RESEARCH:

2019

- Quality Improvement Studies at Student Health Center
- National Benchmarking Pap and STI Survey
- Patient Satisfaction Survey

2018

- National College Health Assessment Survey
- Non user Survey Student Health Center
- Quality Improvement Studies Student Health Center
- National Benchmarking Pap and STI Survey
- Patient Satisfaction Survey SHC

2017

- Quality Improvement Projects SHC
- Benchmarking Studies including National PAP and STI studies
- Patient Satisfaction Survey SHC

2016

- Five Year Experience with Screening ECGs in NCAA Division I Athletes published in Clinical Journal of Sports Medicine, February 16, 2016
- Quality Improvement Studies at SHC
- Benchmarking studies including National PAP and STI studies, ACHA salary comparison study, ACHA Utilization Survey
- National College Health Assessment survey and analysis 2016
- Patient Satisfaction survey SHC

2015

- 5% time on FASD Grant for Brief Alcohol Screening Intervention Program; completed June 2015
- Five Year Experience with Screening ECGs in NCAA Division I Athletes accepted for publication in the Clinical Journal of Sports Medicine
- Quality Improvement Studies at SHC including review of Pulmonary Embolisms, Patient Portal review, Self check-in review, Narcotic prescription review, N-ergy program review, PAP protocol and results, PPD data and results,
- Benchmarking studies including National PAP and STI study, ACHA Directors survey, ACHA salary comparison study
- Patient satisfaction survey with analysis

2014

- 5% time on FASD Grant for Brief Alcohol Screening Intervention Program
- EKG Screening Study poster presentation at the NAPCRG Annual Meeting in New York; November 2014
- Quality Improvement studies at SHC including review of Pulmonary Embolisms, EMR follow up, review of Pap statistics, PPD and Quantiferon comparisons and others
- Yearly SHC Patient Satisfaction survey with analysis
- National College Health Assessment survey and analysis

2013

- 5% time on FASD Grant for Brief Alcohol Screening Intervention Program
- EKG Screening Study on UNR Athletes 2009-current (poster presentation to AMSSM meeting April 2013)
- EKG Screening Study on UNR Athletes 2009-current (accepted for presentation American Medical Society for Sports Medicine)
- Article published in College Health in Action on “Mental Health Conditions in Athletes” January 2014
- Quality Improvement Studies at SHC including evaluation of EMR and pulmonary embolism study
- Yearly Patient Satisfaction survey at SHC

2012

- 5% time on FASD Grant for Brief Alcohol Screening Intervention Program
- EKG Screening Study on UNR Athletes 2009-2013 (abstract being submitted)
- Sickie Cell Screening Study 2009-2013
- Applied for DOJ Grant on Domestic Violence (not funded)
- NCHA survey for UNR 2012
- Student Health Center yearly user survey
- UNSOM Professionalism survey analysis
- Quality Improvement Studies at SHC

2011

- 5% time on FASD Grant for Brief Alcohol Screening Intervention Program
- Continuing EKG Screening Study on UNR Athletes 2009-2013...submitted to present at American College Health Association meeting
- Continuing Sickie Cell Screening Study 2009-2011
- Student Health Center yearly survey and Non User Survey
- Grant from Pacific Coast College Health Association for “Expedition Energy: A Lifestyle Approach to Improving Nutrition and Physical Activity among College Student” 2010-2011.

2010

- National College Health Assessment Survey for UNR 2010
- American College Health Association Poster Presentation Philadelphia, June 2010: The N Crowd: A Social Marketing Campaign to Affect Leading Campus Health Indicators Enid Jennings, PMPH, CHES and Cheryl Hug-English MD, MPH

- Jacobs, N.N., Piasecki, M., Dupey, P., Gillis, M., Hug-English, C., Kuhls, D., & Truong, H. (April, 2010). Perceptions of Professionalism: A Survey at UNSOM. Poster presented at Western Group Educational Affairs Annual Meeting in Asilomar, CA.
- Jacobs, N.N., Piasecki, M., Dupey, P., Gillis, M., Hug-English, C., Kuhls, D., & Truong, H. (April, 2010). Six Easy Steps to Effective Feedback: A Guide for Addressing Professionalism Lapses. Workshop presented at Western Group Educational Affairs Annual Meeting in Asilomar, CA.
- Ongoing study for scuba diving and asthma
- Study on ferritin levels in female cross-country skiers (2009-2011)
- Study on EKGs and their usage in pre-participation screening of athletes (2009-2013)
- Sickie Cell Screening Protocol for Athletes (2008-2011)
- Sports Medicine Fellowship accredited in 2006 (1 fellow per year)
- Quality Improvement studies at SHC 2010 including:
 - 1) Follow up of ADHD Protocol and Assessment
 - 2) Asthma Guidelines Study
 - 3) Hypertension Guidelines
- Quality Improvement studies at SHC in 2008-2009 including:
 - 1) Development of ADHD Protocol

- 2) Quantiferon Protocol
- 3) New Pap Guidelines study
- Quality Improvement studies at SHC in 2006-2007 including:
 - 1) Meningitis management and immunization
 - 2) Methicillin Resistant Staph Aureus study
 - 3) PPD and Quantiferon study
- Quality Improvement studies at SHC in 2005 including:
 - 1) Abnormal Pap smear management
 - 2) Study of antibiotic usage
 - 3) Treatment programs for depression
- Quality Improvement studies at SHC in 2004 including:
 - 1) Head injury protocols
 - 2) Bronchitis treatment
 - 3) Surveillance for Chlamydia and Gonorrhea
 - 4) Breast mass evaluation
 - 5) Management of abnormal colposcopy results
- Survey of Residency Programs for feedback on medical students, 2004-2008
- Assisted with writing and editing a book chapter for American Academy of Orthopedic Surgery for Women's Health in Sport and Exercise, 2001
- Hemochromatosis Study, 2000-2002
- Developed and introduced HIV screening protocol, Sierra Nevada Job Corps, 1985
- Designed and implemented TB Protocol and Program, Student Health Center, UNR
- Implemented Drug Testing Program for student athletes, UNR

