

# BOARD OF REGENTS BRIEFING PAPER

1. **AGENDA ITEM TITLE:** Procedures & Guidelines Manual Revisions, Student Fees

**MEETING DATE:** December 5-6, 2019

## 2. BACKGROUND & POLICY CONTEXT OF ISSUE:

**Procedures and Guidelines Manual Chapter 7, Section 12 (Student Fees) and Section 13 (Special Course Fees)** – The Board of Regents approves Registration Fees and Tuition, Student Fees and Special Course Fees per Board policy. The Board of Regents *Handbook*, Title 4, Chapter 17, Section 23, sets the conditions under which student fees may be assessed. The language of this section of the *Handbook* also requires that mandatory fees be reviewed and approved by the Board of Regents.

Similarly, the Board of Regents *Handbook*, Title 4, Chapter 17, Section 25, sets the conditions under which Special Course Fees may be assessed. This section of the *Handbook* requires Board approval for all Special Course Fees greater than \$50.00 per course and specifies the activities to which these fees apply.

Each of the proposed changes in Student Fees and Special Course Fees has been thoroughly considered at the campus level. In the process of considering changes to the fee structures, students at each of the campuses and at undergraduate and graduate levels as appropriate, have been involved in the fee committee deliberations.

As in prior years, Attachment A contains an Executive Summary of the proposed changes in Student Fees. The current list of the Board approved Student Fees, including proposed changes is contained within Attachment B.

The proposed changes in Student Fees that have been submitted by the campuses are also presented in a format that includes information about the number of students affected by the proposed changes.

Attachment C contains spreadsheets with information regarding proposed changes in Student Fees, Special Course Fees, Residence Hall and Food Service Rates.

All fees proposed in the request will be effective the Fall of 2020 semester.

## 3. SPECIFIC ACTIONS BEING RECOMMENDED OR REQUESTED:

Chief Financial Officer Andrew Clinger requests approval of proposed Procedures and Guidelines Manual revisions addressing special fee and student fee changes for NSHE institutions. These fees include changes to student fees, special course fees, residence hall rates at UNR and food service rates at UNLV and UNR.

## 4. IMPETUS (WHY NOW?):

To allow for appropriate planning for the upcoming 2020-2021 academic year.

## 5. CHECK THE NSHE STRATEGIC PLAN GOAL THAT IS SUPPORTED BY THIS REQUEST:

- ☐ Access (Increase participation in post-secondary education)
- ☐ Success (Increase student success)
- ☐ Close the Achievement Gap (Close the achievement gap among underserved student populations)
- ☐ Workforce (Collaboratively address the challenges of the workforce and industry education needs of Nevada)
- ☐ Research (Co-develop solutions to the critical issues facing 21<sup>st</sup> century Nevada and raise the overall research profile)
- ☐ Not Applicable to NSHE Strategic Plan Goals

## INDICATE HOW THE PROPOSAL SUPPORTS THE SPECIFIC STRATEGIC PLAN GOAL

## 6. BULLET POINTS TO SUPPORT REQUEST/RECOMMENDATION:

These fees were identified by the institutions as necessary to support programs and/or level of service for these activities. Please see Attachment C for individual fee rationale.

**7. POTENTIAL ARGUMENTS AGAINST THE REQUEST/RECOMMENDATION:**

Fee increases may make it more difficult for students to meet financial obligations.

**8. ALTERNATIVE(S) TO WHAT IS BEING REQUESTED/RECOMMENDED:**

To reduce the number of programs and/or level of service and support for campus services.

**9. RECOMMENDATION FROM THE CHANCELLOR'S OFFICE:**

**10. COMPLIANCE WITH BOARD POLICY:**

☒ Consistent With Current Board Policy: Title # 4 Chapter # 17 Section # 23, 25 and 27

☐ Amends Current Board Policy: Title # \_\_\_\_\_ Chapter # \_\_\_\_\_ Section # \_\_\_\_\_

☒ Amends Current Procedures & Guidelines Manual: Chapter # 7 Section # 12-16

☐ Other: \_\_\_\_\_

☒ Fiscal Impact: Yes X No \_\_\_\_\_

Explain: Special fees represent extraordinary costs associated with specific programs, services or summer registration. Special fee supported budgets that meet the reporting threshold of \$250,000 will be reported in the Self-Supporting Budget report.

