UNLV Athletics again saw major changes in FY '22 but that fact did not keep our student-athletes from continuing to excel academically, athletically, and in the community. Just after the fiscal year got underway, a change in leadership within the department occurred in August with a transition in the director of athletics position. Although it happened at an inopportune time of year, it did not detract from the department's mission to Graduate Leaders, Win Championships and Excel in All That We Do, including building relationships with both internal and external constituents.

With the change, there was a new vision brought to the department, which included instilling empathy and an emphasis on staff being mentally, physically, and emotionally healthy to provide a more consistent platform of togetherness. At the same time, the focus remained to ensure our student-athletes continue to achieve success both academically and athletically. We started to develop a new strategic plan, which was unveiled in September '22. The plan is aimed at delivering a premier student-athlete experience in college athletics and providing Rebels the opportunity to succeed as students, athletes and into the future as well-rounded community leaders.

In this report, compliant with NSHE Handbook Title 4, Chapter 24, Section 1, Subsection 9, a. and b. (Policies Concerning NSHE Intercollegiate Athletics), you will find a summary of UNLV Athletics' 2021-22 academic, athletic, and administrative activities.

As we continued our recovery from the COVID-19 pandemic and economic uncertainty, we stayed the course and enhanced our commitment to the student-athlete experience. Locally and globally, the supply chain and workforce were challenges that the department worked through to maintain its vision to ensure student-athlete success. Despite the challenges, our student-athletes continued to be productive and excel academically and socially.

The Athletics Department and Thomas & Mack Center's vision is to have an outstanding culture that student-athletes, coaches, staff, and community members want to be a part of on a long-term basis. The vision also features a culture that supports the health and well-being of our student-athletes so that they have the opportunity to reach their absolute maximum potential in all areas that positively impact and enhance the student-athlete experience. We will continue to engage with the campus community, donors, corporate partners, and the greater Las Vegas community to have the strongest partnerships in our history to meet our goals and accomplish UNLV Athletics' mission, while aligning with the mission of UNLV.

We will have student-athletes, coaches, and administrators rich in character, integrity, excellence, innovation, collaboration, and empathy, with a drive to consistently become academic and athletic champions while conducting our business the right way.

Briefly, this past year, our top priorities continued to be enhancing the holistic experience for all student-athletes, further building and supporting our championship culture, and nurturing our supportive Rebel "community" among our fans, students, campus, and global UNLV partners.

Notable benchmarks and highlights from 2021-22 include:

COVID-19: Health and safety has been, and continues to be, a top priority. As COVID-19 continued to be an issue in FY '22, it was determined during the fall semester '21 and following state and local mandates, that masks were required to attend indoor events. In January '22, a vaccine mandate was introduced for all indoor athletic-sponsored events in accordance with state and local guidelines. Both decisions affected attendance at our highest producing revenue sports (football and men's basketball). As COVID-19 became more manageable we continued to keep student-athletes, coaches, staff, and guests safe during an unprecedented era in our nation and community. We required testing for any student-athlete or staff with symptoms in an effort to minimize and control potential spread amongst the teams in the department.

HISTORIC RECRUITING: Our programs attracted top-rated, nationally recognized, and historic recruiting classes in the high-profile sports of football, men's basketball, and women's basketball.

ACADEMIC RECORDS SET: The following academic records were set during the course of the 2021-22 academic year: 10 straight semesters with at least a 3.0 combined department grade point average, record semester GPA (3.26, Fall '21), record cumulative GPA (3.35, Fall '21), record Graduation Success Rate of 85% (2015 Cohort), record Academic Progress Rate multi-year score (987, 2020-21). In addition, the department had more than half of its student-athletes earn Academic All-Mountain West Honors (228), while 113 earned the prestigious Mountain West Scholar-Athlete award.

IN COMPETITION: During the 2021-22 academic year, UNLV Athletics programs claimed four conference titles and one national postseason championship. Men's Swimming and Diving won the Western Athletic Conference Championship with head coach Ben Looz earning Coach of the Year honors; women's basketball earned both the regular-season and tournament championship titles; and baseball won the MW title with Stan Stolte claiming Coach of the Year. In addition, volleyball won the National Invitational Volleyball Championship postseason tournament.

Individually, volleyball's Mariena Hayden earned All-America honors and five student-athletes were named all-region/district over the sports of men's golf, softball, and volleyball. In addition, women's basketball, football, men's tennis and volleyball all boasted either a Conference Player or Freshman of the Year winner during the 2021-22 season.

FACILITIES: In 2021-22, UNLV Athletics programs enjoyed the use of \$2.05 billion in new facilities (Allegiant Stadium, Fertitta Football Complex, new video boards, Lied Athletic Complex renovation, men's basketball locker room and upgrades at the tennis, baseball and softball stadiums).

FUNDRAISING: Because of the COVID-19 masks and vaccine mandates, there was a decrease in season and individual ticket sales during 2021-22, along with donor retention through philanthropic donations.

