The Board of Regents met in Room 205, Morrill Hall, University of Nevada, Reno, on Saturday, January 16, 1960. Present:

Regents Anderson, Arnold, Broadbent, Elwell, Germain, Lombardi, constituting a quorum. Regent Tyson was present from 10:40 A.M. on. Regent Grant was absent because of illness. Regent Crumley was traveling out of the country. Present also were Comptroller Hayden, Engineer Rogers, Academic Vice President Wood, Deputy Attorney General Porter and President Armstrong. Reporters Laxalt and Frank Johnson covered the meeting for the Press.

The meeting was called to order at 9:00 A.M. by Vice Chairman Lombardi.
1. Minutes of Previous Meetings

The minutes of the meeting of November 21, 1959 were approved upon motion by Mr. Arnold, seconded by Dr. Anderson, and unanimous vote.

2. Comptroller's Claims

President Armstrong presented the claims submitted to him by Comptroller Hayden and recommended approval as follows:

Motion by Mr. Broadbent, seconded by Mr. Arnold, carried
unanimously that the personnel items be approved.

President Armstrong then presented recommendations for
tenure. These appointments to tenure had been proposed by
the Department Chairman and Dean concerned for each faculty
member being recommended. After examination of all avail-
able records, the Academic Committee recommended that tenure
be granted as of July 1, 1960. The President recommended
approval as follows:

COLLEGE OF AGRICULTURE

BUSINESS ADMINISTRATION

Kathryn Duffy, Assistant Professor, Business Administration
William Houwink, Associate Professor, Business Administration and Economics
President Armstrong reported the following items from the
minutes of the meeting of the Academic Committee held on
December 22, 1959:

Upon motion by Dean Irwin, seconded by Deans Holstine and
Adams, the Committee, in unanimous roll call vote, recom-
mended that tenure not be granted to Miss Mary Sellers,
Instructor in Anthropology, and that this proposal be forwarded to the President for consideration and appropriate action.

Upon motion by Dean Blodgett, seconded by Dean Carlson, the Committee, in unanimous roll call vote, recommended that tenure not be granted to Mr. Eugene Menke, Assistant Professor of Electrical Engineering, and that this proposal be forwarded to the President for consideration and appropriate action.

The President recommended that the recommendations of the Academic Committee be approved and that tenure not be granted to Miss Seller or Mr. Menke, and pointed out that in accordance with University regulations on tenure, the appointments of Miss Sellers and Mr. Menke must, if tenure is not now awarded, be terminated as of June 30, 1960.

Motion by Mr. Elwell, seconded by Mr. Arnold, carried unanimously that the recommendations concerning tenure be approved.

President Armstrong presented, with his favorable recommendation, post-retirement appointments proposed by the
Academic Committee, as follows:

James J. Hill, Professor and Director of Libraries, for one year beginning July 1, 1960.

James R. Van Dyke, Professor of Mechanical Engineering, for one year beginning July 1, 1960, the appointment to be terminal, and Professor Van Dyke to relinquish responsibilities as Chairman of the Department as of June 30, 1960.

Motion by Mr. Germain, seconded by Mr. Arnold, carried unanimously that the post-retirement appointments be approved.

5. Ladino Dairy

President Armstrong read the proposal on sale procedure of the Ladino Dairy, submitted by Regent Crumley in accord with his assignment, as follows:

PROPOSED METHOD OF SALE OF LADINO FARM

(1) Notice of sale to be published in the local newspapers for approximately four weeks.
(2) Notice will include time and place for opening of bids.

Each bid to include a certified check for a minimum of
10% of the bid figure.

(3) The published notice to include information to the

effect that at the time of the bid opening, all bidders

present may have the privilege of raising their bids at
5% "levels". In effect, this would result in more or

less of an auction immediately following the bid open­
ings.

(4) The property then to be sold to the highest bidder,

provided such bid is acceptable to the Boad of Regents.

In this connection, the published notice of sale would

stipulate that the Board of Regents reserves the right
to reject any and all bids.

It is my opinion that we should sell the Ladino Farm proper­
ty in one piece, and not as separate smaller parcels. It

would further be my recommendation that we require a minimum

of $100,000 down, 7% on the remaining unpaid balance, to be

amortized over a period of five to seven years.
Motion by Mr. Arnold, seconded by Mr. Germain, carried
unanimously that the report be accepted and the procedure
outlined followed, pending study and approval by the
Attorney General.

Motion by Mr. Germain, seconded by Dr. Anderson, carried
unanimously that Mr. Crumley be given a vote of thanks for
his work on the Ladino Dairy sale project.