TEACHING:

2020

- Numerous Educational presentations on COVID-19 (see professional and community service)
- National Association of State Administrators and Supervisors of Private Schools (NASASPS) co-presenter of ACHA Reopening Guidelines
- Osmen Institute of Global Studies Webinar on COVID-19

2019

- Eating Disorder Lecture to UNR Community Health Science Class 101 February 15, 2019
- Lecture on "Marijuana Not the Same Weed" to American College Health Association National Conference May 29, 2019
- Co- Lecturer on STIs at the National Association of Athletic Trainers National Conference June 25, 2019
- Measles Lecture to Student Health Center staff September 11, 2019
- Prepared lecture for Pacific Coast College Health Conference titled "Student Health Grand Rounds" October 8, 2019
- Lecture on Eating Disorders to Counseling Center October 26, 2019
- National Measles Webinar for the American College Health Association October 28, 2019
- Eating Disorder lecture for UNR Community Health Science 101 November 13, 2019

2018

- Medical Complications of Eating Disorders Lecture Counseling Center October 24, 2018
- Pacific College Health Association Conference lecture on "Marijuana, not the Same Weed" October 9, 2018
- Pacific College Health Association Conference lecture on "Measles on a College Campus" October 9, 2018
- Lecture on Medical Complications of Eating Disorders to Counseling Center faculty, interns and post docs October 2018
- Eating Disorder Lecture to Community Health Science class on September 28, 2018
- Counseling Center Health Issues Lecture August 8, 2018
- American College Health Association lecture on "Medical Complications of Eating Disorders" June 1, 2018
- Orientation sessions throughout the summer (14)
- Lecture to Student Health Center staff on Eating Disorders April 2018
- Moderator and discussion leader for local middle school screening of the movie "Screenagers"

- Eating Disorder Lecture to Community Health Science 101 February 16, 2018

2017

- 4 hour Workshop for Lady of Snows Middle School on Sexuality April 21, 2017
- Lecture on Medical Complications of Eating Disorders to staff May 3, 2017
- Eating Disorders Lecture to Community Health Science 101 September 25, 2017
- Eating Disorder Lecture to Community Health Science 101 September 27, 2017
- Eating Disorder Lecture to Community Health Science 101 September 29, 2017
- Lecture for Pacific Coast College Health Association Regional Conference on “Medical Complications of Eating Disorders” October 12, 2017
- Lecture for Pacific Coast College Health Association Regional Conference on “Challenges and Lessons Learned from a 5 year EKG study on College Athletes” October 13, 2017

2016

- Lecture for American College Health Association National meeting on “Challenges and Lessons Learned from a 5 year ECG Study on Student Athletes”; May 2016
- Lecture on Eating Disorders for Community Health Science Course; September 28, 2016
- Lecture on Campus Health for Masters class in Educational Leadership; February 2016
- Workshop on Eating Disorders, Sexting, Cutting at Our Lady of the Snows; May 13, 2016
- Workshop on Suicide at Our Lady of the Snows; October 27, 2016
- Medical expert for Eating Disorders Documentary “Love Chantal” summer 2016
- Presentation for Counseling Center Interns; August 2016
- Presentation for Peer Educators; September 2016
- Orientation sessions for incoming students and parents; summer 2016
- Co-sponsor of Eating Disorder Awareness Week: February 2016

2015

- Eating Disorder Panel speaker; February 2015
- Co-Sponsor of Eating Disorder Awareness Week; February 2015
- Case Wrap Up Presenter for the Bridge Program for first year medical students; July 2015
- Orientation Sessions for incoming student and parents: summer 2015
- Presenter and lecture at American College Health Association on Pulmonary Embolisms; May 2015
- Presentation for Psychology Interns; August 2015
- Introduction for Peer Educators; August 2015

2014

- Eating Disorder speaker for NEDA Walk; February 2014
- Co-Sponsor of Eating Disorder Awareness Week; February 2014
- Lecture for Rita Laden’s Graduate course on “Helping Students with Health and Wellness Issues”; March 3, 2014
- Lecture for BS\MD students on Professionalism; April 24, 2014
- Judge for Public Health Case Studies for second year medical students; May 1, 2014
- Keynote Speaker for Public Health Reception for medical students May 1, 2014
- Presenter American College Health Association on “Mental Health in Athletes”; May 2014
- Case Wrap Up Presenter for the Bridge Program for first year medical students; July 2014
- Difficult Patient Interview 3 hour workshop for second year medical students
- Orientation Sessions for incoming student and parents; summer 2014
- Eating Disorder presentation for Peer Educators; September 2014
- Presenter at Pacific Coast College Health Association on Pulmonary Embolism in the College Student; October 2014
- Co-Presenter at Pacific Coast College Health Association on “Managing Nonimminent Suicide and Violence Risk”; October 2014
- Eating Disorder talk for Project ECHO (telemedicine to rural community physicians) October, 2014

