, including, but not limited to, electrical power, natural gas, domestic water, sanitary sewer and storm sewer (including installation, service, relocations, connections, maintenance, license and permit fees) that benefit the Premises during the Term which may have been, or may be imposed upon, or become a lien on the Land. Tenant will ensure timely removal and disposal of garbage, debris, contaminants, and any other waste material (whether solid or liquid) arising out of the construction of the Improvements. Existing Clark County Reclamation District and Las Vegas Valley Water District credits applicable to the Land are hereby assigned to Tenant and Landlord agrees to cooperate and execute such instruments as requested by Tenant to effectuate such assignment.

Section 7.08 If Imposition Is Unpaid, After Notice, Either Party May Pay.

If Landlord or Tenant shall at any time fail to pay any sum, Imposition, cost or expense which it is obligated to pay under the terms of this Lease, then the other Party, after ten (10) days written notice to the Party which has failed to make payment (or without notice or upon a shorter notice period in case of any emergency) and without waiving or releasing either Party from any obligation under this Lease, may, but shall be under no obligation to, pay any sum, Imposition, cost or expense; provided, however, that no payment shall be made if the Party receiving the

written notice has in fact paid the same before the expiration of the time period and has given notice to the Party originally giving notice. Any payment made by either Party pursuant to this Section 7.08, together with all costs, expenses and interest actually paid with respect to the Imposition, if any, and if none, at the Prime Rate, shall be paid to the paying Party on demand or the Party whom was due to make payment will be considered in Default of the Lease if reimbursement is not made within thirty (30) business days.

Section 7.09 Landlord May Perform Non-Monetary Covenant or Condition and Charge Tenant.

If Tenant fails to perform or observe any material covenant or condition contained in this Lease, the performance of which involves something more than merely the payment of money and such failure shall impair Landlord's interest in this Lease or the Land, then Landlord, after thirty (30) days written notice to Tenant (or without notice or upon a shorter notice period in case of an emergency), and without waiving or releasing Tenant from any obligation, may perform the same for the account of Tenant, and charge Tenant the actual cost of performance. Notwithstanding the foregoing, Landlord shall not commence such cure if Tenant's alleged failure is not reasonably curable in thirty (30) days so long as Tenant commences such cure within thirty days of Landlord's notice and thereafter pursues the cure with commercially reasonable diligence. All sums so paid by Landlord and all costs and expenses incurred by Landlord in connection with the performance of the act, together with interest thereon at the Prime Rate, shall be paid by Tenant to Landlord on demand.

ARTICLE 8

SURRENDER OF LAND, PREMISES AND/OR IMPROVEMENTS BY TENANT

Section 8.01 When Tenant Must Surrender Possession.

Upon the date of the Lease Termination, Tenant shall surrender the Premises to Landlord (i) subject to the provisions of this Lease, in broom clean condition and in compliance with all Applicable Laws, and free and clear of all occupancies and licenses, other than those the continuance of which Landlord shall have expressly permitted; (ii) free and clear of all liens and encumbrances other than those permitted by Landlord as further set forth in Section 12.06; and (iii) Tenant shall deliver all keys and access control devices/components for the Improvements in Landlord's possession and control. Landlord's acceptance of surrender of the Premises by Tenant shall only arise from, and must be evidenced by, written acknowledgment of acceptance of surrender signed by Landlord. No other act or conduct of Landlord shall be deemed to be an acceptance by Landlord. Should Tenant fail to surrender the Premises as detailed above, Landlord will have the right to perform said obligation, at Tenant's expense. Upon or immediately prior to the surrender of the Premises to the Landlord, Tenant shall ensure that the Land and the Improvements located thereon are in a reasonably acceptable operating condition for continued commercially reasonable operations on the Property subsequent to the surrender thereof to Landlord.

Section 8.02 Holding Over.

Tenant acknowledges that possession of the Premises must be surrendered to Landlord upon the date of Lease Termination. Tenant agrees to indemnify Landlord against and hold Landlord harmless from all costs, claims, loss or liability resulting from the failure or avoidable delay by Tenant in so surrendering the Premises. If Tenant remains in possession of the Premises after a Lease Termination, with Landlord’s consent, then Tenant’s possession will create a month-to-month tenancy, subject to all terms and conditions of this Lease. Such month-to-month tenancy may be terminated by either Party by giving at least thirty (30) days prior written notice. Nothing herein contained shall be deemed to permit Tenant to retain possession of the Land after the expiration or sooner termination of the Term. If Tenant remains in possession of the Premises after expiration or sooner termination of this Lease, then Tenant shall be a tenant-in-sufferance, subject to all the terms and conditions of this Lease, except that Minimum Monthly Rent shall be subject to an automatic increase of:

- (a) One Hundred and Fifty percent (150%), of the monthly amounts paid in the last full calendar month of the Term;
- (b) Landlord shall be entitled to terminate the tenancy immediately without notice and to recover all actual and consequential damages resulting from Tenant’s failure to surrender the Premises. This provision shall survive the expiration or sooner termination of this Lease.

Section 8.03 Abandoned Property.

Any personal property of Tenant or any occupant which remains on the Premises after the date of Lease Termination and the removal of Tenant or other occupant from the Premises may, at the option of Landlord, be deemed to have been abandoned, and may be retained by Landlord as its property or be disposed of, without accountability and at the Tenant’s sole cost and expense.

Section 8.04 Landlord Not Responsible for Loss or Damage.

Upon Lease Termination, Landlord shall not be responsible for any loss or damage occurring to any property owned by Tenant, any sub-Tenant, any space Tenant or any other occupant.

Section 8.05 Provisions of This Article Survive Termination.

The provisions of this Article 8 shall survive any Lease Termination.

**ARTICLE 9
INSURANCE**

Tenant shall, at all times during the Term, at its sole cost and expense, procure and maintain in full force and effect a policy or policies as follows:

Section 9.01 Special Cause of Loss Property Insurance CP10 30 (or equivalent).

Tenant will maintain a policy of “Special Form” or “Special Cause of Loss” insurance on form CP10 30 (or equivalent) covering loss of or damage to all of the Improvements and all

furniture, fixtures, equipment and other property then located in the Premises, in an amount not less than the full replacement cost of this property (the “**Tenant’s Property Insurance**”). With respect to the Tenant’s Improvements only, the Tenant’s Property Insurance will name Tenant and Landlord as loss payees, as their interests may appear.

Section 9.02 Commercial General Liability Insurance CG00 01 04 13 (or equivalent).

Tenant will provide and maintain throughout the term of this Lease a policy of commercial general liability (bodily injury and property damage) insurance Form CG00 01 04 (or equivalent), including broad form coverage of property damage, contractual liability for insured contracts and personal injury (including bodily injury and death), to be on the so-called “occurrence” form containing minimum limits per occurrence of not less than ONE MILLION DOLLARS (\$1,000,000.00) with not less than a TWO MILLION DOLLARS (\$2,000,000.00) general aggregate for any policy year with a deductible not in excess of FIFTY THOUSAND DOLLARS (\$50,000.00) or such other commercially reasonable and available deductible (the “Liability Policy”).

In addition, at least TEN MILLION DOLLARS (\$10,000,000.00) excess and/or umbrella liability insurance shall be obtained and maintained for any and all claims, including all legal liability imposed upon Tenant and all related court costs and attorneys' fees and disbursements.

The Liability Policy must insure against liability arising on the Premises and out of the ownership, use, occupancy, or maintenance of the Premises or the business conducted on the Premises, including liability arising from the negligence or other acts or omissions of all insured and additional insured parties.

Landlord will each be an additional insured under the Liability Policy. The coverage provided to the additional insureds must be primary and non-contributory. Notwithstanding the limits of liability provided above, if Tenant carries insurance coverage with limits higher than the limits required in this Lease, Landlord will be an additional insured as to the full coverage limits actually carried by Tenant.

Section 9.03 Worker’s Compensation

Worker’s compensation insurance, as required by the NRS, and including employer’s liability insurance. Employer’s liability limits shall be at least ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) per occurrence and for occupational disease. All repairs and replacements made by Tenant shall be at least equal in quality and class to the original work and shall be completed in compliance with all Applicable Laws and ordinances. In order to protect and preserve the attractiveness, integrity, quality and value of the Premises, Tenant shall make or require to be made all necessary repairs to the interior and exterior of the Premises, including but not limited to, driveways, parking, landscaping, walkways, exterior portions of the Improvements, balconies, terraces, patios, paint, glass, windows, structural and non-structural. The term “**repairs**” includes all necessary repairs, replacements, renewals and alterations to the Premises. All repairs and replacements made by Tenant shall be at least equal in quality and class to the original work and shall be completed in compliance with all Applicable Laws and ordinances. In the event that Tenant fails to undertake such repairs and maintenance,

Landlord may after giving Tenant reasonable written notice, undertake any necessary repairs and maintenance to the exterior improvements at the sole cost and expense of Tenant.

Section 10.02 Standard of Care.

Notwithstanding anything to the contrary herein, Tenant's obligations under this Article 10 shall in all case be subject to maintaining the Premises to a condition substantially commensurate with or better than those other facilities within the applicable sub-market area for similar uses that are new at the time of construction or any new alteration of existing facilities at the time of construction, subject to ordinary wear and tear and casualty. The necessity for and adequacy of repairs to the Premises and the fixtures, improvements and equipment therein shall be measured by the standard which is appropriate for buildings of similar construction and class, provided that Tenant shall in any event make all repairs necessary to avoid any structural damage or injury to the Improvements.

Section 10.03 Tenant to Maintain Certain Adjoining Areas.

Tenant shall maintain all portions of the Premises, and the sidewalks, curbs, entrances, passageways and all area adjoining the same in a clean and orderly condition, free of dirt, rubbish and unlawful obstructions.

Section 10.04 Tenant Assumes Responsibility for Premises.

Tenant hereby assumes responsibility for the condition, operation, repair, replacement, maintenance and management of the Premises.

Section 10.05 Project Reserves.

(a) Purpose. During the Term of this Lease the Improvements to be constructed by Tenant will require regular maintenance and repairs and, in addition, periodic replacements and upgrading of worn and outdated equipment, fixtures, systems, and other components of the Premises ("**Replacements**") from time to time in order to maintain the Premises in operable, fully occupied, and competitive condition. Therefore, Tenant agrees to establish reserves as provided herein as required to fund the Replacements, excluding the costs of ordinary maintenance and repairs.

(b) Reserves. Exclusive of Base Rent, or any other charges due under this Lease, a reserve account (the "**Reserve Account**") shall be established by Tenant with Landlord (the "**Account Holder**") commencing the earlier of ten (10) years from the Effective Date or the ten (10) years from the date of the earliest any discrete improvement receiving a temporary certificate of occupancy or final certificate of occupancy; provided, however, Tenant shall not be required to maintain a Reserve Account during any period when a reserve account is in fact maintained pursuant to the terms of a bona fide Leasehold Mortgage encumbering Tenant's Leasehold Estate held by a Leasehold Mortgagee of which notice has been given to Landlord pursuant to Section 19.01(a), including appropriate documentation reasonably required by Landlord, which reserve account is for substantially the same purposes and amounts as the Reserve Account required hereby. The terms of any reserve required by Tenant's Leasehold Mortgagee shall be binding on

the parties and replace any inconsistent terms of this Section 10.05. If for any reason a reserve account held by a Leasehold Mortgagee is terminated or is not maintained or fully funded pursuant to the terms of the Leasehold Mortgage during any period when a Reserve Account is otherwise required hereunder, Tenant shall immediately establish and thereafter maintain a Reserve Account in accordance herewith and any material lapse in maintaining a Reserve Account in accordance with this Section 10.05 shall constitute a Default under this Lease.