6. Wiche Report

Dr. Armstrong reported as Chairman of the Nevada Commission.

Governor Sawyer appointed Dr. Anderson of the Board of
Regents, Dr. John Morrison of the Department of English, and
President Armstrong to serve as the Nevada Commissioners.

The Commissioners reviewed applications and certified six
candidates in medicine; three have been accepted and three
are pending. Citizens' Advisory Committees of three members
each have been selected for the areas of medicine, dentistry
and veterinary medicine.

The re-payment provision in the State Law has discouraged
some applicants, and two applicants withdrew upon learning
of the re-payment regulations. While the Commissioners favor elimination of this re-payment provision, legislation will not be sought at the coming session because of the fact that the Law has not been in operation long enough to give it a fair trial.

7. Bid Opening - Revenue Bond Certificates

It was now 10 A.M., PST, the time set and duly advertised for opening of bids for public sale of the University of Nevada Housing Revenue Certificates of 1959, in the principal amount of $1,382,000.00, for construction of a men's dormitory, housing for married students and faculty, and a dining hall. Room 205, Morrill Hall, was declared to be the President's Office for the purpose of the bid opening.

Comptroller Hayden checked at 10 A.M. his own Office, the regular Office of the President and the U. S. mail for bids which might have come in, and confirmed the fact that no other bids had been received. The Government's bid submitted by Housing and Home Finance Agency was read by President Armstrong as follows:

Project No. Nev 26-CH-1 (DS)

University of Nevada
Reference is made to the $1,382,000 University of Nevada, Reno, Nevada, Housing Revenue Certificates of 1959, advertised for sale in The Bond Buyer.

The Government hereby bids par plus accrued interest at the rate of two and seven-eights per centum (2-7/8%) per annum, for the entire issue, or for any block or combination of blocks of the Certificates as advertised.

The bid is submitted subject to the provisions of the Loan Agreement, dated November 1, 1958, between the Board of Regents of the University of Nevada and the Government, and in particular to the provisions of Section 3 thereof.

Dated this 5th day of January, 1960.

Housing and Home Finance Agency
The document, Resolution No. 60-1, was distributed to the
members of the Board and read individually by them in meet-
ing. After the document had been read:

Motion by Mr. Arnold, seconded by Mr. Germain, carried
unanimously upon roll call vote that the document, Resolu-
tion No. 60-1, be approved and adopted as follows:

RESOLUTION NO. 60-1

AUTHORIZING THE ISSUANCE BY THE BOARD OF REGENTS OF
THE UNIVERSITY OF NEVADA OF THE BOARD'S OBLIGATIONS
DESIGNATED "UNIVERSITY OF NEVADA HOUSING REVENUE
CERTIFICATES OF 1959", FOR THE PURPOSE OF ACQUIRING
FOR THE UNIVERSITY A MEN'S DORMITORY HOUSING FOR
MARRIED STUDENTS AND FACULTY, AND A DINING HALL; PRO-
VIDING THE FORM, TERMS AND CONDITIONS OF THE CERTIFI-
CATES, THE MANNER OF THEIR EXECUTION, THE METHOD OF
THEIR PAYMENT AND THE SECURITY THEREFOR, INCLUDING
BUT NOT LIMITED TO PROVISIONS FOR CONVERTING A SINGLE
CERTIFICATE INTO CERTIFICATES OF SMALLER DENOMINATIONS;
ACCEPTING THE BEST BID FOR THE PURCHASE OF THE CERTIFI-
CATES AND SPECIFYING THE PRICE THEREFOR; PROVIDING FOR
THE DISPOSITION OF REVENUES DERIVED FROM SAID FACILI-
TIES; PRESCRIBING OTHER DETAILS CONCERNING SAID CERTI-
FICATES AND SAID FACILITIES, INCLUDING BUT NOT LIMITED
TO CONVENANTS AND AGREEMENTS IN CONNECTION THEREWITH;
RATIFYING ACTION HERETOFORE TAKEN TOWARD ACQUIRING SAID
FACILITIES AND ISSUING SAID CERTIFICATES; AND REPEALING
ALL RESOLUTIONS IN CONFLICT HEREWITH.

(See pages 237 - 330 for further detail)

8. Nation Defense Resources Conference

Dr. Armstrong introduced Mr. Robert Bond, Reno Chairman of
the National Defense Resources Conference, Colonel Lloyd
Coutts of Washington, D. C., and Mr. A. E. Holgate, Reno
Membership Chairman. Colonel Coutts spoke for the group,
saying that the Conference in Reno would be held April 11-
22 of this year in the auditorium of the Education building
on the Campus. Purpose of the Conference is the education
and information of community leaders for participation in
a military-civilian team in times of National emergency.
The Regents indicated full cooperation by the University.