2013

- Co Presenter on Mental Health in Athletes for the National Conference of Athletic Trainers, Las Vegas, spring 2013
- OSHA and Blood Borne Pathogen lecture to first year medical students; September 2013
- 2 hour Eating Disorders lecture of second year medical students; February 13, 2013
- Eating Disorders lecture for Cultural Considerations in Health Care conference in Reno; February 26, 2013
- Eating Disorder Panel; February 27, 2013
- Co-sponsored Eating Disorders Awareness Week February 2013
- Created Eating Disorders Protocol for Athletes
- Difficult patient Interview: 3 hour workshop for second year medical students
- Orientation sessions for first year UNR students and parents; summer 2013
- Project ECHO lecture on Eating Disorders; September 5, 2013
- Hug High lecture on Professionalism; September 3, 2013
- BS/MD lecture on Professionalism; September 24, 2013
- Eating Disorder lecture for Peer Educators; October 18, 2013
- Precepting medical students and/or residents; ongoing

2012

- OSHA and Blood Borne Pathogen lecture to first year medical students September 2012
- 2 hour Eating Disorders lecture to second year medical students February 2012
- Eating Disorder lecture to Reno community February 2012
- Eating Disorder Panel UNR February 2012
- Eating Disorder lecture to Family Medicine residents April 2012
- 3 hour workshop on Difficult Interviewing for second year medical students April 2012

2011

- OSHA and Exposure Prevention Lecture to first year medical students September 2011
- Eating Disorders Lecture to Second year medical Students February 2011
- American College Health Association Meeting: Lecture on Sickle Cell Trait June 1, 2011

2010

- Accepted to Present Lecture to Pacific College Health Association Regional Meeting Seattle November 2010, "Sickle Cell Anemia". Unable to attend as flight cancelled due to weather...presentation made available by email.
- OSHA and Exposure prevention Lecture to first year medical students September 2010
- Lecture to Freshman Core Science Class UNR on Women in Medicine November 2010

2009

- Lecture to National College Health Association Conference in San Francisco on "A Strategic Plan for Health Promotion: Understanding the College Culture", May 27, 2009
- GME/GSA Regional Workshop on Professionalism Feedback in Santa Fe, New Mexico: "Crafting the Conversation: Faculty Feedback of Student Professionalism" Workshop Piasecki, M, Dupey, P., Gillis, M., Hug-English, C., Jacobs, N.N., Kuhls, D., Trong, H. Western Group Educational Affairs annual meeting, Santa Fe, NM, 4/09
- Numerous H1N1 lectures for UNR
- OSHA Lecture First year Medical Students, fall 2009
- Eating Disorder Lecture to medical students, spring 2009
- Eating Disorder Panel and Presentation to UNR campus, spring 2009
- Lecture to Biochemistry Class on Medicine, spring 2009
- Lecture to 300 athletes on sexual health UNR
- Community lecture for the "Changing Faces of Medicine" exhibit at Northwest library entitled: "Looking Back and Growing Forward... Women in Medicine on the Move" March 19, 2009

2008

- Poster presentation to regional AAMC conference on “Crystallizing Chaos Through Collaboration” April 2008
- AAMC Workshop on “Finding the Write Words” to assist in documenting student behaviors, October 2008
- Professionalism lecture to UNSOM students spring 2008
- OSHA lecture to UNSOM students, January 2008
- Meningitis and immunization presentation to parents UNR orientation 2008
- Workshops for medical students on preparing for the match
- Workshops for medical students on preparing for 4th year
- Workshops for medical students on interviewing for residencies
- Premed workshops on application and admission to medical school
- Precepting medical students
- Advisement and counseling of medical students
- Advisement of premed students

2007

- Professionalism Grand Rounds lecture for CME credit, Las Vegas, March 2007
- Poster presentation for American College Health Assoc., San Antonio, TX , June 2007

2005-2006

- Soroptimist of Reno, Women in Medicine lecture, Reno, 2006
- Professionalism Grand Rounds lecture for CME credit, Reno, 2006
- Lectures to undergraduate classes on Eating Disorders, 2006
- Lecture at national meeting of American College Counseling Association, 2006
- OSHA training lecture for 1st year medical students, 2005-06
- Professionalism lecture for 1st year medical students, 2006
- Participated as case presenter for the CPS class, 2006
- Student Outreach Clinic Preceptor, 2006
- Member of Dissertation Committee for Psychology graduate student, 2006

2004

- Lecture Eating Disorder, UNR
- Lecture Eating Disorder, Family Med Residents
- Advisement on counseling of medical students
- Advisement on career counseling of pre-med students
- Preceptor Medical students, UNR Student Health Center
- Workshops for medical students (4th year, Match, Residency, interviewing etc.)
- Pre-med presentation
- Interview and write Dean’s letters
- Supervise Drug Testing Program for UNR Athletes
- Supervise Accreditation process for SHC
- Supervise Quality Assurance Program at SHC
- Supervise Student Insurance Program
- Supervise Web design for Admissions and Student Affairs

2003

- Lecture, “Eating Disorders”, UNR, 2003
- Lecture, “Effects of Marijuana Use”, UNR, 2003
- Lecture, “Eating Disorders”, Regional Athletic Trainers conference, 2003

1988-2002

- Presenter, National American College Health Association meeting, Hemochromatosis lecture, Las Vegas, 2001
- Presenter, Regional Pacific Coast College Health Association, Hemochromatosis lecture, Portland, OR, 2000

- Lecture, “Teen Health” to Upward Bound students, 2000
- Presenter, Eating Disorders Screening Program, 1996-2002
- Lectures at UNR on sexually transmitted diseases and other communicable diseases, 1996-2002
- Presenter, National Medical Student Association meeting, 1999
- Forum for premed students at Lake Tahoe, 1995
- Lecture, “Staying Healthy”, Department for University Advancement, UNR, 1995
- Lecture, “Eating Disorders”, UNR, 1994
- Lecture for the Nevada Nurse Practitioner Association on abnormal pap smears, 1993
- Presenter, Pacific Coast College Health Association, “Colposcopy for the Primary Care Provider”, Reno, NV, 1993
- Preceptor, medical students and residents, Reno, NV

