1. AGENDA ITEM TITLE: Handbook Revision, Nevada Promise Scholarship Program

MEETING DATE: September 5-6, 2019

2. BACKGROUND & POLICY CONTEXT OF ISSUE:
The Nevada Promise Scholarship Program (the Program) was created by the Nevada Legislature in 2017. The scholarship, subject to appropriation, is a “last-dollar” program that covers mandatory registration and other fees for eligible students at a community college. Funds are used to cover any remaining eligible fees after other forms of financial aid are applied, such as the Pell Grant and Silver State Opportunity Grant.

During the 2019 legislative session, SB350 was passed and signed into law. This new bill amends the Program in various ways and requires the Board of Regents to administer the Program and pass regulations that govern the Program.

The attached proposed policy would create a new section in the Handbook that explicitly establishes the parameters needed for consistent and uniform implementation of the Program at all four community colleges.

3. SPECIFIC ACTIONS BEING RECOMMENDED OR REQUESTED:
Amend Title 4, Chapter 18 of the Handbook by creating a new section, Section 11, as proposed in the attached policy draft that mandates how community colleges will implement the Nevada Promise Scholarship Program.

4. IMPETUS (WHY NOW?):
The Legislature passed, and the Governor signed into law, SB350 in the 2019 legislative session that requires, among other things, the Board of Regents to establish regulations and administer the Program. Previously, each community college administered the program under specific parameters as established in the original legislation. Having the Board of Regents administer the Program allows flexibility, as well as consistency across the community colleges.

5. CHECK THE NSHE STRATEGIC PLAN GOAL THAT IS SUPPORTED BY THIS REQUEST:
   X Access (Increase participation in post-secondary education)
   ❏ Success (Increase student success)
   ❏ Close the Achievement Gap (Close the achievement gap among underserved student populations)
   ❏ Workforce (Collaboratively address the challenges of the workforce and industry education needs of Nevada)
   ❏ Research (Co-develop solutions to the critical issues facing 21st century Nevada and raise the overall research profile)
   ❏ Not Applicable to NSHE Strategic Plan Goals

INDICATE HOW THE PROPOSAL SUPPORTS THE SPECIFIC STRATEGIC PLAN GOAL
The Nevada Promise Scholarship encourages high school students during the fall semester of their senior year to begin planning for, and taking steps towards, going to college. The Program also removes a large portion of the financial burden many students and families are concerned with by covering mandatory registration fees.

6. BULLET POINTS TO SUPPORT REQUEST/RECOMMENDATION:
   • The Nevada Promise Scholarship Program has been in place since Fall 2018 and is assisting students in obtaining a certificate or associate degree.
   • The Legislature has authorized the Board of Regents to administer the program and establish policy in doing so.
   • The Board of Regents’ administration of the Program allows greater flexibility to make adjustments, if needed, to effectively implement the Program.

7. POTENTIAL ARGUMENTS AGAINST THE REQUEST/RECOMMENDATION:
   • The Program cost could exceed available appropriations.
   • There is no funding for the cost of administering the Program.
8. ALTERNATIVE(S) TO WHAT IS BEING REQUESTED/RECOMMENDED:
Instruct the Chancellor to establish all processes for the program in the *Procedures & Guidelines Manual*.

9. RECOMMENDATION FROM THE CHANCELLOR’S OFFICE:
The Chancellor’s office recommends support of the policy as proposed to ensure the next cohort of Nevada Promise Students can continue to receive the scholarship.

10. COMPLIANCE WITH BOARD POLICY:

CHAPTER...........

AN ACT relating to higher education; revising provisions governing the awarding of Nevada Promise Scholarships; creating the Nevada Promise Scholarship Program to be administered by the Board of Regents of the University of Nevada; authorizing the Board of Regents to waive certain requirements for eligibility for certain students who are granted a leave of absence from the Program; revising the eligibility criteria for a student to receive a Nevada Promise Scholarship; revising provisions governing the disbursement of money from the Nevada Promise Scholarship Account; eliminating provisions requiring a community college to maintain certain records relating to Nevada Promise Scholarships; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, a community college is authorized, but not required, to award Nevada Promise Scholarships to students who meet certain requirements for eligibility. (NRS 396.965, 396.9665) This bill transfers authority for the awarding of Nevada Promise Scholarships from each community college to the Board of Regents of the University of Nevada. Section 9 of this bill creates the Nevada Promise Scholarship Program for the purpose of awarding Nevada Promise Scholarships and requires the Board of Regents to administer the Program.

