

HOW TO APPLY

The Bryan Group is conducting the Chancellor search on behalf of NSHE. All inquiries and requests for confidential discussions should be directed to The Bryan Group at info@tbgleaders.com. Optimal consideration will be given to applications received by 5pm PT April 21st, 2023. Incomplete applications will not be considered. Applications should be emailed to The Bryan Group at info@tbgleaders.com and should include:

- ◆ Letter of interest/cover letter
- ◆ Four reference letters - must be within the past six months
- ◆ Four philosophy statements illustrating your knowledge and beliefs regarding each of the following - leadership, education, management, and DEI
- ◆ CV or resume - please include language proficiency/fluency
- ◆ Credentials with formal verification - degrees (including transcripts), licenses, and certifications

The **NSHE Chancellor salary is \$378,198 - \$643,089** per Chapter 3 Section 1 (Salary Schedules) of the NSHE Procedures and Guidelines Manual. Final offer will be determined by the Board of Regents based on candidate experience.

As a public body, NSHE is required to comply with Nevada's Open Meeting Law. While the search process will comply with the Open Meeting Law, **it is designed to maintain candidate confidentiality during the early stages of the search i.e. candidate names are not released until finalists are identified and notified.** Final interviews and selection will occur at a public meeting, and biographical information and resumes of the final candidates will be made public and posted in the agenda for the public meeting where the interviews and selection process will occur. Specific questions about this process can be directed to TBG.

The Nevada System of Higher Education hires only United States citizens and aliens lawfully authorized to work in the U.S. The NSHE is an affirmative action, equal opportunity employer and does not discriminate on the basis of race, color, religion, sex, age, creed, national origin, veteran status, physical or mental disability, genetic information, sexual orientation, gender identity, or gender expression.