9. Cancer Symposium

Dr. Anderson called attention to the fact that the Uni-
versity had co-sponsored a Cancer Symposium in Reno in
March, 1959, and that it had proved to be a worthwhile
undertaking for the University. He now proposed that the
Nevada Southern Regional Division likewise co-sponsor with
the American Cancer Society a symposium soon to be held in
Las Vegas.

Motion by Mr. Germain, seconded by Mr. Elwell, carried
unanimously that the Nevada Southern Regional Division co-
sponsor the Cancer Symposium, already scheduled, but at no
cost to the University.

10. Physical Education Building, Las Vegas

Mr. Germain discussed the bid opening for the building,
which was attended by Mr. Gibson, Mr. Miller and Mr. Bissell
of the State Planning Board, Mr. Grant and Mr. Germain of
the Board of Regents. There was a complication in that the low bid exceeded the funds available by $24,990, but Mr. Grant and Mr. Germain did not want to call for another bid opening on the possibility that later bids might not be as favorable. Mr. Bissell indicated that he would take a telephone poll of the Planning Board members on the bids submitted and notify the Board of Regents of the decision.

11. Bid Openings

Bid openings which had been held on the Reno and Las Vegas Campuses were reported by Dr. Armstrong as follows:

(a) Placing of Gravel, Lower Campus Parking Lot, Reno

A meeting to open bids was held in room 205, Morrill Hall, University of Nevada, at 4:00 P.M. on Thursday, December 17, 1959. Notice had duly appeared in local papers calling for bids for PLACING OF GRAVEL, LOWER CAMPUS PARKING LOT, UNIVERSITY OF NEVADA, RENO CAMPUS.

Present: Comptroller Hayden and Engineer Rogers.

Bids were opened by Mr. Hayden as follows:
Fred W. Schopper - $1,282.50 (not accompanied by check or bid bond) - work to be completed within 10 days.

George Griffall - $1,846.00 (accompanied by cashier's check) - work to be completed within 10 calendar days.

Earl Games - $1,233.00 (accompanied by cashier's check) - work to be completed within 7 calendar days.

George E. Miller Company - $1,130.00 (accompanied by certified check) - work to be completed within 4 days.

Ready-Mix Concrete Company - $2,995.00 (accompanied by bid bond) - work to be completed within 7 days.

The bids were turned over to the University Engineer
for study and recommendation to the President and the Board of Regents.

Recommendation: It is recommended that the low bid, as submitted by George E. Miller Company in the amount of $1,130.000 be accepted and a contract be drawn with them. This bid is within the estimate as prepared by the University Engineer's Office and the funds are available in the Buildings and Grounds budget.

Respectfully submitted,

/s/ James D. Rogers

University Engineer

Approved: /s/ P. W. Hayden, Comptroller

/s/ Charles J. Armstrong, President

Motion by Mr. Arnold, seconded by Mr. Broadbent, carried unanimously that the acceptance of the bid and the awarding of the contract be approved.

(b) Demolition of Infirmary Building

A meeting to open bids for the DEMOLITION OF THE
INFIRMARY BUILDING was held in room 205, Morrill Hall, University of Nevada, at 4:00 P.M., on Wednesday, December 16, 1959. Notice had duly appeared in local papers. Present: Comptroller Hayden and Engineer Rogers.

Bids were opened by Mr. Hayden as follows:

Fred W. Schopper Construction Company - $1,375.00
Accompanied by cashier's check

W. W. Weichmann Construction Company - $2,350.00
Accompanied by bid bond

The bids were turned over to the University Engineer for study and recommendation to the President and Board of Regents.

Recommendation: It is recommended that these bids be rejected, as they are well above the amount estimated or available for this purpose.

Respectfully submitted,

/s/ James D. Rogers
Motion by Mr. Arnold, seconded by Mr. Broadbent, carried unanimously that the rejection of the bids be approved.

(c) Counter, Humanities Building, Las Vegas

Bids were opened for Counter, Humanities building, Las Vegas Campus, in Dean Carlson's Office, Nevada Southern Campus, at 4:00 P.M., on December 23, 1959. Those present were Dean William D. Carlson, Mrs. Fellman, Administrative Assistant, and Miss Muriel Parks, Deputy Registrar.

The results of the subject bid opening were as follows:

Dowd Construction Company       - $889.00

Accompanied by bid bond

The bid was referred to the University Engineer for
study and recommendation.

Recommendation: It is recommended that this bid, as submitted by Dowd Construction Company in the amount of $889.00, be accepted and a contract be drawn with them. This bid is in line with the estimate as prepared by the University Engineer's Office.

Respectfully submitted,

/s/ James D. Rogers

University Engineer

Approved: /s/ P. W. Hayden, Comptroller

/s/ Charles J. Armstrong, President

Motion by Mr. Arnold, seconded by Mr. Elwell, carried unanimously that the acceptance of the bid and the awarding of the contract be approved.

(d) Vault, Humanities Building, Las Vegas

Bids were opened for Vault, Humanities building, Las Vegas Campus, in Dean Carlson's Office, Nevada Southern Campus, at 4:00 P.M. on December 23, 1959. Those pres-
ent were Dean William D. Carlson, Mrs. Pat Fellman, Administrative Assistant, and Miss Muriel Parks, Deputy Registrar.

The results of the subject bid opening were as follows:

Dowd Construction Company - $1,293.00

Accompanied by bid bond

The bid was referred to the University Engineer for study and recommendation.

Recommendation: It is recommended that this bid, as submitted by Dowd Construction Company in the amount of $1,293.00 be accepted and a contract be drawn with them. This bid is in line with the estimate as prepared by the University Engineer's Office.

Respectfully submitted,

/s/ James D. Rogers

University Engineer

Approved: /s/ P. W. Hayden, Comptroller

/s/ Charles J. Armstrong, President
Motion by Mr. Arnold, seconded by Mr. Broadbent,
carried unanimously that the acceptance of the bid
and the awarding of the contract be approved.

12. Progress Report, Building Program

President Armstrong reported the HHFA projects were inspected in December and it was found that married housing is within 70% of completion, Dining Hall within 60-65% of completion, and the Men's Dormitory within 50% of completion. Dr. Armstrong noted that all are slightly behind schedule. The Fine Arts building is approximately 75% complete, and final completion may be a little later than expected. Bids for Mackay School of Mines corrections were opened and came within the construction budget. Agricultural Mechanics Facility bids were opened and were well under the amount estimated. Library bids were opened and the bid was awarded to the next to lowest bidder for reasons of licensing. Mr. Porter informed the Regents that he had ruled that the State Planning Board was correct in awarding the bid to Stolte Construction Company, rather than to Nomellini, the lowest bidder.
In accord with previous action of the Board of Regents, the University has proceeded with arrangements for construction of a Women's Dormitory. Adoption of the following resolution was recommended by President Armstrong to accompany the application to HHFA.

Motion by Mr. Arnold, seconded by Mr. Elwell, carried unanimously that the resolution be adopted as follows:

RESOLUTION NO. 60-2

WHEREAS, Chapter 360, 1957 Statutes of Nevada, authorizes the Board of Regents of the University of Nevada to borrow money and to issue and sell revenue certificates for the construction of certain projects specified therein; and

WHEREAS, it is necessary, in furtherance of that endeavor, to make application to the United States Government Housing and Home Finance Agency for loan assistance under Title IV of the Housing Act of 1950; now, therefore, be it

RESOLVED, by the Board of Regents of the University of
Nevada, that application for loan assistance be made to the

United States Government Housing and Home Finance Agency in accordance with the form, practice and procedure of such agency; and be it further

RESOLVED, that the President (Officer) be, and that Officer hereby is, designated and authorized, for the purpose of the submission of said application, to execute and sign the said application on behalf of the Board of Regents of the University of Nevada, and to otherwise perform such duties as may be attendant upon the submission of said application; and be it further

RESOLVED, President (Officer) be, and that Officer hereby is, designated and empowered, for the purpose and facilitation of transmittal, to hereafter receive all communications from said Federal Agency appertaining to said application and loan.

Dated: January 16, 1960

BOARD OF REGENTS OF

THE UNIVERSITY OF NEVADA
14. Investment of Proceeds, 90,000 Acre and 72 Section Grants

President Armstrong reported on a letter dated November 3, 1959, written to State Treasurer Franks by the Attorney General, and stating in summary: "The Board of Regents has the power to invest and reinvest the funds that have been derived from each of these Grants. This power is of constitutional origin. The State Treasurer has the power and duty to hold the funds and securities that have been derived from each of these Grants. This power and duty is of legislative origin." The informal decision was reached that since the University cannot invest in other than bonds, which is their present investment, there is no point in having the funds turned over to the University. Deputy Attorney General Porter will do further checking and make later report.

15. Honorary Degrees

President Armstrong proposed that, before bringing specific recommendations to the Board of Regents, a committee of the Board be appointed to receive recommendations for Honorary Degrees and for Distinguished Nevadan Awards.
Motion by Mr. Tyson, seconded by Mr. Arnold, carried unanimously that the Chair be empowered to appoint a committee of the Board of Regents to receive and study recommendations for Honorary Degrees and for Distinguished Nevadan Awards, prior to their consideration by the Board of Regents.

Vice Chairman Lombardi appointed the committee as follows:

Mr. Arnold, Chairman
Mr. Tyson
Dr. Anderson
Mr. Crumley
Dr. Lombardi

16. Student Loans

President Armstrong distributed and discussed an analysis of student loans as of August 30, 1958 and October 30, 1959, prepared by Mr. Hayden. The report gave the following breakdown:

There was some discussion as to loan collections, and legal
and moral obligations in regard to loans.

Motion by Mr. Germain, seconded by Mr. Arnold, carried
unanimously that the President be authorized to take what-
ever action he might deem appropriate in collecting student
loans.

17. Momand Estate

President Armstrong read a report on the Estate of Agnes B.
Momand submitted by Breed, Abbott & Morgan under date of December 3, 1959. The Estate is nearing closure and the letter stated that "the present market value of all of the assets which will eventually be payable to the University is roughly $700,000". The Law Firm requested payment for disbursements in the amount of $273.13, but preferred to leave the matter of compensation open pending the closing of the Estate after the final account. President Armstrong recommended approval of payment at this time of the statement for $273.13.

Motion by Mr. Elwell, seconded by Mr. Arnold, carried unanimously that payment be allowed on the statement for disbursements in the amount of $273.13.

18. Whited Estate

President Armstrong reported on receipt of Decree of Settlement of Thirteenth and Final Account of American Trust Company as Trustee under the Will of Jesse M. Whited, deceased. The Attorney for the Estate enclosed for signature copies of the form of receipt covering the property ordered distributed to the University under the Decree of Settlement.
Motion by Mr. Broadbent, seconded by Mr. Arnold, carried unanimously that the Vice Chairman be authorized to sign the receipt on behalf of the Board.

19. National Science Foundation Student Fee

Terms of the Grant for the National Science Foundation Summer Institute require that stipend holders not be charged tuition or fees. President Armstrong recommended that, in keeping with terms of the Grant already accepted, Summer session fees be waived for students participating in the program.

Motion by Mr. Arnold, seconded by Mr. Germain, carried unanimously that student Summer session fees be waived for students participating in the National Science Foundation Summer Institute for 1960.

20. Summer Sessions

President Armstrong presented the request of Dean Carlson, with approval of Dr. Wood and his own recommendation, that salaries for Summer session staff in Las Vegas, which is
now at the rate of $150.00 per credit, be brought into line

with salaries paid on the Reno Campus, by allowing the fol-
lowing base salary schedule:

Professor, Associate Professor       $175.00 per credit
Assistant Professor, Instructor      150.00 per credit

Transportation allowance requested for those who are not
regular members of the staff would be not to exceed the
equivalent of round trip first-class air fare (less tax).

It was further recommended that an allowance be made to meet
the additional costs of living for this same group, not to
exceed $5.00 per day for the period beginning with the first
day of actual instruction through the last day of instruc-
tion covered by the contract. Flexibility in the granting
of transportation and per diem allowances was requested to
strengthen the position of the University of Nevada in
securing persons from out of State who would be desirable
additions to the Summer session staff. President Armstrong
recommended approval of these changes in Summer session
arrangements.

Dr. Wood spoke on behalf of the needs of the Reno Campus
Summer session and asked that they have the privilege of
using the same transportation and per diem allowances for
the Reno Campus. President Armstrong recommended that this
provision be included in any action by the Regents.

Motion by Mr. Arnold, seconded by Mr. Elwell, carried
unanimously that the Summer Sessions recommendations above
be approved effective with the 1960 Summer sessions.

21. American College Testing Program

President Armstrong discussed the new A. C. T. Program for
prospective College students. The Program is intended to
take the place of most of the testing which the University
does during Orientation Week. The nominal expense of $3.00
is borne by the individual student. The request for the
University of Nevada to participate has been made by Dean
Basta of Student Affairs, and endorsed by the University
Council and the Academic Deans. President Armstrong recom-
mended approval for the University to become a participat-
ing member of the A. C. T. Program this year on a voluntary,
but recommended, basis, ultimately to become a requirement
for entrance if the preliminary experience with the Program
is satisfactory.
Motion by Mr. Germain, seconded by Mr. Elwell, carried

unanimously that the program be approved at this time on the
basis that the University request voluntary participation.

The meeting was recessed at 12:00 noon for luncheon.

The recessed meeting was called to order at 2:10 P.M. by Vice
Chairman Lombardi with all present who were at the morning
session.

22. Archie C. Grant Hall

The Regents discussed with Deputy Attorney General Porter
a proposal for naming a building on the Las Vegas Campus
for Chairman Grant, and received assurances that no dif-
ficulty would be involved, since the legislative intent was
that no one in public office should benefit in a pecuniary
way from any such action. In this case, the honor to Mr.
Grant would be for service rendered the University.

Motion by Mr. Elwell, seconded by Mr. Tyson, carried
unanimously that the new Education building on the Las
Vegas Campus be named the "Archie C. Grant Hall".
23. Athletic Finances

Mr. Tyson discussed the lack of funds for public relations, recruiting and similar purposes in the Athletic Department.

In the discussion which followed, the question was raised as to how much money, other than the student fee, gate and concession receipts, went for support of Inter-Collegiate Athletics, with the exception of salaries and maintenance of plant. Mr. Germain suggested that the Regents’ Athletic Committee meet on the day before the next meeting of the Board to consider the athletic financial situation. In the meantime, a study will be made by the Comptroller's Office to show source of income for Athletics and detail of expenditure.

24. Fleischmann Endowment

President Armstrong discussed the request of Dean Adams that income from Standard Brands stock, which Mr. Fleischmann gave to the University as an endowment for the Ladino Dairy be kept separate from the total income from endowments. The matter had been referred to Mr. Hayden for recommendation, and Mr. Hayden recommended as follows:
"Since all our endowment funds are now pooled together and being handled by the Trust Department of the First National Bank, I strongly recommend to you that we do not specifically earmark any income for any particular purpose or fund, but distribute income on basis of the percentage each fund bears to the total endowment funds."

President Armstrong recommended that the principle stated by Mr. Hayden be adopted in all cases except those in which the donor specifies otherwise.

Motion by Dr. Anderson, seconded by Mr. Arnold, carried unanimously that the income from the Fleischmann endowment for support of agriculture be handled in accord with the present practice, as recommended by Dr. Armstrong, and that the present practice be affirmed and approved.

25. The Association of Higher Education

The Association of Higher Education will hold a national conference on higher education in Chicago March 6-9. The President urged that a member of the Board attend. Mr. Germain was selected to represent the Board, and Mr. Arnold
26. Social Security

The University Faculty Committee on Insurance, headed by Dean Weems, proposed that the University endorse a letter to the Chairman of the House Ways and Means Committee, with copies to the Nevada Congressional Delegation, asking support of Federal legislation which would permit participation of the Social Security Program by individuals who have participated prior to coming to the University of Nevada, by picking up their Social Security payments on the same basis as self-employed persons.

Motion by Mr. Germain, seconded by Mr. Broadbent, carried unanimously that the Board of Regents go on record as endorsing the Federal legislation recommended above.

27. Radiological Laboratory

President Armstrong reported that a letter had been received from W. H. Hoffman, Supervisory Realty Officer, Acquisition and Disposal Field Office, General Services Administration, and also a letter from John R. Mc Bride of the Southwestern
Radiological Health Facility, Las Vegas, stating the intent of the Federal Government to leave a space in the projected Science and Technology building, Southern Regional Division of the University of Nevada, for the use of the Radiological Laboratory in Las Vegas. This puts the University in position to justify the request for funds from the Legislature for the building.

28. Faculty Prizes

President Armstrong reported that three faculty members had submitted papers under the Faculty Prize Awards Plan and these papers were submitted to a Faculty Committee of Evaluation for the $1,000 Faculty Awards for study and recommendation. The recommendation, submitted by Dr. Armstrong with his recommendation for approval, was that Professor Hoyt be granted one of the $1,000 awards, and that Professors Chase and Tucker be commended for their efforts, but informed that their papers do not meet requirements for the award as prescribed by the Board of Regents.

Motion by Dr. Anderson, seconded by Mr. Arnold, carried unanimously that the Regents authorize granting one of the $1,000 awards to Professor Hoyt, and that the remaining
money in the fund be held for further study in regard to the
Prize Awards plan.

29. Student Fees

A duplicated report and recommendations on Proposed Fee and
Tuition Changes was submitted to the President by Dr. Wood,
Chairman of the Fee Study Committee, and distributed to the
Regents for study and information. Dr. Wood spoke of the
work of his Committee, saying that the purpose of the
Committee was to see if there were any areas where fees
should be modified, changed or altered. Dr. Wood asked
that consideration be given at the present meeting of two
items to go into effect for the coming Summer session.
These recommendations were discussed and President Armstrong
recommended approval, as follows:

Motion by Mr. Germain, seconded by Mr. Arnold, carried
unanimously that the fee changes above listed be approved,
effective June 1, 1960.

The President asked that each member of the Board study the
fee study recommendations for action at a later meeting.

30. Leaves of Absence and Related Matters

Mr. Arnold, Chairman of the Regents' Committee appointed to
study a Leaves of Absence policy, distributed copies of his
Committee's report. President Armstrong discussed the pro-
posed policy statement and recommended approval as follows:

Policy Statement on Leaves of Absence and Related Matters

for Faculty Members of the University of Nevada

A. Leaves of Absence without Salary
1. Authorization

Leave of Absence without salary may be granted by the President, with the approval of the Board of Regents, to a faculty member who wishes to absent himself from his University duties to undertake research work, advanced study, consultation, teacher exchange, governmental appointments, etc. Approval of the conditions under which the Leave is authorized shall be in writing and a copy given the applicant.

2. Procedure

Request for Leave without salary is made through the Department Chairman and Dean of the College, with adequate advance notice. It is presumed that the Leave can be arranged without seriously impairing the work of the Department and that it will benefit the University or the professional advancement of the individual.

3. Restrictions
Leave without salary is granted only to a faculty member who has been employed by the University for at least one year. No Leave of Absence shall be granted for a longer period than two years, except for the purpose of pursuing activities which will tend to further the education of such a person in his special field. The faculty member is expected to return to the University for a period of time at least equal to that of his last contract.

B. Sabbatical Leave

(Note: In approving the following policy on Sabbatical Leaves of Absence, the Board of Regents wishes to point out that the rate of implementation of the Sabbatical Leave policy will depend upon availability of funds.)

1. Eligibility

Any faculty member who has attained professorial or equivalent rank (for example, assistant professor or higher), and who has served full time (on either a 10 or 12 months contract) for six or more salaried years (including time at the instructor level) at
the University of Nevada is entitled to a Sabbatical Leave. Time toward Sabbatical Leave is not cumulative beyond six years, except when the University is unable to grant a requested leave.

2. Options Available

Qualified applicants for Sabbatical Leave shall have two alternatives: a full year of leave at 2/3 salary, or a half year at full salary. The taking of Sabbatical Leave, of course, will in no way interfere with the continuing employment of an individual by the University, or with his retirement program, or any other rights normally associated with his work at the University.

3. Procedure

3.1 Persons desiring Sabbatical Leave shall submit their applications to the President through their Department Chairman and Dean, in the Fall semester of the year prior to the academic year in which they desire the leave. Application forms are available in the Central Personnel
3.2 The President may appoint a Sabbatical Leave Committee to assist in selecting those to be granted Sabbatical Leave. In making its recommendations, the Committee should consider both the seniority of the applicant and the merit of the application.

(New) 3.3 In case a member of the Sabbatical Leave Committee shall desire Sabbatical Leave, his application shall follow the procedure outlined in paragraph 3.1 and shall not be referred to the Committee.

3.4 Those who delay their applications one or more years after they become eligible, and unsuccessful candidates for Sabbatical Leave who re-submit their application, will be assigned priority of consideration.

4. Obligations Upon Taking Sabbatical Leave

4.1 Upon completion of his Sabbatical Leave, the
faculty member must return to his University
duties for a period of time at least equal to
that of his last annual contract.

4.2 Additional outside income -- for example,

Grants-in-Aid or Fellowships -- may be accepted
during the Leave provided it contributes to the
individual's professional development or his
future usefulness to the University.

4.3 Acknowledgment of Sabbatical assistance should

be given in any publications resulting from
work accomplished during the Sabbatical year.

4.4 A written report concerning Sabbatical Leave

activities is to be sent to the President with
a copy to the Central Personnel Office.

C. Sick Leave, Extended Sick Leave, Emergency Leave, Health
Examinations and Related Matters

1.1 In cases of illness or accident among faculty mem-
bers, Leave, if necessary, shall be granted for 30
working days at full salary.
** 1.2 Where a physician certifies that the faculty member is unable to resume his duties at the end of a Sick Leave of 30 working days, the faculty member may, with the approval of the President and the Board of Regents, be granted Extended Sick Leave for a period not to exceed 12 months including the initial 30 working days of illness.

(New) 1.3 If, at the end of the 12 month period, a physician certifies that the faculty member is still unable to resume his duties, his appointment shall be terminated. During the Extended salaried Sick Leave, no Annual Leave shall be earned.

1.4 Short Emergency Leaves may be necessary in the event of serious illness in the family, death or similar emergencies. Such Leave will normally be granted by the Dean.

1.5 Cases of injury or accident in connection with the work of faculty members are covered by the regulations of the Nevada Industrial Commission. In order to assure this protection for out-of-State tra-
vel, requests should always be submitted in advance
by faculty members conducting University business,
attending meetings, etc., even if work is under-
taken outside of University hours and at the facul-
ty member's own expense.

1.6 Health insurance can be obtained at a group rate
without a physical examination, if applied for
within the first 30 days of service.

1.7 The University may authorize, at its own expense,
the University Physician to arrange for voluntary
health examinations for individual faculty members.
The services of the Infirmary are not available to
faculty except for emergency first aid of injuries
sustained on Campus.

D. Annual and Terminal Leave

** 1. Amount of Annual Leave Authorized

All faculty members on a 12-months appointment earn
salaried Leave at the rate of 22 working days for
each year of service. Earned leave is taken at a
time approved by the Dean of the College concerned.

A faculty member on a 12-months appointment may accumulate Leave up to a maximum of 44 working days.

The Annual Leave allotment of faculty members with a 10-months appointment is given in the form of authorized holidays and recesses within the academic year.

** 2. Terminal Leave (Applies Only to 12-Months Appointments)

Any staff member who, upon resignation, retirement or other separation from the University, has earned a vacation under the provisions of Annual Leave, shall be credited with any portion of that Leave earned but not taken at the time of separation. In no case, however, may such terminal Leave exceed a period of two calendar months (44 working days). Faculty members who breach their contract will not be entitled to any accumulated leave.

E. Military Leaves

1. University faculty members on 12-months work ap-
pointments who are active components of Federal Reserve Forces or Nevada National Guard are entitled to serve under orders on training duty without loss of regular compensation for a period not to exceed 15 working days in any one calendar year. Such Military Leave of Absence shall be in addition to any Vacation or Sick Leave to which such staff members might otherwise be entitled. Authorized Military Leave of Absence without salary may be granted for periods in excess of 15 working days. Faculty members on Military Leave will be credited with seniority and salary adjustments as though they were in regular service, provided they have had one year or more continuous service with the University of Nevada.

2. In time of war or National emergency, a Leave without pay may be granted if the faculty member is drafted by Selective Service, is ordered to or volunteers for active duty as a reservist, is called or volunteers to serve in Federally-sponsored scientific research and development, or is instructed by Selective Service to enter defense or alternative service work in lieu of military service;
provided that no Leaves may be granted to any staff member who would not normally be re-employed at the termination of the period of employment current at the time of his entry into such service or defense work; and provided further that no Leaves are ordinarily granted to persons employed on war projects or an activity under government contract; the Leave terminates one year following the end of the war or comparable National emergency, or, if earlier, one year following the date of the faculty member's discharge, separation, or termination of service.

3. Faculty members applying for Military Leave must present a copy of their military orders or other substantial evidence. Certified copies of discharge papers or other evidence must be submitted to the Central Personnel Office for reinstatement.

F. Leave for Judicial Service

1. Appearance in connection with the justifiable prosecution of legal matters is considered a Short-Term Leave, if it is for periods less than 30 days, and will be granted informally by the Administration.
without loss of salary. In special cases, salaried

Leave for longer periods may be authorized by the

President and Board of Regents. Customarily, teach-
ing faculty are excused from jury duty. For other

service, such as expert witness testimony, it is

necessary to obtain permission in advance from the

President.

** Indicates some modification or revision has been made.

Motion by Mr. Arnold, seconded by Mr. Tyson, carried unani-
mously that the policy statement be adopted, subject to

clearance by the Office of the Attorney General.

31. Southern California Alumni Meeting

Mr. Germain reported that Mr. Grant, Mr. Elwell and he at-
tended the recent meeting of the Southern California Alumni

and that it was very successful. Dr. Wood was the principal

speaker and told of the University's growth and future ex-
pansion. Mr. Germain commended all who participated and be-
lieved much good was done for the University.

The meeting adjoumed at 3:35 P.M.
The next meeting was set for Saturday, March 5, 1960.