(c) Plan. Whenever a Reserve Account is required under this Lease, Tenant shall employ, at Tenant's expense, a qualified firm of certified public accountants, or other qualified company, in either case regularly engaged in performing replacement needs studies for commercial properties substantially similar to the Premises, unaffiliated with Tenant and reasonably satisfactory to Landlord. The firm shall prepare a replacement needs study setting forth for each material component of the Premises the estimated date and future cost of required replacement or material upgrading, on an estimated monthly schedule for the following ten years ("Plan"). The Plan shall be updated annually and may be amended at any time at the request of either Landlord or Tenant, subject to the reasonable written consent of the other, to add or accelerate or delete or delay any Replacement. Any continuing contractual relationship or other relationships, such as regular auditing engagements (financial or otherwise), shall be deemed an affiliation under this paragraph. Notwithstanding anything to the contrary herein, the Plan shall not require, nor shall the Reserve Account be required to be funded, by amounts greater than that customarily carried by other property owners with improvements similar to the Improvements located in the sub-market area for the Premises.

(d) Reserve Account. The Reserve Account hereunder shall be held at and disbursed by a federally or state chartered financial institution ("Account Holder"). Such Account shall be maintained under depository arrangements reasonably satisfactory to Landlord, consistent with the terms of this Section 10.05, and as required by such Account Holder, solely for the purpose of funding the costs of Replacements in accordance with this Section 10.05, not including any expenses of ordinary maintenance and repairs. A Reserve Account may be held by a Leasehold Mortgagee who also satisfies the requirements of this Section 10.05(d), provided that any lien in favor of such Leasehold Mortgagee shall be subject to all the terms and conditions of this Lease relating to such Account.

(e) Deposits. On or before the date the Reserve Account is required to be established, Tenant shall deposit therein an amount equal to one-half of the total Replacement Cost for the following twelve-month period as estimated by the Plan (the "Base Deposit"); and on the first day of each calendar month thereafter a sum equal to one-twelfth of the estimated total Replacement Cost for such twelve-month period (the "Monthly Deposit"). It is intended that the Monthly Deposit shall be the primary source of payment for Replacements (not required by any casualty) in accordance with the Plan and that the Base Deposit shall equal one-half of the annual estimated Replacement Costs from time to time and be held to fund any Replacements not covered by the Monthly Deposits. The Plan shall be updated at least annually, and the Base Deposit and the Monthly Deposits adjusted to comply with this subparagraph (e), including an additional cash deposit by Tenant in order that the Base Deposit complies herewith. Any failure by Tenant to make

any deposit required hereunder shall constitute a Default under this Lease on the same terms as a failure to pay Rent.

(f) Disbursements. The Account Holder shall disburse to Tenant not more often than monthly an amount equal to the costs paid by Tenant for Replacements (the “Work”) in accordance with the Plan, upon presentation of documents evidencing:

(i) Substantial completion of the Work, lien free and acceptance thereof by Tenant, together with a certification of substantial completion by Tenant;

(ii) Receipts for payment signed by the contractors or vendors, waiving any lien rights with respect to the Work Any such contractor or vendor shall be independent of and unaffiliated with Tenant; and the price paid shall be reasonable and no more than a competitive market price. In addition, the Account Holder shall pay its own fees and expenses monthly from the Reserve Account. Any interest earned on the Reserve Account shall be added to the Reserve Account.

(g) Assignment. If Tenant shall transfer or assign its interest in the Leasehold Estate in accordance with the requirements of this Lease, or pursuant to any foreclosure or assignment in lieu thereof or similar transaction, or if this Lease is terminated for any reason and replaced by a New Lease, any Reserve Account shall be deemed transferred to the new Tenant or other transferee. If this Lease is terminated and not replaced by a New Lease or otherwise, any Reserve Account shall be deemed transferred and belong to Landlord as compensation to Landlord for the cost of performing any Replacements required by the Plan and left unperformed by Tenant. Landlord and Tenant shall execute any documents or instruments required to effectuate or evidence such transfer.

ARTICLE 11

Tenant shall indemnify Landlord from and against all claims, actions, suits, proceedings, liability, damages, costs or expenses, including reasonable attorneys’ fees and experts’ fees and court costs, arising from Tenant’s violation of any Environmental Laws. All Improvements shall be constructed in accordance with Applicable Laws at Tenant's sole expense. All construction, alterations, additions, or improvements shall be performed and completed diligently and in a good and workmanlike manner, free from defects of any kind and nature. Liens for labor and materials supplied shall be subject to the terms of Section 12.06 below.

Section 12.02 Approvals Process.

In each instance in this Lease in which Landlord's prior written approval is required, such approval shall not be unreasonably withheld, conditioned or delayed. Landlord shall use commercially reasonable efforts to respond to any request for approval within thirty (30) business days after receiving Tenant's written request for such approval, along with any required accompanying plans, specifications, data or other information; provided that Landlord shall use commercially reasonable efforts to respond to any request for approval with respect to the Improvements within thirty-five (35) business days. In the event Landlord fails to respond within the applicable time period, Tenant may deliver to Landlord a written second request for approval, labeled as such. If Landlord fails to respond to the second request for approval within five (5) business days after written receipt, Landlord's failure to respond shall be deemed approval of the applicable request for approval. Upon reasonable advance notice, during Landlord's review period, Tenant agrees to pay to Landlord one thousand dollars (\$1,000.00) per approval request and to meet with Landlord's designated representative(s) to review such request for approval. In the event Landlord disapproves the matter which is the subject of Tenant's request, Landlord shall provide reasonable detail regarding the basis for such disapproval.

Section 12.03 Permits and Approvals.

Tenant shall be solely responsible for obtaining, at its sole cost and expense, the approval of Clark County, Nevada, and the Nevada State Public Works Division ("**SPWD**") (and any other Governmental Authority or agencies with jurisdiction over the Premises) for any Entitlements necessary to permit the development, construction and operation of any Improvements in accordance with this Lease. Notwithstanding the foregoing, if it is necessary that Tenant apply for and prosecute any required governmental review processes for a general plan amendment, rezoning, variance, use permit or similar approval only through and in the name of Landlord, then Landlord shall not be unreasonably withhold, condition or delay its consent and cooperation in such process, including execution and acknowledgement of submittals, at no cost to Landlord. Landlord, at no cost or expense to itself, shall reasonably cooperate with Tenant to the extent

reasonably required to obtain the approval of Clark County, Nevada, or SPWD for any proposed Improvements approved by Landlord hereunder. Tenant shall reimburse Landlord for any out-of-pocket expenses incurred by Landlord in connection with such cooperation, which reimbursement shall be due and payable by Tenant to Landlord upon demand, provided that Tenant requested such cooperation and agreed to reimburse such expenses in writing. Nothing contained herein, however, shall permit or be deemed to permit Tenant to use the Premises for any purpose not expressly permitted under Article 14.

Section 12.04 Compliance with NRS Chapter 108

Tenant shall take all actions necessary under Nevada law to ensure that no liens encumbering Landlord’s interest in the Premises arise as a result of Tenant’s work, which actions shall include, without limitation, the recording of a notice of posted security in the Official Records of Clark County, Nevada, in accordance with NRS § 108.2403, and either (i) establishing a construction disbursement account pursuant to NRS § 108.2403(1)(b)(1), or (ii) furnishing and recording, in accordance with NRS § 108.2403(1)(b)(2), a surety bond for the prime contract for Tenant’s work at the Premises that meets the requirements of NRS § 108.2415. Tenant shall notify Landlord immediately upon the signing of any contract with a prime contractor for Development or the construction, alteration, or repair of any portion of the Premises. Tenant may not begin any development or any alteration or other work in the Premises until Tenant has delivered evidence satisfactory to Landlord that Tenant has complied with the terms of this Section 12.04. Failure by Tenant to comply with the terms of this Section 12.04 shall permit Landlord to declare Tenant in default and to terminate this Lease. Tenant’s failure to comply with the bond and security requirements of NRS § 108.2403 and NRS § 108.2407 within fifteen (15) days of the applicable statutory periods shall permit Landlord to discharge the lien and entitle Landlord to immediate reimbursement by Tenant. Tenant acknowledges and agrees that Landlord may record a notice of non-responsibility in accordance with NRS § 108.235.

Section 12.05 Tenant Shall Not Create or Permit Lien.

Tenant shall not create or permit to be created or to remain, and shall discharge any lien, encumbrance or charge which might be or become a lien, encumbrance or charge upon the Premises or the income arising from the Premises. Tenant shall neither take, nor permit, any action which impairs Landlord’s interest in the Premises, including but not limited to, the income from the Premises.

Section 12.06 Mechanic’s Liens.

Tenant shall pay or cause to be paid all costs for work done by Tenant or caused to be done by Tenant on the Premises, and Tenant shall keep the Premises free and clear of all mechanics’ liens and material men’s liens and other liens arising from work done or materials supplied to Tenant or persons claiming under Tenant (collectively, “**Mechanics’ Liens**”). Tenant shall have the right to contest any lien or other encumbrance in good faith by appropriate judicial proceedings

so long as: (i) the proceeding operates to stay an execution or foreclosure on the lien; and (ii) Tenant diligently pursues the contest to its conclusion. In any event, Tenant shall indemnify, defend, and hold Landlord harmless for, from, and against any and all liability, loss, damage, costs, attorneys' fees, and all other expenses arising from all Mechanics' Liens. In addition, Tenant shall keep Tenant's leasehold interest and the Improvements free and clear of all liens of attachment or judgment liens (collectively, "**Judgment Liens**"). Tenant shall cause any Mechanics' Liens or Judgment Liens to be discharged (by bonding or otherwise) within ninety (90) days after demand by Landlord. If Tenant fails to do so, then Landlord may pay or otherwise discharge the lien and immediately recover all amounts expended (together with interest thereon at the Overdue Rate from the date of payment) from Tenant. If, at the end of the Term, a Mechanics' Lien or Judgment Lien is attached to the Premises, Tenant shall cause such Mechanics' Lien or Judgment Lien to be paid, discharged, bonded, or cleared from title.

Section 12.07 Tax Increment Financing.

(a) Tenant shall have the right, at its sole cost and expense, to apply for, negotiate, and obtain TIF or any other form of public financing or subsidies available for the development, redevelopment, or improvement of the Premises, or any part thereof, as permitted under this Lease with the aim of enhancing the value and utility of the Premises in accordance with the approved use as stipulated in this Lease.

(b) Landlord agrees to cooperate with Tenant in its efforts to obtain TIF. Such cooperation shall include, but not be limited to, the execution of documents necessary for the application and securing of TIF, provided that (i) such documents do not require the Landlord to assume any financial obligation or liability, present or future, without its prior written consent, and (ii) Tenant agrees to reimburse the Landlord for any reasonable out-of-pocket costs incurred in connection with such cooperation, and (iii) any applicable terms, requirements or obligations of the TIF do not create a title encumbrance or other encumbrance or similar against the Fee Estate.

(c) Landlord agrees not to take any action that would adversely affect the Tenant's ability to obtain TIF, including, but not limited to, actions that would change the zoning or land use of the Premises in a manner that would disqualify the Premises from eligibility for TIF.

(d) Tenant agrees that any TIF proceeds or other public financing obtained shall be used exclusively for the purposes for which such financing was obtained, as specified in the TIF Agreement, and in a manner that is consistent with the approved use of the Premises under this Lease.

(e) Tenant shall indemnify, defend, and hold the Landlord harmless from and against any and all losses, liabilities, damages, expenses, and claims arising out of or related to the Tenant's application for, receipt, or use of TIF, except to the extent caused by the Landlord's negligence or willful misconduct.

