Emeritus status as recommended by joint meeting of Administrative and Academic Committee on March 15, 1960:

Upon motion by Dean Weems, seconded by Dean Blodgett, the Committee, in an unanimous roll call vote, recommended that Joe. E. Moose, Dean of the Graduate School and Professor of
Chemistry, be granted emeritus status, effective upon his retirement June 30, 1960, and that this proposal be forwarded to the President for consideration and appropriate action.

Upon a motion by Dean Adams, seconded by Dean Blodgett, the Committee, in a unanimous roll call vote, recommended that Charles E. Fleming, Associate Director of the Agricultural Experiment Station, be granted emeritus status, effective upon his retirement June 30, 1960, and that this proposal be forwarded to the President for consideration and appropriate action.

Upon motion by Dean Irwin, seconded by Dean Adams, the Committee, in a unanimous roll call vote, recommended that John E. Martie, Professor of Health, Physical Education and Recreation, be granted emeritus status, effective upon his retirement June 30, 1960, and that this proposal be forwarded to the President for consideration and appropriate action.

President Armstrong reported that Dr. Wood has accepted the Presidency of the University of Alaska and that he will take up his duties there on July 1, 1960. Dr. Armstrong said
that the University, particularly the Administration, re-
grets losing Dr. Wood's services to the University and to
the State, especially to the Statewide Development Program,
which has been developed under his guidance. The honor
which has come to Dr. Wood in being offered the position of
President of the University of Alaska is an honor also for
the University of Nevada.

4. Bid Opening

Bid openings were reported by President Armstrong.

a) Referring to item 6 of the minutes of March 5, 1960, Dr.

Armstrong recommended, upon request of Mr. Rogers, that
the action accepting bids for Rework of Blowers and Duct
Work for Hoods, and Electrical Work in Connection with
Rework in Fleischmann Agriculture building, be rescinded
in order to be in a position to accept a more favorable
bid.

Motion by Mr. Arnold, seconded by Mr. Elwell, carried
unanimously that the action of the Board of March 5,
1960 in accepting the above mentioned bids be recinded.
b) Rework of Blowers and Duct Work for Hoods in Max C. Fleischmann Agriculture Building and Electrical Work in Connection with Rework - A meeting to open bids was held in the Office of the University Engineer at 4:00 P.M. on Wednesday, March 16, 1960. Present were Comptroller Hayden and Engineer Rogers. Bid notice had duly appeared in local papers for REWORK OF BLOWERS AND DUCT WORK FOR HOODS IN MAX C. FLEISCHMANN AGRICULTURAL BUILDING and for ELECTRICAL WORK IN CONNECTION WITH REWORK OF BLOWERS AND DUCT WORK FOR HOODS IN MAX C. FLEISCHMANN AGRICULTURE BUILDING.

Bids were opened by Mr. Hayden as follows:

Ray Heating Products, Inc. - accompanied by cashiers check - $1,993.34 for both jobs.

Reno Sheet Metal Plumbing and Heating Company - accompanied by cashiers check - $1,525.00 for Rework of Blowers and Duct Work for Hoods.

The bids were referred to the University Engineer for study and recommendation to the President and Board of Regents.

Recommendation: It is recommended that the bid of Ray Heating Products, in the amount of $1,993.34 for both jobs, be accepted, and a contract be drawn to accomplish this work. This bid is within the estimate as prepared by the University Engineer’s Office, and the funds are available in Fleischmann Account #845.

Respectfully submitted,

/s/ James D. Rogers

University Engineer

Approved: /s/ James E. Adams, Dean, College of Agriculture

/s/ P. W. Hayden, Comptroller

/s/ Charles J. Armstrong, President

Motion by Mr. Broadbent, seconded by Mr. Arnold, carried unanimously by roll call vote that the bid be accepted
and a contract drawn with Ray Heating Products.

c) Remodeling Snack Bar Kitchen Equipment in Jot Travis Building - A meeting to open bids was held in room 205, Morrill Hall, University of Nevada, on Friday, March 25, 1960. Present: Comptroller Hayden, Assistant University Engineer Whalen and two members of the bidding firm. Notice had duly appeared in local papers calling for bids for REMODELING SNACK BAR KITCHEN EQUIPMENT in JOT TRAVIS BUILDING.

