# **NEVADA SYSTEM OF HIGHER EDUCATION STATE-SUPPORTED OPERATING BUDGET Fiscal year 2023-2024**

## **OVERVIEW**

The Nevada System of Higher Education (NSHE) budget is comprised of 8 institutions and central administration:

- University of Nevada, Reno
- University of Nevada, Las Vegas
- Nevada State University – Henderson
- Desert Research Institute
- College of Southern Nevada
- Great Basin College
- Truckee Meadows Community College
- Western Nevada College
- System Administration

Additionally, the Trust Account for the Education of Dependent Children, established by the 1995 Legislature as a non-executive budget requiring specific legislation for General Fund appropriations, was included as an appropriation area budget within the NSHE. The fund supports specific educational costs incurred by dependent children of Public Safety Officers killed in the line of duty.

## **Biennial Budget**

As with other state agencies, NSHE receives legislative appropriations and authorization for its operating budget on a biennial cycle. Fiscal years 2023-2024 (FY 24) and 2024-2025 (FY 25) comprise this biennium.

The Legislatively approved System operating budget includes state appropriations, authorized expenditures (State Supported Operating Budget). The Operating Budget totals \$1,233.5 billion for FY 24. This compares to the FY 23 Operating Budget of \$1,065.7 billion and represents a 15.7% increase. General Fund revenues of \$848.2 million in FY 24 increased when compared to the General Fund revenues of \$648.3 million in FY 23 by \$200 million or by 30.1% due mainly to legislative actions that implemented a 12% cost of living adjustment for employees as well as \$65.9 million in funding for multiple one-time expenditures including \$10 million for a grant program to expand undergraduate and graduate nursing programs and \$14.7 million for enrollment recovery at five institutions.

Other authorized revenue sources, consisting mainly of student fee revenues, total \$375.3 million in FY 24, approximately \$42 million less than in FY 23. The main reason for the reduction in other authorized revenue is due to the elimination of the American Reduction Plan Act (ARPA) funds which accounted for \$57.7 million in FY 23. Student

fees remain stable at approximately 30% of the State Supported Operating Budget and are expected to do so for the foreseeable future.

### Student Registration Fees

The Board of Regents approved the following per credit hour student registration fees for the NSHE institutions for FY 24 and FY 25:

The University undergraduate and Community College upper and lower division registration fees increased by 2.8% in FY 23 over FY 22 and by 2.5% in FY 24 over FY 23. The State College undergraduate fee increased by 2.8% in FY 23 over FY 22 and by 2.6% in FY 24 over FY 23. The University graduate fee increased by 2.8% in FY 23 over FY 22 and by 2.5% in FY 24 over FY 23.

Per Credit Hour Registration Fee	FY 22	FY 23	FY 24
	Reg Fee	Reg Fee	Reg Fee
University Undergraduate	\$249.00	\$256.00	\$262.50
University Graduate	\$305.50	\$314.00	\$321.75
State College Undergraduate	\$180.00	\$185.00	\$189.75
State College Graduate	\$242.50	\$249.25	\$255.50
Community College Upper Division	\$180.00	\$185.00	\$189.75
Community College Lower Division	\$109.75	\$112.75	\$115.50

### Formula Funding and Allocation:

The 2023 Legislature approved suspending the funding formula distribution component and allocated General Fund appropriations using the traditional base, maintenance, and enhancement decision unit model. This resulted in no net change to the General Fund appropriations allocated to the institutions. For the FY 2023-25 biennium, the Legislature instructed NSHE work with the Governor's Finance Office and the Fiscal Analysis Division to apply a consistent methodology using the current formula to calculate a value for the weighted student credit hours if caseload decision units using WSCHs are included in the 2025-27 biennium budget.

### Performance Funding

In 2012, the Interim Legislative committee to study the funding of Higher Education (SB 374) recommended a 20% carve out from each institution's general fund appropriation that would be earned back based upon performance criteria recommended by the Board of Regents. The carve-out for the initial year (FY 2015) was 5 percent and was increased by 5 percent each succeeding year until it reached 20 percent in FY 2018.

