INTRODUCTION

In this report, compliant with NSHE Handbook Title 4, Chapter 24, Section 1, Subsection 9, a. and b. (Policies Concerning NSHE Intercollegiate Athletics), you will find a summary of UNLV Athletics' 2018-19 academic, athletic, and administrative activities.

Thank you for the opportunity to share a recap of our 2018-19 year, as well as to provide a blueprint for the year ahead.

Briefly, this past year, our top priorities were enhancing the holistic experience for all student-athletes, continuing to build and support our championship culture, and cultivating a supportive Rebel "community" amongst our fans, students, campus and global UNLV partners.

Notable benchmarks and highlights from 2018-19:

- Continued to set athletics department academic records. For the fourth consecutive semester, UNLV student-athletes achieved a collective grade point average of 3.0 or better - a first in department history. Also set a record for cumulative GPA (3.09).
- Improved the Student-Athlete Postgraduate Employment Rate to 75%, which is up nearly 50% in two years.
- Raised the most philanthropic and corporate dollars in UNLV Athletics history and grew our Rebel Athletic Fund membership by over 30% through the Drive for 5.
- Hired our first full-time mental health professional and expanded our nutrition program by 30%.
- Hired new head men's basketball coach T.J. Otzelberger, a hire that was ranked in the top 10 in the country by CBS Sports.
- Recaptured the Fremont Cannon and won the Silver State Series vs. UNR for the sixth time in seven years.
- Women's Tennis won the Mountain West Conference regular-season and tournament championships and Cheer and the Rebel Girls & Company earned national championships.
- Two track & field student-athletes earned first-team All-America honors (Destiny Smith-Barnett and Avi'Tal Wilson-Perteete) and Bryson Stott was selected No. 14 overall in the 2019 Major League Baseball Draft by the Philadelphia Phillies.
- Softball had its best start to a season in 24 years.
- Volleyball recorded the best season for a first-year coach in program history and advanced to the semifinals of the NIT.
- Our Learfield Sports Properties colleagues earned Team and Coach of the Year honors, our marketing team was recognized with two national awards at the National Association of Collegiate Marketing Administrators' Best of Awards, and our staff was selected to be speakers at national meetings and conventions throughout the year.

Moving forward, we will continue to build momentum by getting 1% better each day.

On behalf of our 515 student-athletes, coaches and staff, thank you for the opportunity to compete and represent this fine institution.

Go Rebels!

STRATEGIC PLAN

2. Implement the Recruiting Committee and 50-in-5 Committee's recommendations and continually reinforce a global "recruiting culture" that recruits high character student-athletes with a commitment to academic and athletic excellence at UNLV.
3. Continually refine our Facilities Master Plan, including operationalizing the Fertitta Football Complex and begin construction on our holistic Student-Athlete Excellence Center.

4. Work with Las Vegas partners to develop and execute a plan to bid and host preeminent events, including an array of NCAA Championships.

EQUAL OPPORTUNITY & DIVERSITY

UNLV Athletics strives to create a diverse and inclusive work place. Led by one of only nine women (and one of just two women of color) overseeing Football Bowl Subdivision athletic departments (out of 130 institutions), it is proud of the fact that its executive and coaching staffs are now among the nation's most diverse. UNLV Athletics' executive staff is comprised of 70% women or people of color: two African American males; three white males; two Hispanic females; two white females; and one Asian male. Its coaching staff is also reflective of UNLV's diverse campus and student-athlete population. Seven of 10 of UNLV's women's sports' head coaches are women, and while UNLV Athletics will always hire the best candidate, it has actively recruited diverse pools.

To ensure diversity and equal opportunity in the hiring of athletic department coaches, UNLV Intercollegiate Athletics follows the University's compliance policy outlined in the mission statement below. The method of recruitment guidelines, outlined on the next page, adhere to this policy.