Prior to the pandemic, UNLV Athletics achieved 70% growth in the number of Rebel Athletic Fund members and more than \$45 million raised over the previous three years, which included the largest-ever corporate gift, estate gift and foundation pledge. A new annual fund unrestricted philanthropic record was also set, over \$1 million was raised through the Momentum Fund Campaign, and Loyalty Circle enrollment more than doubled.

UNLV Athletics is in the process of launching the Rebel Excellence Campaign aimed at supporting the student-athlete experience and capital projects for sustained facility improvements to include developing a maintenance and operating endowment fund. We have a mission to have the best facilities in the Mountain West and compete with our peers in the western region where we recruit the most.

BALANCED BUDGET: Despite the challenges presented by the pandemic, the department's budget has been balanced in each of the last four years.

NEW PARTNERSHIPS/PROGRAMS: The department's partnership with Learfield was extended with an increase in revenue distribution for the first three years to 100% at a minimum of \$2.5 million per year with a projection in FY '23 of \$2.75 million. Additionally, UNLV was selected to serve as host institution for the 2023 NCAA Men's Basketball Regional to take place at T-Mobile Arena in March. Looking ahead, UNLV will also be the host institution for the NCAA Men's Basketball Final Four at Allegiant Stadium in 2028.

CULTURE OF COMPLIANCE: The NCAA Compliance office at UNLV continued to strive to enhance control measures, while providing strong educational content and systematic processing procedures with 161 rules education presentations conducted and more than 80 new system and control workflows created.

COMMUNITY RELATIONS: UNLV Athletics conducted the first "Build a Bed" project on the UNLV campus in conjunction with the Las Vegas Chapter of Sleep in Heavenly Peace, whose mission is to have no children in our city sleeping on the floor. UNLV student-athletes, campus faculty and staff, community members, donors, and season ticket holders helped build 100 beds in the Thomas & Mack Center parking lot over an eight-hour span. A total of 420 people volunteered their time, including more than 300 student-athletes.

UNLV student-athletes participated in more than 40 community service events during the 2021-22 academic year, resulting in more than 2,000 community service hours. The events included Nevada Reading Week, Build a Bed, Sunrise Hospital Visits, Cunningham Elementary Clothing Drive, Three Square Food Center, UNLV Food Pantry, the KLUC Toy Drive and more.

DIVERSITY & INCLUSION: UNLV Athletics has one of the most diverse head coaching staffs in the Mountain West and is a leader in this area nationwide. The department's Diversity, Equity, Inclusion and Belonging Committee has embarked on multiple initiatives to ensure our student-athletes and staff feel supported in their beliefs for who they are as individuals. In preparation to celebrate the 50th Anniversary of Title IX, UNLV Athletics celebrated National Girls & Women in Sports Day with a reception and panel that included Nikki Fargas of the World Champion Las Vegas Aces (WNBA), Lisa Motley from the LVCVA, who is a big influencer and helped UNLV Athletics secure bids to serve as host for NCAA Championship events in Las Vegas, and former UNLV track & field student-athlete Jordan (Hardy) Plant, who is currently a Fox Sports Premier Boxing Champions reporter. Additionally, the committee will work to ensure all student-athletes at UNLV are registered to vote and that campus partnerships continue to be strengthened in the Diversity, Equity, Inclusion and Belonging space.

Moving forward as a collective unit and department, we will continue to build momentum with an emphasis on getting better each and every day. On behalf of our more than 500 student-athletes in addition to our coaches and staff, thank you for the opportunity to compete and represent this vital institution.

Go Rebels!

UNLV ATHLETICS
STRATEGIC PLAN

TO THE UNLV COMMUNITY,

At UNLV, we believe that developing a clear strategy is integral to success – both on the field and in the classroom.

The best plans are based on research, honest self-evaluation, and comparison to your competition. Successful plans – like any effort at UNLV – require teamwork, transparency, and trust in one another. Ultimately, Strategic Plans are pointless without faithful execution, candor, and flexibility.

In developing UNLV's Strategic Plan for Athletics, we've incorporated the skills our student-athletes learn throughout their studies: thorough research, careful planning, cooperation, and open communication. In developing this plan, we talked directly with our athletes, coaches, alumni, donors, students, faculty, industry experts, and media professionals. Through surveys, focus groups, direct communication, and a series of planning meetings, we have crafted a Strategic Plan that takes this valuable feedback into account while remaining centered on successfully driving us forward.

UNLV's Strategic Plan for Athletics is guided by our vision to deliver a premier student-athlete experience in college athletics – providing Rebels the opportunity to succeed not just as athletes but also as well-rounded people. We are committed to lead UNLV Athletics within this Strategic Plan, which breaks down into six core areas: Student-Athlete Development; Athletic Excellence; Model Enterprise; Fan Experience; Community Relationships; and Diversity, Equity, Inclusion & Belonging. These areas of focus directly align with the broader UNLV Top Tier 2.0 Strategic Plan because the Athletics Department working in tandem with the University only optimizes everyone's success.