Note: Performance Funding (FY24)

The performance criteria resulted in all NSHE institutions being fully funded for the performance carve out.

Appropriations Area Transfer:

The 2023 Appropriations Act (SB 511) provides that amounts appropriated to NSHE may be transferred between appropriation areas with the approval of the Interim Finance Committee upon the recommendation of the Governor.

Cost of Living Adjustment (COLA):

Per Assembly Bill 522, Section 7, the 2023 Legislature approved a 12% (FY24) increase in salaries for both classified and professional employees. The total amount needed to implement the 12% COLA is \$89,750,888 of which \$59,678,602 was appropriated (65.9%). As is consistent with previous COLAs, the appropriation was given to the State Board of Examiners and the Nevada System of Higher Education can request the funds with justification as needed.

Retention Incentives:

Per Assembly Bill 522, Section 26, the 2023 Legislature approved quarterly retention incentives for classified employees in the amount of \$250 per quarter. The state general fund classified employee retention incentive payments will be reimbursed through the Office of the Governor.

Per Assembly Bill 522, Section 29, the 2023 Legislature appropriated \$3.5 million for payment of retention incentives for professional employees of the Nevada System of Higher Education.

Continuous Service:

Per Assembly Bill 522, Section 32, the 2023 Legislature authorized semiannual continuous service payments to encourage continuity of service. Nevada System of Higher Education was appropriated \$2,618,574 to fund these payments.

Note: Classified Step and Professional Merit (FY24 & FY25)

NSHE Classified employee step increases were funded for FY 24 and FY 25. Merit funding for the professional employees of the NSHE was not funded in FY 24 and FY 25.

Fringe Benefit Rates:

**Health Insurance Rates:**

The employer contribution to the Public Employee's Benefit Program for employee health insurance was increased from FY23 levels.

	FY 24	FY 25
Health Insurance (annual)	\$8,760	\$9,108

#### **Retirement Rate:**

The retirement rate for employees that participate in the PERS Employer Paid Reduced Salary Program has increased from the FY 23 levels. Likewise, the rate for employees who are PERS Employee/ Employer Paid as well as NSHE professional staff that are in the Retirement Plan Alternative increased as well.

	FY 24	FY 25
Employer Paid Adjusted Rate	33.5%	33.5%
Employee/ Employer Paid Rate	17.50%	17.50%

#### **Personnel Assessment:**

The personnel assessment rate is charged to classified salaries to fund the State Personnel Department's administration of the classified personnel program. In FY 22 and FY 23 the method for calculating personnel assessment changed from a percentage of gross salary to an annual flat per classified employee amount.

	FY 24	FY 25
Personnel Assessment	\$196.15	\$197.05

The personnel assessment is also assessed on classified salaries in self-supporting NSHE budgets and as such, the NSHE total remittance for the personnel assessment will be higher than the appropriated amounts.

#### **Retired Employee Group Insurance:**

The Retired Employee Group Insurance Assessment (REGIA) is assessed on salaries to fund future group health insurance liabilities for future state retirees. FY 24 rate increased from the FY 23 rate.

	FY 24	FY 25
REGIA	3.11%	3.18%

Employees hired after January 1, 2012 will not be eligible for the retired employee group insurance subsidy, however salaries for all employees, regardless of program participation, will be included in the assessment.

REGIA is also assessed on salaries in self-supporting NSHE budgets and as such, the NSHE total remittance for REGIA will be higher than the appropriated amounts. The REGIA rate will be assessed on actual salaries.

**Workers Compensation:**

The rate for the NSHE self-funded workers compensation program remains unchanged from FY 21 at 1.50% of salaries up to \$36,000, which limits an individual contribution to a maximum of \$540/calendar year. It will be charged against actual gross salaries.

**Unemployment Compensation:**

The unemployment compensation rate, as a percentage of total actual gross salaries remains unchanged for FY 24 and FY 25 of .10%.

	FY 24	FY 25
Unemployment Compensation	.10%	.10%
