Section 1.5 Officers of the Nevada System of Higher Education

...

1.5.4 Vacancy in the Office of President.

- (a) As used in this Section, "Officer in Charge" means the person who has been designated by the President of each institution to be the officer in charge in the temporary absence or vacancy in the Office of President.
- (b) The President of each institution shall maintain on file with the Chancellor, in writing, the designation of campus authority consisting of a list of three persons currently serving the institution, that are, in the order listed, deemed to be the officer in charge should a temporary absence or a vacancy occur in the position of President. The list shall include the name, title and contact information for each person. If the person listed first is unavailable at the time of the temporary absence or vacancy, the next person listed in order shall serve as the officer in charge. If the persons listed first and second are unavailable at the time of the temporary absence or vacancy, the third person listed shall serve as the officer in charge.
- (c) When a vacancy occurs in the position of President of a member institution, the institution's officer in charge shall exercise the powers of the President until an acting or interim President is appointed by the Board.
- (d) Whenever a vacancy occurs or is about to occur in the position of President of a member institution, the Chancellor, in consultation with the Chair of the Board, shall recommend to the Board the appointment of an acting or interim President. Prior to making the recommendation of an acting or interim President, the Chancellor and Chair of the Board shall first meet with major constituencies, including the representatives of faculty and classified senates or their equivalents, and student government representatives of the institution to receive their suggestions and input for the appointment of an acting or interim President. Additional constituencies may include, but are not limited to, provosts, vice presidents and other executive staff, campus employees, faculty, students, presidential advisory board members, foundation trustees and community representatives.

(e) At the time the Board considers the Chancellor's recommendation for the appointment of an acting or interim President, the Board shall also determine whether a search shall be conducted, or if an interim President shall be appointed to a specified term of one to three years.

- 1) If the Board determines to conduct a search, the Board will appoint an acting President. If an acting President is appointed, the acting President serves as the President of the institution until a person is permanently appointed as President following a presidential search. An acting President will not be eligible for consideration as a candidate for the permanent appointment as President. The Board shall determine whether to conduct a national, regional, in-state or other search for a permanent President.
- 2) If, by an action approved by an affirmative vote of not less than two-thirds of the Board, the Board determines to appoint an interim President to a specified term, an acting President will not be appointed. The Chancellor's recommended candidate for acting President may be considered by the Board for appointment as the interim President. If the Board appoints an interim President, the interim President will be appointed to a specified term of one to three years. At any time prior to the expiration of the interim President's specified term, the Board may approve a decision to conduct a search.
- 3) An interim President must serve at least a year before the Board may consider making the appointment permanent and the Board shall, at a public meeting, first allow and consider input from the institution's major constituencies. Prior to the last year of the term of an interim President appointed to a multi-year term, or prior to the end of the year of an interim President appointed to a one-year term, the Board may conduct a periodic evaluation of the interim President consistent with the Board policy governing periodic evaluation of NSHE Presidents.

If at any time during the term of an interim President, the Board determines not to appoint the interim President to the permanent position, the Board may direct that a search be conducted in the manner provided for in this Section 1.5.4. The interim President will not be eligible for consideration as a candidate for the permanent position. The Board shall determine whether to conduct a national, regional, in-state or other search for a permanent President.

(f) If the Board determines to conduct a search, a Regents' Presidential Search Committee composed of four to six members of the Board of Regents shall be appointed by the Chair of the Board for the purpose of recruiting and recommending a nominee or nominees to the full Board of Regents for consideration by the Board for appointment to the position. The Chair of the Board shall appoint the chair of the Regents' Presidential Search Committee. The Chair of the Board of Regents shall also appoint institutional advisory members to the Committee from the member institution involved to include: (i) five faculty members nominated by the senate; (ii) up to three administrators; (iii) one classified employee nominated by the classified employees' organization, if any, or if the search is at DRI, one technologist nominated by the technologists' organization, if any; (iv) one undergraduate student representative and one graduate student representative nominated by the

appropriate student government as applicable to the institution involved; and (v) one alumnus. The Committee Chair may also appoint such other persons as advisory members to the Committee as may be deemed necessary. The affirmative action officer of the member institution involved, if any, shall be an ex officio advisory member of the Committee. The institutional advisory members of the Committee serve as non-voting members to advise the voting members of the Regents' Presidential Search Committee on matters being considered.

- (g) The Regents' Presidential Search Committee will oversee the details of the search. The budget for the search shall be established by the Chair of the Board in consultation with the Chancellor and Chief of Staff of the Board and shall take into consideration the institutional finances. The Chancellor shall, in accordance with direction from the Committee, either directly, or in consultation with a Search Consultant, if one is hired, be responsible for the initial screening process to determine candidates for consideration by the Committee. The Regents' Presidential Search Committee shall meet at the call of the chair of the Committee to discuss the qualifications of applicants recommended after the initial screening process and to hear the recommendations of the institutional advisory members of the Committee. The Committee will interview and evaluate candidates, after which the Regents' Presidential Search Committee will select its nominee or nominees for consideration by the full Board of Regents for appointment to the position. If the Board determines not to appoint the nominee(s) recommended by the Regents' Presidential Search Committee, it may direct the Committee to continue the search process and to recommend an additional nominee or nominees for consideration by the full Board of Regents.

The Board Office shall provide staff assistance to the Committee.

- (h) The Board shall determine whether the Committee shall be aided by a Search Consultant. If the Board determines that the services of a Search Consultant would be helpful, a Search Consultant shall be selected by the Chancellor, the Chief of Staff of the Board of Regents, and the Chief General Counsel. The Search Consult shall (i) assist the Committee in the performance of its search, (ii) attend all meetings of the Committee, (iii) help the Committee in defining general parameters for the search, (iv) prepare and present a leadership profile for the Committee's approval at its first meeting regarding the qualifications sought for the President position, and (v) obtain at the first Committee meeting approval from the Committee on the publication and on-line locations where advertising for the President position will be placed.
- (i) All costs associated with a Presidential search, including the costs of a Search Consultant, shall be paid by the institution that has the vacancy.
- (j) By affirmative vote of not less than two-thirds of the members of the Board, the Board may authorize deviations from the processes defined in this policy.
