

UNLV COMPLEMENTARY ATHLETIC TICKET DISTRIBUTION FY04 – FY08

THE UNLV FOUNDATION:

Seasons FY04, FY05:

The UNLV Foundation received 20 complimentary tickets (10 pairs) from the Athletic Department to each home game for both the football and Men's Basketball programs. These tickets were distributed to the development officers to advance donor relations and to provide the colleges with opportunities to host key donors and/or prospective donors at the games. The tickets were used by the development staff and college leadership to invite / host donors and prospective donors.

During the FY04 and FY05, the UNLV Foundation recommended to the President's office, donors and prospective donors to be considered as guests in the President's suite for each football and Men's Basketball home games. Tickets for the suites were distributed by the President's office. When requested, the UNLV Foundation provided assistance with ticket delivery.

Seasons FY06 and FY07:

The UNLV Foundation purchased 20 tickets (10 pairs) to each home game for both the football and Men's Basketball programs. These tickets were distributed to the development officers to advance donor relations and to provide the colleges with opportunities to host key donors and/or prospective donors at the games. The tickets were used by the development staff and college leadership to invite / host donors and prospective donors.

During the FY06 and FY07, the UNLV Foundation recommended to the President's office, donors and prospective donors to be considered as guests in the President's suite for each football and Men's Basketball home games. Tickets for the suites were distributed by the President's office. When requested, the UNLV Foundation provided assistance with ticket delivery.

Season FY08:

The UNLV Foundation purchased 20 tickets (10 pairs) to each home game for both the football and Men's Basketball programs. These tickets were distributed to the development officers to advance donor relations and to provide the colleges with opportunities to host key donors and/or prospective donors at the games. The tickets were used by the development staff and college leadership to invite / host donors and prospective donors.

During the FY08, the UNLV Foundation began the football season by recommending to the President's office, donors and prospective donors to be considered as guests in the President's suite for each home football game. In addition to the Foundation's recommendations, the list included alumni, community, and state leaders as provided by the offices of Alumni, Community, and Government Relations. Tickets for the football suite were distributed by the President's office for the first home football game. Beginning with the second home football game, university leadership asked the UNLV Foundation to become engaged in the direct distribution of tickets to donors, prospective donors, and other guests as approved by the President. Tickets were provided by the President's office to the UNLV Foundation, which were then delivered to approved donors and

UNLV COMPLEMENTARY ATHLETIC TICKET DISTRIBUTION FY04 – FY08

prospective donors. When requested, the UNLV Foundation provided assistance with ticket delivery. This process was also followed for each of the home games for Men's Basketball program.

TICKETS ALLOCATED THROUGH THE PRESIDENT'S OFFICE:

The President's Office Suite is used by the institution's President for the engagement, cultivation, and stewardship of UNLV stakeholders to include donors and prospective donors, elected officials, alumni, and community leaders. As such, for each of the football and basketball seasons, groups of individuals were identified for each of the games to receive invitations to attend as the guest of the President. Often times, guest lists were developed based on donors and prospective donors' areas of interest at the university, and additional guests were invited to help facilitate engagement with these key constituents.

Allocation: The President's Office received 60 suite tickets for each home football game. For basketball, the President's Office received 18 suite passes and 12 tickets for seats in front of the President's suite for each home game. Use of the suite was intended for cultivation and stewardship of UNLV stakeholders, including donors, elected officials, alumni and our community.

Below is a listing of groups who were invited to the President's Suite for football and basketball games and the way in which these invitations were extended and the specific purpose of the invitation.

Donors and Prospective Donors – Formal invitations for a specific game were sent to donors and prospective donors inviting them to attend as the President's guest. Staff coordinated RSVPs and follow-up phone calls and arranged for tickets to be delivered prior to each game. This process was changed during FY08 as reflected in the response above.

Chancellor and Regents – Letters were sent prior to the start of each season providing the schedule of games and inviting the Chancellor and Regents to attend any games they were interested in attending. These individuals also receive All-Access passes to the football and basketball games. In many cases, we were asked to provide additional tickets for guests and family members, which were provided if available.

Government Leaders – This includes members of the Nevada State Legislature, Governor and Lieutenant Governor, City and County government officials, and Congressional Delegates. Letters were sent prior to the start of each season providing the schedule of games and inviting these constituents to attend any games they were interested in attending. Staff would follow-up and would provide tickets to those games they wished to attend.

