BOARD OF REGENTS

UNIVERSITY OF NEVADA SYSTEM

June 6, 1969

The Board of Regents met on the above date in the Donald C.
Moyer Campus Student Union, University of Nevada, Las Vegas.

Members present: Fred M. Anderson, M. D.

Thomas G. Bell

James H. Bilbray

Archie C. Grant

Procter Hug, Jr.

Harold Jacobsen

Mrs. Molly Knudtsen

R. J. Ronzone (for a portion of the meeting)

Albert Seeliger

Dr. Juanita White
Members absent: Louis Lombardi, M. D.

Others present: Chancellor Neil D. Humphrey

President N. Edd Miller, UNR

President R. J. Zom, UNLV

Acting Director Joseph Warburton, DRI

Mr. Daniel Walsh, Chief Deputy Attorney General

Mr. Edward L. Pine, Business Manager, UNR

Mr. Herman Westfall, Business Manager, UNLV

Mr. Edward Olsen, Director of Information, UNR

Mr. Mark Hughes, Director of Information, UNLV

Dr. Robert Boord, Chairman, UNLV Faculty Senate

Dr. Gary Peltier, Chairman, UNR Faculty Senate

Mr. John Cevette, CSUN President

Mr. James Hardesty, ASUN President

1. Approval of Minutes of Previous Meeting

The minutes of the regular meeting of May 9, 1969 were submitted for approval.

Mr. Jacobsen referred to Item #14 and asked that the record show that he had requested that, in view of the world situation, a study be made of offering Russian and Chinese lan-
guages at both Universities.

Motion by Mr. Grant, seconded by Mrs. Knudtsen, carried

without dissent that the minutes be approved as submitted

with the addition of the above remarks.

2. Acceptance of Gifts

President Miller presented the following gifts and grants

received by UNR:

Library

American Right of Way Association, Carson City - book ent-
titled "Selected Readings in Right of Way".

Dr. Fred Anderson, Reno - 322 books and a number of journals

from the library of Dr. Kerman.

Dean James T. Anderson, Reno - book entitled "From Sea to

Shining Sea".

Mr. and Mrs. F. H. Bonnefant, Reno - 35 books.
Mrs. Marie King Carricker, 2125 Tice Creek Drive, Walnut Creek, California - Master's Thesis, "Nevada's Civil War Debt Claim: Origin, Justification, and Reimbursement, 1861-1929". University of California, 1932.

Mr. Clarence E. Hartman, Reno - 2 volumes of the writings of the Marquis de Sade.

Mr. Harold Jacobsen, Carson City - $5 in memory of Simone Lompa.

Dr. Harold Kirkpatrick, Reno - copy of the "Birth of Czechoslovakia".

Dr. L. E. Lombardi, Reno - $20 in memory of Dr. Earl Creveling and Mr. Douglas Busey.

Mrs. Jules Magnette, Reno - French books.

Mr. William A. Mc Neill, Reno - 19 books and a number of periodicals.

Miss Reigelhuth (no address) - book entitled "The German Language".

Dean Vernon Scheid, Reno - 2 books in Russian.

Mackay School of Mines

Humble Oil and Refining Company, Denver, Colorado - $1000 for purchase of microscope equipment for use in Microscopy Lab.

Mr. Keith Papke, Sparks - leached outcrop specimens from Arizona, New Mexico and Mexico.

Union Carbide Exploraton Corporation, Grand Junction, Colorado - $200 for purchase of microscope equipment for use in Microscopy Lab.

Viola Vestal Coulter Foundation, Denver, Colorado - $400
scholarship to student in School of Mines.

Contributions presented to Mackay School of Mines Library in Memory of William S. Eddelman:

Adams, Reed and Bowen, Reno - $10

Amity Regional Senior High School, Woodbrige, Connecticut - $5

Mr. and Mrs. Fred Bartlett, Reno - $10

Professor John N. Butler, Reno - $5

Mr. and Mrs. Procter Hug, Sr., Reno - $5

Misses Lena & Sylvia Jacobs, Reno - $2.50

Reno Executives Club, Reno - $5

Mrs. Elizabeth M. Richardson, Oakland, California - $10

Mr. and Mrs. Edwin F. Whitehead, Sparks - $5

Mr. Earl Wooster, Reno - $10

Journalism Department

Anonymous - $150

Crown Zellerback Foundation, San Francisco, California - $500 single year scholarship grant to an outstanding upper division student in Journalism.
Nevada State Press Association, Reno - $250 annual scholarship award.

Dr. and Mrs. Frank V. Rueckl, Reno - printing press and miscellaneous equipment for Typography Lab.

Reno Advertising Club, Reno - $4000 scholarship and equipment for Journalism Department.

Military Science Department

Dr. Albert J. De Mers, Sparks - $100 ROTC scholarship to be awarded to a student in Military Science.

Nevada State Medical Association, Reno - $100 ROTC scholarship awarded this year to Dennis M. Ihara as an outstanding student who is taking Pre-Med work.

Colonel Charles E. Rudy, Reno - $125 scholarship in memory of Paul Charles Rudy.
City of Sparks - $100 ROTC scholarship awarded to Eugene M. Hattori, student in Military Science.

Veterans of Foreign Wars, Sparks - $150 ROTC scholarship awarded to a student in the Military Science Department.

Miscellaneous

Allied Chemical Corporation, Kalamazoo, Michigan - $400 to support the chemical weed control program under the direction of Mr. Tom Reeve at the Southern Nevada Field Lab., Logandale.

American Medical Association, Chicago, Illinois - $80 to the School of Medical Sciences.

Commonwealth Fund, New York, New York - $202,425 for the establishment of a new School of Medicine on the Reno Campus.

Admiral James Fife, Stonington, Connecticut - $500 deposited in President's Discretionary Fund.

Dr. Cyrus O. Guss, Reno - $10 to Sears-Leifson Fund in

...
memory of Mrs. Norma Kliwer.

Texas Instruments Foundation, Dallas, Texas - 1969 grant of solid state items including transistors, diodes, resistors, capacitors and integrated circuits. The value of this gift exceeds $4500.

Western Electric Company, Sunnyvale, California - a logic training aid.

Wilbur May Foundation, Beverly Hills, California - $20,000 - 2 10-month fiscal years (69-70 and 70-71) teaching salary to be paid to Edgar Fox Kleiner in Plant Ecology and Air Pollution.

Scholarships

Alliance Francaise de Nevada, Reno - $175 scholarship stipends - $75 for Miss Frankie Mitchell and $100 for Miss Janet Winston.

Mr. George R. Campbell, Palos Verdes Estates, California - $1250 scholarship in memory of Scott Campbell.
International Business Machines, Armonk, New York - $100 cost of Education Grant given because of the attendance in 1968-69 of David R. Myers.

Mrs. Doris Knapp, Quincy, Washington - $10 to the John William Kenney, Jr. Memorial Scholarship Fund.

Mr. and Mrs. Dana Mathews, Lewiston, Montana - $10 to the John William Kenney, Jr. Memorial Scholarship.

Nevada Society of Certified Public Accountants, Reno - $200 scholarship to a student in Business Administration and Accounting.

Quota Club of Reno - $100 scholarship to the Orvis School of Nursing.

Mrs. Louise Semenza, Reno - $100 scholarship to Business Administration in Economics.

The Stauffer Chemical Company Foundation, New York, New York - $100 to assist in the education of their merit scholar Ben T. Rassler for the academic year 1968-69.
Wilbur May Foundation, Reno - $2000 scholarship stipends
to be awarded to a student in the Art Department.