## **EXECUTIVE SUMMARY OF STUDENT FEES**

The following is a list of proposed changes:

### **Student Fees**

#### **UNLV**

##### **New Fee:**

- Graduate Professional and Career Development Fee - The new fee will allow the Graduate College to continue providing outstanding career and professional development, skills training, and community building events, workshops, and services to support graduate student success to expand their free offering through the Professional Development Academy, and to increase the types of student support offered in the new Graduate Gateway building space beginning in fall 2019.
- UNLV SOM Visiting Medical Student Application Fee – The new fee is consistent with UNR's Visiting Student Elective Fee and competitive with other fees at peer schools. Medical schools throughout the U.S. offer visiting four-week clinical elective to recruit applicants for residency programs. Fees will be used to offset administrative and personnel costs.

##### **Revised Fee:**

- GPSA Graduate Special Fee – This fee has remained constant over approximately 10 years. During this time, the budget for student awards has increased as a result of demand from students while the amount of revenue from the fee has not. The increase will allow GPSA to continue to provide services, awards, assistance to association members as well as staffing and new initiatives.
- University of Nevada, Las Vegas School of Medicine Student Research Project Fee, Years 2 & 3 – UNLV SOM is proposing a fee structure change from \$500 per year over four years to \$1,000 for just two years. No change to the total amount per student.
- William S. Boyd School of Law Student Activity Fee – The Law School Student Activity Fee funds student orientation and graduation receptions; student organization meetings, events, and activities; travel to national organization meetings and participation in competitions. The fee has not been increased since the law school's inception in 1998. The increase will provide support to expand activities and the associated higher costs. An additional proposed change is from per semester to per credit which will provide parity between full-time and part-time students.

#### **UNR**

##### **New Fee:**

- University of Nevada, Reno School of Medicine Fitness Fee – The fee is to expand the collection to include UNR School of Medicine students and will provide membership to the E.L. Wiegand Fitness Center facilities.

- University of Nevada, Reno School of Medicine Graduation Fee – Funds to support the cost of hooding and award ceremony for fourth year graduating medical students, which is in addition to the University's global graduation fee.

**Revised Fee:**

- Counseling Services – The last fee increase occurred 5 years ago. Due to the additional staff and resources needed to provide services to the significant increase in students, current funding is not sufficient to support the program. The fee increase will be incremental in fall 2020 and fall 2021.
- Student Association Fee – The ASUN fee has not changed since 2008 and there has been significant increase in students and use of programs offered by the ASUN. The increase fee revenue will allow the association to continue current initiatives which include Campus Escort, technology, student publications, clubs & organizations, diversity initiatives, and student officer wages.
- University of Nevada, Reno School of Medicine National BME Subject Exam and Prep Fee Year 1, 2, 3 & 4 – At the request of School of Medicine Students, the increase to the fee is to expand National Board of Medical Examiners' testing to include prep and testing at all four years for better preparation for national licensing exams. The fee will include NBME exams, assessment tools for progress and performance, and subscription fees.

**NSC**

**Revised Fee:**

- Technology Fee – Regular – The increase Technology Fee is to cover the rising cost of and upgrades to technology services and infrastructure.

**CSN**

**New Fee:**

- Application Fee – Limited Entry Health Sciences Programs – The fee will promote qualified and complete applications to be submitted versus the current labor-intensive process. Funds will also be utilized for travel, software, supplies, administrative costs, and professional development for health program advisors.

**Revised Fee:**

- School of Health Sciences – CSN Dental Hygiene Instruments Year 1 (optional to purchase through CSN) – The fee for instruments is being increased to match the amounts that are currently being charged to students. CSN provides this purchasing option as a convenience.
- School of Health Sciences – CSN Dental Hygiene Instruments Year 2 (optional to purchase through CSN) – The fee for instruments is being increased to match the amounts that are currently being charged to students. CSN provides this purchasing option as a convenience.