Only one bid was received and it was opened by Mr. Hayden at 4:00 P.M., as follows:

Dohrmann Hotel Supply Company - accompanied by a bid bond - $7,326.55. Work to commence April 13 and be completed April 23, 1960.

The bid was turned over to the University Engineer for study and recommendation.

Recommendation: It is recommended that this bid, as submitted by Dohrmann Hotel Supply Company in the amount of $7,326.55 be accepted and a contract be
drawn with them. This bid is in line with the estimate as prepared by the University Engineer's Office and the funds are available in the Snack Bar Equipment and Alteration Fund.

Respectfully submitted,

/s/ James D. Rogers

University Engineer

Approved: /s/ P. W. Hayden, Comptroller

/s/ Charles J. Armstrong, President

Motion by Mr. Arnold, seconded by Dr. Anderson, carried unanimously by roll call vote that the acceptance of the bid and the awarding of the contract be approved.

5. Building Program for the University, 1960-61

Dr. Armstrong reported.

a) Appropriations for capital improvements were made at the last session of the Legislature as follows:
University of Nevada, Nevada Southern Campus

1. Master Plan (Chapter 261) $ 9,000.00
2. Design Library Building (Chapter 261) 40,500.00
3. Science and Technology Building (Chapter 156) 657,600.00
4. Land Acquisition (Chapter 257) 213,500.00
5. Supplementary, Classroom and Physical Education Building (Chapter 3) 48,750.00

$ 969,350.00

University of Nevada, Reno Campus

1. Aerial Photographs, all University of Nevada Campuses and Property; Topography Map and Model, Reno and Nevada Southern Campuses (Chapter 261) $ 12,700.00
2. Master Plan (Chapter 261) 48,280.00
3. Supplemental Funds, Acquisition of Real Property (Chapter 261) 22,500.00
4. Furnish Fine Arts Building (Chapter 261) 50,000.00
5. Construct Central Heating Plant (Chapter 261) 377,600.00
6. Construct Engineering Building (Chapter 212) 1,188,272.00

Construct Engineering Building (Chapter 200) (Bonds) 1,500,000.00

$3,199,352.00

Grand Total - $4,168,702.00

Dr. Anderson noted that the nuclear portion of the Engineering Mines building was not approved, and he understood that some members of the Legislature had questions concerning radiation. It was Dr. Anderson's suggestion that the University attempt to secure definite information regarding the amount of radiation which might be expected from such a Reactor Laboratory, and to consider whether it would be more desirable from the standpoint of safety to have a separate building for nuclear purposes or to have it as part of the Engineering Mines building.

Motion by Dr. Anderson, seconded by Mr. Germain, carried unanimously that the Board request the Administration to continue to study the matter of radiation and what possible dangers might accrue from it, and to contact suitable per-
b) The Regent’s Building Committee met on Thursday, March 31, and took action to request a variance for the projection booth in the new Engineering building which will be used only occasionally and which does not meet all requirements of the City Building Code.

In case final plans are ready for approval prior to the next meeting of the Board for the Engineering Mines building, the Central Heating Plant, the Science Technology building at Las Vegas, utilities on Reno Campus, utilities on Las Vegas Campus, landscaping Reno Campus, and landscaping Las Vegas Campus, the Building Committee requested authority to approve them on behalf of the Board.

Motion by Mr. Arnold, seconded by Mr. Broadbent, carried unanimously that the Regents' Building Committee be authorized to approve final plans on the above named projects if they should be ready for approval prior to the next meeting of the Board.

The Building Committee took action to request authority
to select, in cooperation with the State Planning Board, Architects or Engineers, as the case may be, for planning of the Library at Las Vegas, Master Plan for the Las Vegas Campus, Master Plan for the Reno Campus, aerial survey for Las Vegas Campus, and aerial survey for Reno Campus, working with the State Planning Board. Mr. Grant suggested that the Las Vegas members be consulted regarding the projects on the Las Vegas Campus.