Department of Health, Education and Welfare, Public Health
Service - Training Grant for Social Psychology $31,612.
Program Director, Gerald P. Ginsburg.

Nevada Heart Association - remaining $4000 of $5000 grant.
Grant to be administered under Dr. Licata, Anatomy Depart-
ment, for Health Sciences Research on Collateral Circula-
tion to the Heart and Innervation of the Coronary Arteries.

Department of Health, Education and Welfare - Research
Scientist Development Award for training in Sequential
Regularities in Behavior. Awardee - Beatrice T. Garner,
Psychology - $17,958.

President Zorn presented the following list of gifts and
grants received by UNLV:

Library

Mr. Richard Ronzone - $10 in memory of John E. Mc Manis.
Mr. and Mrs. G. J. Ronnow - $10 in memory of Peter
Arkell.

Mr. and Mrs. E. A. Mlynarczyk - $10 in memory of Mr. Kaltenborn.

Miss Eva B. Adams, Washington, D. C. - $50 in memory of Al Cahlan.

Mrs. E. W. Cragin - $25 in memory of Al Cahlan.

Mr. and Mrs. Charles Adams - $11.25

Clark County Attorneys' Wives - $500

UNLV Athletic Program

Mr. Roy Woofter - $250

Mr. Jack A. Richardson - $500

Mr. Alvin M. Levy - $500

Mr. Richard Ronzone - $500

Mr. Mel Exber - $1000

Mr. Joseph Pignatello - $500

Scholarship

Mrs. Bethel Palma, Reno - $150

Nevada Society of Certified Public Accountants - $200

Family and Friends of Charles L. Adams (Sr.) - $210

Dr. Sigrid Moe - $5
Mrs. Letha Husmann - $5

Dr. and Mrs. H. L. Daiell - $10

Miscellaneous

Women's Auxiliary to the Clark County Medical Society -
$1721.64 for tutorial centers for Nursing students.

American Potash and Chemical Corporation, Henderson -
$5903 estimated value of items.

Acting Director Joseph Warburton presented the following
list of gifts and grants received by DRI:

Research Council of Alberta, Canada - $25,128 U. S. Funds.

Principal investigator is Joseph Warburton for research
in the Alberta Hail Studies Program.

Max C. Fleischmann Foundation - $11,364.29 as reimburse-
ment for furniture purchased for the Water Resources build-
ing. Provided from the Equipment and Facilities Grant.

Chancellor Humphrey recommended acceptance of the gifts
and grants as listed above.
Motion by Mr. Jacobsen, seconded by Mr. Seeliger, carried
without dissent that the gifts and grants be accepted
and the Secretary be requested to send notes of thanks
to the donors.

3. Report of Personnel Actions

Upon motion by Mrs. Knudtsen, seconded by Dr. Anderson, the
following personnel appointments were approved as recom-
mended by the appropriate officers:

UNR

COLLEGE OF AGRICULTURE

Eileen Lola Jackson, Associate Professor of Home Economics,
academic year 1969-70 - $14,650 (replacement for Marylyn
Meeuwig and Karmen Setty)

COLLEGE OF ARTS AND SCIENCE

Diane Carole Cohen, Assistant Professor of Health, P. E.
and Recreation, academic year 1969-70 - $8750 (replace-
Pierre Marie Moreau, Graduate Assistant in Foreign Languages, academic year 1969-70 - $2700 (replacement for Mary Clark)

COLLEGE OF BUSINESS ADMINISTRATION

Achley Jay Hall, Graduate Assistant in Bureau of Government Research, academic year 1969-70 - $2500 (replacement for Mark Achen)

COLLEGE OF EDUCATION

Donald Hartman, Graduate Assistant in School Administration, academic year 1969-70 - $2500 (replacement for Frank Forvilly).

Elizabeth Ann Matthie, Graduate Assistant in Counseling and Guidance Personnel Service, academic year 1969-70 - $2500 (new position)

COLLEGE OF ENGINEERING
Donald E. Pickering, Adjunct Professor of Electrical Engineering, 12/19/68-6/30/69 (formerly Professor of Development Biology & Director of Lab for Human Development)

NEVADA TECHNICAL INSTITUTE

Joseph P. Ayarbe, Program Director, fiscal year 1969-70 - $12,300 (replacement for Andrew Jackson on leave of absence)

4. Approval of Check Registers

Chancellor Humphrey recommended approval of the check registers as submitted by the Business Manager, UNR (filed with permanent minutes).

Motion by Dr. White, seconded by Mr. Bilbray, carried without dissent that the check registers be approved as submitted.

5. Approval of Fund Transfers

Chancellor Humphrey recommended approval of the following fund transfers:
$20 from Chancellor's Office, Operating to Institutional Memberships.

$10,000 from Contingency Reserve (Statewide) to Computing Center. The rental charge for the Sigma 7 is $29,000 more than amount budgeted during fiscal year 1968-69. This transfer will help make up this difference and will finance Statewide Programs' computer usage.

$8060 from Contingency Reserve, UNLV, to Library, Equipment, to purchase additional equipment.

$5654 from Contingency Reserve, UNLV, to the College of Education, Wages, to provide additional funds for supervising teachers for Spring, 1969.

$17,481 from HHFA Corporate Trust 30 Funds, Building Repair Reserve, to close the following accounts:

1-22-6001, White Pine Hall Repair           $11,472.38

1-22-5003, Enclosure of Walk at Dining Commons                2,346.77
1-22-6003, Fire Escape Doors, Married

<table>
<thead>
<tr>
<th>Student Housing</th>
<th>3,662.40</th>
</tr>
</thead>
</table>

Total $17,481.55

Motion by Dr. White, seconded by Mr. Bilbray, carried without dissent that the fund transfers be approved as recommended.

6. Increase in Board and Room Charges, UNLV

President Zorn requested that a 10% increase in board and room rates be approved for UNLV, effective July 1, 1969, making the room charges $308 and board charges of $682 for a total of $990 annually. (A comparison of annual room and board charges of Western States Universities for 1968-69 was distributed for information and is filed with the permanent minutes.)

Mr. John Cevette, CSUN President, spoke in support of the recommendation, noting that he believed the fee increase to be justified.

Chancellor Humphrey recommended approval.
Motion by Mr. Bilbray, seconded by Mr. Seeliger, carried

without dissent that the fee increase be approved as

recommended.

7. Approval of Purchase in Excess of $5000

President Zorn reported that bids had been opened on May 23, 1969 for canned goods and sundry items for use by the Student Union Food Service. Complete bids were received from Interstate Restaurant Supply for $6951.47 and Shetakis Wholesale for $7262.44. Zellerbach Paper Company bid on the paper products only. Bids were for approximately 100 items and were not on an "all or none" basis.

President Zorn recommended bids be accepted in the following amounts:

<table>
<thead>
<tr>
<th>Supplier</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Interstate Restaurant Supply</td>
<td>$3719.43</td>
</tr>
<tr>
<td>Shetakis Wholesalers</td>
<td>1796.08</td>
</tr>
<tr>
<td>Zellerbach Paper Company</td>
<td>670.43</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$6185.94</strong></td>
</tr>
</tbody>
</table>

Motion by Mr. Jacobsen, seconded by Mr. Bilbray, carried
without dissent that the bids be awarded as indicated.

8. Proposed Settlement of Delinquent Bill for Computer Time

President Zorn reviewed the problem concerning the delinquent bill for computer time (as detailed in correspondence identified as Ref. E and filed with permanent minutes).