- Technology Fee – Regular – The Technology Fee is being increased to align with the increasing cost and need for software applications and hardware to support student experience and delivery.

### **GBC**

#### **Revised Fee:**

- Technology Fee – The cost of keeping up with technology in the classrooms, student computer labs, wireless access, and other related infrastructure is ever increasing. The increase is needed in order to provide adequate technology to the students to assist them in obtaining success of their educational goals.

### **WNC**

#### **Revised Fee:**

- Technology Fee – Regular – Technology has continued to evolve in our classrooms as well as integrating the classroom with online instruction incorporating the latest technology into our classrooms continues to become more expensive. The fee increase will allow WNC to continue to incorporate cutting edge technology in all facets of the learning environment and provide students with the tools they will need to be successful.

## **EXECUTIVE SUMMARY OF SPECIAL COURSE FEES**

### **Special Course Fees**

It is the policy of the Board of Regents that the registration fee be the only fee assessed for taking a course except as outlined in this section. The reasons for these exceptions are extraordinary instruction costs due to: (a) individual instruction (e.g., private music lessons), (b) class supplies, course-specific software, and specialized equipment (e.g., welding equipment and materials), (c) third party charges for use of a facility (e.g., golf), (d) special transportation requirements, or (e) extraordinary instructional costs (e.g., intensive supervision, support or additional technical expertise required for the delivery of the course), (f) some combination of these reasons. Responsibility for implementing this policy is delegated to the presidents up to a maximum of \$50.00 per course. Courses requiring fees higher than \$50.00 require Board of Regents approval and are as follows (institutions may charge up to the amount approved):

### **UNLV**

### **UNR**

#### **New Course Fees:**

- COLA 109, NevadaFit; \$250.00/course
- MUSE 117, Precision Drill Workshop; \$250.00/course
- THTR 121, Stage Make-up; \$100.00/course

#### **Revised Course Fees:**

- ART 141, Introduction to Digital Photography; catalog change correction
- ART 212, Ceramics II; catalog change correction
- ART 221, Beginning Printmaking: Intaglio; catalog change correction
- ART 223: Beginning Printmaking: Screen Printing; catalog change correction
- ART 317, Intermediate Sculpture; catalog change correction
- ART 416, Advanced Sculpture; catalog change correction
- ART 417/617, Problems in Sculpture; catalog change correction
- BCH 406/606, Molecular Biology Laboratory; catalog change correction
- BIOL 406/606 Molecular Biology Laboratory; catalog change correction
- CEP 770, Internship in Counseling; catalog change correction
- ECE 493, Supervised Internship in Early Childhood Education; catalog change correction
- EDU 109, NevadaFit, catalog change correction
- EDUC 585A, Supervised Internship, Integrated Elementary/Special Education; catalog change correction
- IAFF 300, Model United Nations; catalog change correction
- REM 460/660, Rangeland Resource Management; catalog change correction
- REM 498/698, Rangeland Restoration Ecology; catalog change correction
- NURS 318, Nursing Care of the Individual 1: Practice; catalog change correction
- NURS 750, Advanced Health Assessment; catalog change correction

**NSC****New Course Fees:**

- NURS 308; \$120.00/course
- NURS 328; \$120.00/course
- NURS 428; \$120.00/course
- NURS 484; \$100.00/course

**Deleted Course Fees:**

- NURS 304; fee no longer charged for this course
- NURS 448; fee no longer charged for this course

**CSN****New Course Fees:**

- DT 150B, Diesel Hydraulics, \$65.00/course
- WELD 100B, Introduction to Welding; \$85.00/course