UNIVERSITY COMPLIANCE POLICY

Reaffirmation of Commitment to Equal Educational and Employment Opportunity Mission Statement:

The University of Nevada, Las Vegas (UNLV) is committed to and will provide equality of educational and employment opportunity for all persons regardless of race, sex, age, color, national origin, religion, disability, sexual orientation, gender, genetic information, pregnancy, or veteran status — except where sex, age, or ability represent bona fide educational or employment qualifications or where marital or veteran status are statutorily defined eligibility criteria for federal or state benefit programs. Further, the university seeks to promote campus diversity by enrolling and employing a larger number of minorities and women where these groups have historically been and continue to be under-represented within the university in relation to availability. Diversity, equity, and inclusion are core values at UNLV and preference may be given to substantially equally qualified candidates who can demonstrate evidence of a commitment to diversity, equity, and inclusion.

This affirmation is published in accordance with 41 CFR 60 and is in keeping with Title IX of the Education Amendments Act and Title VII of the Civil Rights Act of 1964, as amended; Executive Order 11246; the Rehabilitation Act of 1973; the Vietnam Era Veterans' Readjustment Assistance Act of 1974; the Civil Rights Restoration Act of 1988; Nevada Revised Statutes; Genetic Information Nondiscrimination Act of 2008; and the Code and Policies of the Board of Regents of the Nevada System of Higher Education.

To ensure that equal educational and employment opportunity exists throughout the university, a results-oriented equal opportunity/affirmative action program has been implemented to overcome the effects of past discrimination and to eliminate any artificial barriers to educational or employment opportunities for all qualified individuals that may exist in any of our programs. The university aims to achieve, within all areas of the university community, a diverse student body, faculty, and staff capable of providing for excellence in the education of its students and for the enrichment of the university community.

The University of Nevada, Las Vegas reaffirms its commitment to equality of educational and employment opportunity in its relationships with all members of the university community and its commitment to the elimination of any documented historical and continuing underutilization of women and minorities among the student body or employee complement. The University of Nevada, Las Vegas is committed to this program and is aware that with its implementation, positive benefits will be received from the greater utilization and development of previously underutilized human resources.

REBEL ATHLETICS BUDGET SUMMARY

FY 2019 – BALANCED BUDGET SUMMARY

The UNLV Athletics' Business and Financial Services unit supports the mission of the Athletics Department by providing superior customer service to 17 teams, 515 student-athletes, and numerous support units in the Athletics Department and Thomas & Mack Center with a top priority of balancing the budget. In FY2019, the business office worked to revamp and improve the overall budget process and develop a methodical and realistic budget to balance. Time was spent throughout the budget process to emphasize greater communication and transparency while employing a zero-based budgeting model and clarifying institutional support. In order to balance the budget, the department was able to mitigate some spending in order to offset some revenue shortfalls to maintain a balanced budget.

FY 2020 BUDGET PROCESS

In FY 2020, it was important to continue to build upon the foundation that was set during the previous year's budget process and look for ways to enhance it. In addition to making decisions based on the department's mission statement, core values, and top five priorities, the following guiding principles to a student-athlete-first approach to financial decision-making continue to be utilized:

1. Will it help us educate our student-athletes?
2. Will it help us recruit top-notch student-athletes?
3. Will it help us succeed in play?
4. Will it help us increase our revenue?

Overall, the following budget process was strategically deployed:

- Each sport and support area completes detailed line-by-line item budgets for review.
- Individual in-person meetings with each sport and department to review budget requests.
 - o Ask each sport to identify top 3 priorities.
 - o Reviewed year-over-year variances.
 - o Reviewed mandated increases.
- Develop realistic and obtainable revenue projections.
 - o Individual meetings with revenue producing units to develop resource projections.
- Summarize all department requests and organize financial projections.
 - o Detailed review of each individual budget.
 - o Begin to make adjustments and allocate funding based on program efficiency and necessity while taking budget history and forecasting into consideration.
- Finalize Athletic Department Budget.
 - o Available resources.
 - o Top 5 Priorities.
 - o Core Values.
 - o Guiding Principles to Financial Decision Making.