Motion by Dr. Anderson, seconded by Mr. Broadbent, carried unanimously that the Regents' Building Committee be authorized to recommend to the Planning Board the Architect or Engineer for the above projects, and that the Las Vegas members of the Board furnish to the Building Committee names of Architects and Engineers who would be acceptable to them for the Las Vegas projects.

Referring to above action regarding selection of Architect or Engineer,

Motion by Mr. Arnold, seconded by Dr. Anderson, carried unanimously that the Regents' Building Committee be authorized to select also, with the Planning Board, the
c) Dr. Anderson discussed the action of the Legislature in appropriating money for Master Planning of both Campuses which was not requested by the University but by the Planning Board. He suggested that the Board consider employment of an individual who would take over this work as a primary project, to work with the University Engineer. The question was raised as to whether or not the salary for such a person could be paid for this year out of the appropriation for Master Planning.

Motion by Dr. Anderson, seconded by Mr. Crumley, carried unanimously that such a professional position be authorized and that the Building Committee be requested to consider the responsibilities and duties of the position in furthering Campus planning and development, and report to the Board of Regents; and also that the Building Committee contact the Planning Board to see if they will work with the University in developing the program along these lines.

It was noted that the State Planning Board will meet in
Las Vegas on April 9. It was agreed that the Chairman of the Board should meet with them and ask them to postpone action on University Master Planning until the Regents have an opportunity to study the matter and discuss it with them.

d) President Armstrong referred to previous action of the Board in which the Administration was authorized to include the request for a loan for the Women's Dormitory with the loan for the other HHFA revenue bond projects, and asked that the Chairman now be authorized to sign the renewal notes at 2-7/8% interest.

Motion by Mr. Arnold, seconded by Mr. Crumley, carried unanimously by roll call vote that the extension of the notes be authorized, and that the Chairman be authorized to sign the renewal request and payment of the interest, as follows:

Note #1 for $370,000 with interest in the amount of $5,318.75 and note #2 for $345,000 with interest in the amount of $2,534.80.

e) President Armstrong read a letter from the Housing and
Home Finance Agency that advance planning funds for
the History building have now been approved.

f) Progress report on present building projects was given
by Mr. Rogers as follows: the Fine Arts building is in
final stages of completion and will be ready for final
inspection before the end of April; Dining Hall and the
Men's Dormitory will be completed by May 15; the Library
building is on schedule, columns have been raised and
some slabs have been poured; the Agricultural Mechanics
building has some side walls up; some grading has been
done on Nevada Southern Campus and the classroom and
Physical Education building has been started.

6. Legislative Report

President Armstrong reported as follows on legislation pass-
ed at the last session:

SB 37 - Approved use of facsimile signature by the
Comptroller. Dr. Armstrong called attention to
the fact that a facsimile signature machine would
now be needed.
Motion by Mr. Elwell, seconded by Mr. Arnold, carried unanimously by roll call vote that the Comptroller be authorized to purchase a facsimile signature machine.

SB 69 - Allows Health Officer to teach courses in Public Health Nursing at the University but does not permit him to accept payment for the same.

SB 155 - Leaves of Absence - This bill conferred broad powers on the Board of Regents to implement the Policy Statement on Leaves of Absence and Related Matters as approved in principle at the January meeting. It was passed by the Legislature, but on the last day the Bill Drafter discovered a constitutional technicality and the Legislature adjourned before the amended bill could be approved. As a consequence, and in accordance with Deputy Attorney General Porter's opinion, we are bound by existing State legislation pending action by the 1961 Legislature. In the case of annual leave for professional staff on A contracts, State Law limits them, as members of the unclassified service, to annual leave of 15 working days per year, instead
of the 22 working days contemplated in the new policy.

AB 16 - Makes it possible for State agencies to participate in insurance programs up to 50%. Necessary funds to carry out the program may be included in next year's budget if the Board agrees.

AB 175 - WICHE legislation - limits the amount of re-payment of participants if they do not return to practice in Nevada. The Attorney General's Office has been asked for an opinion as to whether or not the provision is retroactive to existing contracts.

