5. Building Committee Meeting

Dr. Anderson read and discussed the minutes of the meeting
of the Building Committee held on Friday, October 5, 1962,
as follows:

The Board of Regents’ Building Committee met in room 205,
Morrill Hall, at 3:00 P.M., on October 5, 1962. Present:

Regents Anderson, Germain, Grant, Lombardi, Magee; President Armstrong, Vice President Young, Business Manager
Humphrey, University Engineer Rogers; Mr. Hancock, Mr.
Empey, Mr. Isbell, Mr. Sandorf of the State Planning Board;
Mr. Rodgers, Mr. Kirkpatrick, Mr. Hurley of Skidmore, Owings
& Merrill.

Reno Master Plan

Dr. Lombardi, Acting Chairman, asked Mr. Rodgers, of Skid-
more, Owings & Merrill, to present the latest submittal on
the Reno Campus Master Plan. Mr. Rodgers explained the or-
ganic sketch for 7000 FTE. Dr. Anderson (who arrived and assumed the Chairmanship) asked Dr. Young to report on University staff recommendations. Dr. Young stated that various Department Chairmen and Deans had reviewed the plan and were satisfied, and that the Campus Development Committee had approved the plan (subject only to possible site relocations for Education and Nursing facilities). Mr. Rogers said that, as his Office carries out detailed planning for any facility, there might be necessary changes as to size, siting, or orientation; however, with this qualification, the Plan was acceptable to him. Questions were raised concerning:

1. the use of University land for fraternities and sororities
2. the grading of the north end of the Campus
3. the level of the parking lot
4. the location of the Education facility
5. traffic patterns and parking needs
Motion by Dr. Lombardi, seconded by Mr. Germain, that the Plan for 7000 FTE be approved, with the understanding that the sites for Education and Nursing be given further study.

Motion passed. To be recommended to the Board of Regents.

Las Vegas Master Plan

Mr. Rodgers explained the Las Vegas Campus Master Plan, presenting the organic sketch for 1700 FTE. Dr. Young reported that the Plan had not been reviewed in its present form by Dean Carlson or the Campus Development Committee at Nevada Southern. Questions were raised concerning:

(1) the location of the first Dormitory

(2) the Dining facility

(3) the planning of the Fine Arts Complex

(4) cost projections

Motion by Mr. Germain, seconded by Dr. Lombardi, that the Plan for 1700 FTE be approved, including the minor changes outlined by Mr. Rodgers, and contingent upon approval by
the Nevada Southern Campus Development Committee. Motion passed. To be recommended to the Board of Regents.

Main Station Farm

Dr. Armstrong recommended a six-year financing program for the further development of the Main Station Farm, utilizing funds from the sale of the Ladino Dairy and agricultural sales income up through the close of the fiscal year.

Motion by Mr. Germain, seconded by Dr. Lombardi, that all remaining and future proceeds from the sale of the Ladino Dairy be devoted to the program in Agriculture. Motion passed. To be recommended to the Board of Regents.

Motion by Dr. Lombardi, seconded by Mr. Germain, that the Committee approve the proposed six-year program for the development of the Main Station Farm, utilizing anticipated revenues from the sale of the Ladino Dairy, as indicated above, the Main Station Farm sales, and Agricultural Experiment Station sales, as projected in the 1962-63 estimative budgets. Motion passed. To be recommended to the Board of Regents.
Student Housing Policy

Dr. Armstrong presented recommendations from the Office of Student Affairs, relative to policies on student housing.

The recommendations were as follows:

a. Artemisia Hall be discontinued as a residence hall as soon as feasible due to age, structural condition, and increased maintenance costs.

b. Lincoln Hall be utilized for housing graduate students, foreign students, and single members of the University staff.

c. All unmarried, undergraduate students under 21 years of age and not living with their parents or guardians be required to reside in University-approved residences (as soon as housing is available).

d. Each fraternity be required to have a housemother or Graduate Assistant as a requirement for an approved University residence, to become effective 1964-65.
Motion by Mr. Germain, seconded by Dr. Lombardi, that recommendations Nos. c and d be approved. Motion passed. To be recommended to the Board of Regents.

Questa Property

Dr. Armstrong reported that the University had been unable to sell the Questa residence. The President asked for authorization to lease the property if a sale cannot be consummated.

Motion by Mr. Germain, seconded by Dr. Lombardi, that such authorization be given. Motion passed. To be recommended to the Board of Regents.

Announcement

Dr. Armstrong reported that the State Planning Board will meet at 2:30 P.M., on October 20, 1962, to review the capital outlay request of the University.

Easement

Mr. Rogers reported that Sierra Pacific Power Company and
Bell Telephone Company had requested an easement for service lines to serve the Atmospherium. Approval was recommended by the President.

