Comment:

Dr Cain:

1. Everett is not known as a diverse community. How did Everett Community College qualify as a Minority Serving Institution?
2. Pierce College has a multi-campus, separate leadership model. CSN is moving towards a multi-campus, single leadership model. How would you keep CSN on it's current path?
3. What would you do to increase non-Hispanic, minority faculty presence within CSN campuses?

Agreed that all the information above is true and accurate: Yes

Dr. Baker:

CSN has programs that mirror both Bates & Highline. How would you
!) Facilitate a marriage between the 2 schools – Bates & Highline?
2) Lead & guide the growth of an institution with this type of marriage?

Agreed that all the information above is true and accurate: Yes
