Fifteen percent (15%) of the increased fee for the universities and upper-division community colleges and ten percent (10%) of the increased fee for the community colleges will be dedicated to student access, consistent with Board policy, and the remainder used exclusively in support of the salary increase to the state supported operating budget.

Fifteen percent (15%) of the increased fee for the universities and upper-division community colleges and ten percent (10%) of the increased fee for the community colleges will be dedicated to student access, consistent with Board policy, and the remainder used exclusively in support of the salary increase to the state supported operating budget.

The fiscal impact of funding increases beyond the legislative appropriation varies by institution. The fiscal impact will be addressed through a combination of strategies, including an increase in the registration, non-resident and distance education fees, and operating budget reductions. Details of those strategies, including proposed revisions to the NSHE Procedures and Guidelines Manual, Chapter 7, Section 1, and Chapter 7, Section 17, are included in the reference material.

**ESTIMATED TIME:** 60 mins.
19. **FISCAL YEAR 2023 STUDENT FEE ACCOUNT BALANCE REPORT**

BOR-20a, BOR-20b, BOR-20c and BOR-20d](#))

*FISCAL IMPACT:* Special fees represent extraordinary costs associated with specific programs, services or summer registration. Special fee supported budgets that meet the reporting threshold of $250,000 will be reported in the Self-Supporting Budget report.

Kyle Dalpe will request approval of revisions to the *Procedures and Guidelines Manual* ([Chapter 7, Section 10](#)) concerning proposed differential program fees at their respective institutions. BOR-22)*

**FISCAL IMPACT:** Any salary adjustments to the revised minimum of the salary schedules shall only take effect after implementation of any FY 2025 cost-of-living adjustments approved by the Board. The number of individuals impacted cannot be determined until the FY 2025 COLA decision is made.

**FISCAL IMPACT:** Because paid family leave is paid at 50% salary and the professional staff member must hold 40 hours sick leave in reserve to take paid family leave, there is a fiscal impact of allowing professional staff to take paid family leave while holding onto sick leave.