As with any game plan, the real work starts when the competition begins. We are mindful that this thoughtful planning will prove ineffective if not applied to the real world, so our Strategic Plan must be adaptable to each unique situation. A successful Strategic Plan additionally requires cooperation and collaboration within the UNLV community. When we all know the game plan, we can play an important role in reaching our goals.

Just like its own constantly evolving city, UNLV is a unique and exciting place that looks to be proactive, innovative and a leader in the future of both education and athletics.

Guided by UNLV's Strategic Plan for Athletics, we are moving forward – together.

EQUAL OPPORTUNITY AND DIVERSITY

UNLV Athletics strives to create a diverse and inclusive workplace. UNLV Athletics is proud of the fact that its executive and coaching staffs are among the nation's most diverse. During 2021-22, its executive staff was comprised of 54.54% women or people of color: one African American male; five white males; one Hispanic female; three white females; and one Asian male. Its coaching staff is also reflective of UNLV's diverse campus and student-athlete population. Five of the 10 UNLV women's sports' head coaches are women, and while UNLV Athletics always hires the best candidate, it has actively recruited diverse pools.

To ensure diversity and equal opportunity in the hiring of athletic department coaches, UNLV Intercollegiate Athletics follows the University's compliance policy outlined in the mission statement below. The method of recruitment guidelines, also outlined below, adhere to this policy.

INCLUSION COMMITTEE

In June 2020, UNLV Athletics established an Inclusion Committee. The department has remained committed to those efforts, holding monthly meetings with 21 members composed of administrators and coaches. This committee has a mission statement to "develop educated allies, embrace all differences and inspire C.H.A.N.G.E." and is dedicated to ensuring the department continues to make diversity, equity, and belonging a priority.

The committee is extremely diverse and is committed to a culture of inclusion with UNLV Athletics' student-athletes and staff. It is comprised of five subcommittees:

1. Student-athlete engagement committee to communicate openly with student-athletes
2. Social Media and Storytelling to promote our unique UNLV stories and amplify campus workshops and recognitions
3. Speakers Series to have meaningful and educational speakers for all involved
4. Mentoring Program which gives additional opportunities to engage student-athletes with others outside of their respective sports
5. Fun Committee to promote an inclusive staff culture and find creative ways for colleagues to engage and build relationships

Accomplishments from these groups include:

- Speakers: Ashston Henderson, Director of Diversity, Equity and Inclusion of the Detroit Pistons
- The Student-Athlete Engagement Committee meets regularly with Student-Athlete Advisory Committee (SAAC)
- In the fall of 2021, UNLV student-athletes joined together forming a wellness group to break the stigma of speaking out about mental health struggles – their efforts included ordering bracelets for all student-athletes to spread awareness and resources and developed a "You Matter" video campaign
- Hilinski's Hope football recognition
- National Girls and Women In Sports Day Title IX Panel with President of Las Vegas Aces, VP of Human Resources with the Las Vegas Raiders and Senior Director of Sports and Special Events with the LVCVA

REBEL ATHLETICS BUDGET SUMMARY

FY 2022 – BALANCED BUDGET SUMMARY

The UNLV Athletics' Business and Financial Services unit supports the mission of the Athletics Department by providing superior customer service to 17 teams, more than 500 student-athletes, and numerous support units in both the Athletics Department and Thomas & Mack Center with a top priority of balancing the budget. In FY 2022, the business office continually worked to maintain a sustainable overall balanced budget process that was implemented back in FY 2019. Time was spent throughout the budget process to continue greater financial communication, transparency, and accountability, while employing a zero-based budgeting model and clarifying institutional support.

RAF EXCELLENCE CAMPAIGN STRATEGY

UNLV Athletics is preparing to launch two separate campaigns to enhance and optimize the student-athlete experience:

- The first campaign will be the Rebel Excellence Campaign designed to address all student-athlete support services to include but is not limited to student-athlete well-being, scholarships, health and wellness, career development, and mentoring.
- The second campaign will be designed as a capital campaign to address the ongoing need to enhance facilities - new and renovation (to include but is not limited to; softball, track & field, tennis, football practice fields, Student-Athlete Excellence Center (Lied Athletic Center renovations), Mendenhall Center, Cox Pavilion & baseball). This campaign will include transitioning the current softball outfield surface from natural grass to synthetic turf and baseball's entire surface from natural grass to synthetic turf. Those transitions will be supported by the Southern Nevada Water District and our multi-media rights partner Learfield.

Projected launch of both campaigns will be in third quarter of FY '23. To maximize the student-athlete experience and prepare our student-athletes for life after sport we must invest in the vision and mission to graduate our student-athletes as leaders for the future and enhance their opportunities to win championships.