Motion by Mr. Germain, seconded by Dr. Lombardi, that the request be approved. Motion passed. To be recommended to the Board of Regents.

Frequency Generator

Mr. Rogers asked approval to purchase from Simplex Time Recorder Company a frequency generator at a cost of approximately $7000.

Motion by Dr. Lombardi, seconded by Mr. Germain, that the Secretary be instructed to write a letter to the State Planning Board, indicating the Committee's approval of this purchase. Motion passed. To be recommended to the Board of Regents.

Respectfully submitted,

Kenneth Young
Acting Secretary
Motion by Dr. Anderson, seconded by Dr. Lombardi, carried unanimously that the recommendation of the Building Committee to plan for 7000 FTE (full time equivalency) for the Reno Campus; with the understanding that the sites for Education and Nursing be given further study, be approved, in order that Skidmore, Owings & Merrill may proceed with the Master Plan study.

Motion by Dr. Anderson, seconded by Mr. Germain, carried unanimously that the recommendation of the Building Committee to approve the Plan for 1700 FTE for the Southern Regional Division, contingent upon approval by the Campus Development Committee of the Southern Regional Division, be approved.

Motion by Dr. Anderson, seconded by Dr. Lombardi, carried unanimously by roll call vote that the recommendation of the Building Committee be approved that all remaining and future proceeds from the sale of the Ladino Dairy be devoted to the program in Agriculture.

Motion by Dr. Anderson, seconded by Dr. Lombardi, carried unanimously by roll call vote that the recommendation of
the Building Committee be accepted to approve the proposed
six-year program for development of the Main Station Farm,
utilizing anticipated revenues from the sale of the Ladino
Dairy as indicated above, the Main Station Farm sales and
Agricultural Experiment Station sales as projected in the
1962-63 estimative budgets.

Motion by Mr. Germain, seconded by Mr. Elwell, carried
unanimously to approve the recommendation of the Building
Committee regarding student housing policy that, for both
Campuses:

a) All unmarried undergraduate students under 21 years
   of age and not living with their parents or guardians
   be required to reside in University approved
   residences (as soon as housing is available).

b) Each fraternity be required to have a housemother
   or Graduate Assistant as a requirement for an ap-
   proved University residence, to become effective
   1964-65.

Motion by Dr. Anderson, seconded by Mr. Elwell, carried
unanimously that the President be authorized to lease the
Questa property, as recommended by the Building Committee.

Motion by Dr. Anderson, seconded by Mr. Germain, carried unanimously that the easement requested by the Sierra Pacific Power Company and by Bell Telephone Company be granted.

Motion by Dr. Anderson, seconded by Dr. Lombardi, carried unanimously that the State Planning Board be authorized to purchase a frequency generator from Simplex Time Recorder Company at a cost of approximately $7000 as recommended by the Building Committee.

6. Sorority and Fraternity Housing

The proposal of Skidmore, Owings & Merrill to place all of the sorority and fraternity living groups in one complex on the Campus was discussed. Mr. Germain suggested that before final decision is reached, the student groups be informed and asked for an expression of opinion. There was general agreement.

Motion by Dr. Anderson, seconded by Mr. Elwell, carried unanimously that a survey and study be made:
(a) To find out what other Universities and Colleges of the same approximate size are doing along this line and whether or not the plan is satisfactory.

(b) To discuss the matter with the fraternities and sororities and alumni members to determine their interest and need.

(c) To ascertain the kind of control and the degree of control which would need to be exercised by the University over the sororities and fraternities.

(d) To include staff work in the study.

(e) To apply the study to both Campuses.

(f) To have the report ready for the meeting of the Board on November 30.

7. Building Program, Progress Report

Mr. Rogers reported as follows:

8. Bids, Revenue Bond Certificates

As duly advertised in bid notice, at 10:00 A.M. bids for purchase of revenue bond certificates, authorized in Resolution No. 62-4, were opened by Mr. Humphrey as follows:

(1) The Housing and Home Finance Agency bid as follows:

"The Government bids par plus accrued interest at the rate of three and one-eights per centum (3 1/8%) per annum for the entire issue, or for any block or combination of blocks of the Series (sic.) A Certificates and two and seven-eights per centum (2 7/8%) per annum for the entire issue, or for any block or combination of blocks of the Series B Certificates as advertised."

(2) Hanifen, Imhoff and Samford, Inc., Investment Bankers of Denver, Colorado, bid as follows: "For the bonds being in the denomination of $1000, each maturing serially and bearing interest rates as set forth below, we will pay you $235,000 and accrued interest from the date of issuance to date of delivery to us
and a premium of $2.65.