(f) Any payments made by Landlord with respect to such tax increment financing shall be included within the definition of Taxes as set forth in Section 7.01 of this Lease.

This indemnity shall survive the assignment, expiration, or termination of this Lease.

Section 13.03 Obligation to Notify.

If either Party shall become aware of or receive notice or other communication concerning any actual, alleged, suspected or threatened violation of Environmental Laws or liability for Environmental Laws in connection with the Premises, that Party shall deliver to the other Party, within fourteen (14) days of the receipt of notice or other communication, a written description of the violation, liability or actual or threatened event or condition, together with copies of any documents evidencing the same.

As further set forth in the Development Guidelines, Landlord agrees, upon request of Tenant, to sign promptly and without charge any applications for such licenses and permits as may be required to comply with Section 14.04 of this Lease, where the signature of Landlord or owner is required by Applicable Laws in force at the time. The cost of obtaining any such licenses and permits shall be borne by Tenant. Tenant shall indemnify, defend, save and hold harmless Landlord its officers, employees and agents from and against all liability, claims, losses, costs and expenses, including attorneys' fees, which Landlord may incur by reason of having signed any such applications.

Section 14.05 Compliance with Laws.

Tenant shall obey, perform and comply with any and all Applicable Laws existing at any time during the Term in any way affecting the Land, or the use or condition of the Land, including the construction, alteration or demolition of the Improvements, or in any other way affecting this Lease. Tenant shall have the right to contest in good faith the validity and/or applicability of any such Applicable Laws.

Section 14.06 Tenant Shall Not Cause Insurance Rates to Increase.

Tenant shall not use nor permit the Premises to be used in any way which will independently increase the rate or rates of insurance upon any adjacent buildings or property owned or used by Landlord or which will independently cause a cancellation of one or more of Landlord's insurance policies.

**ARTICLE 15

Section 15.01 Landlord Has Right to Enter Premises.

In addition to Landlord's right of entry under any other provision of this Lease, Tenant shall permit Landlord and its authorized representatives to enter upon the Land at all reasonable times on reasonable prior notice for the purpose of (a) inspecting, surveying, measuring or preserving the same, and (b) making any necessary repairs and performing any work that may be necessary by reason of Tenant's failure to make the repairs or perform the work, and any other

Nothing herein contained shall create or imply any duty upon the part of Landlord to make repairs or do the work. Landlord hereby reserves for itself, its contractors, employees, agents, suppliers, purveyors, customers, licensees, and invitees of each of them, a nonexclusive license over, upon and across all access, sidewalks and driveway portions of the Land, for vehicular and pedestrian ingress, egress and access.

Section 15.02 Entry is Not Termination.

Any entry or re-entry by Landlord on the Premises shall not cause a termination of this Lease, unless termination is specifically intended by Landlord as clearly and convincingly evidenced by a written notice to Tenant that Landlord intends to terminate this Lease.

**ARTICLE 16

As a material part of the consideration to Landlord, Tenant assumes all risk of damage to property or injury to persons in or about the Premises during the Term, except for those caused by gross negligence or willful misconduct of Landlord or its agents or employees. Notwithstanding any provision of this Lease to the contrary, this indemnity shall survive expiration or earlier termination of this Lease.

All insurance money paid pursuant to the terms of this Lease on account of damage or destruction, less the actual cost, contractor fees, and miscellaneous fees and expenses, if any, incurred in connection with the adjustment of the loss, shall be held in an escrow account and applied to the payment of the cost of demolition, restoration, repairs, replacement, rebuilding or alterations, including the cost of temporary repairs or the protection of property pending the completion or permanent restoration, repairs, replacements, rebuilding or alterations.

Section 17.03 Except for the Provisions of this Article, Tenant to Remain Liable.

Except as provided in this Article 17, no destruction of, or damage to, the Premises or any part thereof by fire or any other casualty shall permit Tenant to surrender this Lease or shall relieve Tenant from any of its other obligations under this Lease.

Section 17.04 Loss Proceeds

All insurance proceeds collected under the insurance referred to in this Lease shall be held by Tenant or deposited with the Leasehold Mortgagee to be made available to Tenant for repairs and restorations of the Premises required to be made by Tenant hereunder. The Leasehold Mortgagee shall pay out such funds from time to time upon the written direction of Tenant, provided the Leasehold Mortgagee and Landlord shall first be furnished with waivers of lien, contractors and subcontractors sworn statements and such other evidence of costs and payments so that the Leasehold Mortgagee can verify that the amounts disbursed from time to time are represented by completed in-place work and that said work is free and clear of possible mechanic's liens. Any excess funds remaining with the Leasehold Mortgagee after the completion of such repair or restoration of the Premises shall be paid to Tenant. Rent hereunder shall not abate and Tenant shall remain liable for the payment of Rent during the period of any restoration. Notwithstanding the foregoing to the contrary, in the event Tenant encumbers its interest in the Premises, insurance proceeds may be disbursed in accordance with the terms and provisions of such Leasehold Mortgage, and Leasehold Mortgagee may, in its reasonable discretion, direct that any such insurance proceeds be applied to the repayment of Tenant's indebtedness to Leasehold Mortgagee.

Section 17.05 Rights of Leasehold Mortgagee.

Notwithstanding anything in this Lease to the contrary, all of the provisions contained in this Article 17 are subject to the right of any Leasehold Mortgagee to require, if provided for in such Leasehold Mortgage, that all insurance proceeds either be paid to the Leasehold Mortgagee to be applied to the debt secured thereby or be used by Tenant to repair and/or rebuild the Premises in accordance with Section 17.01.

**ARTICLE 18
EMINENT DOMAIN**

Section 18.01 Partial Taking.

(a) In the event of a Partial Taking of the Premises during the Term of this Lease which takes any portion of the Premises, the following shall occur: (i) the rights of Tenant under this Lease and the Leasehold Estate of Tenant in and to the portion of the Premises taken shall cease and terminate as of the Date of Taking; and (ii) this Lease shall otherwise continue in full effect, except that Base Rent shall be reduced as set forth below. Tenant shall, promptly after any such Taking, at its expense, repair any damage caused thereby so that, thereafter, the Premises shall be, as nearly as reasonably possible, in a condition as good as the condition thereof immediately prior to such Taking. In the event of any such Partial Taking, Landlord shall make an amount equal to that portion of the Award that is attributed to any building or other improvement then situated on the Land (but not any portion of the Award attributed to the Land) available to Tenant to make such repair. Any portion of the Award attributed to the Land shall be and remain the property of Landlord and in no event shall Tenant have any right to receive or share in any portion thereof. Any amount of the Award retained by Landlord and any amount of the Award delivered to Tenant remaining after such repairs have been made shall remain the property of Landlord, and shall, to the extent previously paid by Landlord to Tenant, be repaid by Tenant to Landlord. After such repairs have been completed, Base Rent shall be reduced by the product of the Base Rent multiplied by a fraction (the “**Rent Reduction Percentage**”), the denominator of which is the total land area of the Land prior to the Taking and the numerator of which is the total land area of the Land subject to the Taking.

(b) In the event of any temporary Partial Taking, Tenant shall be entitled to the entire Award and there shall be no reduction in rent. A temporary Partial Taking shall mean a Taking for no more than ninety (90) days.

Section 18.02 Significant Taking.

(a) In the event of a Significant Taking of the Premises during the Term of this Lease, after which Landlord and Tenant reasonably determine that Tenant can effectively continue its business in the Premises, the following shall occur: (i) the rights of Tenant under this Lease and the Leasehold Estate of Tenant in and to the portion of the Premises taken shall cease and terminate as of the Date of Taking; and (ii) this Lease shall otherwise continue in full effect, except that Base Rent shall be reduced as set forth below. Tenant shall, promptly after any such Taking, at its

expense, repair any damage caused thereby so that, thereafter, the Premises shall be, as nearly as possible, in a condition as good as the condition thereof immediately prior to such Taking. In the event of any such Significant Taking, Landlord shall make an amount equal to that portion of the Award that is attributed to any building or other improvement then situated on the Land (but not any portion of the Award attributed to the Land) available to Tenant to make such repair. Any portion of the Award attributed to the Land shall be and remain the property of Landlord and in no event shall Tenant have any right to receive or share in any portion thereof. After such repairs have been completed, Base Rent shall be reduced by the Rent Reduction Percentage.

(b) In the event of a Significant Taking of the Premises during the Term of this Lease, after which Landlord and Tenant reasonably determine that Tenant cannot effectively continue its business in the Premises, the provisions of Section 18.03 shall apply.

Section 18.03 Total Taking.

In the event of a Total Taking, Tenant's Leasehold Estate shall terminate as of the Date of Taking and all rights and obligations of Landlord and Tenant hereunder shall terminate except for the rights and obligations under this Section 18.03 and those that otherwise survive termination of this Lease. Tenant and Landlord shall each be entitled to separately pursue any and all condemnation Awards to which they may legally be entitled with respect to the Premises and such Taking.

Section 18.04 Rights of Leasehold Mortgagee.

Notwithstanding anything in this Lease to the contrary, all of the provisions contained in this Article 18 are subject to the right of any Leasehold Mortgagee to require, if provided for in such Leasehold Mortgage, that all condemnation proceeds be paid to the Leasehold Mortgagee to be applied to the debt secured thereby.

**ARTICLE 19
LEASEHOLD MORTGAGES.**

Section 19.01 Tenant's Right to Grant Leasehold Mortgages

(a) Notwithstanding anything in this Lease to the contrary, Tenant has the absolute and unconditional right, without Landlord's consent, at any time and from time to time during the Term, to: (1) execute and deliver one or more Leasehold Mortgage(s) encumbering this Lease and the Leasehold Estate (or the direct or indirect equity interests in Tenant in connection with a Mezzanine Financing (defined below)); (2) assign this Lease and the Leasehold Estate to a Leasehold Mortgagee as collateral security; and (3) assign any or all of Tenant's rights under this Lease to any Leasehold Mortgagee. Landlord shall not be required to join in, or "subordinate" the Fee Estate nor shall Tenant or any Leasehold Mortgagee be obligated to subordinate its Leasehold Estate or interest therein to any Mortgage of the Fee Estate. So long as such Leasehold Mortgage complies with the definition in this Lease of Leasehold Mortgage, there shall be no limit on the amount or nature of any obligation secured by a Leasehold Mortgage; the purpose for which the proceeds of any such financing may be applied; the nature or character of any Leasehold

Mortgagee; or the creation of participation or syndication interests in or to any Leasehold Mortgage. Leasehold Mortgages may secure construction, permanent, purchase-money, multi-property, general corporate, or any other financing or obligations of any kind. No Leasehold Mortgagee shall be entitled to any Mortgagee Protections unless and until Notice of the Leasehold Mortgage in question has been given to Landlord together with the name and address of such Leasehold Mortgagee. No Leasehold Mortgage shall attach to: (1) Landlord's interest in this Lease or in the Fee Estate; (2) Landlord's interest in any New Lease and the Fee Estate thereunder; (3) any judgment arising from Tenant's breach of this Lease; or (4) Landlord's rights and remedies under this Lease. Any Successor Tenant pursuant to a Foreclosure Event shall succeed only to the Leasehold Estate under this Lease.

(b) Tenant's making of a Leasehold Mortgage shall not be deemed to constitute an assignment or transfer of the Leasehold Estate, nor shall any Leasehold Mortgagee, as such, or in the exercise of its rights under this Lease, be deemed to be an assignee, transferee, or mortgagee in possession of the Leasehold Estate so as to require such Leasehold Mortgagee, as such, to assume or otherwise be obligated to perform any of Tenant's obligations under this Lease except when, and then only for so long as, such Leasehold Mortgagee has acquired ownership and possession of the Leasehold Estate pursuant to a Foreclosure Event under its Leasehold Mortgage (as distinct from its exercise of Leasehold Mortgagee's Cure Rights).