President Zorn noted that this problem had resulted from a reliance on a verbal agreement and, subsequently, instructions have been given which would prevent a recurrence.

President Zorn and Chancellor Humphrey recommended approval of the course of action agreed to between Chief Deputy Attorney General Daniel Walsh and Mr. Robert E. Wall, Jr., as outlined in Mr. Wall's letter of May 1, 1969 which stated in part:

I am thus offering to settle the matter for $1000 under the following stipulations:

1) On receipt of your notice of your agreement to submit the proposed agreement to the Board of Regents, and to recommend its approval. I will send you my
check for $500 for a good faith deposit.

2) Within 15 days of receipt of notice of approval of the settlement by the Board of Regents, I will send you the remaining $500.

3) In the event of any legal action by you on this matter, the offer is immediately withdrawn.

4) This offer is good until 15 May 1969.

Motion by Mr. Bilbray, seconded by Mrs. Knudtsen, carried without dissent that the settlement recommended by Mr. Walsh and endorsed by President Zorn and Chancellor Humphrey, be approved and the Chief Deputy Attorney General be commended for effecting his favorable settlement.

9. Proposed Affiliation with State and Local Agencies

President Zorn reported that for several months Campus Administrators have informally discussed potential affiliations with agencies located in southern Nevada whose programs relate directly to UNLV's Special Education program. Such relationships, he said, would enable cooperative ef-
forts to obtain Federal funding for research, program development, and possibly even for construction. Dr. Zorn noted that preliminary negotiations have included the Bureau of Mental Retardation, the Division of Mental Hygiene, Bureau of Maternal, Child and School Health, Clark County Association for Retarded Children, Division of Rehabilitation and the Helen J. Stewart School, Clark County School District.

President Zorn asked for approval to formally negotiate with these agencies and to authorize the Attorney General to define affiliation agreements which could be arranged with these agencies; agreements would then be submitted for formal approval by the Regents.

President Miller noted that similar negotiations have been underway in northern Nevada and suggested that the Board of Regents also approve formal negotiation by the UNR Administration. Chancellor Humphrey recommended approval.

Motion by Mr. Bilbray, seconded by Dr. White, carried without dissent that the Administration of both Campuses be authorized to enter into formal negotiations with both the agencies listed above and any other agencies which
might be appropriate.

10. Establishment of a College of Hotel Administration

President Zorn presented a request from the College of Business and Economics, endorsed by him and by the UNLV Faculty Senate, that effective July 1, 1969, the Hotel Administration program be separated from the College of Business and Economics and established as a separate College. Supporting data presented by President Zorn is identified as Ref. G and is filed with the permanent minutes.

In response to a question from Mr. Bell, Dr. Zorn noted that the principal funding for this program comes from the Nevada Resort Association.

Mrs. Knudtsen asked if it was intended that the College would have a Dean. Dr. Zorn said he did not believe it would be necessary to have a Dean at this point. He added that he believed that UNLV might be getting too many Deans and a careful look should be taken of the total academic structure.
Mrs. Knudtsen expressed concern that the stature of the College of Hotel Administration might be lessened. Mr. Hug agreed, stating that if the College is headed by a Dean it might make the College more visible in the educational world.

Mrs. Knudtsen referred to the policy statement which had been suggested by Mr. Jacobsen and Dr. White that an interim period of one month be allowed before the Board would take action on any new program or Department. However, it was agreed that in the absence of any opposition this proposal could be acted upon.

Motion by Mr. Bilbray, seconded by Mr. Jacobsen, carried without dissent that the College of Hotel Administration be established at UNLV effective July 1, 1969.

11. Designation of the "Al Cahlan Endowment Fund"

Dr. Zorn reported that there is presently $1075 on deposit in the UNLV Library Gift account which was contributed so that the interest could be used to purchase volumes in memory of Mr. Al Cahlan. He noted that Mr. Harold Erickson, Director of the Library, has recommended that these funds
be transferred into the University of Nevada Endowment

Fund and be formally designated as the Al Cahlan Endowment

Fund.

Chancellor Humphrey recommended approval.

Motion by Dr. Anderson, seconded by Mr. Bilbray, carried

without dissent that the above recommendation be approved.

12. Increase in Student Insurance Program

President Zorn spoke of the limited health services pro-
vided to UNLV students, noting that this has caused
considerable concern about the scope and coverage of
supplementary accident insurance policy. The present
premium of $3.25 per semester provides only limited bene-
fits. Dr. Zorn noted that negotiations are now underway
for student health and hospitalization and pending the
selection of a final policy recommended that the student
insurance premium fee be increased up to a maximum of
$20 per student (waivable as at present) per semester.

Mr. Hug asked for comments from UNLV students. Mr. John

Cevette said it looked as if this policy could be ob-
tained for about $15 per student per semester. He noted further that the students endorse the proposal for increased coverage.

Mr. Hug asked if any form of insurance had been selected. Mr. Cevette noted that they have received only one bid for $45 per year but that is more than the students wish to pay.

Dr. Anderson spoke of the number of time foreign students have been under insured and have had medical problems. He asked whether or not the Administration should look into mandatory insurance for foreign students. Dr. White concurred.

Dr. Anderson suggested that the Administration be requested to consider further the question of mandatory insurance for foreign students and bring back a recommendation.

President Miller pointed out that foreign students at UNR are now required to take the health and accident insurance.

Mr. Bilbray said he was concerned about the "acceptance by silence" aspect; i.e., if a student did not sign a waiver
card or indicate he did not want the insurance he would be forced to pay the fee. There was discussion concerning the student's opportunity to accept the coverage or waive the coverage. It was finally agreed that the procedure provided that at some point the student will either pay the fee or sign a waiver card, thus taking a positive action.

Mr. Ronzone entered the meeting.

Mr. Jacobsen endorsed the suggestion to make insurance for foreign students mandatory at UNLV as it is at UNR.

Mr. Hug asked if Dr. Zorn would rather wait before action was taken on this suggestion. Dr. Zorn said he felt justified and was satisfied to have it incorporated.

Mr. Jacobsen moved that the UNLV student insurance fee be increased up to a maximum of $20 per semester with the premium waivable as at present, and that foreign students be required to accept the insurance. Motion seconded by Mr. Bilbray, carried without dissent.
President Zorn recalled that the 1969 Legislature had provided the sum of $591,000 to the State Planning Board to enable UNLV to acquire land immediately adjacent to the Campus. Purchases of two parcels of property have been authorized, using a total of $564,500. President Zorn recommended that the remaining funds be used to acquire a parcel from the Land Foundation of approximately 2 acres. This is the former Boy Scout property with a valuation of approximately $26,000.

Chancellor Humphrey recommended approval.

Motion by Mr. Bilbray, seconded by Dr. White, carried without dissent that the above purchase be approved as recommended.

14. There was a discussion of the Board's earlier action in requesting the Clark County Commissioners to vacate the Swenson Lane easement which runs through that area of the Campus where it is planned that development of the athletic fields will occur. (See B/R minutes of December 13-14, 1968.) Dr. Baepler noted that no action has been taken on the University's request.
Motion by Mr. Jacobsen, seconded by Dr. White, carried
without dissent that a letter be sent by the Chairman on
behalf of the Board of Regents urging action by the Com-
missioners on this request.

15. Bob Davis Scholarship Fund

President Zorn reported that a committee at UNLV has been
gathering information but details for the proposed use of
the funds from this source are not fully developed. He
requested that he be allowed to present his proposal in
July.