Alumni – Members of the UNLV Alumni Association Board of Directors and other key alumni members (donors and prospective donors) were invited to attend as the president's

**AUDIT COMMITTEE FOLLOW-UP REQUEST
UNLV COMPLEMENTARY ATHLETIC TICKET DISTRIBUTION
FY04 – FY08**

guest. For football, the Homecoming Game was identified as a key game to invite alumni to attend and at this game Homecoming honorees were also invited to be in the President's Box. Invitations to these groups were sent on a game-by-game basis.

Community Leaders – Staff also identified key community leaders to be invited to the President's Box for football and basketball games. Invitations to these groups were sent on a game-by-game basis. This included representatives from the various Chambers of Commerce (Latin, Urban, Asian, and Las Vegas), the Nevada Development Authority, Nellis Air Force Base, Clark County School District, etc. These invitations were extended for the specific purpose of furthering the community outreach efforts on behalf of the university. Invitations to these groups were sent on a game-by-game basis.

Campus Representatives – Once the guest lists were identified, the staff would put together a list of campus representatives that should also be invited to the box. This included the deans of the various colleges who would be invited if a donor or prospective donor to their program would be in the box; and key administrators and faculty members who could help further the engagement with donors and community leaders. Invitations to these groups were sent on a game-by-game basis. Additionally, staff members whose role it is to assist the President in the coordination of the box (Special Events Manager, Government Relations Director, Development Officers, etc.) received tickets. At times, other campus representatives were invited as acknowledgement for their service to the university (i.e.: faculty senate members, classified and professional staff counsel, campus award winners, etc.).

Students – For football games, students from UNLV's Student Ambassador Program receive two tickets to each home game to serve as "ambassadors" or "greeters" for guests in the President's Box. Because of space constraints in the basketball suite, Student Ambassadors are not used for these games. Additionally, for the football Homecoming game, the Homecoming Court is invited to come to the box to mix and mingle with guests in the President's Box following the half-time crowning ceremony.

Others – For each home football game, the President also extends an invitation to the President from the opposing school to be a guest in the President's Suite. Tickets are provided to the President and guests from the opposing school whenever requested. At times, other Mountain West Conference officials are invited to be in the President's Box. Tickets are provided to these individuals as well to ease their access to the Suite level.

Cabinet Tickets—Seasons FY04, FY05, FY06, FY07, FY08

Allocation: Each member of the President's Cabinet received two tickets to every home football and basketball game. Cabinet members attended the games and helped to identify, cultivate and steward institutional stakeholders, faculty and students.

Distribution: The tickets are provided by the Athletics Department to the President's Office before the beginning of every season and then distributed to each Cabinet member prior to the start of the season.

FROM: University of Nevada, Las Vegas

RE: Request for Audit Committee Agenda Item: University of Nevada, Las Vegas, report on the distribution of complimentary game tickets for football and men's basketball for the period June 30, 2003 through June 30, 2008 and the complimentary ticket distribution for the men and women's NCAA tournament basketball games for the period June 30, 2003 through June 30, 2008.

DATE: May 9, 2008

Attached to this memorandum are the complimentary ticket reports requested for football and men's basketball for the period June 30, 2003 through June 30, 2008, and the men's NCAA tournament basketball games for the period June 30, 2003 through June 30, 2008. Each attachment identifies the name of the person or business receiving the complimentary ticket(s), the number of complimentary ticket(s), the purpose for receipt of the complimentary ticket(s), and the ticket type (i.e. Full season or single game).

The attachments are as follows:

2003 Football Complimentary Tickets
2004 Football Complimentary Tickets
2005 Football Complimentary Tickets
2006 Football Complimentary Tickets
2007 Football Complimentary Tickets

2003-2004 Men's Basketball Complimentary Tickets
2004-2005 Men's Basketball Complimentary Tickets
2005-2006 Men's Basketball Complimentary Tickets
2006-2007 Men's Basketball Complimentary Tickets
2007-2008 Men's Basketball Complimentary Tickets

2007 Football Complimentary Tickets for the Athletic Director's Suite at Sam Boyd Stadium
2007-2008 Men's Basketball Complimentary Tickets for the Athletic Director's Suite 19 at the Thomas and Mack Center.

2003-2007 Men and Women's Final Four Tickets Allocations

The UNLV Department of Intercollegiate Athletics policy and procedures manual includes in Chapter 9 the Athletic Ticketing Policy. This athletic ticket policy was last revised and approved by the Intercollegiate Athletic Council (IAC) in August 2006 and was also presented and reviewed by the NCAA Peer Review Team as a part of 2007 NCAA Certification process.