**Revised Course Fee:**

- AUTO 105B, Automotive Maintenance I; from \$50.00/course to \$65.00/course
- AUTO 115B, Automotive Electricity and Electronics I; from \$50.00/course to \$65.00/course
- AUTO 117B, Advanced Automotive Electronics; from \$50.00/course to \$65.00/course
- AUTO 136B, Engine Repair; from \$50.00/course to \$65.00/course
- AUTO 145B, Automotive Brakes; from \$50.00/course to \$65.00/course
- AUTO 155B, Steering and Suspension; from \$50.00/course to \$65.00/course
- AUTO 165B, Automotive Heating and Air Conditioning; from \$50.00/course to \$65.00/course
- AUTO 185B, Introduction to Alternative Fueled Vehicles; from \$50.00/course to \$65.00/course
- AUTO 205B, Manual Drivetrain and Axles; from \$50.00/course to \$65.00/course
- AUTO 216B, Automatic Transmissions; \$50.00/course to \$65.00/course
- AUTO 225B, Engine Performance I/Fuel and Ignition; from \$50.00/course to \$65.00/course
- AUTO 227B, Engine Performance II/Emission Control; from \$50.00/course to \$65.00/course
- AUTO 235B, Engine Performance III/Diagnostics; from \$50.00/course to \$65.00/course
- AUTO 240B, Nevada 1G Emission Inspection Preparation; from \$50.00/course to \$65.00/course
- AUTO 245B, Power Train Removal and Replacement; from \$50.00/course to \$65.00/course
- AUTO 285B, Hybrid Vehicle Service Techniques; from \$50.00/course to \$65.00/course

**B. INTERNATIONAL STUDENT FEE**

The recruitment, admission and advising of international students represents a tremendous cost to the University of Nevada, Reno, and University of Nevada, Las Vegas. The logistical and administrative burdens of international students on the university are complex and expensive. Increased costs of international mailing, phone, facsimile, recruitment, specialized printing, translations and highly trained personnel forces the university to make difficult budgetary choices. These choices often leave international students short of receiving the proper levels of attention.

Because of the limited resources of the Admissions and International Student Office, the need for funding aimed directly at the international students is essential. These funds will be directly used to support programs pertaining to international students. Additionally, it is not proper to use funds dedicated to benefit university student as a whole, to support activities that benefit only international students.

International students will pay a semester International Student Fee. The revenue from this fee will be used to sustain enrollment functions in the Admissions, Graduate, and International Student offices, supporting only international students.

<u>Distribution of Revenue</u>	<u>Amount</u>
UNR	
Admissions Office	\$12.50 per student per semester
Graduate School	\$12.50 per student per semester
International Students and Scholars	<u>\$120.00 per student per semester</u>
	\$145.00 per student per semester
UNLV

CSN	\$120.00 per student per semester
TMCC	\$120.00 per student per semester

**C. STUDENT LIFE FACILITIES FEE, UNLV**

The following fee shall support the planning, construction, and operations of a new student recreation center and a renovation and expansion of the Moyer Student Union. All students have access to the Moyer Student Union. Students required to pay the fee will have full access to the recreation center; students taking three or fewer credits during fall or spring will be required to pay a user fee in order to use the Student Recreation Center; this fee will be 125% of the fee charged those students taking more than three credits.

Fall and Spring Semester

All students taking more than three credits will be charged the following fee per semester:

Effective Fall Semester, 2017 \$198.00

Effective Fall Semester, 2018 \$223.00

Summer Terms

## NOTES:

- \*UNLV Health Fee would increase to \$82.50 Fall/Spring and \$42.50 Summer for FY20 and to \$93.00 Fall/Spring and \$47.00 Summer for FY21.
- NSC International students are enrolled in UNLV's policy at no impact to costs.
- CSN (domestic), GBC, TMCC, WNC students have available health services on a voluntary basis through a third party entity. These institutions facilitate the availability of student health services; however, students who contract for these services pay the third party entity directly.
- CSN International Students purchase mandatory health coverage through a third-party entity designated by CSN. Proof of equivalent coverage will be accepted on a limited basis. No fees are paid to CSN.
- Amounts represent total charges and include insurance premium, ACA taxes and fees, broker commission and fees, and institution fees.
- Some NSHE Allied Health and Nursing programs require students provide evidence of coverage. The coverages indicated above may be used to satisfy this programmatic requirement.

