AN ACT relating to education; increasing the number of credit hours required for certain students to be eligible for the Governor Guinn Millennium Scholarship; revising the amount of money which a student who is eligible for the Governor Guinn Millennium Scholarship may receive per semester; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law establishes the Governor Guinn Millennium Scholarship Program to provide money to certain students for secondary education and the criteria for eligibility for such a scholarship. Such criteria includes a requirement that a student be enrolled in a certain number of credit hours in a community college or other eligible institution. (NRS 386.926, 396.930) Sections 1 and 2 of this bill increase, over a period of 2 years beginning on July 1, 2015, the number of credit hours in which a community college student must be enrolled to be eligible for a Millennium Scholarship. The number of credit hours is increased from 6 credit hours to 9 credit hours beginning July 1, 2015, and is increased to 12 credit hours beginning on July 1, 2016, and continuing thereafter. Existing law further limits the total amount of money that a student may receive from a Millennium Scholarship to not more than the cost of 12 semester credits per semester and a total amount of not more than $10,000. (NRS 396.934) Sections 3, 4 and 5 of this bill increase the amount of money that a student may receive from a Millennium Scholarship for a semester to not more than the cost of 13 semester credits per semester beginning July 1, 2015, 14 semester credits per semester beginning July 1, 2016, and 15 semester credits per semester beginning July 1, 2017, and continuing thereafter, but the total cumulative maximum amount of money that such a student may receive remains unchanged at $10,000.

Legislative Counsel’s Digest:

Section 1 of this bill authorizes the sheriff of a county to provide to persons who hold a permit to carry a concealed firearm information concerning instructors and organizations that offer courses in firearm safety which focus on issues relating to firearm safety in an educational environment. Existing law prohibits a person from carrying a concealed firearm while on the property of the Nevada System of Higher Education, a private or public school or a child care facility, unless the person holds a permit to carry a concealed firearm and...

principal of the school or the person designated by the child care facility to give
permission to carry or possess a weapon to carry the concealed firearm. Existing
law also prohibits a person from carrying a concealed firearm while on the premises
of a public building that is located on the property of a public airport. (NRS
202.265, 202.3673) Sections 3 and 4 of this bill authorize a person who holds such
a permit to carry a concealed firearm while on the property of the System, a private
or public school or a child care facility. Section 4 also revises provisions governing
the carrying of a concealed firearm to prohibit the carrying by a permittee of a
concealed firearm only in a secure area of a public airport.
Section 5 of this bill authorizes the Police Department for the System to
provide to persons who hold a permit to carry a concealed firearm information
concerning instructors and organizations that offer courses in firearm safety which
focus on issues relating to firearm safety in an educational environment.

AN ACT relating to education; revising the eligibility criteria for a student to receive a Governor Guinn Millennium Scholarship; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

The criteria must provide an exemption for those students from:

1. The 6-year limitation on applications that is set forth in subparagraph (2) of paragraph (b) of subsection 1 and subparagraph (3) of paragraph (c) of subsection 1 and any limitation applicable to students who are eligible pursuant to subparagraph (1) of paragraph (b) of subsection 1.

The affidavit must include a declaration that the applicant is a citizen of the United States or has lawful immigration status, or that the applicant has filed an application to legalize the applicant’s immigration status or will file an application to legalize his or her immigration status as soon as he or she is eligible to do so.

Sec. 2. This act becomes effective on July 1, 2015.
AN ACT relating to education; revising provisions relating to tuition charges for attending a campus of the Nevada System of Higher Education assessed against students whose families do not reside in this State; requiring a student who receives a Governor Guinn Millennium Scholarship to perform community service; creating the Office of the Western Regional Higher Education Compact within the Office of the Governor; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the Board of Regents of the University of Nevada to assess a tuition charge against certain students who are not residents of the State of Nevada in addition to registration fees or other fees assessed against students who are residents of the State of Nevada. Under existing law, a student at certain schools in the Nevada System of Higher Education whose family resides outside of this State may not be assessed a tuition charge if the student has been a resident of this State for at least 12 months before his or her matriculation. (NRS 396.540)

Section 1 of this bill expands this exemption from tuition charges by allowing such a student to attend such a school without being assessed a tuition charge if the student has been a resident of this State for at least 12 months before the last day of regular registration for the semester in which the student proposes to attend school.

Existing law establishes the Governor Guinn Millennium Scholarship Program and prescribes eligibility requirements for the continued receipt of such a scholarship. (NRS 396.926, 396.934) Existing law also encourages a student who receives such a scholarship to provide at least 20 hours of community service each year the student receives a scholarship. (NRS 396.934) Section 2 of this bill requires a student who receives such a scholarship to provide community service each year the student receives a scholarship. Although section 2 does not require a
specific number of hours, it continues to encourage the student to provide at least 20 hours of community service each such year.

Existing law authorizes the Governor to employ certain persons to provide an appropriate staff for the Office of the Governor, including, without limitation, the Office of Economic Development, the Office of Science, Innovation and Technology and the Governor’s mansion. (NRS 223.085) Section 4 of this bill additionally authorizes the Governor to employ certain persons to provide an appropriate staff for the Office of the Western Regional Higher Education Compact.

Existing law directs the Governor to execute a compact with certain other states for the purpose of forming a Western Interstate Commission for Higher Education. (NRS 397.010) The compact requires the Western Interstate Commission for Higher Education to enter into certain contractual agreements with certain institutions offering graduate or professional education in other member states in order to increase the opportunities for residents of member states to obtain graduate or professional degrees. (NRS 397.020) Sections 3 and 5 of this bill create the Office of the Western Regional Higher Education Compact within the Office of the Governor.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 396.540 is hereby amended to read as follows:
