

THE UNIVERSITY OF NEVADA, RENO FOUNDATION FISCAL YEAR 2024

## ANNUAL REPORT TO THE NSHE BOARD OF REGENTS

December 4, 2024

meeting  
the mission

Since its incorporation in 1981, the University of Nevada, Reno Foundation has raised and managed funds that support the programs of the University of Nevada, Reno while adhering to the philanthropic intentions of thousands of generous donors who have supported and continue to support the future of the University.

On October 12, the University celebrated its 150th anniversary. From an initial class of seven students in 1874 to the more than 23,000 students enrolled this fall, the University continues to provide exceptional opportunities for learning, discovery and engagement consistent with our original land-grant mission while adapting to the evolving needs of our local and global communities.

The success of our students, faculty, staff and alumni can be seen through our continued recognition both as a Carnegie R1 Very High Research institution and as a Carnegie Engaged institution. Together, these distinctions indicate that the Wolf Pack Way is built on a foundation of tremendous professional and personal accomplishments in which caring and success go hand in hand.

During the fiscal year 2024, the Foundation received more than **\$69 million** in gifts. During 2023-24, the UNR Foundation provided more than **\$41 million** to the University, including more than **\$7.5 million** for scholarship support, more than **\$20.9 million** for University programs and **\$12.6 million** for capital projects.

Among these gifts, we saw tremendous individual and collective support. We received our largest gift to date: a pledge of **\$36 million** from the George W. Gillemot Foundation to support the establishment of The George W. Gillemot Aerospace Engineering Program and to support the Max C. Fleischmann Planetarium. Meanwhile, our second annual Giving Day: The Wolf Pack Way resulted in **1,364 donors providing more than \$635,000** to support students, faculty, staff, colleges, schools and programs campus-wide. Mark your calendars for next year's day of giving on **Thursday, April 10**.

fiduciary  
responsibility

The UNR Foundation takes its fiduciary responsibility seriously and continues to be a good steward of its funds. The UNR Foundation Board of Trustees retained the services of Eide Bailly LLP to perform an independent audit.
