SELF-SUPPORTING BUDGETS

2017-2018

Introduction

Contained in this document are NSHE self-supporting budgets which display the anticipated revenue and expenditures for each fund supported by revenue sources other than state appropriations/ authorizations.

Current Board of Regents' policy requires that all accounts exceeding \$25,000 of projected annual expenditure activity will be included in the annual budget process. Excluded from this requirement are grants and contracts, plant, loan, and endowment funds. The Presidents have authority to transfer funds into or out of each budget subject to policy guidelines in the Board of Regents Handbook, Title 4 Chapter 9c, Section 2.

The self-supporting budgets contained in this report are reported on fiscal year basis (July 1, 2017 through June 30, 2018). Summer School budgets and other budgets reported on a calendar year basis are reported separately at the beginning of each calendar year.

This report displays the budgets in a sources and uses of funds format. This format projects the cash flow from the account's opening balance at the beginning of the fiscal year to the account's ending balance at the end of the year. Revenue budgets are established in NSHE's financial system based on the amounts reported for the opening balance on the account plus all sources of funds. Expense budgets are established based on amounts reported for all uses of funds plus the ending balance on the account. An account's revenue budgets will equal its expense budgets.

The Intercollegiate Athletic budgets at UNR and UNLV, Lawlor Event Center (LEC) at UNR and the Thomas & Mack Center at UNLV have multiple revenue budgets that support multiple expenditure budgets. All other budgets contained in this report have a single revenue budget supporting a single expenditure budget.