1987-1988

- Preceptor, medical students at Family Medicine Center, Reno, NV
- Developer of Women’s Health Program, Family Medicine Center, Reno, NV
- Preceptor, medical students in Pediatric Clinic, Washoe Medical Center, Reno, NV
- Conference for Family Medicine residents about medical problems of the underserved population

1983-1987

- Speaker, Gynecology section of the Physical Diagnosis Course for 1st year medical students, 1987
- Preceptor, medical students and residents, Sierra Nevada Job Corps, Reno, NV
- Developed HIV Screening Program, Sierra Nevada Job Corps, Reno, NV
- Annual lectures to 1st year medical students on Adolescent Growth and Development, Reno, NV
- Lectures on Epidemiology and HIV to 2nd year medical students
- Seminar leader, Epidemiology Course

1987-2008

- Advisement of premedical students and applicants
- Advisement and career counseling of medical students
- Precepting medical students and residents
- Workshops for medical students on preparing for 4th year
- Workshops for medical students on preparing for residency match process
- Workshops for medical students on preparing for residency interviews
- Presentations to pre-med groups
- Presentations to high school groups

HONORS:

- Ruby Rich Bulgar Award from the Pacific Coast College Health Association for “Outstanding Service to college health” 2019
- UNR Faculty Senate Award of Outstanding Service 2018
- Professional Achievement Award UNR Alumni, 2011
- Selected as Alumnus of the Year UNSOM, 2008
- Featured in Silver and Blue, 2008
- Selected to Gold Humanism Honor Society, 2007
- Commendation from Governor, 2004
- AOA, 2000
- Recipient, UNR Women of Distinction, 2000
- Recipient, Nevada Women of Achievement, 1999
- President, Alumni Association, University of Nevada School of Medicine, 1988-1989
- Elected to serve on Admissions Committee for Residency Program at Cedars-Sinai, Los Angeles, CA, 1982-1983
- Award for Outstanding Medical Student in Pediatrics, 1982
- Elected student member of Medical School Admissions Committee, 1980-1981

- Elected representative of Medical School Student Affairs Committee, 1978-1980
- Graduated with high distinction, 1978

EDUCATION

Ph.D. **Public Health Studies (Epidemiology and Biostatistics)** Saint Louis University, School of Public Health, December 2005

Dissertation Title: Asthma, Absenteeism and Academic Performance: Investigating the Link.

MS **Biological Sciences**, California State Polytechnic University, Pomona, May 2000

Thesis Title: Folate Status in Women of Low Socioeconomic Standing – Post Folic Acid Fortification of the Food Supply

BS **Biology**, University of California, San Diego, June 1996
Courses included Biochemistry, Physics, Physiology, Genetics, Ecology and Biometry
Minor: Spanish Literature

WORK EXPERIENCE

7/1/20-Present **Department Chair** – Department of Epidemiology and Biostatistics

7/1/19-Present **Professor** (Promotion) – University of Nevada, Las Vegas, School of Public Health

7/12-6/19 **Associate Professor** (Promotion with Tenure) – University of Nevada, Las Vegas, School of Public Health, Epidemiology and Biostatistics Program Coordinator

8/15 – 2/17 PhD Graduate Coordinator
7/12 – 2/17 MPH Graduate Coordinator

8/06 – 6/12 **Assistant Professor** – University of Nevada, Las Vegas, School of Community Health Sciences, Epidemiology and Biostatistics

8/05-8/06 **Chronic Disease Epidemiologist**, Southern Nevada Health District, Office of Epidemiology

- 5/06-8/06 **Adjunct Faculty**, Touro University, Biostatistics and Research Methodology
- 11/04-8/05 Contract Employment, St. Louis, Missouri
- 2/04-10/04 **Senior Data Control Coordinator**, Washington University School of Medicine, St. Louis, Missouri
- 7/03-1/04 **Statistical Data Analyst**, Washington University School of Medicine, St. Louis, Missouri
- 2/02-6/03 **Data Control Coordinator**, Washington University School of Medicine, St. Louis, Missouri
- 1/97-12/97 **Lab Technician**, Bayer: San Diego, California

WORK/RESEARCH EXPERIENCE

- **University of Nevada, Las Vegas, School Of Public Health, Department of Epidemiology and Biostatistics**
Title: *Professor and Department Chair: Department of Epidemiology and Biostatistics*: Current teaching courses include Chronic Disease Epidemiology, Survey Sampling, Applied Linear Models for Public Health, Epidemiology, and Biostatistics. Research interests include children's health with a focus on obesity and asthma, chronic disease surveillance, health disparities and disease surveillance. Served for 5 years as the Graduate Coordinator and currently serving as the Department Chair for the EAB Department
- **Southern Nevada Health District – Office of Epidemiology**
Title: *Chronic Disease Epidemiologist*. Duties included identifying and analyzing chronic disease data, conducting disease surveillance, and providing evidence and guidance for disease control measures at the state and local levels. Biostatistical analysis and programming of data was required for the evaluation of chronic disease burden and the compilation of health status data both internally and for dissemination to public health partners. These measures include disease prevalence, incidence, morbidity and mortality rates as requested internally and by various healthcare partners and community members. Statistical software included SAS 9.1 for Windows.
- **Touro University, Nevada - Physician Assistant Studies Program**
Title: *Adjunct Faculty*. PA 685 - Biostatistics and Research Methodology
- **Steris Corporation – Microbiology Product Research and Development**
Title: *Associate Scientist*. Duties included lab testing of disinfectants and antimicrobial soaps in order to determine the time and concentration of product necessary to kill bacteria that may reside either on hard surfaces or hands in the healthcare setting. Lab techniques included serial dilutions, colony isolation, gram staining and aerobic plate counting. Other duties included study methodology support for clinical trials, statistical analysis of data, and poster

development for professional conferences, along with updated reviews of Good Lab Practice (GLP), Good Clinical Practice (GCP), Good Manufacturing Practice (GMP) and Standard Operating Procedures (SOP).