Motion by Mr. Jacobsen, seconded by Mr. Bilbray, carried
without dissent that the request be approved.

16. Music Department, UNR

President Miller reported briefly on the developments con-
cerning the Marching Band at UNR. He noted that there
would be a Marching Band with 45 members and a Pep Band
with 15 members. He said that it was intended that the
Marching Band would perform at all home football games
and at least one game away.

President Miller stated that he wished to express commendation to Peter Reams for his effective handling of the matter for the students. He also noted that the 50 cent allocation of ASUN money will continue.

President Miller also indicated that he will bring a recommendation to the July meeting concerning allocation of out-of-state fee waivers for music, recalling that the Board had taken action to allocate 50% of the available waivers to athletics and 50% to other categories without specifying the number available for music.

17. Request to Cancel Student Loan

President Miller reported that Mr. Claude P. Moore borrowed $500 from the Garvey Rhodes Loan Fund in February, 1959. Repayment of all but $95 had been made as of November 24, 1965, but no further payment has been received since that date. Dr. Miller noted that on March 6, 1968, a Debtors Petition was filed in the Southern Division of the U. S. District Court for the Northern District of California and a Discharge of Bankruptcy was filed by the District
Court on December 9, 1968. He recommended that the balance of Mr. Moore's debt be written off and the hold on his University record cancelled. Chancellor Humphrey concurred.

Mr. Bilbray moved that the above recommendation not be approved, stating that the Board of Regents had an obligation to collect this debt. Motion seconded by Mr. Jacobsen, carried.

Dr. Anderson suggested this matter be left to the discretion of the President to determine if Mr. Moore is really unable to pay the debt.

Mr. Bilbray moved to reconsider the above action and suggested that if the President should find that it is a true case of bankruptcy, then the loan should be cancelled.

Mr. Hug read a letter from Mr. Moore's attorney informing the Board of the bankruptcy proceedings and requesting cancellation of the loan and release of Mr. Moore's record.

Motion to reconsider carried with Dr. White opposing.

Dr. Anderson suggested that President Miller be authorized
to look into Mr. Moore's actual status and if it is determined that he can pay the balance of the loan, his transcript should not be released.

Mrs. Knudtsen expressed concern, suggesting that the Board should not lose its perspective in this matter. Mr. Bell concurred, pointing out that the man had been judged a bankrupt and the Board was obliged to accept the Court's decision.

Mr. Jacobsen expressed concern that cancellation of the loan would establish an undesirable precedent and moved that the Board reject the request to cancel Mr. Moore's debt. Motion seconded by Mr. Seeliger and carried with the following role call vote:

    Yes - Regents Anderson, Bilbray, Grant, Hug, Jacobsen, Seeliger, White
    No - Regents Bell, Knudtsen, Ronzone

Regent Lombardi absent.

18. Transfer of Department of Anatomy

President Miller presented, with his endorsement, a recom-
mendation from Deans Elmore and Smith that the Department of Anatomy be transferred from the Orvis School of Nursing to the School of Medical Sciences, effective July 1, 1969.

Chancellor Humphrey recommended approval.

Motion by Mr. Jacobsen, seconded by Mr. Seeliger, carried without dissent that the transfer be approved as recommended.

19. Waiver of Tuition and Fees for Graduate Assistants

President Miller recommended that Graduate Assistants who, in order to complete their degree requirements by September, have to register for credits of thesis in the Summer Session, be granted a waiver of tuition and fees for that Summer Session as a condition of employment during the previous academic year.

In response to a question from Dr. Peltier, Dr. Miller stated that this fee waiver would be for thesis credit only.

Chancellor Humphrey noted that this has been the practice at UNR for several years, with the approval of former
President Armstrong, and is being referred to the Board at this point to clarify the record.

Mr. Jacobsen asked if it would be desirable to extend this fee waiver to UNLV. Dr. Baepler suggested UNLV would wish to look carefully at the matter before recommending its extension.

Motion by Mr. Jacobsen, seconded by Dr. Anderson, carried without dissent that the above recommendation be approved for UNR, effective immediately, and that UNLV be requested to consider the desirability of extending the fee waiver to that Campus.

20. Approval of Purchase in Excess of $5000, UNLV

President Zorn reported that bids were opened on May 26, 1969 for purchase of a nuclear spectrometer, as follows:

<table>
<thead>
<tr>
<th>Company</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Perkin-Elmer Corporation</td>
<td>$26,500</td>
</tr>
<tr>
<td>Varian Corporation</td>
<td>26,735</td>
</tr>
</tbody>
</table>

President Zorn recommended the bid of Perkin-Elmer Corporation be accepted in the amount of $26,500.
Humphrey concurred.

Motion by Mr. Jacobsen, seconded by Mr. Ronzone, carried without dissent that the above recommendation be approved.

21. Class A Action

President Miller reported the following Class A Action by the UNR faculty, which amends the University Code, with his recommendation for approval:

All meetings of the Faculty Senate shall be open to members of the University community - faculty, staff and students. However, the Executive Board may restrict attendance at any Senate meeting to Senate members, faculty and invited guests by publishing such announcement at least one week prior to the scheduled Senate meeting, and the Senate may at any time by a majority vote, restrict attendance.

Motion by Dr. Anderson, seconded by Mr. Jacobsen, carried without dissent that the above recommendation be approved.

22. Department of Biochemistry
President Miller presented, with his endorsement, a recommendation that, effective July 1, 1969, the Department of Biochemistry, Max C. Fleischmann College of Agriculture, become a joint responsibility of the College of Agriculture and the College of Arts and Science. Additional justification was presented by President Miller (see Ref. L filed with permanent minutes).

Chancellor Humphrey recommended approval.

Motion by Mr. Grant, seconded by Mr. Ronzone, carried without dissent that the above recommendation be approved.

23. Increases in Student Fees

President Miller reported that he would recommend to the Board in July the following changes in fees to be effective Fall, 1969:

1. Board and Room
   Present  Request
   (per semester)

   Reno Campus
Dining (7 days) $310.00 $342.00

Room 140.00 153.00

Telephone 16.50 16.50

Stead Campus

Dining (5 days) $220.00 $242.00

Room 140.00 154.00

University Village

Rental $65.00 $75.00

2. Associated Student Fee

(per semester) $28.00

The Student Union Fee, presently set at 7.50 is
to be eliminated and the new ASUN fee would in-
clude that, the additional money for athletics,
as well as the traditional ASUN activities.

3. Health Service Fee

(per semester) $12.00 $18.00

4. Accident Insurance

(voluntary) $4.15 $23.00
24. Equal Opportunity Program/Bob Davis Scholarship Fund

President Miller presented a proposal for the establishment of an Equal Opportunity Program designed to assist in recruiting into the UNR student body larger numbers of Nevada students from minority groups. He stated that the 1969-70 goal would be to recruit 20 additional black students and 20 additional Indian students and 10 additional members of other minority groups. This would use a maximum of $50,000 (scholarships of $1000 each) if the goals for 1969-70 are realized. Additional supporting material was presented by President Miller (see Ref. M filed with permanent minutes).

Dr. Anderson suggested that the entire amount of money available through the Davis Scholarship Fund not be dedicated for this purpose, noting the need for funds for retraining women to enter the professional world.

Mr. Jacobsen suggested that consideration be given to providing funds to students who, because of need to work to support themselves, cannot maintain the grades to remain...
eligible for other scholarships or financial aid.