Accordingly, pursuant to the UNLV Athletic Ticketing Policy, **Complimentary Ticket Procedures, Section 5.1 Football and Basketball: All requests must be submitted on a complimentary ticket order form and receive prior approval from the Director of Athletics or Senior Associate Athletic Director or designee. No tickets will be issued with prior approval, unless otherwise specified in this policy.**

All complimentary ticket requests will be submitted, in writing, to the Athletic Ticket Manager. Requests must indicate the name of the person to receive the tickets, the name of the person making the request, the date of the request, the game date or game tickets are requested for, and the purpose of the request. The Athletic Ticket Manager will submit complimentary ticket orders to the Director of Athletics, Senior Associate Athletic Director, or designee for signature and fulfill approved orders.

Section 10.5 The Director of Athletics will determine on an annual basis the quantity and location of season tickets and single game tickets for athletic department personnel.

In addition, it should be noted that during the 2005-06 year, the Intercollegiate Athletics Department was audited on complimentary ticket distribution and our policies and procedures were found to be in compliance with NSHE code.

The complimentary ticket distribution for football and men's basketball includes all full-season and single game complimentary tickets. The list includes the following groups:

- Board of Regents
- Business Purpose
- Cabinet Members
- CARS Program
- Gift Certificates
- Grand Club Members
- Gold Card Members (Student Government)
- Legends Program (former basketball student-athletes)
- Promotions and Marketing
- Prospective Student-Athletes (recruits and high school teams and coaches)
- RAF donor cultivation
- Sponsor Agreements
- Staff Comps
- Student Ambassador Program
- Team and Visitor Comps

It should be noted that each Board of Regent and Cabinet member are entitled to two complimentary tickets. Each athletic department staff member is entitled to complimentary ticket allocations as defined in the athletic ticket policy. If the individuals choose not to accept the complimentary tickets, then their names will not be listed on the attached reports.

As for the NCAA Tournament ticket allocations, it should be noted that the Intercollegiate Athletics Department has to purchase all tickets for the NCAA tournament. Tickets for the NCAA tournament are allocated in accordance with the Athletic Ticket Policy, Section 15, and Post-Season Ticket Policy. The post season basketball ticket policy is designed to permit the Department of Athletics to allocate the limited number of post-season tickets available in a fair and equitable manner based upon the Priority Point System. Using the tickets purchased by the Department, complimentary ticket allocations for the NCAA tournament are allocated as follows:

1. Participants – The NCAA permits an allotted number of tickets for participating student-athletes on each team. In addition, the NCAA provides allocated seats for the band, including a conductor. Therefore, the UNLV Department of Intercollegiate Athletics provides to its participating and eligible student-athletes the permissible allocated number of complimentary tickets. Student-athletes are not required to purchase tickets.
2. Institutional commitments – The Department of Intercollegiate Athletics provides complimentary tickets for institutional commitments as defined in the Athletic Ticket Policy. (I.e. coaching staff and official travel party members, Athletic Department staff, President, Faculty Athletics Representative, Board of Regents, Governor, Alumni Relations, and ECT).
3. Contractual obligations – Certain corporate sponsors and/or contracted vendors contracts include NCAA or post-season tournament tickets. (I.e. Nike, ISP, CSTV).

In addition to the NCAA tournament participation, each member of the men's and women's basketball coaching staff and the Director of Intercollegiate Athletics may receive tickets to the NCAA Final Four. Annually, the National Basketball Coaches Association (NABC) conducts its annual clinical and educational symposium in conjunction with both the men and women's final four. As part of the NABC registration, each head coach receives one complimentary ticket to the Final Four. As part of the registration for each assistant coach, the Department of Intercollegiate Athletics budgets and pays for one ticket for the final four for each assistant coach who attends. In addition, each coach may purchase, at their own expense, one additional ticket.

In addition, in conjunction with the National Athletic Director's Association (NACDA) the Director of Athletics may purchase institutional tickets for both the men's and women's final four. The Department of Intercollegiate Athletics budgets for the purchase of these tickets. Up to 12 tickets may be purchased for the men's final four and up to eight tickets may be purchased for the women's final four. Tickets may be used only for

the personal or professional interest of those receiving the tickets. They cannot be used in a commercial or any promotional activities (i.e. auctions, drawings, halftime shooting contests, sweepstakes, etc). Any redistribution of tickets is the responsibility of the Director of Athletics as a representative of the institution.

Should you have any questions or need additional information, please do not hesitate to contact me.

CC: Dr. David Ashley, President