(c) Upon request by Tenant or by any existing or prospective Leasehold Mortgagee, Landlord shall, at Tenant's reasonable expense, deliver to the requesting party such documents and agreements as the requesting party shall reasonably request to further effectuate the intentions of the Parties as set forth in this Lease, including a separate written instrument in recordable form signed and acknowledged by Landlord setting forth and confirming, directly for the benefit of specified Leasehold Mortgagee(s), any or all rights of Leasehold Mortgagees.

(d) Notwithstanding anything to the contrary in this Lease, any Foreclosure Event under any Leasehold Mortgage, or any exercise of rights or remedies under or pursuant to any Leasehold Mortgage, including the appointment of a receiver, shall not in and of itself be deemed to violate this Lease or, in and of itself, entitle Landlord to exercise any rights or remedies, but the foregoing shall not limit Landlord's rights and remedies (subject to all other Mortgagee Protections) if any Default occurs.

(e) If Tenant enters into any Leasehold Mortgage that complies with the definition of such term in this Lease, then the Leasehold Mortgagee under such Leasehold Mortgage shall be entitled to all Mortgagee Protections (as against both Landlord and any successor holder of the Fee Estate) from and after such date as Tenant or the Leasehold Mortgagee has given Landlord Notice of such Leasehold Mortgage and Leasehold Mortgagee. No change of address of such Leasehold Mortgagee, or assignment of such Leasehold Mortgage, shall be effective against Landlord unless and until such Leasehold Mortgagee shall have given Landlord Notice of such change or assignment.

(f) If a Leasehold Mortgagee is entitled to Mortgagee Protections, then such entitlement shall not terminate unless and until such time, if any, as either (1) the Leasehold

Mortgage shall have been satisfied and discharged of record, except through a Foreclosure Event; (2) such Leasehold Mortgagee has consented in writing to the termination of its Mortgagee Protections; or (3) after Landlord has complied with the applicable Mortgagee Protections, Landlord has validly terminated this Lease, no Leasehold Mortgagee has validly requested (and is entitled to) a New Lease, and the New Lease Option Period has expired.

(g) Landlord shall, upon written request, acknowledge receipt of the name and address of any Leasehold Mortgagee (or proposed Leasehold Mortgagee) and confirm to such party that such party is or would be, upon closing of its loan to Tenant or its acquisition of an existing Leasehold Mortgage, a Leasehold Mortgagee (in compliance, as of the date of such confirmation, with the definition of such term, including all applicable conditions and requirements set forth in such definition) entitled to all Mortgagee Protections as provided in this Lease. Such confirmation may, in Landlord's discretion, be conditioned upon Landlord's receipt and verification of evidence reasonably satisfactory to Landlord that the Person seeking such confirmation is entitled to such confirmation pursuant to this Lease.

(h) Landlord shall, without cost to Landlord (Tenant shall pay all reasonable, actual third party costs, including reasonable attorney fees, associated with the entry into such agreement), at any time and from time to time, within twenty (20) calendar days after written request by Tenant or any Leasehold Mortgagee, duly execute, and deliver to Tenant or any Leasehold Mortgagee (other than a Leasehold Mortgagee which is an Affiliate of Tenant), the Leasehold Financing Agreement in the form of **Exhibit G** attached hereto or such other commercially reasonable and substantially similar form as may be reasonably requested in writing by a Leasehold Mortgagee, in each event in recordable form; provided that, in either case, Landlord shall have the right to revise the factual statements therein to reflect the actual then-existing circumstances.

(i) Tenant may from time to time by written notice to Landlord designate as a Leasehold Mortgagee any Lender that provides bona fide financing to Tenant or Tenant's principals or constituent entity(ies) secured by a pledge of up to one hundred percent (100%) of the direct or indirect equity interests in Tenant (any such financing being referred to herein as "**Mezzanine Financing**") and any Lender holding interests of the lender in any Mezzanine Financing being referred to herein as a "**Mezzanine Lender**"). Such notice shall state the name and address of such Mezzanine Lender and shall include a copy of the Leasehold Mortgage and the UCC financing statement(s) to be filed in connection with the Mezzanine Financing provided or held by such Mezzanine Lender. Notwithstanding any provision herein to the contrary, upon Landlord's receipt of such notice, such Mezzanine Lender so designated shall be a Leasehold Mortgagee and shall have all the rights of a Leasehold Mortgagee hereunder; provided, that Tenant or such Mezzanine Lender shall have performed all obligations on the part of Leasehold Mortgagee hereunder; provided, however, that any provisions of this Article 19 that make reference to the foreclosure of mortgages shall be deemed to refer instead to the foreclosure of the pledge of equity interests securing such Mezzanine Financing.

(j) During the Term of this Lease, (a) Landlord shall not mortgage, pledge or encumber the Fee Estate unless the fee Mortgage or other instrument creating such encumbrance is expressly subordinate to this Lease, Tenant's Leasehold Estate and interest under this Lease, and (b) no Leasehold Mortgage shall ever be subordinate to any Mortgage of the Fee Estate.

(k) Landlord and Tenant shall, upon written request, make reasonable modifications to this Lease as may be required from time to time by any Leasehold Mortgagee, provided such modifications do not reduce Tenant's financial obligations, including without limitation the payment of Rent as and when due, shorten or extend the Term, or materially and adversely impact the rights and obligations of Landlord under this Lease.

ARTICLE 20 OPERATIONAL PROTECTIONS FOR LEASEHOLD MORTGAGEES.

Notwithstanding anything to the contrary in this Lease, but subject to Section 19.01(e), if Tenant at any time or from time to time enters into any Leasehold Mortgage, and Tenant or a Leasehold Mortgagee has given Landlord Notice of such Leasehold Mortgage, then:

(a) No cancellation, termination (including Tenant's termination of this Lease pursuant to any express right of termination in this Lease or under Applicable Law, but excluding termination under Article 17 or Article 18, termination pursuant to the following sentence or termination by lapse of time), surrender, acceptance of surrender, abandonment, amendment, modification, or rejection of this Lease, or other encumbrance on the Fee Estate, shall bind a Leasehold Mortgagee if done without Leasehold Mortgagee's Consent. Nothing in this paragraph shall limit the right of Landlord to terminate this Lease upon the occurrence of a Default and the expiration of all Leasehold Mortgagee's Cure Rights without cure of such Default, subject, however, to (1) the provisions of this Lease that limit the right of Landlord to terminate this Lease on account of Personal Default(s) or certain Nonmonetary Defaults and (2) the right of any Leasehold Mortgagee to obtain a New Lease as provided for in this Lease.

(b) In the event of any arbitration, appraisal, or other dispute resolution proceeding, or any proceeding relating to the determination of Rent or any component of any Rent, or any proceeding relating to the application or determination of any casualty proceeds or Condemnation Awards:

(i) Landlord shall promptly give Notice to each Leasehold Mortgagee of the commencement of such proceeding, which Notice shall enclose copies of all Notices, papers, and other documents related to such proceeding to the extent then given or received by Landlord;

(ii) Landlord shall provide each Leasehold Mortgagee with copies of all additional Notices, papers, and other documents related to such proceeding when and as given or received by Landlord; and

(iii) Leasehold Mortgagee shall, at its sole cost and expense or at the sole cost and expense of Tenant (but at no cost or expense to Landlord), be entitled to

participate in such proceeding. Such participation shall, to the extent required by Leasehold Mortgagee, include (1) receiving copies of all Notices, demands, and other written communications and documents at the same time they are served upon or delivered to Landlord or Tenant; and (2) attending and participating in all hearings, meetings, and other sessions or proceedings relating to such dispute resolution.

(c) If Landlord gives any Notice to Tenant, then Landlord shall, contemporaneously (and by a means permitted by this Lease) give a copy of such Notice to each Leasehold Mortgagee. No Notice to Tenant shall be effective unless and until so given to each Leasehold Mortgagee. No Default, termination of this Lease (other than termination at the Lease Expiration Date or pursuant to Article 17 or Article 18, or other rights or remedies of Landlord predicated upon the giving of Notice to Tenant shall be deemed to have occurred or arisen unless like Notice shall have been so given to each Leasehold Mortgagee at the same time and by the same means, which Notice shall describe in reasonable detail the alleged Default or other event allegedly giving rise to rights of Landlord.

ARTICLE 21 LEASEHOLD MORTGAGEES' NOTICE AND OPPORTUNITY TO CURE.

Notwithstanding anything to the contrary in this Lease, but subject to Section 19.01(e), if Tenant at any time or from time to time enters into any Leasehold Mortgage, and Tenant or a Leasehold Mortgagee has given Landlord Notice of such Leasehold Mortgage, then:

(a) If a Default occurs, then Landlord shall, concurrently with the giving of Notice of such Default to Tenant, promptly after Landlord obtains knowledge of such breach, give each Leasehold Mortgagee Notice of such Default. If a Default occurs, Landlord shall not exercise any remedy until Landlord has given Notice of such Default to any Leasehold Mortgagee and until the curative periods afforded pursuant to Article 21(b) have ended without cure of the applicable Default. Nothing herein contained shall be construed or interpreted as requiring any Leasehold Mortgagee receiving such Notice to remedy such act or omission. Any Leasehold Mortgagee shall have the right, but not the obligation, to perform any obligation of Tenant under this Lease and to cure any Default. Landlord shall accept performance by or at the instigation of a Leasehold Mortgagee in fulfillment of Tenant's obligations, for the account of Tenant and with the same force and effect as if performed by Tenant. No performance by or on behalf of a Leasehold Mortgagee shall cause it to become a "mortgagee in possession" or otherwise cause it to be deemed to be in possession of the Premises or bound by or liable under this Lease.

(b) If any Default occurs, then any Leasehold Mortgagee shall have the same cure period (which cure period for the Leasehold Mortgagee shall commence upon the date Leasehold Mortgagee receives Notice of any such Default) available to Tenant under this Lease, plus the additional time provided for below (regardless of the original time fixed for performance by Tenant), within which to take (if such Leasehold Mortgagee so elects; and no Leasehold Mortgagee

shall have any duty to undertake any Leasehold Mortgagee's Cure of any kind) whichever of the actions set forth below shall apply to such Default:

(i) In the case of a Monetary Default, Leasehold Mortgagee shall be entitled (but not required) to cure such Default within a cure period ending on the later of (x) the end of Tenant's cure period under this Lease or (y) the thirtieth (30th) calendar day after Landlord gives Notice of such Default to Leasehold Mortgagee. Any such cure shall be accompanied by payment to Landlord of interest at the Overdue Rate.

(ii) In the case of any Nonmonetary Default that a Leasehold Mortgagee is reasonably capable of curing without obtaining possession of the Premises (excluding in any event a Personal Default), Leasehold Mortgagee shall be entitled, but not required within a period ending on the later of (x) the final calendar day of Tenant's cure period for the Default (if Tenant is entitled to any such cure period) or (y) the date that occurs one hundred twenty (120) calendar days after Leasehold Mortgagee receives Notice of such Default, to cure such Default; provided, however, if such Nonmonetary Default is inherently not reasonably susceptible to cure within such one hundred twenty (120) calendar day period, such cure period shall be extended to the extent reasonably necessary to cure such Default so long as the Leasehold Mortgagee is proceeding with reasonable diligence to cure such Default.