"It is hereby represented that the gross interest cost computed upon the above specified rates from April 1, 1959, will be $52,187.50 and that the net interest cost deducting premiums will be $52,184.85 (NER 3.12%).".

The bids were referred to Mr. Humphrey and Mr. Porter for study and advisement. Following the study, Mr. Humphrey proposed, with the concurrence of Mr. Porter, that the bid of Hanifen, Imhoff and Samford of Denver, Colorado, for two blocks of bonds valued at $235,000 at 3 1/8% interest; $395,000 to the Federal Housing Finance Agency at the same rate of interest; and $1,382,000 to HHFA at 2 7/8% interest
be accepted, subject to approval by Dawson, Nagel, Sherman
and Howard and the First National Bank of Nevada.

Motion by Dr. Lombardi, seconded by Mr. Broadbent, carried
unanimously by roll call vote that the bids be accepted,
subject to certification by Dawson, Nagel, Sherman and
Howard and the First National Bank of Nevada.

9. Investment Committee

President Armstrong read the minutes of the meeting of the
Investment Committee as follows:

INVESTMENT COMMITTEE OF THE BOARD OF REGENTS

Minutes of Meeting of August 28, 1962

The Committee met at 12:15 P.M. at the Holiday Hotel. Present were: Board member Procter R. Hug, Jr.; Public member Julius Bergen; Ex Officio members President Charles J. Armstrong and Business Manager Neil D. Humphrey. Absent was Board member Dr. Louis Lombardi. Representing the First National Bank Trust Department were Mr. R. O. Kwapi, Vice President and Senior Trust Officer, and Mr. J. C. Troyer, Trust Officer.
The Committee reviewed a revised copy of suggested portfolio changes sent to each member on August 24, 1962, by Mr. Troyer. The suggested changes (copy attached to file copy of these minutes) totaled $836,738.63 of redemptions and sales and $834,985.00 of purchases. After review of questions the Committee agreed unanimously to authorize the Trust Department to make the changes recommended by Mr. Troyer.

Mr. Humphrey noted that the minutes of August 21, 1962 state that the total income to the agency account from Clay-Peters Building, Inc., was $1800, but this is in error. He noted that the agency received $1800 annually in dividends and $600 annually paid to Mr. Kwapił as salary which he deposits to the agency account.

Meeting adjourned at 1:30 P.M.

Respectfully submitted,

Neil D. Humphrey
Acting Secretary
President Armstrong reported that, following the meeting,
on the recommendation of the Regent members of the Invest-
ment Committee, and with the concurrence of Mr. Grant, Mr.
E. L. Cord was appointed to replace Mr. E. J. Questa as a
member of the Committee.

Motion by Mr. Elwell, seconded by Mr. Grmain, carried unani-
mosly that the minutes of the meeting of the Investment
Committee be accepted and that the appointment of Mr. Cord
be ratified.

10. Main Station Farm

Dr. Anderson referred to the proposal for the Main Station
Farm and discussed the Building Committee's action, explain-
ing that it was not clear in his mind that the Building Com-
mittee had approved the plan. Dr. Armstrong reviewed the 2
documents which had previously been mailed to the Regents,
namely, "Development and Use of the Main Station Field
Laboratory for Research, Instruction and Extension in Agri-
culture", dated February 15, 1962, and "Supplement to the
Report of the Main Station Field Laboratory Development
Committee". He pointed out that included in the report
is the proposed budget for development of the Main Station
Farm, with estimated costs and suggested sources for financial support. Dr. Young, Mr. Humphrey and Mr. Rogers had reviewed the report and submitted joint approval. The report had proposed an arrangement involving legislative action, and this was the proposal discussed at the Building Committee meeting, but was not accepted, nor was it recommended by the President. The method of financing, as adopted, was tied to the acceptance of the six-year plan.

Motion by Mrs. Magee, seconded by Dr. Anderson, carried unanimously by roll call vote, that the six-year program for improvement of the Main Station Farm, as presented in the above mentioned documents, be approved, with the deletion of the legislative program, and with funding through the method here adopted.

Health Service - $16,100 for research on "Steroidal Influence on Pituitary Gonatrophic Levels" under the direction of Dr. Darrell Foote, Department of Animal Husbandry.

From Shell Chemical Company, a division of Shell Oil Company - $6830 for research to determine the efficiency of various amounts of Viatol as an addition to usual feedlot rations for fattening beef cattle, under the direction of the Department of Animal Science.

From the National Science Foundation, Washington, D. C. - $5600 as an additional grant for support of an "Undergraduate Science Education Program" under the direction of Dr. Kenneth Kemp, Department of Chemistry.