REBEL ATHLETICS BUDGET SUMMARY

Top Budget Priorities:

- Student-Athlete Health, Safety, & Welfare;
- Mountain West Conference/NCAA Rule Changes; and
- Title IX & Gender Equity.

- Regularly conduct comprehensive benchmarking assessment and gap analysis with conference and peer institutions;
- UNLV Athletics will employ revenue generating strategies to keep pace with increased spending challenges through strategic fundraising initiatives in major gifts and annual philanthropy, implement new ticket sales strategies to increase ticket sales, enhance game day fan engagement and activities, persistently evaluate and schedule strategic football and basketball games, and strategically plan for ways to maximize revenue opportunities due to move to Allegiant Stadium in 2020; and
- Additionally, UNLV Athletics will review and engage in contract negotiations with third-party vendors to ensure the most effective contracts are in place to increase revenue and/or decrease spending.

*\$1.2M was provided in FY19 to provide full cost of attendance to all UNLV student-athletes. Figure to remain flat in FY20. Balance will be used to help fund other scholarship & financial aid support.

**Expense reassignment (FY2017). Reported as institutional revenue to keep expenditures accurate.

***Institution committed an additional \$2.647M investment - phased in over two years \$1.323M/year in FY2019 & FY2020 - to athletics to get the direct institutional investment within the 2016-17 Mountain West Conference Average. The investment will be used to support the athletic department mission to graduate leaders, win championships, and excel in all that we do. The source of the funds are Central Investment Income and Registration Fees.

****Institution provided \$810,000 from undergraduate access funds in FY2019 (\$600,000 estimated based on Pell Grant eligible student-athletes and \$210,000 to help fund three full-time positions used for student-athlete health and well-being). FY2020 is projected to remain flat.

Non resident tuition and registration fee waivers were provided in FY2019 consistent with UNR. FY2020 is estimated at \$4.4M.

Projection Assumptions for FY2021-FY2024:

ICA State: Projected flat over next four years.

Internal Revenues: Used 10% increase in football and men's basketball ticket sales revenues for FY2021 and 4% used in FY2022 - FY2024 (3% used for all other sports). Used 5% increase in NCAA & Mountain West Conference revenues. Additional increase in FY2021 - FY2024 is from Learfield MMR contract & future revenue projections to balance budget.

Student Fees: Current revenues plus increase in student fee of ~\$350k in FY2021 from \$1.50 increase. No projected increase in student fee revenue in FY2022 - FY2024. This is subject to change with future enrollment projections.

Gift Revenue: For priority seating, used 10% increase in FY2021 to match ticket sales & 4% in FY2022 & FY2023. For unrestricted gifts, used 5% per year over next 4 years.

Institution Revenues: Projected to stay flat over 4 years.

Tuition & Fee Waivers: Projecting 3% increase per year.

Expenditures: 8% increase in FY2021, 3% increase in FY2022 - FY2024.

Important Note: The following revenue sources will be evaluated and possibly adjusted over the next four fiscal years as contractual obligations expire. Additionally, ICA & TMC will further assess the revenue and expense impact of the move to Allegiant Stadium in FY2021. All projections subject to change in future projection analysis.

INTRODUCTION

In this report, compliant with NSHE Handbook Title 4, Chapter 24, Section 1, Subsection 9, a. and b. (Policies Concerning NSHE Intercollegiate Athletics), you will find a summary of UNLV Athletics' 2018-19 academic, athletic, and administrative activities.

Thank you for the opportunity to share a recap of our 2018-19 year, as well as to provide a blueprint for the year ahead.

Briefly, this past year, our top priorities were enhancing the holistic experience for all student-athletes, continuing to build and support our championship culture, and cultivating a supportive Rebel "community" amongst our fans, students, campus and global UNLV partners.