(iii) In the case of (1) any Nonmonetary Default that is not reasonably susceptible of being cured by a Leasehold Mortgagee without obtaining possession of the Premises or (2) any Personal Default, Leasehold Mortgagee shall be entitled (but not required) to do the following, so long as, for all other Defaults, such Leasehold Mortgagee has exercised or is exercising, within the applicable periods, the applicable Leasehold Mortgagee's Cure Rights as provided in this Lease:

(A) at any time during a period ending on the later of (i) the cure period (if any) applicable to Tenant, or (ii) one hundred twenty (120) calendar days after Landlord gives to the Leasehold Mortgagee Notice of the Nonmonetary Default, Leasehold Mortgagee shall be entitled to institute proceedings to obtain Control of the Premises, and (subject to any stay in any Bankruptcy Proceedings affecting Tenant, or any injunction, so long as such stay or injunction has not been lifted) then with reasonable diligence prosecute the same to completion (but not necessarily within such one hundred twenty (120) calendar day period or, if applicable, cure period of Tenant); and

(B) upon obtaining Control of the Premises (whether before or after expiration of any otherwise applicable cure period), Leasehold Mortgagee or Successor Tenant shall then be entitled (but not required) to proceed with reasonable diligence to cure such Nonmonetary Defaults (excluding Personal Defaults of Tenant, which neither Leasehold Mortgagee nor Successor Tenant need

cure at any time). A Leasehold Mortgagee or Successor Tenant having Control of the Premises shall not be bound by any deadline for completion of any construction or alterations, or other performance, required of Tenant under this Lease, provided that such Leasehold Mortgagee or Successor Tenant shall with reasonable diligence prosecute completion of same and shall cure all Monetary Defaults within the period provided for under this Lease for such cure.

(c) A Leasehold Mortgagee shall not be required to continue to exercise Leasehold Mortgagee's Cure Rights or otherwise proceed to obtain or to exercise Control of the Premises if and when the Default that such Leasehold Mortgagee was attempting to cure shall have been cured. Upon such cure and the cure of any other Defaults in accordance with this Lease, this Lease shall continue in full force and effect as if no Default(s) had occurred. Even if a Leasehold Mortgagee has commenced Leasehold Mortgagee's Cure, such Leasehold Mortgagee may abandon or discontinue Leasehold Mortgagee's Cure at any time, without liability to Landlord or otherwise except with regard to liabilities arising while the Leasehold Mortgagee has Control of the Premises. A Leasehold Mortgagee's exercise of Leasehold Mortgagee's Cure Rights shall not be deemed an assumption of this Lease in whole or in part.

(d) So long as the period for a Leasehold Mortgagee to exercise Leasehold Mortgagee's Cure Rights for any Default has not expired, Landlord shall not (1) re-enter the Premises on account of such Default (but this shall not limit Landlord's right of access to the Premises otherwise provided for under the express terms of this Lease), (2) give any Notice terminating or electing to terminate this Lease, or (3) bring a proceeding on account of such Default to (w) dispossess Tenant or Subtenants under Subleases, (x) reenter the Premises, (y) terminate this Lease or the Leasehold Estate, or (z) otherwise (except as expressly permitted by this Article 21(d) exercise any other rights or remedies under this Lease by reason of such Default. Nothing in the Mortgagee Protections shall, however, be construed to either (i) extend the Term beyond the expiration date provided for in this Lease that would have applied if no Default had occurred, (ii) preclude Landlord from seeking and obtaining actual damages or injunctive and other equitable relief against Tenant on account of such Default, or (iii) require any Leasehold Mortgagee to cure any Personal Default as a condition to preserving this Lease or to obtaining a New Lease (but this shall not limit a Leasehold Mortgagee's obligation to seek to obtain Control of the Premises, and then consummate a Foreclosure Event, by way of the exercise of Leasehold Mortgagee's Cure Rights, if Leasehold Mortgagee desires to preclude Landlord from terminating this Lease on account of a Personal Default).

ARTICLE 22 LEASEHOLD MORTGAGEE'S RIGHT TO A NEW LEASE.

If this Lease terminates before its stated expiration date (including a Default or rejection in a Bankruptcy Proceeding affecting Tenant or any other Person, but excluding a termination, with or without Leasehold Mortgagee's Consent, as the result Article 17 or Article 18, then (in addition to any other or previous Notice required to be given by Landlord to a Leasehold Mortgagee), Landlord shall, within ten (10) Business Days, give Notice of such termination to each Leasehold

Mortgagee that satisfies the conditions of Section 19.01(e), but Landlord shall not be liable for a failure to timely provide such Notice; provided, however, the New Lease Option Period will not commence until such Notice is given. Upon a Leasehold Mortgagee's request given within the New Lease Option Period, Landlord shall enter into a New Lease with New Tenant that is not an Affiliate of Tenant under the terminated Lease, provided that such Leasehold Mortgagee shall, on the New Lease Delivery Date: (1) pay to Landlord any and all sums then due under this Lease as if this Lease had not been terminated including interest at the Overdue Rate; (2) agree to cure all then-uncured Nonmonetary Defaults (other than Personal Defaults of the predecessor Tenant) within a reasonable period after the New Lease Delivery Date with reasonable diligence; (3) provide evidence, reasonably satisfactory to Landlord, that such New Tenant is a New Tenant permitted under this Article 22; and (4) pay to Landlord all sums expended by Landlord, or that Landlord may be liable for, with respect to any Subleases not terminated under Article 22(d). In no event shall any Leasehold Mortgagee or New Tenant be required to cure a Personal Default of Tenant as a condition to obtaining or retaining a New Lease or otherwise. The following additional provisions shall apply to any New Lease:

(a) Any New Lease, any memorandum of a New Lease, and the Leasehold Estate under any New Lease shall be subject to no prior right, lien, encumbrance, or other interest in the Fee Estate. The immediately preceding sentence shall be self-executing.

(b) On the New Lease Delivery Date, Landlord shall pay New Tenant an amount equal to the net operating income derived from the Premises (i.e., gross income from Subleases and other operations conducted at the Premises less Rent and reasonable operating expenses) during the period from the termination date to the New Lease Delivery Date, but only to the extent received by Landlord, provided that New Tenant concurrently pays Landlord all sums required to be paid Landlord pursuant to this Lease upon execution of such New Lease, and not otherwise paid by Landlord from gross income of the Premises.

(c) On the New Lease Delivery Date, Landlord shall assign, without recourse or warranty, to New Tenant all of Landlord's right, title and interest in and to all: (1) moneys, if any, then held by, or payable to, Landlord that Tenant (or Leasehold Mortgagee) would have been entitled to receive but for termination of this Lease; (2) leases affecting any portion of the Premises (which leases, upon such assignment by Landlord to New Tenant, shall become Subleases arising from the Leasehold Estate under the New Lease); and (3) security deposits of Subtenants to the extent held by Landlord.

(d) Between the termination date and the New Lease Delivery Date (or the expiration of the New Lease Option Period, if no Leasehold Mortgagee requests a New Lease): (1) the Parties agree that Landlord will not terminate any Sublease (except if a termination as the result of Article 17 or Article 18 occurs or the Lease term would have expired by virtue of the Lease Expiration Date), (2) no Sublease will be a direct lease with Landlord except as Landlord expressly agrees in writing that such Sublease is a direct lease; (3) Landlord shall not, except with Leasehold Mortgagee's written consent, cancel any such Sublease or accept any cancellation, termination, or surrender of such Sublease (unless such termination shall be effected as a matter of law upon the

termination of this Lease, in which case the applicable Sublease shall, at New Tenant's option, be reinstated as a Sublease arising from the New Lease on the New Lease Delivery Date); or (4) enter into any new leases of the Premises or any portion thereof, except with Leasehold Mortgagee's written consent (which shall not be unreasonably withheld). Nothing contained herein will preclude Landlord from termination of any such Subleases on account of a Default thereunder or preclude termination of any Sublease in accordance with its terms. Landlord will not be required to pay or perform any obligations under any such Subleases and will not be liable to any Person in the event any Sublease is terminated by the applicable Subtenant or such Subtenant claims constructive eviction and shall not be required to assign any such Subleases (or direct leases) to any Person. Landlord will not have any liability under such Subleases. Unless a security or other deposit provided under or with respect to a Sublease (or such direct lease) is actually delivered to Landlord, Landlord will not have any obligation to return or deliver any such deposit to the New Tenant, the Subtenant or any other Person.

(e) If a Leasehold Mortgagee requires Landlord to enter into a New Lease, then such Leasehold Mortgagee shall pay all reasonable expenses, including transfer, documentary, stamp, recording or similar taxes and legal costs incurred by Landlord in connection with any Default and termination of this Lease, recovery of possession of the Premises, and preparation, execution, and delivery of the New Lease and any memorandum of the New Lease requested by New Tenant.

(f) All rights of any Leasehold Mortgagee, and obligations of Landlord, regarding a New Lease shall survive the termination of this Lease for the duration of the New Lease Option Period.

ARTICLE 23

INTERACTION OF MORTGAGES WITH OTHER ESTATES AND PARTIES.

(a) A Leasehold Mortgage shall not encumber or attach to the Fee Estate or affect, limit, or restrict Landlord's rights and remedies under this Lease except as expressly provided in this Lease. Any Leasehold Mortgage shall attach solely to the Leasehold Estate and not the Fee Estate. If this Lease terminates and the New Lease Option Period has expired without any Leasehold Mortgagee requesting a New Lease, then the obligations formerly secured by the Leasehold Mortgage shall no longer be secured by the Leasehold Estate or any portion thereof. Upon a Foreclosure Event under a Leasehold Mortgage, the Leasehold Mortgagee or Successor Tenant shall succeed only to the Leasehold Estate. Any Foreclosure Event under a Leasehold Mortgage shall not extinguish, terminate, or otherwise adversely affect the Fee Estate (subject to this Lease).

(b) If a Leasehold Mortgage expressly limits the related Leasehold Mortgagee's exercise of any Mortgagee Protections, then as between Tenant and such Leasehold Mortgagee the terms of such Leasehold Mortgage shall govern. A Leasehold Mortgagee may, by Notice to Landlord, temporarily or permanently waive any Mortgagee Protections as specified in such Notice. Any such waiver shall be effective in accordance with its terms as against such Leasehold Mortgagee and its successors and assigns. Any such waiver shall not bind any subsequent

Leasehold Mortgagee under a subsequent Leasehold Mortgage granted by Tenant. The exercise of any rights or remedies of a Leasehold Mortgagee under a Leasehold Mortgage, including the appointment of a receiver and the consummation of any Foreclosure Event, shall not constitute a Default under this Lease, notwithstanding anything to the contrary in this Lease.

(c) Except for liens or encumbrances created by or through Tenant, Landlord shall not, after the Effective Date hereof, agree to or create any liens or encumbrances on the Premises which are (i) not specifically stated in writing to be subordinate to this Lease and to any amendments or modifications hereto, any subleases hereunder, and any and all rights and claims of Tenant arising hereunder, including without limitation any rights or options to purchase or otherwise acquire the interest of Landlord in the Property, and to any New Lease, and any Fee Mortgages created at any time during the Term of this Lease and to any amendments, renewals, extensions or replacements of any of the foregoing; or (ii) inconsistent with the obligations of Landlord hereunder.

ARTICLE 24 OBLIGATIONS AND LIABILITIES OF CERTAIN PARTIES.