Mr. Seeliger asked why this proposal was developed for minority groups alone. President Miller pointed out that Nevada must do more to recruit Nevada students from these minority and/or economically disadvantaged groups. He noted that even if it were not a desirable thing to do, the University would be required by regulations of Federal programs to look into this kind of recruiting.

Mr. Grant asked about the provisions of the Davis will. Mr. Hug read the pertinent section, as follows:

The income from the endowment shall be used to defray the expense of College educations in whole or in part of any poor young men or women, preferably Nevada born, who are selected by the trustees of the University of Nevada in their sole discretion as the best suited for College educations and financially unable to defray the expenses of such education in whole or in part.

Dr. White suggested that some of the Davis money be used for retraining women. Dr. Anderson concurred and suggested approval of the philosophy reflected in the proposal.
but with modifications as discussed.

President Miller noted that he had been requested to develop a proposal for the distribution of the Davis Scholarship Funds. He said he welcomed the Regents' suggestions but would like to see the program as proposed go forward, pointing out that there would be additional funds from the Davis Scholarship Fund for the other areas discussed by the Regents.

Dr. Anderson asked if this matter could be delayed until next month. President Miller urged that it not be delayed in that it would cause problems in recruiting next Fall.

Mr. Bilbray said he believed that funds for minority groups were needed badly and said he considered President Miller's proposal to be a very good one.

Mr. Hug pointed out that the discussion had involved a number of areas, noting that President Miller had recommended the use of the Davis money for scholarships for minority students while others had talked about devoting only $50,000 to this program and using the balance (estimated at approximately $26,000) for other scholarships.
Dr. Anderson moved that up to $50,000 of the Davis Scholarship Fund be used as outlined in President Miller's proposal (Ref. M); the remaining $26,000 be used for other needy students; any unexpended funds (of the $50,000) be added to the $16,000 and used for additional scholarships; and that it was understood that the minority scholarships fund would be administered by the Director of the Equal Opportunity Program and the Office of Admissions and the remaining funds would be administered by the Scholarship Committee. Motion seconded by Mr. Bilbray, carried without dissent.

25. Report of the Plant and Property Committee Meeting of June 5, 1969

Mr. Jacobsen reported that the Plant and Property Committee had met the previous day to review the planning of progress for the two College of Education buildings. He noted the presentation by each Campus of the program concepts envisioned; UNR was employing the "mass plan" concept while UNLV was anticipating a high rise structure.

Mr. Jacobsen moved that the "mass plan" concept recommended
by the UNR College of Education on June 5, 1969, be approved and that the Plant and Property Committee be authorized to approve the preliminary plans for this project (anticipating the plans would be ready for approval prior to the next B/R meeting). Motion seconded by Mr. Ronzone, carried without dissent.

Mr. Jacobsen noted that the plans for the UNLV College of Education building were not sufficiently advanced to require action at this time.

Mr. Bell reported that the Educational Policies Committee had met the previous day to discuss possible coordination of new academic programs. He presented the following recommendations of the Committee:

1. The Educational Policies Committee shall meet in conjunction with each regularly scheduled Board of Regents meeting at least for the next year with the ultimate goal that guidelines will be established which will serve for the development
of the two Campuses and the total University System. At these meetings the Committee should concern itself with possible modifications, expansion and improvement of the policy governing the development of new academic programs at both Campuses. Within a reasonable period of time, hopefully not later than 6 months, Campus officers and their staffs will be invited to present plans for the development and future course of their institution so that the Board of Regents can make a total assessment of the needs of each Campus in the area of graduates, professional and undergraduate programs, their priorities, feasibility and costs.

2. In reference to Item 26:

The Educational Policies Committee wishes to recommend the policy statement be amended as follows:

When a new program is suggested or the demand for new fields of endeavor become obvious the President of the University involved should make a Phase I presentation to the Board. It shall be the policy
of the Board of Regents, that before any new degree
programs may be offered, and before new Colleges,
Schools or Departments can be established, such
proposal must be introduced at one meeting and
voted upon no earlier than the following meeting.

Mr. Bell moved that both recommendations of the Committee
be approved by the Board. Motion seconded by Mr. Jacobsen.

Mrs. Knudtsen suggested that some provision be made for
exception to the policy statement in Recommendation #2.
Mr. Jacobsen disagreed, stating that to make an exception
would defeat the purpose.

Mr. Bell withdrew his motion to allow consideration of
each recommendation separately.

Motion by Mr. Bell, seconded by Mr. Jacobsen, carried with-
out dissent that Recommendation #2 be approved.

Mr. Bell moved that Recommendation #2 be approved. Motion
seconded by Mr. Jacobsen.

Mr. Knudtsen moved to amend the motion to add "except in
extraordinary circumstances."

Mr. Hug asked for comments from the Administration.

President Miller said he could foresee no problem with this kind of policy nor could he foresee any circumstances which would require action at a first meeting. President Zorn and Mr. Warburton agreed.

Mrs. Knudtsen withdrew her motion for amendment. Motion carried without dissent.

The meeting adjourned for lunch and reconvened at 1:45 P.M.

Mr. Jacobsen was not present for the afternoon session.

27. Atmospherieum-Planetarium Estimative Budget, 1968-69

Mr. Warburton recalled that the Max C. Fleischmann Foundation had made an annual grant of $60,000 for the operation of the Atmospherieum-Planetarium. However, he said, the estimative budget recommended by DRI and approved by the Board for the current fiscal year was for $55,000. Mr. Warburton requested approval of the use of the additional $5000 for operating expenses.
Chancellor Humphrey recommended approval.

Motion by Mr. Bilbray, seconded by Mr. Ronzone, carried without dissent that the above recommendation be approved.

28. DRI Indirect Cost Recovery

Mr. Warburton recommended that effective July 1, 1969, the indirect cost recovery on DRI grants and contracts be allocated as follows:

(1) 94% of all such recovery to be paid into a fund for use by DRI for any purpose justifiably chargeable to such indirect cost funds; and

(2) The remaining 5% of such indirect cost recovery to be paid into a separate fund for use by principal investigators on contingencies not foreseen in their original grant requests. The expenditure of these funds will be by mutual agreement between the principal investigator and the Director of DRI.

Chancellor Humphrey recommended approval, provided, however,
that the 95% fund be subject to the usual budget review and approval by the Board of Regents.

Motion by Mr. Bilbray, seconded by Mr. Seeliger, carried without dissent that the above recommendation be approved.

29. Report and Recommendations on Exemptions from Medical Requirements

Mr. Humphrey recalled that in February, 1969 the Board considered a request from Mr. Darrell D. Luce that Christian Science students be exempted from all medical entrance requirements. They instructed the Administration "to make a study of the present policy as it now exists and consider the possibility of eliminating the requirement for a small pox vaccination...and...that a report be brought back to the Board in June...and the report include the rationale for excluding part time students from the requirement, and information concerning whether or not faculty are required to have a physical examination."

Mr. Humphrey noted that the Presidents had requested that this item be rescheduled for the July meeting.
Mr. Bilbray pointed out that this was originally scheduled to coincide with a Las Vegas meeting but agreed that waiting until the September meeting would not be practical.

Motion by Mr. Seeliger, seconded by Mr. Ronzone, carried without dissent that this matter be deferred until the July meeting.