J. LATE FEES

- a. Late Registration Fee: A late registration fee of up to \$50 per course may be assessed to students who don't meet the course registration deadline. Late registration fee exceptions may be granted by the institution when registration was delayed due to circumstances beyond the student's control.
- b. Late Payment Fee: A late payment fee of up to \$25 may be assessed for payments received after the payment deadline. An additional fee of up to \$25 may be assessed daily after the payment deadline up to \$250 for past due balances greater than \$100.

(B/R 4/92, 5/93, 3/94, 2/95, 6/95, 4/96, 4/97, 9/97, 5/98, 4/99, 6/99, 4/00, 3/02, 3/03, 8/03, 1/04, 3/04, 2/05; Added 6/05; A. 8/05, 1/06, 4/06, 7/06, 2/07, 7/07, 12/07, 6/08, 2/09, 4/09, 6/09, 12/09, 4/10, 6/10, 12/10, 4/11, 6/11, 12/11, 6/12, 9/12, 11/12, 6/13, 9/13, 12/13, 3/14, 6/14, 12/14, 6/15, 12/15, 6/16, 12/16, 3/17, 6/17, 9/17, 12/17, 3/18, 6/18, 9/18, 11/18, 06/19)

**Section 13. Special Course Fees**

It is the policy of the Board of Regents that the registration fee be the only fee assessed for taking a course except as outlined in this section. The reasons for these exceptions are extraordinary instruction costs due to: (a) individual instruction (e.g., private music lessons), (b) class supplies, course-specific software, and specialized equipment (e.g., welding equipment and materials), (c) third party charges for use of a facility (e.g., golf), (d) special transportation requirements, or (e) extraordinary instructional costs (e.g., intensive supervision, support or additional technical expertise required for the delivery of the course), (f) some combination of these reasons. Responsibility for implementing this policy is delegated to the presidents up to a maximum of \$50.00 per course. Courses requiring fees higher than \$50.00 require Board of Regents approval and are as follows (institutions may charge up to the amount approved):

1. University of Nevada, Las Vegas

## Special Fees: Student Fees

Institution	Fee Name	Type of Fee (e.g.: orientation, late registration, etc.)	Fee Status - new, revised or continuing	Current Fee Amount	Proposed Fee Amount	Narrative/ Rationale	Annual Number of students impacted	Anticipated Annual Revenue
UNLV	GPSA Graduate Special Fee	sponsorship awards	revised	\$18.00	\$25.00	The GPSA Student Fee has remained constant over approximately 10 years. During this time, the budget for student awards has increased as a result of demand from students while the amount of revenue from the GPSA fee has not. Furthermore in order to keep up with the increase in sponsorship award requests, the GPSA has been unable to continue to provide new benefits and programs to our association members. Use of fees include: travel/research sponsorship, student researcher award, book award; cap/gown program, event sponsorship, GPSA events/socials, council representative, new initiatives/other, and staffing	12,858	\$90,006.00
UNLV	Graduate Professional and Career Development Fee	student development	new	\$0.00	\$35.00	To allow the Graduate College to continue providing outstanding career and professional development, skills training, and community building events, workshops, and services to support graduate student success, to expand our free offering through the Professional Development Academy, and to increase the types of student support we offer in our new Graduate Gateway building space beginning in fall 2019. Current services were provided to students by spending down high dollar account reserves. As we spend down these accounts, we need to either scale back the services offered by the Professional Development Academy, or approve a fee to support continuation of existing services and expand the services that the Professional Development Academy provides to meet student needs and requests. Every proposed use of funds generated by this new fee reflects significant and repeated requests from graduate students. Expenses include but not limited to Grad Rebel Gateway-Phase 2 E-Systems expanded content, staffing, Gateway technology and software, badges, and badging support. Student involvement included communication via RAVE emails, GC weekly newsletter, social media, campus flyers, GPSA, surveys, and three town halls. Student feedback was positive and willing to pay a fee to support professional and career development opportunities.	10,450	\$365,750.00
UNLV	University of Nevada, Las Vegas School of Medicine Student Research Project Fee, Years 2 & 3	research project	revised	\$500.00	\$1,000.00	UNLV SOM is wanting to move the fee structure from a fee of \$500.00 per year over four years to a \$1,000.00 fee for just two years. The total amount will remain the same at \$2,000 for the student over the four years of instruction.	60	\$30,000, no difference from original proposal in Dec. 2016