(a) If any Successor Tenant shall acquire this Lease and the Leasehold Estate pursuant to a Foreclosure Event, or if any New Tenant shall obtain a New Lease, then: (1) Landlord shall recognize such Successor Tenant or New Tenant as Tenant under this Lease; (2) all Personal Defaults of the predecessor Tenants shall no longer be deemed Defaults; and (3) all Personal Obligations as to predecessor tenants, but not as to the Successor Tenants and New Tenants shall be deemed to have been removed and deleted from this Lease; it being agreed, however, that Successor Tenants and New Tenants will be responsible for their own Personal Obligations. The preceding clauses "2" and "3" shall not limit Landlord's rights and remedies against any former Tenant in such former Tenant's personal capacity (i.e., not as Tenant under this Lease), to the extent that such former Tenant may have any personal liability. Any Successor Tenant shall be deemed, without further action of the Parties, to have assumed and agreed to be liable for all of the obligations of the predecessor Tenant under this Lease (subject to the first sentence of this paragraph.

(b) Notwithstanding anything to the contrary in this Lease, no Leasehold Mortgagee shall have any personal liability under or with respect to this Lease (or a New Lease) except (1) during such period as such Person is Tenant (or Successor Tenant) under this Lease (or a New Tenant under a New Lease) and (2) during such period as such Person has Control of the Premises. Notwithstanding anything to the contrary in this Lease, any such Successor Tenant's or New Tenant's liability shall not in any event extend beyond its interest in this Lease (or a New Lease).

ARTICLE 25 BANKRUPTCY.

(a) If Tenant (as debtor in possession) or a trustee in bankruptcy for Tenant rejects this Lease in any Bankruptcy Proceeding affecting Tenant, then such rejection shall be deemed Tenant's assignment of this Lease and the Leasehold Estate to a Successor Tenant (to be designated

by Tenant's Leasehold Mortgagee(s)), in the nature of an assignment in lieu of foreclosure, subject to all Leasehold Mortgages. Upon such deemed assignment, this Lease shall not terminate. Each Leasehold Mortgagee shall continue to have all the rights of a Leasehold Mortgagee as if the Bankruptcy Proceeding had not occurred, unless such Leasehold Mortgagee shall disapprove such deemed assignment by Notice to Landlord within thirty (30) calendar days after such Leasehold Mortgagee received Notice of the rejection of this Lease in Bankruptcy Proceedings. If any court of competent jurisdiction shall determine that this Lease shall have been terminated notwithstanding the deemed assignment provided for in place of rejection of this Lease, then Leasehold Mortgagee(s) shall continue to be entitled to a New Lease as provided in this Lease.

(b) If Landlord (as debtor in possession) or a trustee in bankruptcy for Landlord rejects this Lease in any Bankruptcy Proceeding affecting Landlord, then:

(i) Landlord and Tenant acknowledge that Leasehold Mortgagee's collateral includes all rights of Tenant under 11 U.S.C. § 365(h), all of which rights have been validly and effectively assigned to Leasehold Mortgagee.

(ii) Tenant shall not have the right to elect to treat this Lease as terminated except with Leasehold Mortgagee's Consent. If Tenant purports, without Leasehold Mortgagee's Consent, to elect to treat this Lease as terminated, then such election and purported termination shall be null, void, and of no force or effect. Leasehold Mortgagee shall have the right, to the exclusion of Tenant, to make any election and exercise any rights of Tenant under 11 U.S.C. § 365(h)(1). Provided that a Leasehold Mortgagee shall have received Notice of Landlord's Bankruptcy Proceeding simultaneously with Notice to Tenant, such Leasehold Mortgagee's rights under the preceding sentence must be exercised, if at all, subject to such time limits and requirements as would apply to Tenant, except that as against Leasehold Mortgagee every such time period shall be extended thirty (30) calendar days.

(iii) If Tenant does not with Leasehold Mortgagee's Consent treat this Lease as terminated, then (notwithstanding any purported election by Tenant to the contrary made without Leasehold Mortgagee's Consent) Tenant shall be deemed to have elected to continue this Lease pursuant to 11 U.S.C. § 365(h)(1)(A)(ii). This Lease shall continue in effect without change upon all the terms and conditions in this Lease.

(iv) The lien of any Leasehold Mortgage that was in effect before rejection of this Lease shall extend to Tenant's continuing possessory and other rights under 11 U.S.C. § 365(h) in the Premises and this Lease following such rejection, with the same priority as such lien would have enjoyed against the Leasehold Estate had such rejection not taken place.

**ARTICLE 26
ASSIGNMENT**

Section 26.01 Right to Assign.

Tenant may assign or transfer this Lease only with the prior written consent of Landlord, not to be unreasonably withheld, conditioned or delayed; provided, however, Tenant may assign or transfer to (a) an Affiliate of Tenant, or (b) any Leasehold Mortgagee and Leasehold Mortgagee and its successors may assign or transfer this Lease after a Foreclosure Event or any other exercise by Leasehold Mortgagee of rights and remedies, whether under the terms of its loan or under Applicable Law, as a result of which Leasehold Mortgagee or its designee or nominee becomes owner of the Leasehold Estate, or delivery of a deed or other conveyance of Tenant's interest in lieu of any of the foregoing to a purchaser at a foreclosure sale or otherwise to any party other than the Leasehold Mortgagee, without the Landlord's consent. Tenant shall, in each case of an assignment by Tenant (including, but not limited to, an assignment to an Affiliate of Tenant, but excluding the creation of a Leasehold Mortgage), deliver to Landlord an instrument in recordable form under the terms of which the assignee of Tenant's interest in this Lease assumes all of the burdens, terms, covenants, conditions and obligations of Tenant hereunder. After any assignment of this Lease, the assigning Tenant shall be relieved of any and all of Tenant's liabilities or obligations hereunder except those accrued as of the time of the assignment and Landlord shall look only to such successor Tenant for performance of all of the obligations and liabilities of Tenant under this Lease of every kind and character thereafter to accrue.

Section 26.02 Assignment to Financial Partner.

Landlord acknowledges that Tenant may enter into an agreement for the development, operation, leasing and/or management of the Premises during the Term of this Lease with a pension fund, real estate investment trust, public debt or equity pool, or other financial partner, and Landlord agrees that no consent or approval shall be required therefor; provided, however, that any such agreement shall not affect or be binding upon Landlord or the Premises after the termination of this Lease.

**ARTICLE 27
DEFAULT PROVISIONS**

Section 27.01 Tenant's Default.

Subject in all cases to the Leasehold Mortgagee's Cure Rights and all cure rights of Tenant provided elsewhere in this Lease, each of the following events is a "**Default**" if it is not cured within a period of thirty (30) days after written notice thereof from Landlord to Tenant or the event is of a nature that it cannot be completely cured within thirty (30) calendar days of such notice with the exercise of due diligence, and Tenant fails to timely commence the cure or fails to complete it with reasonable diligence and good faith:

- (a) any Monetary Default or Nonmonetary Default.

(b) whether by operation of law or otherwise, by selling, assigning or transferring or in any way disposing of this Lease or of the interest of Tenant hereunder except as provided in this Lease.

(c) appointment of a receiver to take possession of all or substantially all of the assets of Tenant.

(d) general assignment by Tenant for the benefit of creditors.

(e) any action taken or suffered by Tenant under any insolvency or bankruptcy act.

(f) Tenant's failure to maintain in force all insurance coverage required by this Lease or Tenant's failure to deposit evidence of insurance with Landlord as required by this Lease.

(g) Tenant's failure to comply (i) with any material provision of this Lease, except for payment obligations, or (ii) with any applicable local, county, state or federal law, rules or regulations affecting the Premises; or

(h) Tenant remaining in possession of the Premises after expiration or sooner termination of this Lease without Landlord's consent.

For events other than as described in the immediately preceding list, Tenant shall be deemed in Default of this Lease if: (i) Tenant fails to perform or observe any material covenant or condition of this Lease and if this failure continues for sixty (60) calendar days after written notice from Landlord to Tenant, or if the failure is of a nature that it is not reasonably susceptible of being cured within sixty (60) calendar days with the exercise of due diligence, Tenant fails to timely commence the cure or fails to complete it with reasonable diligence and good faith; or (ii) Tenant fails to make any payment when due subject to Tenant's and Leasehold Mortgagees' rights to notice and cure.

Notwithstanding anything to the contrary contained herein, so long as Tenant is diligently pursuing the construction of the Project, and Tenant disputes the occurrence of a Default, then Tenant shall have the right to resolve the dispute through JAMS arbitration pursuant to the JAMS Streamlined Arbitration as referenced in Section 3.01(e). Furthermore, a Default shall have not occurred until (a) a court of competent jurisdiction or an arbitrator selected in accordance with Section 3.01(e) (if applicable) has adjudicated or determined that Tenant's action or inaction constitutes a Default under this Lease and (b) Tenant has failed to cure such default within thirty (30) days of such adjudication or determination, so long as in any event Tenant has timely paid any Rent required under this Lease, including such amounts as may be paid under protest so as to not eliminate Tenant's ability to pay Rent under protest if the amount to be paid is in dispute.

Section 27.02 Events of Defaults Caused by Subtenants.

If a Nonmonetary Default would be triggered under Section 27.01 above and such Default is caused by the acts or omissions of a Subtenant under a Sublease, then the provisions of this Section 27.02 shall apply.

(a) If such Default is caused by a Subtenant and such act or omission by such Subtenant is capable of being cured under the applicable Sublease, then no Default shall exist under this Lease so long as Tenant is using commercially reasonable efforts to cause such Subtenant to cure such act or omission.

(b) If such Default is caused by a Subtenant and such act or omission by such Subtenant is not capable of being cured under the applicable Sublease, then no Default shall exist under this Lease so long as Tenant is using commercially reasonable efforts to commence a legal action or proceeding to terminate the applicable Sublease to which Tenant is a party (or to use commercially reasonable efforts to cause the appropriate party to commence a legal action or proceeding to terminate, as applicable, the Sublease if Tenant is not a party thereto) and thereafter diligently and continuously prosecutes such legal action or proceeding to completion. For avoidance of doubt, if Tenant has commenced a legal action or proceeding to terminate as provided herein and the applicable Sublease cannot be terminated as a result of a stay in bankruptcy or other legal order preventing such termination, then no Default shall be deemed to have occurred under this Lease during the continuation of such stay or other legal order preventing such termination, provided that Tenant thereafter uses commercially reasonable efforts to diligently and continuously prosecute such legal action or proceeding to completion.

Section 27.03 Non-Monetary Events of Default.

Notwithstanding anything herein to the contrary, the parties recognize that a termination of this Lease by Landlord could result in a significant forfeiture by Tenant of its investment in the Improvements. Landlord's right of termination of this Lease with respect to Nonmonetary Default is intended to apply only to Nonmonetary Defaults that substantially and materially adversely affect Landlord's security with respect to Rent owing to Landlord under this Lease or that create a substantial and material risk of liability of Landlord to third parties. Nothing in this Section shall limit or restrict any remedy of Landlord other than termination of this Lease. In no event shall Landlord have the right to terminate this Lease on account of any delays in the design or construction of Improvements, provided that Tenant or any applicable Subtenant is proceeding with reasonable diligence, subject to Force Majeure and any Major Market Disruption.

Section 27.04 Peaceful Surrender.

Except as expressly provided in this Lease, upon occurrence of a Default, Landlord may declare this Lease terminated or may declare Tenant's right to possession terminated. Upon any expiration or termination of this Lease, or of Tenant's right to possession, Tenant shall peacefully surrender the Premises to Landlord. At any time after expiration or termination, Landlord may without further notice re-enter the Premises. In addition to its other rights or remedies at law and in equity, Landlord shall have the immediate right of re-entry and may remove all persons and property from the Premises with, or without, judicial process.

Section 27.05 Effect of Re-entry.

