Comment:

I am excited that there are two local candidates with experience in the NSHE system and with Northern Nevada. I would like to see either Kyle Dalpe or Jeff Alexander become the President of TMCC. Northern Nevada has it's own unique set of challenges and opportunities which I feel will not be well understood by candidates from out of state or the region. I often feel that our candidates coming from outside Nevada may just use TMCC as a stepping stone in their career as they look to move on to a larger more well known system in California or elsewhere. I would like to see these two home-grown candidates (Dalpe and Alexander) get a chance to thrive and even perhaps end their careers and retire here in Nevada instead of moving on in 4 or 5 years.

Agreed that all the information above is true and accurate: Yes