UNLV	UNLV SOM Visiting Medical Student Application Fee	application	new	\$0.00	\$150.00	UNLV SOM's Visiting Medical Student Application Fee is consistent with UNR's Visiting Student Elective Fee at \$150, and competitive with other fees at peer schools ranging up to \$300. Medical schools throughout the U.S. offer these visiting four-week clinical elective to recruit applicants for residency programs. Many of the visiting medical students are selected for Nevada's residency programs. Fees will be used to offset administrative costs which include third party charges for host institutions through the Visiting Student Learning Opportunities program (VSLO) via the Association of American Medical Colleges (AMCAS). Fees will also be used to offset personnel costs for a program officer level position to coordinate the visiting student application process.	225	\$33,750.00
UNLV	William S. Boyd School of Law Student Activity Fee	student activity	revised	\$50 per semester	\$9 per credit	The Law School Student Activity Fee funds student orientation and graduation receptions; student organization meetings, events, and activities; travel to national organization meetings and participation in competitions. This fee is currently \$50 per semester and has not been increased since the law school's inception in 1998. The proposal has two objectives; to increase the student fee revenue to support expanded activities and higher costs since the original fee was approved; and to change the fee to a per credit basis for parity between full-time and part-time students. The current per semester charge results in a higher total fee paid by part-time students as they attend more semesters than full-time students for the same credit hours. Both full-time and part-time students would pay \$801 over their academic career.	405	\$40,100.00

## Special Fees: Student Fees

Institution	Fee Name	Type of Fee (e.g.: orientation, late registration, etc.)	Fee Status - new, revised or continuing	Current Fee Amount	Proposed Fee Amount	Narrative/ Rationale	Annual Number of students impacted	Anticipated Annual Revenue
UNR	Counseling Services	Service Fee	Revised	\$50.00	\$70.00	The last fee increase request occurred 5 years ago. Since that time, the University has seen an increased in 65% of students served. Due to additional staff and resources needed to provide students access to counseling services current funding is not sufficient to support the program. A \$20 increase per semester, incrementally increasing by \$10 in fall of 2020, and the additional increase of \$10 going into effect in fall 2021 taking the fee to \$70 per semester for students enrolled in at least 6 credits.	18,450	\$2,667,000.00
UNR	University of Nevada, Reno School of Medicine Fitness Fee	Service Fee	New	\$0.00	\$45.00	Fee collected to provide fitness membership to UNR School of Medicine Students. Currently the fee is collected for both campus undergraduate and graduate students, this is to expand the collection to include School of Medicine students. This will provide students access to the E.L. Wiegand Fitness Center facilities, classes and the pool located in Lombardi Recreation Center.	280	\$12,600.00
UNR	Student Association Fee	Student Association Fee Undergraduate	Revised	\$5.00	\$6.10	The per-credit ASUN fee charged to undergraduates has remained at \$5 since the NSHE Board of Regents approved that amount in 2008. In the 2008-2009 school year, UNR's student population was approximately 16,867. In 2018-2019, the population was 21,463. These amounts include graduate students as they too are served by ASUN programs and services. ASUN Senators, by vote of the entire student body via referendum, received permission for a pay raise in 2010. Funds have never been available for that pay raise. The ASUN President and Vice President have not received an increase in pay in 20 years. Student Publications funding has remained stagnant or diminished. The request is to increase the ASUN fee by \$1.10/credit hour to \$6.10/credit. This would allow the association to continue to fund current initiatives at a 2020 level. These programs include Campus Escort, Technology, Student Publications, Clubs & Organizations, Diversity Initiatives, Student Officer wages, These current programs have either been cut, received no increase or received minimal increase in funding since 2009 when the fee was initiated.	17,703	\$492,744.00
UNR	University of Nevada, Reno School of Medicine National BME Subject Exam and Prep Fee Year 1, 2, 3 & 4	Testing Fee	Revised	\$450.00	\$560.00	Expand National Board of Medical Examiners' (NBME) testing to include prep and testing at all four years, as requested by School of Medicine Students to better prepare students for national licensing exams. These fees include NBME exams, assessment tools for progress and performance, and subscription fees. Fees for Year 1 are \$559 (70 students), Year 2 are \$531 (70 students), Year 3 are \$322 (70 students), and Year 4 are \$60 (70 students).	280	\$103,040.00