30. Resolution on Loan Agreement

Chancellor Humphrey recommended approval of the following resolution:

RESOLUTION #69-3

WHEREAS, authorization has previously been granted for the construction of a Physical Sciences building on the Campus of the University of Nevada, Reno; and

WHEREAS, a Higher Education Facilities Act of 1963, Title III loan in the amount of $1,651,000 has been approved by the U. S. Department of Health, Education and Welfare; and
WHEREAS, this loan money will not be available to the
University until the project is 80% complete;

NOW, THEREFORE, BE IT RESOLVED, that Neil D. Humphrey,
Chancellor of the University of Nevada System, be and
hereby is authorized to execute an interim construction
loan agreement with First National Bank of Nevada in
the amount of $1.2 million for a period of 6 months
at an annual interest rate of 5 1/4%.

Adopted and approved by the Board of Regents of the
University of Nevada on the 6th day of June, 1969.

Motion by Mr. Ronzone, seconded by Mrs. Knudtsen, carried
without dissent that the above resolution be adopted.

31. Approval of Candidates for Degrees

In accordance with action taken at the May meeting, candi-
dates for degrees were provisionally approved by the Pres-
idents and the following lists of graduates were submitted
for information:

UNIVERSITY OF NEVADA, RENO
COLLEGE OF AGRICULTURE

Associate of Science in Agriculture

Krupp, Donald Jay
Tuohy, Donald Patrick

Bachelor of Science in Agriculture

Bean, Thomas Lee
Bendure, Ted Philip
Brown, Sandra Ann

Master of Arts

Devor, Orrin Leslie
Chancellor Humphrey presented the Work Program for 1969-70 by reviewing his transmittal letter as follows:

The 1969-70 Work Program for the University of Nevada System is hereby transmitted to you and recommended for approval. This Work Program provides for expenditures of $19,938,461 in the coming year, which is an increase of approximately $3.7 million or 22.8% over 1968-69.

It is significant to note that in addition to providing a 13.4% increase in the all ranks average salary for incumbent faculty (from $10,964 currently to $12,430 for 1969-70) and for the salary adjustments for classified and technical employees as provided by the Legislature, this Work Program also provides for 226 new positions within the System. UNLV will have 43 new faculty positions and 53 new support positions. The total number of positions on that Campus increases by 32.3%. UNR will have 27 new faculty and 44 new support positions for an increase of 9.4% in total posi-
Revised enrollment projections are also included in this document. The projections used when the 1969-71 budget request was submitted to the Governor September 1, 1968, have been revised based upon the latest information available. It is interesting to note that the Full Time Equivalent Student projection for UNR has been increased 120 but the revised estimate of Adjusted Student Credits remains approximately the same. At UNLV the expected FTE enrollment is down 200 or 5.8% from the earlier projection; however, the ASC expected is up 2080 or 1.2% due to a change in the "mix" or level of students.

The student-faculty ratio at UNR will be 16.8 to 1 and at UNLV will be 18.0 to 1, or 1.2 students higher. The ratio of Adjusted Student Credits taught per faculty member will be 474 at UNR and 492 at UNLV. See page 12 for a comparison of faculty positions in the Work Program and the budget request. As can be observed, parity has not been achieved; however, the solution lies within the ability of the Presidents to adjust their Work Pro-
gram request.

This Work Program is the final step in a budgeting process which started in January, 1968. At that time the Department Chairmen made their original requests to the Deans. These requests were reviewed by the Deans and the Presidents and a request prepared. After reviewing the original requests the Chancellor, with the cooperation and participation of the Advisory Cabinet, developed certain program budget formulas which were applied in developing a Chancellor's recommendation aimed at achieving budget parity for the two Campuses. This budget was increased slightly by the Board of Regents and a request of $21,866,264 was submitted to the Governor. After review and action by the Governor and the Legislature, we are able to develop firm plans for the use of nearly $19.9 million.

The Chancellor's office has reviewed the Work Program requests made by the Presidents and these requests were explained to the Advisory Cabinet. Some of the analysis (e. g. of instruction and Department research allocation) is included here. I share with the Presidents certain reservations concerning their proposals. For
example, the absence of a contingency reserve, the re-
duction in the library book acquisition allocation, and
the severe financial limitations upon physical plant
operations. I do not, however, wish to recommend any
revision in their Work Program requests; consequently,
the Administration proposal is unanimous.

The authorized expenditures for Cooperative Extension
Service exceed that originally authorized by the Legis-
lature by $9332. This increase is attributed to an
increase in county funds. The Chief of the Budget
Division of the Department of Administration has the
authority under the State Budget Act to approve this
change. Upon adoption by the Board of Regents of this
Work Program, this approval will be requested.

The budget request was prepared under the assumption
that UNLV would assume the accounting function for that
Campus on July 1, 1969. Because of the work involved
and the lack of funds to do adequate planning, it will
be necessary for UNR to provide that service during
the 1969-70 fiscal year. UNLV will negotiate with UNR
for the services of the UNR Controller's office during
the 1969-70 fiscal year.
The budget detail for instruction at UNLV is presented in College Summary only in this document. The UNLV Administration will present at the July meeting of the Board of Regents the Departmental breakdown they wish to follow.

One qualification I do wish to have placed upon this Work Program is the same as in the years past. I recommend that in approving this Work Program the Board specify that all salary savings revert monthly to the appropriate Contingency Reserve and that the usual controls over transfers from the Contingency Reserve continue to be applicable.

Chancellor Humphrey requested comments from Presidents Zorn and Miller and Acting Director Warburton.

Dr. Zorn pointed out that the first concern in developing the Work Program had been the protection of salaries of incumbent faculty. He noted that UNLV had reduced the number of support positions and transferred the funds to other areas. They were not able, he said, to improve the library book fund nor the amount of support available to
President Miller stated that his comments would be much the same as President Zorn's. He noted that it was a matter of making a choice as to where the money should go.

Mr. Hug stated that he was concerned over the decision to cut the Buildings and Grounds support. President Miller agreed that this was cause for concern, noting that it would mean fewer repairs and improvements; however, it is possible that money can be channelled into this area during the year from the Contingency Reserve when that reserve is established from salary savings.

Mr. Bilbray asked what the effect would be of a larger enrollment than that projected. Dr. Zorn said that UNLV might have to limit enrollment.

Mr. Warburton spoke of the State appropriation for DRI support. He said that DRI is continuing to fall further behind in its timetable to have State funds pick up the salaries of senior scientists, noting that they will be approximately $71,000 behind in 1969-70 and $117,000 behind in 1970-71. He said, however, they have taken a
tentative step this year by providing partial support from State funds for their senior scientists.

Chancellor Humphrey pointed out that the amount of money for DRI support in the Work Program concerns only a portion of the total and the DRI Financial Plan for 1969-70 from non-appropriated sources will be presented to the Board of Regents in July.

Chancellor Humphrey recommended approval of the Work Program for 1969-70 as presented, including the recommendations contained in his letter of transmittal.

Mr. Seeliger pointed out that the University had enjoyed an especially good legislative year, as indicated by a $20 million Work Program, and moved that the Chancellor be commended on the effective relations maintained between his office and the members of the 1969 Legislature. Motion seconded by Dr. Anderson, carried unanimously.

Mr. Hug agreed that this had been an exceptionally fine year and the Chancellor had done an excellent job.

Chancellor Humphrey expressed appreciation for the com-
mendation and noted that total cooperation had been received from the Regents, the administrative officers, faculty and students. He noted that he had received a number of comments from Legislators to the effect that the University cooperation was very much appreciated.

Dr. Anderson moved that the Board of Regents also formally and publicly express its appreciation to the Governor and the members of the Legislature for their very find support of the University. Motion seconded by Mr. Ronzone, carried unanimously.