Prizes

President Armstrong presented a proposal by Mr. Arthur E. Orvis to provide prizes for regular members of the football squad who excel in their studies during the present academic year - a $500 E Bond for 1st place, a $200 E Bond for 2nd place, and three $100 E bonds for 3rd, 4th and 5th places.

The awards will be made by the University Scholarship Committee in consultation with the Director of Athletics and
the Coach of the football squad. In order to qualify, students must have been regular and faithful members of the football squad during the current year, although not necessarily members of the first team. The awards will then be made by the Scholarship Committee to those members of the football squad so qualified who have the highest academic average among the entire membership of the squad for the current academic year.

Motion by Dr. Lombardi, seconded by Mr. Germain, carried unanimously that the gifts, including the proposal by Mr. Orvis, be accepted, with appropriate notes of thanks to be sent to the donors.

Motion by Mr. Germain, seconded by Dr. Lombardi, carried unanimously that the personnel recommendations be approved.

There was some discussion as to the ethics and legal aspects of breaking a signed contract of employment with the University. President Armstrong reported that the University Council is appointing a committee to study the problem.

13. Weld Arnold Resolution

The Regents took note of the death of Weld Arnold, and adopted the following Resolution upon motion by Mr. Elwell, seconded by Mr. Broadbent, and unanimous vote:

RESOLUTION NO. 62-5

RESOLUTION IN MEMORY OF WELD ARNOLD

We, the members of the Board of Regents of the University of Nevada, hereby take note, with a profound sense of grief and
loss, of the passing on October 5, 1962, of our respected
colleague and valued personal friend, Weld Arnold.

Regent Arnold was elected a member of this body for a two
year term beginning on January 1, 1959, and subsequently,
on June 20, 1961, he was appointed by Governor Grant Sawyer
to fill a vacant position on the Board. He served continu­
ously thereafter until his death.

Weld Arnold's interest in the University far antedates this
period of service as a Regent, however. During two academic
years, those of 1947-48 and 1948-49, he held appointment as
Lecturer in Civil Engineering in the College of Engineering
of the University of Nevada. Previously he had taught for
the American Geographical Society of New York, the Institute
of Geographical Exploration in Cambridge, Massachusetts, and
the Royal Geographical Society of London, England. He held
the baccalaureate degree from Harvard University and the
Royal Diploma from the Royal Geographical Society of
England.

His academic background and experience made him a devoted
friend and staunch supporter of the University of Nevada
from the time of his first association with us, and his
loss will be felt keenly by all in the University.

As a member of this Board, Weld Arnold served on a number of its committees, including the Building Committee, the Legislative Committee, the Code and Salary Committee; and was Chairman of the Committee on Honorary Degress and Distinguished Nevadan Awards.

His unselfish devotion to the best interests and welfare of the University, and his conscientious participation in all of the responsibilities of the Board of Regents and of its committees, were truly outstanding.

To Mrs. Arnold and the members of his family we extend our most heartfelt sympathy, and the hope that they may be comforted and strengthened by the knowledge that Weld Arnold served the University and the State of Nevada faithfully and well.

14. Elko Trip

President Armstrong reported that arrangements have been made for the Building Committee, and other Regents who can attend, to go to Elko for discussion of a proposed Junior
College there. Mrs. Magee invited all those who make the trip, and their wives, to a dinner on Friday, November 9, at 6:30 P.M. at the Star Restaurant, Elko. Other guests will also be invited to the dinner.

15. Cornerstone Ceremony, Las Vegas Library Building

President Armstrong reported that the Grand Lodge of Masons had accepted the invitation to lay the cornerstone for the Library Building on the Las Vegas Campus, at 4:30 P.M. on Friday, November 30, following the meeting of the Board of Regents, which will begin at 9:00 A.M. on that date.

16. Executive Session

The Board went into Executive Session at 11:00 A.M. to discuss certain specific personnel matters, and returned to open session at 11:25 P.M.

17. Dining and Housing Facilities, Las Vegas

Mr. Rogers discussed a report on housing needs from Assistant Dean Dan Mc Laughlin of Nevada Southern, which was received after the capital improvement program for 1963-65
had been developed and approved by the Board of Regents.

The report shows that housing should be planned for 133 persons rather than 90 persons. He suggested that the housing and dining project budget be revised to include the additional needs and that the Planning Board be notified of the revised budget for this project. Dr. Armstrong recommended the request be approved.

Motion by Mr. Germain, seconded by Mr. Elwell, carried unanimously that the Administration be authorized to increase project budget in accord with the new figures above.

18. Next Meeting

The next meeting was set for Friday, November 30, 1962 in Las Vegas, Nevada, followed by the cornerstone ceremony for the new Library building at 4:30 P.M.

The meeting adjourned at 11:30 A.M.