CSN	Application Fee - Limited Entry Health Sciences Programs	Application fee	new	\$0.00	\$20.00	Currently, the review of the limited entry program application is labor intensive due to many incomplete and duplicate applications being submitted to the limited entry office. This fee will promote qualified and complete applications to be submitted, which will allow less time spent on application review and more time spent on quality advising. The revenue will be utilized for travel, software, and supplies, and professional development for health program advisors. In addition, revenue will be used for the copying and printing of advising materials, limited entry policies and procedures, and program brochures.	850	\$17,000.00
CSN	School of Health Sciences - CSN Dental Hygiene Instruments Year 1 (optional to purchase through CSN)	Fee for Instruments	revised	\$4,041.00	\$4,900.00	The fee for instruments is being increased to match the amounts that are currently being charged to students. The fee hasn't been increased in several years, while the cost of instruments has increased. The College provides the instruments to the students to buy as a convenience. Instruments are used during courses and can also be taken with them upon completion of the program.	20	\$17,180.00

The CED program will be using the supervisor assist program for this purpose. The recording of counseling session by counselors in training is central to the learning experience of practicum and internship. Best practice in the profession and core standards of CACREP accreditation require students in practicum to be recording over 40 hours of counseling sessions. These recorded sessions are viewed weekly by the student, the student and site supervisor (for a minimum of 1 hour per week), and the class together (known as group supervision scheduled for 2.5 hours per week). The goal of the international travel course is to give students a more global perspective of gaming law, and exposure to speakers in the field from law firms, industry, and academia during the tour. A group tour will provide the opportunity to pre-book local accommodations and internal flights at a discounted group rate. The course fee is calculated at \$2,300 to cover all travel costs upon arrival in Asia, including lodging, regional airfare, ferry transportation, and the welcome and closing dinners. Students will pay for their own airfare from the US to Asia as well as additional meals, local transportation, travel insurance, and other incidental travel costs.	15	\$34,500.00

UNLV	PGM 110, Introduction to PGA Golf Management	special course fee	revised - increase	\$2,085	\$2,095	Revised curriculum reduced and shifted material and testing fees associated with delivering the PGA curriculum among the PGM course fee portfolio (PGM 110, 201, 301, and 401). An additional fee to cover expenses associated with the upkeep of equipment and technology for newly acquired lab spaces was added. Students were involved in discussions for the rationale of an increase in PGM program course fees. The Program Director met with PGM concentration students in-class, during a PGM student association meeting, and issued an online survey to gauge the level of support for proposed increases. The PGM program requires enrolled students to matriculate in cohorts with each fall semester PGM course being assigned a course fee to cover associated concentration costs. Given this scenario, a PGM student needs to consider all courses within the concentration that have a course fee since all are required for completion of the concentration. With this being said, four courses within the concentration are affected by these proposed course fee changes (PGM 110, 201, 301, and 401). The net effect of the proposed course changes to the student is \$135 over the life of the concentration (4.5-year plan of study). This increase is 1.4% of the total concentration costs, and is the first increase in 10 years. Course fee changes are as follows: PGM 110 an increase of \$10, PGM 201 a decrease of \$255, PGM 301 an increase of \$25, and PGM 401 an increase of \$355 (aggregate increase of \$135). The culminating activity for this course is live performance through participation at several regional contests. As a result, the need for student travel (including transportation, hotel, registration fees, and per diem) is required to successfully offer the course. The University Bands strategic plan includes widening the impact of this course (University reputation, recruiting, and training of students for the marching band) which will require additional travel to contests and therefore more funding. Students participating in similar independent groups (non-university sponsored) are often required to pay over \$1250 in fees per year. This requested fee will provide students with an improved experience with personal contribution that is significantly below market.	15	\$3,750.00