7. Emeritus Status

At the last meeting, President Armstrong was asked to prepare a statement covering the granting of emeritus status to retiring faculty members at the time it took action to rescind its previous policy. The President presented the following statement:

Emeritus status shall not be automatically awarded to a member of the Faculty upon retirement, but the honor
is to be considered an award for meritorious service
and the procedures to be followed in making nominations
are those currently in use for similar matters of pro-
motion, the granting of tenure, etc. Specifically,
this means that individuals to be so honored should be
nominated by the Dean concerned, reviewed by the
Academic Committee and recommendation transmitted to
the President for the Board of Regents.

Motion by Mr. Elwell, seconded by Mr. Arnold, carried unani-
mously that the statement above be adopted.

Recommendations for emeritus status presented at this meet-
ing under Personnel Recommendations were processed in this
manner.

At the suggestion of Mr. Grant, it was agreed that, as a
matter of procedure, a list of all persons who are retiring
be submitted to the Board of Regents, together with recom-
mendations for emeritus status.

8. Student Fees

President Armstrong recommended adoption of the following
fee changes effective with the Fall semester, 1960, as
recommended by the Ad Hoc Fee Study Committee:

Motion by Mr. Broadbent, seconded by Mr. Arnold, carried unanimously that the above fee schedule be adopted.
President Armstrong presented, with his recommendation for approval, the recommendation of the Ad Hoc Fee Study Committee regarding waiver of the Graduate Consolidated Fee as follows:

"Upon motion by Dean Holstine, seconded by Mr. Kersey, the Committee, in a vote of 5 in favor, 1 opposed, recommended that the consideration be given to the possibility of a plan for waiving the consolidated fees for a limited number of graduate students to encourage well-qualified graduates to continue their studies."

President Armstrong recommended that the Board authorize the establishment of a limited number of Regents' Graduate Study Awards, not to exceed eighteen, to be available only to qualified Nevada residents, in accord with the recommendation of the Fee Study Committee.

Motion by Mr. Arnold, seconded by Dr. Anderson, carried unanimously that not to exceed eighteen Regents' Graduate Study Awards for qualified Nevada residents only, be established, effective with the Fall semester, 1960, in which
graduate consolidate fees would be waived for recipients.

10. **Insurance Committee**

President Armstrong distributed copies of a memorandum from the Insurance Committee of the University Council, under the Chairmanship of Dean Weems, on Insurance Needs of the University Staff, which covered the State Retirement Plan; Old Age and Survivors Insurance; Health, Accident and Hospitalization Insurance; Major Medical or Catastrophe Insurance; and Group Life Insurance. The Committee requested that an adequate amount be set aside in the University Budget at the earliest possible time for participation in the Health, Accident and Hospitalization Insurance; the Major Medical or Catastrophe Insurance; and Group Insurance.

The Regents' Committee on Insurance, headed by Mr. Crumley, has been studying insurance plans and collecting information as to the cost of different packages and types of insurance.

President Armstrong suggested that the report and recommendations of the Council Insurance Committee be referred to the Regents' Committee for information and further study.

There being no objection, the Chairman so ordered.
The meeting recessed at 12:00 noon for luncheon.

The recessed meeting was called to order at 1:30 P.M. by the Chairman with all present who were at the morning session.

11. Distinguished Nevadan Awards

One additional name, that of Harry G. Cazier of Elko County, was submitted by a local citizen through Mr. Grant and was referred to the Regents' Committee on Distinguished Nevadan Awards. The Regents' Committee recommended that consideration of the award be postponed for this year in view of the fact that the list already approved totals six, two of whom are cattlemen and one from Elko County.

Motion by Dr. Anderson, seconded by Mr. Arnold, carried unanimously that no action on a Distinguished Nevadan Award for Mr. Cazier be taken at this time.

12. General Electric Company Proposal

Dr. Armstrong reported that a meeting was held at the University on March 31 to discuss the proposal of General Electric Company. Present at the meeting were Dr. Lombardi,
Chairman, Dr. Anderson and Mr. Arnold, members of Regents' Committee; representatives of the Chamber of Commerce, representatives of the State Highway Department, Col. Yaden, consultant to General Electric, and others. In the absence of Dr. Lombardi at this Regents' meeting, Mr. Arnold reported that the situation remains as it was at the last meeting, that the University cannot provide funds to carry the program. The University is interested in providing the research facilities, however, because it could get answers to many questions which would be helpful in the development of the University. Mr. Arnold proposed that the President write a letter to the Reno Chamber of Commerce expressing the views and position of the University.

Motion by Mr. Arnold, seconded by Mr. Broadbent, carried unanimously that the President write a letter to the Reno Chamber of Commerce indicating that the University is interested in the project but cannot provide the necessary financial resources, and suggesting that the Chamber of Commerce undertake to raise the funds from interested agencies.

13. Ladino Dairy Sale
Mr. Hayden reported that he had worked with Mr. Crumley in preparing the ad for sale of the Ladino Dairy Farm and, as agreed, had included the statement that each bidder would be permitted to raise his bid by progressive amounts of a minimum of 5%. Mr. Porter said that since the notice has already appeared in the Los Angeles Times, San Francisco Examiner, Pacific Coast edition of the Wall Street Journal, and the Nevada State Journal, it should not now be altered. The Regents agreed to proceed with the bids on this basis.

The bid opening has been scheduled for 10:00 A.M. on Wednesday, April 20, and the auction for 2:00 P.M. on the same day.

14. Salary Budget

President Armstrong reported. The University requested an appropriation for the fiscal year of $4,706,667, or an increase of 27.8% over the current year. The Governor cut that amount by $980,000 and the budget went to the Legislature in that form. The Legislature restored $380,000 of the amount cut by the Governor and passed the bill appropriating $4,106,667. In meeting with the Deans and other Administrators, a formula was agreed on as follows: that all of the present positions with salary increases would be protected;
that 75% of all new positions, 10% increase in the operating funds over current funds, 10% increase in travel funds, and 50% of the requested amounts for equipment would be available. Mr. Hayden prepared for each budget area a summary following the formula and each Dean was given an opportunity to work flexibly within that framework. Certain adjustments were made in budget areas where necessary. Dr. Armstrong then distributed the salary budget listing all positions with present and proposed salaries. The lists were discussed and it was the consensus that more time should be given by the Regents in study of the salary items before action is taken. Dr. Armstrong asked for early action by the Regents so that contracts might be issued as soon as possible, and also asked that there be no delay in filling new positions and replacements for vacant positions.

Motion by Mr. Crumley, seconded by Dr. Anderson, carried unanimously that the Chair appoint a committee of three Regents who shall be authorized to study and act on the salary recommendations, and to consider and act upon any other matters pertaining to salaries; that a sub-committee of three Regents be appointed to study the salary recommendations for the Las Vegas staff and make recommendations concerning them; and that Dr. Armstrong be authorized to
proceed with the filling of the new positions and replace-
ments for vacant positions.

Chairman Grant appointed as the committee to study and act
on salaries:

   Mr. Crumley - Chairman
   Mr. Tyson
   Dr. Anderson

Chairman Grant appointed as the sub-committee to consider
salaries for the Las Vegas staff:

   Mr. Elwell - Chairman
   Mr. Germain
   Mr. Grant

15. Dedication of Grant Hall

   Mr. Germain suggested that, at the meeting of the Board in
Las Vegas on May 7, suitable ceremonies of dedication of
Archie C. Grant Hall be held as part of that meeting.

   Motion by Mr. Germain, seconded by Mr. Arnold, carried
unanimously that the Regents hold dedication exercises for
Grant Hall in conjunction with the meeting of the Regents
on May 7.

16. Colorado River Property

Mr. Germain invited the Regents to make a trip on Sunday,
May 8, to see the property which he proposed to try to
secure for the University. The Regents agreed and Mr.
Germain offered to make the arrangements.

17. Swimming Pool, Las Vegas

Mr. Germain reported. The Paradise Valley Township wants
to put in a swimming pool and approached the School Board
about placing it on the grounds of the Elementary School.
The School Board had not granted the request, and prelimin-
ary advances have been made to the Las Vegas Regents to put
it on the Campus of Nevada Southern. The matter was dis-
cussed and it was agreed that the proposal should be care-
fully checked as to upkeep of the pool, supervision and
control of the pool, liability, etc. There being no ob-
jection, Chairman Grant asked the Las Vegas members of the
Board to discuss the proposal with the Paradise Valley group
and report back to the Board.

18. Whittell Property

Dr. Anderson, who had been instructed to receive suggestions for names for the Whittell property, reported that no suggestions had been sent to him.

Motion by Dr. Anderson, seconded by Mr. Elwell, carried unanimously that the Whittell property be named "The George Whittell Forest and Wildlife Area".

19. Statewide Program, Ely

Dr. Armstrong discussed plans for a Director of off-campus programs to be stationed in Ely. Dr. Wood and Dr. Drury will work closely with Mr. Broadbent to make necessary arrangements for establishing this office and program in the Ely area.

20. Salary Projection Chart

Dr. Armstrong read from the minutes of the Academic Committee of March 15, 1960 as follows: "The Chairman distribut-
ed for information a salary projection chart showing what
salary pattern would be in effect if the range were extended
from step 18 to step 25. He requested that the Deans study
possibility of increasing the base for the salary pattern
by $10 per month, effective July 1, 1961. The salary pat-
ttern is now in its third year of application, and this is
the time to consider its improvement." President Armstrong
suggested that each of the Regents study the proposal and
that the Special Committee on Salaries give more thought to
it for report at a later meeting, so that if it is accepted
the budget for 1960-61 could be made on that basis. This
procedure was approved by information agreement.

21. Health Facility, Student Union

President Armstrong reported. In view of the fact that the
Legislature did not appropriate funds to match the later be-
quest from the estate of Jot Travis, the University must now
decide whether or not to postpone addition to the Student
Union which would have provided a Health Facility for the
students. The question was raised as to whether or not the
original legislation for matching funds covered also later
grants, and Mr. Porter was of the opinion that it did not.
He offered to check to see what means the University should
take in regard to securing matching funds for the Travis money. The Regents agreed that the Student Union Addition and Health Facility would be high on our priority list for next year.

Motion by Dr. Anderson, seconded by Mr. Arnold, carried unanimously that as a matter of policy the Student Union Addition and Health Facility be placed at or near the top of the list of capital improvements and that the next Legislature be asked for matching funds.

The Regents agreed that it would be well for the State Planning Board to know of the action of the Regents and to ask the Planning Board to cooperate with the Regents in preparing a design to be ready if and when matching funds are available. Dr. Anderson offered to have the Regents' Building Committee present the matter to the Planning Board, and the other Regents agreed.

22. Sabbatical Leaves

Mr. Porter advised that the University of Nevada may grant Sabbatical Leaves and use University funds to finance them. No provision however was made in this year's budget for a
Sabbatical Leave Program. Dr. Armstrong explained a means of putting in a limited Sabbatical Leave Program by having department members assume part of the load of the member on leave, and using part of the individual's salary to employ part time help. This would work an inequity on small departments which could not readily absorb the teaching load.

The matter was discussed by the Regents.

Motion by Mr. Germain, seconded by Mr. Elwell, carried unanimously that the University not implement the program of Sabbatical Leaves until funds are available to finance it adequately and equitably.

23. American Legion Trophy

President Armstrong read a letter from the Commander of the American Legion, Darrell Dunkle Post No. 1, which stated that the Post wishes to sponsor an annual trophy to be presented to the outgoing Captain of the Sierra Guardsmen during the Governor's Day Ceremonies held each year. The letter stated it is the hope that the trophy will stimulate interest in the Sierra Guardsmen within the scope of the University of Nevada ROTC Program.
Motion by Mr. Broadbent, seconded by Mr. Elwell, carried unanimously that the offer to present an annual trophy be accepted.