33. Estimative Budgets

Chancellor Humphrey presented estimative budgets for 1969-70 for programs not supported by State appropriation, noting that if the money is not generated it will not be spent.

Mr. Humphrey noted that the budgets for Intercollegiate Athletics and Intercollegiate Athletics Scholarship and Recruiting are based on fee increases not yet approved. He further noted that the budget for the UNLV Student Union would be forwarded when ready.

Jim Hardesty, ASUN President, referred to the budget for
the Jot Travis Student Union and asked that no action be taken on this budget until there was an opportunity for student government representatives to discuss it further with the Administration. His concern, he said, dealt with the fact that the Student Union is owned by the University and yet is being paid for by the students.

President Miller noted that there had been some discussions concerning this and efforts are being made to pick up some of the expenses of the building. However, he said, this budget covers the activities of the students. Mr. Hardesty agreed but pointed out that faculty and Administration also use the building and perhaps should pay a share of the expense.

Chancellor Humphrey stated that this specific point had not been discussed with the State Budget Director; however, the State Budget Director has previously ruled that UN auxiliary enterprises must fund their own operating expenses.

Chancellor Humphrey and President Miller agreed to withdraw the budget for Jot Travis Union and reschedule it for July.
Mrs. Knudtsen moved that the Estimative Budgets be approved as submitted with the exception of the budgets of Intercollegiate Athletics, Intercollegiate Athletics Scholarship and Recruiting, and Jot Travis Union. Motion seconded by Mr. Seeliger, carried without dissent.

34. Selection Procedures for University Officers

Chancellor Humphrey noted that a proposed revision to the By-Laws of the Board of Regents was presented at the May meeting and was referred to the Chancellor's Advisory Cabinet for further study and proposal of specific wording.

Mr. Humphrey said that the Cabinet had not completed its review and proposed to bring this item forward in July.

35. Proposed Change in Meeting Dates

Chancellor Humphrey stated that in response to requests that the Fall meetings be rescheduled so that the November meeting would coincide with the UNR/UNLV football game to be played in Reno on November 22, the following proposed schedule had been developed for the balance of the calendar year:
Present Schedule | Proposed Schedule
--- | ---
UNR 07-11/12-69 | No Change
UNLV 09-12/13-69 | UNLV 09-05/06-69
UNR 10-10/11-69 | UNLV 10-03/04-69
UNLV 11-07/08-69 | UNR 11-20/21-69
UNR 12-12/13-69 | UNR 12-19/20-69

Motion by Mr. Seeliger, seconded by Mr. Bilbray, carried without dissent that the above schedule be adopted.

Upon motion by Mrs. Knudtsen, seconded by Mr. Ronzone, the following supplemental items were added to the agenda:

36. Approval of Purchase in Excess of $5000, UNR

President Miller reported that bids had been requested for the printing of a 2-year supply of Final Grade Reports and Mid-Semester Progress Reports for the two Registrars' Offices.

UARCO, Inc. | $6290.68
Moore Business Forms | No bid submitted
President Miller noted that it is intended that this purchase be shared proportionately by the two Campuses ($3329.21 for UNR; $3961.47 for UNLV) and represents a sizeable savings to each institution when compared to separate 1-year cost estimates.

President Miller and President Zorn recommended the bid of UARCO, Inc. in the amount of $6290.68 be accepted. Chancellor Humphrey concurred.

Motion by Mr. Ronzone, seconded by Mr. Bilbray, carried without dissent that the above recommendation be approved.

37. Property Acquisition, UNR

President Miller requested authorization from the Board of Regents to purchase 2 residences at 1061 and 1065 Evans Avenue. This property has been offered for sale by Dr. Loring Williams and is within the master plan for acquisition by UNR. Dr. Miller noted that the property had been appraised by Dale C. Bell, M. A. I., and proposed that the Administration be authorized to negotiate for and purchase
the property from the UNR Capital Improvement Fee Fund,

provided only that the purchase price does not exceed the

appraised value. Chancellor Humphrey concurred.

Motion by Mr. Bilbray, seconded by Dr. White, carried

without dissent that the above purchase be approved.

38. Report of Telephone Poll Re. Award of Construction Contract

Chancellor Humphrey noted that a telephone poll had been

conducted of the Board of Regents on May 26, 1969, with

the following results:

Bids have been received for the construction of the

Interim Office building, UNLV.

Blanchard Construction, Inc. is the low bidder in the

amount of $199,400. This low bid includes all of the

alternatives. The budget for this project is $275,000.

The State Planning Board has agreed to use the dif-

ference between the low bid and the construction

budget to do landscaping and parking, put in a side-

walk on Harmon and add a building fire sprinkling
system and pay for a fire plug near the building.

President Zorn and Chancellor Humphrey recommend approval.

Your vote is being requested by telephone so that the bid can be awarded and the construction started immediately.

Fred M. Anderson, M. D. Yes
Mr. Thomas Bell Yes
Mr. James H. Bilbray Yes (May 28, 1969)
Mr. Archie Grant Unable to Contact
Mr. Procter Hug, Jr. Yes
Mr. Harold Jacobsen Yes
Mrs. Molly Knudtsen Yes
Louis Lombardi, M. D. Yes
Mr. Richard Ronzone Yes
Mr. Albert Seeliger Yes
Mrs. Juanita White Yes

He recommended confirmation of the results of the telephone poll.
Motion by Mr. Bilbray, seconded by Dr. White, carried
without dissent that the votes recorded by telephone be
confirmed.

39. Unappropriated Surplus, General University Operation

Chancellor Humphrey reviewed the problem as follows:

For a number of years, the University of Nevada has
each year expended appropriated monies for General
University Operation before expending the non-appropriated
monies. The non-appropriated monies are
mostly student fees and this practice gave the Uni-
versity and the State the advantage of a built-in
safeguard against either liberal or conservative
revenue estimating techniques. It also allowed
extra revenue to be gained for the University, as
approved in the legislatively adopted budget, from
the short-term investment of the non-appropriated
monies. Using this technique, any unexpended monies
at the end of a fiscal year reverted to the Univer-
sity's unappropriated surplus account. From this
account came the budgeted opening cash balance for
the next fiscal year and, if necessary, unrealized
budgeted income was compensated for from the unappropriated surplus. This allowed for a business-like operation of the University budget and kept deficits from occurring. It is further interesting to note that the independent auditors have recommended that the unappropriated surplus should be approximately $500,000 rather than the $232,000 held in this account June 30, 1968.

During the 1969 Legislative Session, Mr. Robert E. Bruce, Fiscal Analyst, Legislative Counsel Bureau, requested an opinion from the Legislative Counsel concerning the legality of the University's approach. The Legislative Counsel issued an opinion to the effect that the University was obligated to spend non-appropriated monies first and, therefore, any unexpended budget credits at the end of the fiscal year, plus any excess non-appropriated revenue, should revert to the State General Fund rather than to the University unappropriated surplus account.

I requested the Assembly Ways and Means Committee and the Senate Finance Committee to insert language in the General Appropriation Act which would allow our past
practice to continue. Mr. Howard E. Barrett, Director of Administration, joined me in recommending this request. After initially agreeing to this course of action, the money committees decided to not insert such language and, in effect, require the University to revert its unappropriated surplus to the State's General Fund at the end of FY 1968-69, less the amount included in the approved 1969-71 University budget as an opening cash balance for each year of the biennium.

This will result in a reversion of approximately $117,000.