- **BioMerieux – Division of Biomathematics and Information Technology**
Title: Biomathetician. Duties involved evaluating data for Antimicrobial Susceptibility Testing and antifungal development for QC/Manufacturing. The minimal inhibitory concentration of each bacterial strain against several antimicrobials was determined for use in the clinical field. Developed and implemented mathematical techniques to enhance biomedical company resources, providing statistical support and performing data analyses for all functional areas of the company along with understanding of Good Manufacturing Practice (GMP). Involved SAS programming (Macros, SQL) in a UNIX environment in which data extraction and manipulation from Oracle into the mainframe system was integral. Communication of statistical principles, assumptions, and implications was required across departments such as QC, Manufacturing, Engineering and Biosciences.

- **Washington University School of Medicine – Division of Pulmonary and Critical Care Medicine**
Title: Statistical Data Analyst. Duties involved managing pulmonary databases for asthma and RSV clinical trials and performing statistical analysis for clinical research. Analytical methods involved linear and logistic regression modeling, trend analysis, survival data analysis and longitudinal data analysis. Responsible for manuscript and grant preparation (CDC grant – Controlling Asthma in American Cities Project) involving data analysis and study design / methodology support. Statistical software included SAS and SPSS for Windows and Microsoft software

- **Saint Louis University:**
Teaching Assistant: 2 semesters - Course: Linear Regression. Involved 1 lecture on multivariate theory, and grading of all assignments.

Graduate Assistant: Previous research involved investigation of the relationship between pesticide exposure and Non-Hodgkin's lymphoma survival. Molecular biology methods involved polyacrylamide gel electrophoresis (SDS-PAGE), fluorescent DNA staining (SYB-R Green), and UV spectroscopy. Epidemiological methods included regression (logistic and multiple) analysis using SPSS.

 Dissertation topic involved investigating the association between absenteeism, academic performance and asthma among inner city school aged children. Statistical classes previously taken include Linear Regression, ANOVA, Advanced Epidemiology Methods, Survival and Categorical Data Analysis.

- **Sanford Brown College:**
Title: Instructor, Life Science. 1 semester position involved teaching the basic principles of Biology and Physics. Involved weekly lectures, quizzes, and exams

- **Cal Poly Pomona: Teaching Assistant:** 2 semesters - Course: Life Science Lab: Biology 111L. Thesis topic involved the effect of the fortification of folic acid to the

food supply on folate status in women of low socioeconomic standing. Both red cell and serum folate concentrations were quantified using a microbiological assay, and plasma homocysteine concentrations were quantified using HPLC with fluorescence detection. A comprehensive literature review of birth defects and child and maternal health outcomes was required.

- **Cal State University, Fullerton:** Research focus involved the isolation of actin binding proteins from the sea squirt *Ascidia tunicans*. Molecular techniques involved polyacrylamide gel electrophoresis (SDS-PAGE) and Western Blotting.
- **Bayer (San Diego, CA.):** Title: *Lab Technician*. Duties involved screening plasma samples for human viruses including HIV, HCV, and Hepatitis B, and blood typing for analysis (A B O).
- **Scripps Institute of Oceanography (San Diego, CA.):** Undergraduate research involved the “Red Tides”. Duties involved collecting water samples and analyzing plankton levels in the ocean. Research methods utilized included HPLC, Spectrophotometry, UV VIS, and Electron Microscopy.

SPECIAL TRAINING/SKILLS

UNLV Provost’s Leadership Development Academy (2018-2019) – competitive university application process – 10 selected for participation across campus

SAS, SPSS (10+ years)

CONFERENCE PROCEEDINGS / PRESENTATIONS

- Poster Session: Nevada Senior Services: Engaging with Aging Conference February 23, 2021: Flatt JD, Evans A, Liboro RM, John SE, **Moonie S**. Subjective Cognitive Decline among Older Nevadans: Population-based Findings from the 2019 Behavioral Risk Factor Surveillance System
- Oral Presentation: Radiological Society of North America (RSNA) 2019. The Impact of Sociodemographic Factors in Breast, Prostate, and Lung Cancer in the Patterns of Care related to the Availability of Radiation Therapy (RT) in Nevada. Cross, C., Kumar, P., Gutierrez, K., **Moonie, S**.
- Poster Session: American Radium Society: Dana Point, California, April 2019: Kumar P, Cross C, **Moonie S**. Breast and Prostate Cancer Screening Disparities and Mortality Rates in Nevada as Compared to California and the United States
- Poster Session: American Radium Society: Dana Point, California, April 2019: Cross C, Kumar P, Callahan K, **Moonie S**. Disparities in Colorectal Cancer Screening Prevalence and Mortality Rates in Nevada: A Population Health Analysis of Behavioral Risk
- Poster Presentation: American Public Health Association, San Diego, California: November 2018: De Leon J, Cheatom C, Cross C, **Moonie S**. Vending Machine Syringe Distribution May Reduce HIV/HCV Incidence
- Poster Presentation: Nevada Public Health Association Conference, Las Vegas, NV: September 2018: Goodie A, **Moonie S**, Cross C. Disparities in Administrative Pediatric Asthma Prevalence in Clark County
- Oral Presentation: Nevada Public Health Association Conference, Las Vegas, NV: September 2018: De Leon J, Cross C, **Moonie S**. Associations Between Opioid-Related Hospitalizations and Intravenous Drug Users
- Poster Session: American Radium Society: Orlando, Florida, May 2018: Cross C, Kumar P, **Moonie S**, De Leon. Rural-Urban Continuum as a Potential Geographic Correlate of Breast and Prostate Cancer Mortality in Nevada
- Poster Session: American Society for Radiation Oncology: San Antonio, Texas, October 2018: Kumar P, Cross C, De Leon J, **Moonie S**. Impact of Mammography Screening Rates on Breast Cancer Mortality in Nevada, California and US: Implications for Health Care Policy
- Invited Speaker: April 6, 2018: Lung Force Expo Program, *Breathe: Beyond Lungs*; The American Lung Association, Las Vegas Convention Center: **Moonie S**. Childhood Asthma and Obesity