Under existing law, Nevada Promise Scholarships must be used to pay the difference between the amount of the registration fee and other mandatory fees a community college charges to a student and the total amount of any other gift aid the student receives for the school year. (NRS 396.968) Section 4 of this bill defines “registration fee and other mandatory fees.” Section 15 of this bill repeals the term “school year” as it relates to the Nevada Promise Scholarship Program and sections 9-12 of this bill replace it with the term “academic year.” Section 2 of this bill defines the term “academic year.”

Under existing law, if a community college chooses to award Nevada Promise Scholarships, it is required to perform certain specified duties, including holding training meetings for scholarship applicants and establishing a mentoring program, or entering into an agreement with a nonprofit organization or governmental entity to perform those duties. (NRS 396.965, 396.9655) Sections 9, 10 and 15 of this bill remove provisions specifying these duties and instead require the Board of Regents to adopt regulations governing the Program.

Existing law sets forth the requirements a student must meet to be eligible to receive or renew a Nevada Promise Scholarship. (NRS 396.9665, 396.967) Section 15 repeals the provision requiring that a student renew a Nevada Promise Scholarship each year. Section 10 instead provides that a student remains eligible...
for a Nevada Promise Scholarship so long as he or she meets certain prescribed requirements. **Section 10** also decreases the number of hours of community service that a student must perform, from 20 hours before receiving a scholarship and 20 hours each year the student receives a scholarship to 8 hours before receiving a scholarship and 8 hours each semester the student receives a scholarship. **Section 10** similarly decreases the number of training meetings a student must attend from two meetings to one meeting. **Sections 9 and 10** remove deadlines for a student to complete certain requirements for eligibility for a Nevada Promise Scholarship and instead require the Board of Regents to adopt regulations prescribing such deadlines.

Existing law requires a student to be less than 20 years of age and have obtained a high school diploma or a general equivalency diploma or equivalent document to be eligible to receive a Nevada Promise Scholarship. (NRS 396.9665) **Section 10** requires that a student have obtained a high school diploma or successfully completed the high school equivalency assessment selected by the State Board of Education before 20 years of age to be eligible to receive a Nevada Promise Scholarship.

Existing law requires a student to complete the Free Application for Federal Student Aid to be eligible to receive a Nevada Promise Scholarship. (NRS 396.9665) **Section 10** provides that a student who is prohibited by law from completing the Free Application for Federal Student Aid is authorized to complete an alternative determination for financial aid as the Board of Regents may prescribe.

**Section 5** of this bill authorizes the Board of Regents to grant a student a leave of absence from the Program under certain circumstances and waive certain requirements for eligibility in the Program for a student who has been granted a leave of absence.

Existing law creates the Nevada Promise Scholarship Account and requires each participating community college to award Nevada Promise Scholarships in accordance with certain procedures for determining the amount of a scholarship for each eligible student and requesting a disbursement from the Account. If there is insufficient money available to award a full scholarship to all eligible students, existing law requires the State Treasurer to provide notice to certain entities and disburse money from the Account in a certain manner. (NRS 396.9645, 396.968) **Section 11** of this bill requires the Board of Regents to: (1) calculate the maximum amount of the Scholarship each eligible student is eligible to receive; (2) determine the actual amount, if any, the eligible student will receive; and (3) award a Nevada Promise Scholarship to the student by disbursing money directly to the community college in which the student is enrolled. **Section 11** also requires the State Treasurer to disburse money from the Account to the Board of Regents upon request and, if there is insufficient money in the Account, to provide notice to the Board of Regents.

**Section 11** further requires the Board of Regents to adopt regulations for the disbursement of money if there is insufficient money in the Account to award a full scholarship to all eligible students. **Section 11** requires such regulations to prohibit the Board of Regents from awarding any money to a student who is prohibited by law from completing the Free Application for Federal Student Aid unless all students who have completed the Free Application for Federal Student Aid have been awarded a full scholarship.

**Section 12** of this bill revises certain requirements relating to an annual report that the Board of Regents must prepare and eliminates the requirement that a community college maintain certain records relating to Nevada Promise Scholarships.
Section 15 repeals certain provisions relating to Nevada Promise Scholarships to conform to the changes made in this bill.