No re-entry or taking possession of the Premises by Landlord shall be construed as an election to terminate this Lease unless Landlord expressly elects in writing to terminate all

Tenant's rights in and to the Premises. No expiration or termination of this Lease shall relieve Tenant of its liabilities and obligations under this Lease that by their nature survive Lease Termination, and these liabilities and obligations shall survive any termination.

Section 27.06 Tenant's Property.

Tenant hereby waives all claims for damages which may be caused by the re-entry of Landlord following Lease Termination and taking possession of the Premises or removing or storing Tenant's personal property. Tenant will defend, indemnify and hold harmless Landlord (and its regents, officers, members, contractors, agents and employees) from and against all injuries, losses, liens, claims, demands, judgments, liabilities, damages, costs and expenses (including, without limitation, court costs and attorneys' fees and expenses) occasioned by Landlord in re-taking possession of the Premises. Re-entry following Lease Termination shall not be considered a forcible entry.

Section 27.07 Other Remedies.

In addition to all other remedies, in the event of any Default by Tenant, upon prior written notice to Tenant, Landlord may cure the Default for the account and at the expense of Tenant. If Landlord incurs any expense, the sum or sums advanced by Landlord, together with interest at the Overdue Rate, from date of payment by Landlord, together with all costs and damages, shall be deemed to be Rent and shall be due and payable as Rent.

Section 27.08 Partial Performance Does Not Constitute Cure of Default.

No failure by Landlord or by Tenant to insist upon the strict performance of any provision of this Lease or to exercise any right or remedy hereunder shall constitute a waiver of a breach thereof.

Section 27.09 Landlord's Injunction Rights.

If Tenant commits a Default, then Landlord may enjoin the breach without bond and may invoke any right or remedy allowed at law or in equity whether or not the remedy in question is specifically included in this Lease.

Section 27.10 Remedies are Cumulative.

Each right or remedy of Landlord provided for in this Lease are cumulative and are in addition to every other right or remedy provided for in this Lease or now or hereafter existing at law or in equity. The exercise of any one or more of the rights or remedies provided for in this Lease or now or hereafter existing at law or in equity shall not preclude the simultaneous or later exercise by Landlord of any or all other rights or remedies provided for in this Lease or now or hereafter existing at law or in equity.

Section 27.11 Default by Landlord.

Landlord shall be considered in Default or breach of this Lease for the nonperformance of any obligation imposed herein if it is not cured within a period of thirty (30) calendar days after written notice thereof from Tenant to Landlord and:

(a) If the same relates solely to the non-payment of money, Landlord fails to perform within thirty (30) calendar days after receipt of said written notice, or

(b) If the same does not relate solely to the non-payment of money, Landlord fails to commence performance within said thirty calendar (30) day period and to diligently continue such performance until the obligation is fulfilled.

In the event of a Default by Landlord as defined in this Section, Tenant, at its option, without further notice or demand, and as its remedy shall have the right to any one or more of the following remedies without bonds: (a) to pursue the remedy of specific performance; (b) to pursue injunctive relief; and/or (c) perform Landlord's obligation and credit the cost thereof against future Rent. In the event of a Default by Landlord defined in this Section, Tenant shall also have the right to terminate this Lease.

ARTICLE 29
SIGNS

Section 29.01 Tenant’s Right to Reasonable Signage.

Tenant shall not place nor permit to be placed any new or future external sign, advertisement, notice, marquee, awning, or other display on any part of the exterior of the Premises that contains any content that disparages Landlord, is immoral or advertises any of the Prohibited Uses. Otherwise, Tenant shall have the right to install and replace and permit the installation and replacement from time to time on the Improvements and any portion thereof any and all signs, billboards, advertisements, notices, marquee, awning and other displays on any part of the Premises, provided the same comply with all Applicable Laws. Upon the Rent Commencement Date, Landlord’s right, title, and interest in and to the existing billboard leases as described on Schedule 29.01 and any and all revenues therefrom shall be automatically assigned to Tenant, wherein Tenant shall be responsible for Landlord’s obligations under such billboard leases from and after the Rent Commencement Date, and Landlord shall be responsible for Landlord’s obligations thereunder arising prior to the Rent Commencement Date. Landlord agrees not to agree or consent to any modification, termination, or extension of any of the billboard leases prior to the Rent Commencement Date and to execute any instrument reasonably requested by Tenant to effect or acknowledge the assignments.

ARTICLE 30
RIGHT OF FIRST REFUSAL.

If at any time during the term of this Lease, Landlord receives a bonafide offer from any Person, partnership, or entity to purchase, gift, assign, exchange, or otherwise transfer the Premises (“**BFO**”), and Landlord intends to accept or negotiate to accept a BFO, then Landlord shall provide to Tenant and to any Leasehold Mortgagee a copy of the BFO and shall notify Tenant and to any Leasehold Mortgagee of the intention of Landlord to accept or negotiate to accept the BFO. Tenant and to any Leasehold Mortgagee shall have the right within thirty (30) days after receipt of the BFO to accept the terms of the BFO in its own name or in the name of a nominee (“**Acceptance Period**”), for the purchase price and on the terms specified in the BFO, by providing Landlord written notice of Tenant’s or Leasehold Mortgagee’s acceptance of the BFO prior to the expiration of the Acceptance Period. If neither Tenant nor any Leasehold Mortgagee so elects to accept the BFO within the Acceptance Period, then Landlord may proceed to accept the BFO and sell the Premises to said Person, provided the sale is on terms and conditions not materially different from those set forth in the BFO sent to Tenant and Leasehold Mortgagees, and further provided that prior to the date of closing, Landlord shall deliver to Tenant and to any Leasehold Mortgagee a written and signed statement of the purchaser acknowledging that Tenant’s rights under this Lease shall remain in effect and be binding upon and assumed by the purchaser following the sale. If Landlord does not close on the sale or transfer of the Premises pursuant to a BFO or the parties materially modify or amend any provision of the BFO following Tenant’s election not to accept a

BFO, this Right of First Refusal shall continue in full force and effect, and Landlord may not sell or transfer the Premises to the Person who has made the BFO or to any third party without first giving Tenant and any Leasehold Mortgagee the opportunity to match and accept a BFO (as materially modified or amended, if applicable) as provided above. In the event any such purchase option is exercised, the Leasehold Mortgage will become a first lien on the Fee Estate).

ARTICLE 31

The Parties expressly consent to personal jurisdiction in these courts. Notwithstanding any other provision herein, the Parties expressly agree that: (1) this Section 31.02 is a valid and binding agreement despite any claim as to the invalidity of all or any portion of this Lease and is supported by mutual consideration of the Parties' actions in negotiating the transactions contemplated hereby; and no claim as to the invalidity of this Lease shall serve as a bar to the enforcement of the provisions of this Section 31.02.

Section 31.03 Severability of Any Invalid Provision.

Invalidation of any one of the covenants, restrictions or provisions of this Lease by judgment or court order shall in no way affect any provisions, restrictions or covenants which shall remain in full force and effect.

Section 31.04 Brokers.

Each Party represents and warrants to the other that, in connection with this Agreement, no commission, charge, or other compensation is due or will become due as a result of this Lease to any real estate broker, agent or finder, on account thereof.

Time is of the essence in this Lease and in each and every term and condition contained herein.

Section 31.08 Force Majeure.

In the event that Landlord or Tenant shall be delayed or hindered in or prevented from doing or performing any act or thing required hereunder (other than payment of any sum due hereunder by Tenant or Landlord) by reason of any floods, earthquakes, severe weather events, fire or other casualty or acts of God, governmental restriction, strikes, labor disturbances, shortages of labor, materials or supplies, third party suits which delay or prevent, acts of war or terrorism, governmental restrictions that affect the performance of the obligation to be performed under this Lease that are imposed as a result of plagues, pandemics or other widespread public health crises, governmental action, enemy action, riots, condemnation, civil commotion or acts or failures to act by the other Party hereto in breach of such Party's obligations (but not because of insolvency, lack of funds, or other financial cause) or comparable condition,) onsite or offsite power or utility failures not specific to the Project, by which any Party is hindered or prevented from performance of any act under this Lease (collectively referred to in this Lease as "**Force Majeure**"), then such Party shall not be liable or responsible for any such delays, and the doing or performing of such act or thing shall be excused for the period during which such performance is rendered impossible due to the Force Majeure, and the time for performance shall be extended accordingly; provided, however, that (i) the Party seeking the benefit of this provision shall, within five (5) days after such Party becomes aware of any such delay, have first notified the other Party in writing of the cause(s) thereof and requested an extension, and (ii) the requesting Party must diligently seek removal or avoidance of the hindrance, and (iii) even though the time for performance may be extended as provided in this Section 31.08, the Parties shall remain bound by the other terms, covenants, and agreements of this Lease.

No consent or waiver, express or implied, by either Party hereto with respect to any breach or Default by the other Party in the performance of any of its covenants or obligations under this Lease shall be deemed or construed to be a consent to or waiver of any other breach or Default. No waiver by either Party hereto of any Default or breach by the other Party in the performance of

any of its covenants or obligations under this Lease shall be deemed to have been made by the Party unless contained in a writing executed by the Party.

All terms, conditions, representations, warranties, understandings, and interpretations contained in any other oral or written communications between the Parties are hereby superseded. In executing this Lease, the Parties acknowledge that they are relying solely on the matters set forth in this Lease, and not on any other inducements, written or oral, by the other Party or by any agent, employee, or representative thereof. Tenant acknowledges that no prior information provided, or statements made by the Landlord or by any agent, employee, or representative thereof (collectively, “**Prior Information**”) has induced Tenant to enter into this Lease. Tenant acknowledges that prior to entering into this Lease it has satisfied itself of all its concerns by conducting an independent investigation of the validity of all Prior Information.

Section 31.11 Joint and Several Obligations.

If Tenant is comprised of more than one person or entity, then the obligations imposed upon Tenant shall be joint and several.

Section 31.15 No Merger.

There shall be no merger of this Lease nor of the Leasehold Estate created hereby with the Fee Estate by reason of the fact that this Lease, or the Leasehold Estate created hereby, or any interest in either thereof, may be held directly or indirectly by or for the account of any Person who shall own the Fee Estate or any portion therein and no merger shall occur unless and until all persons at the time having any interest in the Fee Estate and all persons having any interest in this

Lease or the Leasehold Estate, including any Mortgagee, join in a written instrument effecting a merger.

Section 31.16 Mineral Rights.

Landlord reserves to itself all of the oil, gas and mineral rights of the Land excluding the material excavated for the Project, but Landlord's right to the minerals shall not interfere with Tenant's use or access of, to or from the Premises or that of any Subtenant or other occupant and any extraction of materials from the Land shall be done from a point not located on the Land and must not affect the structural integrity of any portion of the Land.

Section 31.17 Airport Noise Disclaimer.

Section 31.21 Memorandum of Lease

This Lease shall not be recorded; provided however, at the request of either Party, the Parties hereto shall execute and acknowledge a memorandum hereof in recordable form and substantially in the form of Exhibit H hereto, that shall be filed for recording in the Official Records of Clark County.

Section 31.22 Liability of Equity Partners.

No general or limited partner, member, manager, officer, director, principal, employee, agent, affiliate, or shareholder of Tenant shall be personally liable for the performance of Tenant's obligations under this Lease. Following completion and operation of the Project for thirty-six (36) consecutive calendar months with positive net cash flow from rents and other income of the Project sufficient to pay all operating costs of the Project, real estate taxes, all Rent payable under this

Lease and all debt service on any loans incurred by Tenant and secured by any interest in the Project, the liability of Tenant for Tenant's obligations under this Lease shall be limited to Tenant's interest in the Premises and Landlord shall not look to any of Tenant's other assets for enforcement or satisfaction of any such obligation, nor shall Landlord seek recourse for such enforcement or satisfaction against any general or limited partner, member, manager, officer, director, principal, employee, agent, affiliate or shareholder of Tenant.