- Invited Speaker: The Nevada Chapter of the American Statistical Association, Las Vegas, NV: April 18, 2017: **Moonie S.** Statisticians at UNLV: “The UNLV West Side Story.
- Oral Presentation: American Association of Physical Anthropologists Annual Conference, New Orleans, LA: April 2017: Crittenden A, **Moonie S**, Sorrentino J, Ungar P. Oral health among the Hadza foragers of Tanzania.
- Poster Session: UNLV Diversity Research Reception, Las Vegas, NV: October 2016; Ruiz A, **Moonie S**, Haboush-Deloye A. Chronic Inflammatory Conditions and Pediatric Obesity
- Oral Presentation: Nevada Public Health Association Conference, Las Vegas, NV: September 2016: Batra K, **Moonie S**, Dodge-Francis C, Shan G. The National Diabetes Prevention Program: An Intervention for Diabetes Risk Reduction
- Invited Speaker: Nevada Statewide Asthma Control Conference, Las Vegas, Nevada, Roseman University, Summerlin Campus: March 11, 2016: Understanding the Scope of Asthma in Nevada
- Poster Session: UNLV Division of Health Sciences *Interdisciplinary Research Scholarship Day* (IRSD): April 2016: Lucas J, **Moonie S**, Hogan MB. Characteristics of a Pilot Population of Pediatric Asthma Patients in Nevada
- Poster Session: Council of State and Territorial Epidemiologists (CSTE) Conference, Anchorage, AK: June 2016: Lucas J, **Moonie S**, Hogan MB. Overweight as a Protective Factor for Aeroallergen Sensitization Among Pediatric Asthmatics in Nevada
- Poster Session: UNLV Graduate and Professional Student Research Forum, Las Vegas, NV:2016: Ruiz A, **Moonie S**. Chronic Inflammatory Conditions and Pediatric Obesity
- Oral Presentation: American Federation for Medical Research and Participating Societies, Carmel, California: January 2016: Ganta V, Ezeanolue E, **Moonie S**. et al. Impact of a Quality Improvement Intervention on Annual PAP Smear among HIV-infected Women
- Poster Session: Council of State and Territorial Epidemiologists (CSTE) Conference, Boston, MA: June 2015: Lucas J, **Moonie S**, Hogan MB. Association between Asthma and Body Mass Index in a Pediatric Nevada Population
- Poster Session: Nevada Public Health Association Conference, Las Vegas, NV: September 2014: **Moonie S**, Kim M. Recognition of Major Warning Symptoms Of Heart Attack

- Poster Session: Nevada Public Health Association Conference, Las Vegas, NV: September 2014: Lucas J, **Moonie S**, Towle B. Assessment of Childhood Asthma Disparities in Nevada
- Invited Speaker: Advances in Respiratory Care Conference – American Lung Association in Nevada: May 16th, 2014. Alexis Park Hotel and Resort.
Title: Epidemiology of *Asthma*
- Poster Session: UNLV Division of Health Sciences *Interdisciplinary Research Scholarship Day* (IRSD) April 2014: Angosta A, Vapor V, **Moonie S**, Alforque-Tan R. Ballroom Dancing: An Alternative Exercise for Filipino Americans
- Oral Presentation: 30th Annual Behavioral Risk Factor Surveillance System Conference, Atlanta GA. March 2013: Dahir R, Yang W, **Moonie S**. et al. 2012 Nevada BRFSS Mail Survey Pilot
- Poster Session: 30th Annual Behavioral Risk Factor Surveillance System Conference, Atlanta GA. March 2013: Teramoto M, **Moonie S**, Towle B. Association of Leisure-Time Physical Activity to Cardiovascular Disease Prevalence in Relation to Smoking among Adult Nevadans
- Poster Session: UNLV Division of Health Sciences *Interdisciplinary Research Scholarship Day* (IRSD) April 2013: Angosta A, Vapor V, **Moonie S**, Alforque-Tan R. Ballroom Dancing: A Fun and Sustainable Form of Exercise among Filipino Americans
- Poster Session: American Pacific Islander Nurses Association Conference: March 2013, Waikiki, Hawaii : Angosta A, **Moonie S** et al. Ballroom Dancing : A Fun and Sustainable Form of Exercise among Filipino Americans
- Poster Session: North American Association of Central Cancer Registries: June 2013, Austin, TX: Ibrahimi S, Pinheiro P, **Moonie S**. No Racial Disparities in Stage at Diagnosis – Is Nevada Doing Better for Cervical Cancer?
- Poster Session: American Society of Preventive Oncology Conference: March 2013, Memphis, TN: Ibrahimi S, **Moonie S**, Pinheiro P. The Protective Effect of Marriage on Stage at Diagnosis and Survival in Women with Cervical Cancer
- Poster Session: International Society for Disease Surveillance (ISDS) Annual Conference, San Diego CA: December 2012: Teramoto M, Breukelman F, Gatto FA, **Moonie S**. Risk and Protective Factors for Arthritis Status and Severity
- Oral Presentation: Nevada Public Health Association Conference, Las Vegas, NV: October 2012: **Moonie S**, Cross C, Lucas J, Teramoto M. Association between Clark County High School Proficiency Rates and Chronic Disease Status
- Poster Session: Nevada Public Health Association Conference, Las Vegas, NV: October 2012: **Moonie S**, Towle B. Home Triggers for Asthma among Adult Nevadans

