the mission

Since its incorporation in 1981, the University of Nevada, Reno Foundation has raised and managed funds which support the academic and administrative programs of the University of Nevada, Reno while adhering to the philanthropic intentions of thousands of generous donors who have supported and continue to support the future of the University.

The UNR Foundation continues to actively engage alumni, friends and community partners to provide philanthropic support for the benefit of the University. A total of **\$83.3 million** in gifts were received in fiscal year 2023. During 2022-23, the UNR Foundation provided more than **\$33.4 million** to the University, including more than **\$7.2 million** for scholarship support, nearly **\$18.9 million** for University programs and more than **\$7.3 million** for capital projects.

From top-tier research designations to world-renowned faculty, from University Way in Reno to the shores of Lake Tahoe, from more than 21,000 hardworking undergraduate and graduate students to the dedicated 7,000-plus faculty and staff members — the University has never been stronger.

As we begin a yearlong celebration of 150 years of excellence in higher education, the University's commitment to learning, discovery and engagement continues to grow and thrive. The University's sesquicentennial celebration started with the groundbreaking of the new College of Business building in the Mathewson University Gateway District on Oct. 12, and many more events are planned leading up to the University's 150th anniversary on Oct. 12, 2024.