Section 31.23 Reasonable Modifications.

RECITALS

A. Landlord is the owner of that certain real property described in attached Exhibit A (the “**Premises**”) and the Landlord under that certain Ground Lease of the Premises dated as of _____, by and between Landlord and Tenant (the “**Lease**”).

B. Tenant desires to obtain a loan from Lender in the original principal amount of _____ Dollars (\$) (the “**Loan**”) and to encumber its leasehold interest under the Lease as security for the Loan.

C. Lender is willing to make the Loan to Tenant secured by Tenant’s leasehold interest under the Lease provided that Landlord consents thereto and agrees to the provisions of this Agreement.

D. Landlord is willing to consent to the encumbering of Tenant’s leasehold interest under the Lease as security for the Loan on the terms and conditions set forth in this Agreement.

AGREEMENT

NOW THEREFORE, in consideration of the premises and other mutual valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. **Encumbrance of Leasehold Interest.** Subject to the terms and conditions of this Agreement, Landlord hereby consents to the encumbering of Tenant’s leasehold interest under the Lease pursuant to a mortgage or deed of trust as security for the Loan (the mortgage, deed of trust or other security instrument permitted hereunder being herein referred to as the “**Leasehold Mortgage**”). In no event shall any interest of Landlord in the Premises be subject or subordinate to any lien or encumbrance of the Leasehold Mortgage or any other mortgage, deed of trust, or other security instrument.

2. **Parties’ Obligations.** During the continuance of the Leasehold Mortgage until such time as the lien of the Leasehold Mortgage shall have been extinguished, the parties agree as follows:

(a) **Modifications to Lease.** Landlord shall not agree to any mutual termination nor accept any surrender of the Lease, except upon the expiration of the term of the Lease or its termination pursuant to any express provision of the Lease, nor shall any material amendment or modification of the Lease be binding upon Lender or any purchaser in foreclosure from Lender,

unless Lender has given its prior written consent to such amendment or modification.

(b) **Insurance.** Lender may be a named insured on any fire and other hazard insurance policies carried by Tenant and covering the Premises. All proceeds of any such insurance policies shall be held by Landlord, or at the request of Lender, by a trust company satisfactory to Landlord and Lender. In the event that at any time prior to expiration of the term of the Lease there shall be a partial or total destruction of the buildings and improvements then on the Premises from any cause, Tenant shall not have the right to terminate the Lease but shall diligently restore and rehabilitate said buildings and improvements pursuant to plans and specifications first approved by Landlord and Lender in writing, and, except as hereinafter provided, all proceeds of all property damage insurance shall be disbursed to Tenant upon such terms as Landlord and Lender may agree, for the purpose of restoring and rehabilitating said buildings and improvements. Should the proceeds of such insurance exceed the cost of such restoration and rehabilitation, the balance shall be paid to Lender to be credited by Lender as a payment on account of the Loan, and the remaining balance, if any, shall be paid in accordance with the Lease. Proceeds of any business or rental interruption insurance carried by Tenant with respect to the Premises shall be applied first to any unpaid obligations of Tenant under the Lease, then to any unpaid obligations under the Leasehold Mortgage and any remaining balance may be paid to Tenant.

(c) **Lender's Right to Perform.** Lender shall have the right, but not the obligation, at any time prior to termination of the Lease to pay all rental due thereunder, to provide any insurance and make any other payments, to make any repairs and improvements and do any other act or thing required of Tenant thereunder, and to do any act or thing which may be necessary and proper to be done in the performance and observance of the covenants, conditions and agreements thereof to prevent the termination of the Lease. All payments so made and all things so done and performed by Lender shall be as effective to prevent a termination of the Lease as the same would have been if made, done and performed by Tenant instead of by Lender.

(d) **Tenant's Default.** Should any Default occur under the Lease, Lender shall have the right to cure within the following cure periods:

[Insert provisions from Article 21 of Lease]

Lender shall not be liable for any indemnities set forth in the Lease unless and until Lender assumes the obligations of Tenant thereunder; provided, however, that in the event the Default under the Lease relates to Tenant's failure to make any payment due on an indemnity set forth in the Lease, Lender acknowledges that its failure to cure such Default may result in the termination of the Lease and the loss of Lender's security.

(e) **Lender's Right to Cure.** A Default under the Lease which in the nature thereof cannot be remedied by Lender shall be deemed to be remedied if (i) within thirty (30) days after receiving written notice from Landlord of such Default, Lender shall have given Landlord written notice that Lender intends to take action to acquire Tenant's interest under the Lease and commenced foreclosure or other appropriate proceedings in the nature thereof, and Lender shall thereafter diligently and continuously prosecute any such proceedings to completion, (ii) Lender

shall have fully cured any Default in the payment of any monetary obligations of Tenant under the Lease within such thirty (30) day period and shall thereafter continue to faithfully perform all such monetary obligations, and (iii) after gaining possession of the Premises, Lender shall perform all of the obligations of Tenant under the Lease as and when the same are due and cure any Defaults that are curable by Lender but that require possession of the Premises to cure, such cure to be effected within thirty (30) days after gaining possession, or such longer period of time as is reasonably necessary to effect such cure using all due diligence.

(f) **Notices.** Landlord shall mail to Lender a duplicate copy by certified mail of any and all notices which Landlord may from time to time give to or serve upon Tenant pursuant to the provisions of the Lease; and no notice by Landlord to Tenant hereunder shall be deemed to have been given as to Lender unless and until a copy thereof has been mailed to Lender.

(g) **Foreclosure.** Subject to the provisions of this subsection (g) and subsection (i) below, foreclosure of a Leasehold Mortgage or any sale thereunder, whether by judicial proceedings or by virtue of any power of sale contained in the Leasehold Mortgage, or any conveyance of the leasehold interest under the Lease from Tenant to Lender by virtue or in lieu of foreclosure or other appropriate proceedings in the nature thereof, shall not require the consent of Landlord or constitute a breach of any provision of or a Default under the Lease and upon such foreclosure, sale or conveyance, Landlord shall recognize Lender, or any other foreclosure sale purchaser or recipient of any deed in lieu, as the Tenant under the Lease; provided, however, as conditions to Landlord's obligation to do so:

(i) Lender shall have fully complied with the provisions of this Agreement applicable prior to gaining possession of the Premises by Lender, including, without limitation, the payment of Rent, or the foreclosure sale purchaser or deed in lieu recipient, as the case may be, who is to become the Tenant under the Lease shall comply with the provisions of this Agreement applicable after gaining possession of the Premises;

(ii) Lender, or the foreclosure sale purchaser or deed in lieu recipient, as the case may be, who is to become the Tenant under the Lease shall be responsible for taking such actions as shall be necessary to obtain possession of the Premises; and

(iii) Lender, or the foreclosure sale purchaser or deed in lieu recipient, as the case may be, who is to become the Tenant under the Lease shall execute, acknowledge and deliver to Landlord an instrument in form satisfactory to Landlord pursuant to which Lender or the foreclosure sale purchaser or deed in lieu recipient, as the case may be, expressly assumes all obligations of the Tenant under the Lease.

If there are two or more Leasehold Mortgages or foreclosure sale purchasers (whether of the same or different Leasehold Mortgages), Landlord shall have no duty or obligation whatsoever to determine the relative priorities of such Leasehold Mortgages or the rights of the different holders thereof and/or foreclosure sale purchasers. If Lender becomes the Tenant under the Lease, or under any New Lease (as defined in the Lease) obtained pursuant to subsection (h) below,

Lender shall not be personally liable for the obligations of the Tenant under the Lease accruing prior to or after the period of time that Lender is the Tenant thereunder.

(h) **Rejection of Lease.** Should the Lease be terminated by reason of any rejection of the Lease in a bankruptcy proceeding, Landlord shall, subject to the terms and conditions of this subsection (h) and subsection (i) below, upon written request by Lender to Landlord made within thirty (30) days after such termination, execute and deliver a New Lease of the Premises to Lender for the remainder of the term of the Lease with the same covenants, conditions and agreements (except for any requirements which have been satisfied by the Tenant prior to termination) as are contained therein; provided, however, that Landlord's execution and delivery of such New Lease of the Premises shall be made without representation or warranty of any kind or nature whatsoever, either express or implied, including without limitation, any representation or warranty regarding title to the Premises or the priority of such New Lease; and Landlord's obligations and liability under such New Lease shall not be greater than if the Lease had not terminated and Lender had become the Tenant thereunder. Landlord's delivery of the Premises to Lender pursuant to such New Lease shall be made without representation or warranty of any kind or nature whatsoever, either express or implied; and Lender shall take the Premises "as is" in their then current condition. Upon execution and delivery of such New Lease, Lender, at its sole cost and expense, shall be responsible for taking such action as shall be necessary to cancel and discharge the Lease and to remove the Tenant named therein and any other occupant from the Premises. Landlord's obligation to enter into such New Lease of the Premises with Lender shall be conditioned as follows:

(i) Lender shall have complied with the provisions of this Agreement applicable prior to the gaining of possession and shall comply with the provisions of this Agreement applicable after gaining possession of the Premises;

(ii) if more than one holder of a Leasehold Mortgage claims to be the Lender and requests such New Lease, Landlord shall have no duty or obligation whatsoever to determine the relative priority of such Leasehold Mortgages, and in the event of any dispute between or among the holders thereof, Landlord shall have no obligation to enter into any such New Lease if such dispute is not resolved to the sole satisfaction of Landlord within ninety (90) days after the date of termination of the Lease; and

(iii) Lender shall pay all costs and expenses of Landlord, including without limitation, reasonable attorneys' fees, real property transfer taxes and any escrow fees and recording charges, incurred in connection with the preparation and execution of such New Lease and any conveyances related thereto.

3. **Notices.** Any notice or demand required or given hereunder shall be in writing and shall be considered to have been duly and properly given upon personal delivery to the party or an officer of the party being served, or if mailed, upon the first to occur of actual receipt or 48 hours after deposit in United States registered or certified mail, postage prepaid, addressed to the parties as follows :

Such addresses may be changed by notice to the other parties given in the same manner as provided herein, such changes to be effective only upon receipt of notice thereof.

4. **Assignment.** Neither this Agreement nor any of the rights or obligation of the parties hereto may be assigned in whole or in part to any other party without the consent of the other parties hereto and any attempted assignment without such consent shall be null and void. Nothing contained in this Agreement shall constitute the consent of Landlord to any other or future encumbrance of Tenant's leasehold interest under the Lease.

5. **Counterparts.** This Agreement may be executed in any number of counterparts and each of the counterparts shall be considered an original and all counterparts shall constitute but one and the same instrument.

6. **Entire Agreement; Modifications; Waiver.** This Agreement and the exhibits hereto, which are incorporated herein by this reference, shall constitute the entire agreement between the parties with respect to the subject matter hereof. This Agreement may not be changed or modified orally or in any manner other than by any agreement in writing signed by the parties hereto. No waiver of any of the terms or conditions of this Agreement and no waiver of any Default or failure of compliance shall be effective unless in writing, and no waiver furnished in writing shall be deemed to be a waiver of any other term or provision or any future condition of this Agreement.

7. **Governing Law.** This Agreement shall be governed by Nevada law.

8. **Attorneys' Fees.** In the event of any litigation arising out of any dispute or controversy concerning this Agreement, the party or parties not prevailing in such dispute shall pay any and all costs and expenses incurred by the prevailing party or parties, including, without limitation, reasonable attorneys' fees and expenses, which shall include fees and expenses of in-house attorneys.