- Oral Presentation: American Public Health Association, San Francisco, CA. October 2012: Pharr J, **Moonie S**, Bungum T. The Impact of Unemployment on Mental and Physical Health, Access to Health Care and Health Risk Behaviors: A 2009 National BRFSS Study
- Poster Session: UNLV Division of Health Sciences *Interdisciplinary Research Scholarship Day* (IRSD) April 2012: St. Pierre Schneider B, Voss J, **Moonie S**, et al. Simulated Flight Mildly Upregulates Epithelial and Cell Damage-Associated Genes in Murine Skeletal Muscle.
- Poster Session: UNLV Division of Health Sciences *Interdisciplinary Research Scholarship Day* (IRSD) April 2012: Swanson H, Alpert P, VanBeuge S, **Moonie S**. Improving Evidence based Asthma Management in an Urban University Student Health Center.
- Oral Presentation: Nevada Public Health Association Conference, Reno, NV. September 2011: Pharr J, **Moonie S**, Bungum T. The Impact of Unemployment on Mental and Physical Health, Access to Health Care and Health Risk Behaviors
- Poster Session: Nevada Public Health Association Conference, Reno, NV. September 2011: Pharr J, **Moonie S**. Health Disparities Experienced by Nevadans with Disabilities.
- Oral Presentation: Nevada Public Health Association Conference, Reno, NV. September 2011: Pharr J, **Moonie S**. Chronic Disease and Risk Factors among Nevadans with Disabilities: A 2009 BRFSS Study
- Oral Presentation: American Society of Preventive Oncology Conference: March 2011, Las Vegas, Nevada. Wassira L, Symanowski J, Pinheiro P, **Moonie S**, Alpert P. The Determinants of Colorectal Cancer Survival Disparities in Nevada (*Student award – prize winner*)
- Poster Session: North American Central Cancer Registries Annual Meeting: June 2011, Louisville, Kentucky. Wassira LN, Pinheiro PS, Swmanowski J, Chino M, **Moonie S**, Alpert P. Determinants of Colorectal Cancer Survival Disparities
- Oral Presentation: Western Institute of Nursing Communicating Nursing Research Conference: April 13th -16th, 2011: Las Vegas, Nevada. Silvestri L, Clark M, **Moonie S**. Self-Efficacy and Predictors OF NCLEX-RN® Success for Baccalaureate Nursing Students
- Poster Session: American Academy of Asthma, Allergy and Immunology Annual Meeting: March 18th-22nd, 2011: San Francisco, CA. Seggev J, **Moonie, S**, Guillermo C. Trends in Asthma Healthcare Utilization in Southern Nevada, Part II
- The Council for the Advancement of Nursing Science Meeting, Washington DC, September 2010: St. Pierre Schneider B, Keeling S, Vigil S, Deashinta N,

Moonie S, Howard K. Macrophage-derived Secreted Proteins Induce Myocyte Differentiation

- Poster Session: Nevada Public Health Association Conference, Las Vegas, NV: August 2010: **Moonie S**, Teramoto M. Association between Physical Activity Participation and Asthma Prevalence Among Adult Nevadans
- Oral Presentation: Nevada Public Health Association Conference, Las Vegas, NV: August 2010: **Moonie S**, Guillermo C, Seggev J. Disparities in Asthma Healthcare Utilization in Southern Nevada
- Poster Session: Nevada Public Health Association Conference, Las Vegas, NV: August 2010: **Moonie S**, Towle B, Hansen A. The Dilemma of Health Care Access and Childhood Asthma Rates
- Oral Presentation: Nevada Public Health Association Conference, Las Vegas, NV: August 2010: Pinheiro P, **Moonie S**, Hansen A, Towle B. Cancer in Nevada, 2004-2006- Disparities and Priorities
- Poster Session: Nevada Public Health Association Conference, Las Vegas, NV: August 2010: Burns M, La Monica S, Torres E, **Moonie S**, Gerstenberger S. Educational Outreach for the Nevada Healthy Homes Partnership
- Oral Presentation: North American Association of Central Cancer Registries: June 22-24, 2010, Quebec City, Quebec: Pinheiro PS, Gomez SL, Williams M, Miller EA, Hansen AC, **Moonie S**. Cancer Patterns among Hispanics and Length of Time in the U.S.