It is very evident to me, based upon my experience in managing these funds for the University as well as my earlier experience in the State Budget Office, that what we have been doing is good business practice for the University. Further, I believe that what is good for the University must, in the long-run, be good for the State. It is conceivable that another attorney might come to a different conclusion than the Legislative Counsel; however, it is clear to me that legislative intent, as expressed by the money committees, is that the University revert its unappropriated surplus at the end of FY 1968-69. I recommend, therefore,
that the Board of Regents acquiesce in this procedure
and that we attempt to convince the 1971 Legislature
of the desirability of again using the technique fol-
lowed in the past.

Chancellor Humphrey suggested the problem is now one of
whose money does the University spend first.

Mr. Bilbray asked why the University could not spend the
$117,000, suggesting that it be given to UNLV. Mr. Hum-
phrey explained that the University could expend funds
only within the limits of the authorized expenditure,
and the only way the University could exceed that limit
would be to request and receive the Governor's approval
to increase the authorized expenditure ceiling. He stated
that such a request would result in adverse legislative
reaction, unless it were fully documented as an exceptional
or of an emergency nature.

Mr. Walsh asked if there might be a constitutional problem
in so far as the Board's authority over non-appropriated
money.

Chancellor Humphrey said that in view of discussions with
the Legislative Committees, he would rather have the Board of Regents Say, "we disagree but we will comply."

Mr. Bilbray suggested the Board of Regents might be guilty of breach of responsibility if they turned the money back to the State. Chancellor Humphrey recommended that if this were the case, the next best action would be to escrow the money.

Mr. Hug pointed out that the Chancellor had gained the confidence of the Legislature and its committees and was aware of the feelings of the Legislature in this matter. He cautioned against taking action contrary to the Legislature's expressed wishes, suggesting that such action might cause the University to lose the ground gained during this session.

Mr. Bilbray stated that he would prefer to go back to the Governor with a request and worry about the Legislature next year.

Motion by Mr. Grant, seconded by Mr. Seeliger, carried with Mr. Bilbray opposing, that the Chancellor's recommendation be approved.
40. Institutional Memberships

Mr. Humphrey submitted a list of institutional memberships held by the University of Nevada System or by one of its Campuses, noting that it was provided at this time for information and required no action. He noted that he would bring back at a subsequent meeting a list of these memberships divided between the Campuses.

41. DRI Deficit Accounts

Mr. Humphrey commented on the amount of work which Mr. Warburton has been doing to straighten out the business affairs of DRI, noting that he has to date done a particularly fine job of resolving the deficit accounts.

After a thorough review of all such deficit accounts, Mr. Humphrey stated, it was concluded that 8 accounts, with a total deficit of $58,568.26 should be called to the attention of the Board and special arrangements made for repayment. He noted that none of the accounts have revenue sources sufficient to cover the identified deficits. The accounts are as follows:
1-33-6000 - General Administration-Water Resources

   Cost reimbursement account expended in excess of contract. $1412.56 not recoverable.

1-33-6032 - Dissolved Constituents Natural Waters

   Cost reimbursement account expended in excess of contract. $1191.69 not recoverable.

2-33-7501 - Red Rock Area

   Cost reimbursement account expended in excess of contract. $454.91 not recoverable.

1-33-7004 - Application of Stimulation Theory

   Cost reimbursement account expended in excess of contract. $2804.01 not recoverable.

1-16-3073 - Software Development

   Expenditure for research support not covered by receipt from indirect cost earnings. $4814.56 not recoverable.

1-20-3035 - Fleischmann-DRI Stead Building and Facilities

   Overexpenditure in renovation of Sage building.
$3765.05 not recoverable.

1-20-3050 - Water Resources Small Projects

Laboratory of Industrial Research (formerly principal support was Sea & Ski Company) accumulated overexpenditure. This account can now be operated on a break-even basis.

$34,769.44 not recoverable.

1-41-4069 - DRI Shop Account

Machine Shop expenses originally planned to be charged to Bureau of Reclamation contract. Changes on final work program for this contract precluded these charges. $9356.04 not recoverable.

Chancellor Humphrey recommended that the Board of Regents direct that:

(1) in closing the FY 1968-69 books, all balances of DRI accounts, indirect cost accumulation and any discretionary funds, be transferred to cover these deficit accounts (it is estimated that as much as $25,000 might be available);
(2) the balance of the deficit be repaid during 1969-70 from DRI indirect cost revenue by transfer during the year as such monies are received; and,

(3) in preparing the DRI Financial Plan for 1969-70 for presentation to the Board in July, this repayment be taken into consideration.

Chancellor Humphrey also noted that the reimbursement cycle of some DRI cost reimbursement accounts is unduly long and contrary to the best interests of the University. He recommended that the DRI Administration make every effort to reduce the reimbursement cycle of such accounts, securing advances whenever feasible, and that no new accounts with a cost reimbursement cycle in excess of 3 months be accepted without specific authority from the Board of Regents. He also recommended that the Board direct that no expenditures be made in anticipation of receipt of a binding grant or contract unless DRI discretionary monies, unobligated for any other purpose, are available to fully cover such expenditures and, further, that such expenditures be reported to the next meeting of the Board of Regents.
Mr. Seeliger moved that the Chancellor's recommendations be approved. Motion seconded by Mr. Bilbray.

Mr. Warburton stated that he agreed with most of the Chancellor's recommendations. He noted, however, that the subject of reimbursement cycle is of great concern pointing out that DRI is almost always 1/2 million dollars in arrears in billing. He requested consideration by the Regents of a contingency reserve for the Institute. Mr. Warburton also stated that he was in agreement with the recommendation that specific authority be requested to accept grants; however, he expressed concern about the last recommendation of the Chancellor. He explained the procedures followed by many agencies; i.e., that verbal authority would be given to spend money at a certain level.

Chancellor Humphrey said he was concerned about the lack of a written contract or agreement, cautioning that the University should not expend money beyond that which is in reverse to cover that expenditure.

Mr. Warburton stated that DRI has never spent money it did not have. Chancellor Humphrey stated that if they
had not done so in the past, why should they be concerned about a recommendation that they not do so in the future.

He further stated that unless a contract is in writing, the University should not gamble in excess of the "money in the bank".

Motion carried without dissent.

42. Funding of Recruitment and Screening Committees

Chancellor Humphrey stated that funds should be provided to pay expenses of the Recruitment and Screening Committees for the Director of DRI and the Director of the Community College Division. He recommended that $2500 be made available to each Committee from the Board of Regents Special Projects Account.

Motion by Mrs. Knudtsen, seconded by Mr. Grant, carried without dissent that the above recommendation be approved.

43. Approval of Purchase in Excess of $5000, UNR

President Miller reported that the following bids had been received for the printing of a bulletin on Lincoln County
by the Mackay School of Mines:

A. Carlisle & Co.  
2000 copies  $9,004.12

Reno Printing  
9,146.60

Silver State Press  
no bid

President Miller recommended that a contract be awarded to

A. Carlisle & Co. in the amount of $9004.12. Chancellor

Humphrey concurred.

Motion by Mr. Bilbray, seconded by Mrs. Knudtsen, carried

without dissent that the above recommendation be approved.

Mr. Bilbray asked if it was necessary for the Board to

concern itself with purchases of this amount. Mr. Hug

reviewed the history which had precipitated the adoption

of this policy. Mr. Seeliger noted that this kind of

action does not take much time and does keep the Board

informed.

Meeting adjourned at 3:50 P.M.

06-06-1969
