Biography for Farah Rashdan Regents' Scholar Award 2011

Farah has lived in Reno for over 20 years. She and her family are originally from Jordan in the Middle East. She is a first-generation American and future college graduate. Farah has been studying at TMCC for almost three years, received her associate of arts degree last spring and is now pursuing a dual major in special education/elementary degree. The reason that she decided to attend TMCC was because of the intimate atmosphere that the students and professors experience on campus.