ACADEMIC HONORS

- Marquis Who's Who 2017, Albert Nelson Marquis Lifetime Achievement Award
- UNLV, The School of Community Health Sciences, Department of Environmental and Occupational Health Annual Awards Ceremony: Excellence in Service, April 2017
- Recognition in *Who's Who in America* October 2011 - Publication Chronicling the Achievements of Notable Men and Women Nationwide
- UNLV, The School of Community Health Sciences, Department of Environmental and Occupational Health: Nomination for the Barrick Scholar Award for tenure track faculty with distinguished research, February 2010
- National Recognition: American School Health Association and American Academy of Pediatrics Council on School Health for 2008 Manuscript, January 2010
- UNLV, The School of Community Health Sciences, Department of Environmental and Occupational Health Annual Awards Ceremony: Best Faculty Paper, April 2010
- UNLV, The School of Community Health Sciences, Department of Environmental and Occupational Health Annual Awards Ceremony: Excellence in Research Productivity, April 2009

ACADEMIC GRANTS

Principal Investigator - The Use of the Behavioral Risk Factor Surveillance System (BRFSS) to Establish Baseline Childhood Asthma Estimates in the State of Nevada, UNLV, The Office of Research Services, Fall 2006, New Investigator Award, \$15,000

Co-Principal Investigator – The Role of Macrophages in Recovery from Muscle Injury UNLV, Spring 2007, President's Research Award, \$50,000

Co-Principal Investigator/ Data Manager – Building Strategic Alliances for Healthy Housing Pilot, Centers for Disease Control and Prevention, Fall 2009, \$216,000

Co-Investigator/Principal Statistician – Estrogen Effects After a Crush Muscle Injury and Acute Exposure to Hypobaric Hypoxia, US Air Force, August 2010, \$2,263,979

Principal Investigator - Behavioral Risk Factor Surveillance System, State of Nevada Department of Administration Purchasing Division, October 2011, \$316,950

Co-Principal Investigator – Healthy Homes and Lead Poisoning Prevention Program, Centers for Disease Control and Prevention, September 2011, \$1,775,091

Principal Investigator - Behavioral Risk Factor Surveillance System, State of Nevada Department of Administration Purchasing Division, January 2012, \$277,141

Principal Investigator - Behavioral Risk Factor Surveillance System, State of Nevada Department of Administration Purchasing Division, January 2013, \$236,250

Co-Principal Investigator – Asthma and Obesity Pilot Study, Nell J Redfield Foundation Pediatric Research Fund - Internal Donor Award for Clinical Research (UNSOM), September 2013, \$65,669 (UNLV sub-award)

Principal Investigator - Behavioral Risk Factor Surveillance System, State of Nevada Department of Administration Purchasing Division, January 2014, \$150,150

Principal Investigator - Behavioral Risk Factor Surveillance System, State of Nevada Department of Administration Purchasing Division, January 2015, \$127,250.

CDC Sub-Awardee – Dignity Health; Nevada Wellness, CDC Diabetes Prevention Program State Report, June 2015, \$10,000

CDC Sub-Awardee – Nevada Childhood and Adult Asthma State Health Reports, Nevada State Health Division, Chronic Disease Prevention and Health Promotion, October 2015, \$12,500

Principal Investigator - Behavioral Risk Factor Surveillance System, State of Nevada Department of Administration Purchasing Division, January 2016, \$151,000

Surveillance Coordinator – National Asthma Control Program, CDC, Agency for Toxic Substances and Disease Registry (ATSDR), July 2016, \$240,000 (Scored – Unfunded)

Principal Investigator - Behavioral Risk Factor Surveillance System, State of Nevada Department of Administration Purchasing Division, January 2017, \$136,881

Statistical Health Analyst – University of Nevada, School of Medicine, United Health Foundation Grant, Population Health (2017)

Principal Investigator – 2018-2022 Behavioral Risk Factor Surveillance System, State of Connecticut, Department of Public Health, Health Statistics and Surveillance, \$4,093,320 (Unfunded 2017)

Principal Investigator - Behavioral Risk Factor Surveillance System, State of Nevada Department of Administration Purchasing Division, January 2018, \$144,000

Principal Investigator – R01 Healthy Habits; Timing for developing Sustainable and Healthy Behaviors in Children and Adolescents, National Institutes of Health, Social and Behavioral Research Division, \$2,889,386.00, (Discussed/Scored-Unfunded 2019)

Principal Investigator - Behavioral Risk Factor Surveillance System, State of Nevada Department of Administration Purchasing Division, January 2019, \$157,000

Co-Investigator – R21 Aging Limits Adaptive Immune Responses to Antigenic Diversity/Drift of *P. gingivalis*, National Institutes of Health, NIDCR, \$1,794,000 (Discussed/Scored – Resubmission 2020)

Principal Investigator – Nevada Behavioral Risk Factor Surveillance System, 8/1/2020-8/1/2023, \$1,335,000, Sub-award via UNR- 50%

Co-Investigator – R01 Early life organophosphate ester (OPE) exposures and adiposity and cardiometabolic health during adolescence, NIH, \$2,259,520 (Submitted 2020)

STUDENT ADVISING

Undergraduate – Past (Pre-GAs)

1. Endayen Admasu – Nevada High School Youth Risk Behaviors (Summer 2017)
2. Jonathan McClure - Evaluation of Chronic Disease Indicators, Trends and Disparities (Spring 2020)

Masters - Current

Committee Chair

1. Elizabeth Kahane (Chair) – Factors Associated with Adult Asthma in Nevada (Spring 2019–Present)
2. Rodolph Dagher (Co-Chair) – (Fall 2020–Present) Obesity TBA

Committee Member

1. Emily Strickler – (Summer 2020- Present) Neighborhood safety apps and feelings of perceived safety and social cohesion here in Vegas.
2. Amruta Godbole – (Fall 2020–Present) Relationship between Neonicotinoids and Measures of Adiposity

Internship Mentor – Past

1. Myah Luna – MHA-HCA (Summer 2020 – Fall 2020) – Assessment of pediatric nutrition survey data with UNLV School of Medicine, Pediatric Gastroenterology

Masters - Past

Committee Chair

1. Aishia Henderson (Chair) Trends in Asthma Health Care Utilization – UMC 2000-2007.
