Notes: Details may not add to totals due to rounding. This table includes the full appropriations level for the Governor's Emergency Education Relief Fund and the Elementary and Secondary Schools Emergency Relief Fund. It includes 90% of the funds provided through the Higher Education Emergency Relief Fund. It was not possible to determine state-level funding under the remaining 10% of funds provided through the Higher Education Emergency Relief Act.

Notice: These are estimated grants only. These estimates are provided solely to assist in gauging the relative impact of allocation formulas and funding levels in the legislative process. They are not intended to predict specific amounts states will receive. In addition to other limitations, data needed to calculate final grants may not yet be available.