Notable benchmarks and highlights from 2018-19:

- Continued to set athletics department academic records. For the fourth consecutive semester, UNLV student-athletes achieved a collective grade point average of 3.0 or better - a first in department history. Also set a record for cumulative GPA (3.09).
- Improved the Student-Athlete Postgraduate Employment Rate to 75%, which is up nearly 50% in two years.
- Raised the most philanthropic and corporate dollars in UNLV Athletics history and grew our Rebel Athletic Fund membership by over 30% through the Drive for 5.
- Hired our first full-time mental health professional and expanded our nutrition program by 30%.
- Hired new head men's basketball coach T.J. Otzelberger, a hire that was ranked in the top 10 in the country by CBS Sports.
- Recaptured the Fremont Cannon and won the Silver State Series vs. UNR for the sixth time in seven years.
- Women's Tennis won the Mountain West Conference regular-season and tournament championships and Cheer and the Rebel Girls & Company earned national championships.
- Two track & field student-athletes earned first-team All-America honors (Destiny Smith-Barnett and Avi'Tal Wilson-Perteete) and Bryson Stott was selected No. 14 overall in the 2019 Major League Baseball Draft by the Philadelphia Phillies.
- Softball had its best start to a season in 24 years.
- Volleyball recorded the best season for a first-year coach in program history and advanced to the semifinals of the NIT.
- Our Learfield Sports Properties colleagues earned Team and Coach of the Year honors, our marketing team was recognized with two national awards at the National Association of Collegiate Marketing Administrators' Best of Awards, and our staff was selected to be speakers at national meetings and conventions throughout the year.

Moving forward, we will continue to build momentum by getting 1% better each day.

On behalf of our 515 student-athletes, coaches and staff, thank you for the opportunity to compete and represent this fine institution.

Go Rebels!

EQUAL OPPORTUNITY & DIVERSITY

UNLV Athletics strives to create a diverse and inclusive work place. Led by one of only nine women (and one of just two women of color) overseeing Football Bowl Subdivision athletic departments (out of 130 institutions), it is proud of the fact that its executive and coaching staffs are now among the nation's most diverse. UNLV Athletics' executive staff is comprised of 70% women or people of color: two African American males; three white males; two Hispanic females; two white females; and one Asian male. Its coaching staff is also reflective of UNLV's diverse campus and student-athlete population. Seven of 10 of UNLV's women's sports' head coaches are women, and while UNLV Athletics will always hire the best candidate, it has actively recruited diverse pools.

To ensure diversity and equal opportunity in the hiring of athletic department coaches, UNLV Intercollegiate Athletics follows the University's compliance policy outlined in the mission statement below. The method of recruitment guidelines, outlined on the next page, adhere to this policy.

UNIVERSITY COMPLIANCE POLICY

Reaffirmation of Commitment to Equal Educational and Employment Opportunity Mission Statement:

The University of Nevada, Las Vegas (UNLV) is committed to and will provide equality of educational and employment opportunity for all persons regardless of race, sex, age, color, national origin, religion, disability, sexual orientation, gender, genetic information, pregnancy, or veteran status — except where sex, age, or ability represent bona fide educational or employment qualifications or where marital or veteran status are statutorily defined eligibility criteria for federal or state benefit programs. Further, the university seeks to promote campus diversity by enrolling and employing a larger number of minorities and women where these groups have historically been and continue to be under-represented within the university in relation to availability. Diversity, equity, and inclusion are core values at UNLV and preference may be given to substantially equally qualified candidates who can demonstrate evidence of a commitment to diversity, equity, and inclusion.

This affirmation is published in accordance with 41 CFR 60 and is in keeping with Title IX of the Education Amendments Act and Title VII of the Civil Rights Act of 1964, as amended; Executive Order 11246; the Rehabilitation Act of 1973; the Vietnam Era Veterans' Readjustment Assistance Act of 1974; the Civil Rights Restoration Act of 1988; Nevada Revised Statutes; Genetic Information Nondiscrimination Act of 2008; and the Code and Policies of the Board of Regents of the Nevada System of Higher Education.