24. Student Parking

President Armstrong discussed a newspaper article which appeared in the Nevada State Journal of March 26, 1960 stating: "University of Nevada students are parking in graveyards, over the graves, on the sidewalks, in private driveways and on people's grass as there is very little parking area available, since buildings on the Campus have taken over the former parking area. The Traffic Safety Council recommended to the Reno City Council that it contact the University of Nevada Regents and ask them to provide off street parking for the University students." On March 31, President Armstrong wrote to the President of the Traffic Safety Council, sending a copy to Mayor Baker, explaining that there are ample parking facilities on the Campus and that, if the students are parking elsewhere, it is because they choose to do so and not because they are forced to do so. In the Nevada State Journal of April 2, another article appeared stating that the Reno City Council had voted a resolution requesting the Board of Regents to provide off
street parking.

Motion by Dr. Anderson, seconded by Mr. Arnold, carried unanimously that the President be authorized to notify the City Council of the University's position and previous action in providing enlarged parking facilities.

25. Wood Resolution

Mr. Porter read the resolution he had prepared concerning Dr. William R. Wood, as follows:

RESOLUTION NO. 60-3

WHEREAS, Dr. William Ransom Wood, Academic Vice-President of the University of Nevada, has received notice of his election and designation to the Office of President of the University of Alaska, effective as of July, 1960; and

WHEREAS, Dr. William Ransom Wood, Academic Vice-President of the University of Nevada, has indicated his acceptance of such designation and appointment to the Office of President of the University of Alaska, as an advancement in position and a challenging opportunity for greater personal
service in the field of University education which he feels compelled to accept; and

WHEREAS, the Board of Regents of the University of Nevada desires, in some manner, officially to take cognizance of, and fittingly note, the very substantial and most important services and contributions performed and rendered by Dr. Wood in the field of education, by reason of his connection and association with the University of Nevada, both to said University and to the State of Nevada.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The Board of Regents, University of Nevada, on behalf of itself, the Administration of the University of Nevada, and the State of Nevada, hereby officially thanks and expresses appreciation to Dr. William Ransom Wood for the many, varied, and extensive and important services and contributions performed and rendered by him in the promotion and advancement of education at the University of Nevada and to the benefit of the people of the State of Nevada.

2. The Board of Regents, University of Nevada, herewith
officially desires to wish Dr. William Ransom Wood

all possible happiness and success in the position

of President of the University of Alaska, and in

the new, additional and challenging opportunity

therein available to him for utilization of his know-

ledge and experience for further promotion and ad-

vancement of University education.

3. The Board of Regents and the Administration of the

University of Nevada regret the loss and benefit of

Dr. Wood's said knowledge and experience to the

University and State of Nevada by reason of his

acceptance of the appointment to the Office of

President, University of Alaska; however, they

recognize and consider the election and designation

of Dr. Wood to said position not only a signal honor

and credit conferred upon him personally, but also

derivatively reflection of great honor and credit

upon the University of Nevada for the caliber and

qualifications of its faculty personnel, and great

honor and credit to the State of Nevada.

4. The Board of Regents, University of Nevada, highly

commends and congratulates the Board of Regents of
the University of Alaska for their excellent and happy choice, election and designation of Dr. William Ransom Wood as President of the University of Alaska, deemed as eminently qualified and equipped therefor.

AND, BE IT FURTHER RESOLVED AS FOLLOWS: That this Resolution be made a matter of record in the official minutes of this Board of Regents of the University of Nevada; and that copies of same, signed on its behalf by the Chairman of the Board, and, on behalf of the Administration, by the President of the University of Nevada, be transmitted and furnished to the Board of Regents of the University of Alaska and to Dr. Wood, in testimony of their appreciation of the qualifications of Dr. William Ransom Wood, and the important and substantial services and contributions performed and rendered by him in the promotion and advancement of education at the University of Nevada and in the State of Nevada.

Motion duly made, seconded, and the foregoing Resolution unanimously adopted by the Board of Regents, University of Nevada, this 2nd day of April, 1960, in official meeting held in the City of Ely, Nevada.
Motion by Mr. Arnold, seconded by Mr. Elwell, carried unanimously that the resolution be adopted.

The meeting adjourned at 3:25 P.M.
The next meeting will be held in Las Vegas on Saturday, May 7, 1960.
