University Police Department-
Northern Command

Inclusion, Diversity, Equity and Access
(IDEA) Committee Meeting
May 17, 2023

Our Mission
To support the Nevada System of Higher Education through proactive community involvement, service, protection, and trust.
Proudly Serving the Northern Institutions of the Nevada System of Higher Education
• An organizational change was established due to expired terms during pandemic closures and to increase participation.

• A newly configured representation was deployed to meet the unique needs of Northern Command’s individual institutions served. Representatives include members of student groups, faculty, staff and community partners.

• Recently appointed members at UNR’s Advisory Board held initial meeting and selected Chair, Dr. Carrie Hintz.

• Beginning the process of implementing this new design at all Northern Command institutions served.