To ensure that equal educational and employment opportunity exists throughout the university, a results-oriented equal opportunity/affirmative action program has been implemented to overcome the effects of past discrimination and to eliminate any artificial barriers to educational or employment opportunities for all qualified individuals that may exist in any of our programs. The university aims to achieve, within all areas of the university community, a diverse student body, faculty, and staff capable of providing for excellence in the education of its students and for the enrichment of the university community.

The University of Nevada, Las Vegas reaffirms its commitment to equality of educational and employment opportunity in its relationships with all members of the university community and its commitment to the elimination of any documented historical and continuing underutilization of women and minorities among the student body or employee complement. The University of Nevada, Las Vegas is committed to this program and is aware that with its implementation, positive benefits will be received from the greater utilization and development of previously underutilized human resources.

REBEL ATHLETICS BUDGET SUMMARY

FY 2019 – BALANCED BUDGET SUMMARY

The UNLV Athletics' Business and Financial Services unit supports the mission of the Athletics Department by providing superior customer service to 17 teams, 515 student-athletes, and numerous support units in the Athletics Department and Thomas & Mack Center with a top priority of balancing the budget. In FY2019, the business office worked to revamp and improve the overall budget process and develop a methodical and realistic budget to balance. Time was spent throughout the budget process to emphasize greater communication and transparency while employing a zero-based budgeting model and clarifying institutional support. In order to balance the budget, the department was able to mitigate some spending in order to offset some revenue shortfalls to maintain a balanced budget.

FY 2020 BUDGET PROCESS

In FY 2020, it was important to continue to build upon the foundation that was set during the previous year's budget process and look for ways to enhance it. In addition to making decisions based on the department's mission statement, core values, and top five priorities, the following guiding principles to a student-athlete-first approach to financial decision-making continue to be utilized:

1. Will it help us educate our student-athletes?
2. Will it help us recruit top-notch student-athletes?
3. Will it help us succeed in play?
4. Will it help us increase our revenue?

Overall, the following budget process was strategically deployed:

- Each sport and support area completes detailed line-by-line item budgets for review.
- Individual in-person meetings with each sport and department to review budget requests.
 - o Ask each sport to identify top 3 priorities.
 - o Reviewed year-over-year variances.
 - o Reviewed mandated increases.
- Develop realistic and obtainable revenue projections.
 - o Individual meetings with revenue producing units to develop resource projections.
- Summarize all department requests and organize financial projections.
 - o Detailed review of each individual budget.
 - o Begin to make adjustments and allocate funding based on program efficiency and necessity while taking budget history and forecasting into consideration.
- Finalize Athletic Department Budget.
 - o Available resources.
 - o Top 5 Priorities.
 - o Core Values.
 - o Guiding Principles to Financial Decision Making.

- 4 Increase in 2020 & 2021 from registration fee increase distributed to athletics, projected to remain flat thereafter. This is subject to change with future enrollment projections.
- 5 NRES & State Fee Waivers projected to increase 3% per year to match annual grant in aid increase. Other institutional support projected to remain flat. 50% of central support for ICA/TMC business office allocated for NCAA Report
- 6 Includes 3% projected increase to indirect areas which includes: facilities & maintenance, academic support services, NCAA Compliance, and other support areas.
- 7 Preliminary estimated increase from new conference television agreement, all projections subject to change.
- 8 5% increase per year used for most expense categories and 3% used for personnel expenses. Increase in 2021 result from increased investment in football from move to Allegiant Stadium.
- 9 Projected expense increase in 2021 from move to Allegiant Stadium.

**All projections are subject to change in future analysis as department contractual agreements expire and new revenue streams are evaluated. The department will continue to assess the revenue and expenses impact of the move to Allegiant Stadium and will update future projections as more accurate information becomes available.
