The Board of Regents met on December 1-2, 1994 in Rooms 201 and
202, Donald Moyer Student Union, University of Nevada, Las Vegas.

Members present: Dr. James Eardley, Chairman
Mrs. Shelley Berkley
Dr. Jill Derby
Mr. Joseph M. Foley
Mrs. Dorothy S. Gallagher
Mr. Madison Graves, II
Dr. Lonnie Hammargren
Mr. Daniel J. Klaich
Mrs. Nancy Price
Mrs. Carolyn M. Sparks
Mrs. June F. Whitley
Others present: Chancellor Richard Jarvis

President Anthony Calabro, WNCC

President Joseph Crowley, UNR

Interim President Rita Gubanich, TMCC

Interim President Kenny Guinn, UNLV

President Richard Moore, CCSN

President Ron Remington, NNCC

Vice President Dale Schulke, DRI

Mr. Donald Klasic, General Counsel

Dr. Tom Anderes, Vice Chancellor

Dr. John Richardson, Vice Chancellor

Ms. Mary Lou Moser, Secretary

Also present were Faculty Senate Chairmen (or their representatives) Richard Finn (WNCC), Chris Gaub (Unit), Scott Hawkins (NNCC), Dan Mc Clure (TMCC), Barbara Nelson (CCSN), Marsha Read (UNR), James Stivers (UNLV), and John Watson (DRI), and Student Association Officers.

Chairman Eardley called the meeting to order at 10:45 A.M. Thursday, December 1, 1994, with all members present except Regents Foley and Hammargren.

1. Report and Recommendations of the Investment Committee
A report and recommendations of the Investment Committee was made by Regent Daniel Klaich, Chairman.

The following action items were approved by the Investment Committee:

1. Handbook Change and Addition, Policies Regarding Gifts and Additions to the Endowment - to grant permanent status to any funds placed by the Regents at their discretion in the permanent endowed pool. This policy will protect the endowed pool and the amount of funds UCCSN is able to distribute to the institutions, and will also protect the Regents from political pressures.

2. Request for Proposal for Custodial Banking Services for a five-year contract to begin January 1, 1995 through December 31, 1999, with an option to renew for a two-year period to be awarded to First Interstate Bank of Nevada.

3. Acceptance of Sale Offer of $200,000 on property located on Sinclair Street, Reno, which is part of the Budd Pecetti 1990 Revocable Living Trust. The UNR School of
Medicine is one of the two beneficiaries of the Pecetti Trust.

4. Establishment of the following endowments for CCSN:

Russ Anderson Endowment

Wogali (Worry, Garrett, Liola) Endowment

CCSN Endowment

Mr. Klaich moved approval of the report and recommendations of the Investment Committee. Mrs. Sparks seconded.

Mrs. Berkley stated that she shared the concerns as presented during the Committee meeting by Interim President Guinn regarding the Summer School Endowment. She did not think it was appropriate to place these funds into an endowment account and felt that the Board of Regents had been lied to in the past on this issue. Mrs. Berkley stated that she would be voting against the motion, due to this particular issue.

Mr. Klaich stated that the funds have already been placed in the endowment pool. Mr. Klaich stated that although Mrs. Berkley's statements may be true, it does not apply
to the motion. He did not feel it was appropriate to discuss this issue at this time. Mr. Klaich explained that a "quasi-endowment" encouraged donors to think that their gift was not being placed in the actual endowment account, but the current policy has removed that impression. During the Investment Advisory Staff meetings, consultants have advised UCCSN to be careful where real estate money is placed and it is because of this advice the policy has been revised.

Dr. Hammargren entered the meeting.

Mrs. Whitley questioned President Moore on the CCSN endowments as to what accounts have been pooled into these endowments, and President Moore was unable to answer the question at this time, but will report back to Mrs. Whitley on her inquiry.

It was explained that under this proposed policy, the earnings of those endowment shares would be restricted to the request made by the donor.

Mrs. Sparks questioned whether the UNR Summer Session budgets' large ending balances are used in the same manner as
at UNLV, and President Crowley explained that no student
money is involved and that the large ending balances have
been a result of indirect cost recovery dollars and a gift
from International Game Technology. The Summer Session
program has a long term view with regard to their account.

Upon questioning, Mr. Klaich explained that it was his
understanding that about ten years ago a request was made
of the Board of Regents to endow the remaining balance of
the Summer Session Budget. He could not recall the exact
reason for this request, but speculated it was to build
an account and earn interest income to be used for Summer
School students. He stated that an option for these funds
could be to extract these funds and return them to UNLV
to be utilized by the President in the general fund of the
institution. Mr. Klaich recommended against that option.

A more positive suggestion is to insure that income would
be specifically utilized as scholarships by Summer Session
students.

Dr. Guinn agreed with that suggestion, and added that the
income should be placed with the scholarship office and
equally dispersed. Students should be the recipients.
Motion carried.

Chairman Eardley stated that he understood the intent of this endowment was to raise funds for construction of a new building for the Summer Session Program.

2. Report and Recommendations of the Academic, Research and Student Affairs

A report and recommendations of the Academic, Research and Student Affairs Committee was made by Regent Dorothy Gallagher, Chairman.

The following action items were approved by the Academic, Research and Student Affairs Committee:

1. AAS Deaf Studies, CCSN

2. Institute for Business and Industry's Industrial Safety Training Center, TMCC

3. M. S., Ph. D. Biomedical Engineering, UNR

4. Addiction Training Center, UNR

5. Department Move, UNR - to move the Department of Computer Science from the Mackay School of Mines to the College of Engineering at UNR
Mrs. Gallagher moved approval of the report and recommendations of the Academic, Research and Student Affairs Committee. Mr. Klaich seconded. Motion carried.

3. Report and Recommendations of the Audit Committee

A report and recommendations of the Audit Committee was made by Regent Nancy Price, Chairman.

The following action items were approved by the Audit Committee:

1. Request for Proposal for External Auditors, UCCSN - selection will be for a 3-year period ending June 30, 1997 and the recommendation will be made by a 9 member selection committee that represents the entire UCCSN.

2. Audit Report and Recommendations, Center for Business and Economics, UNLV

3. Audit Report and Recommendations, Office of Undergraduate Admissions and Records, UNLV

4. Audit Report and Recommendations, ASUN Bookstore, UNR

5. Audit Report and Recommendations, Upward Bound, UNR

6. Audit Report and Recommendations, Lawlor Event Center,
The following information items were reported to the Audit Committee:

1. Audit Requirements Defined in Contract of New Basketball Coach, UNLV - additional information will be reported to the Committee in the future.
2. Follow-Up Report on Intercollegiate Athletics, UNLV
3. Follow-Up Report on Athletic Development Department, UNLV
4. Follow-Up Report on Intercollegiate Athletics, UNR
5. Follow-Up Report on Cashiers Office, UNR
6. Report on Theft/Embezzlement
7. Developing a Plan of Action, per the Quality Assurance Review and the June 1994 Meeting on the Future of Internal Audit - a meeting will be scheduled to discuss this issue in great detail.

Mrs. Price stated that the same process used by the Investment Committee in selecting the Custodial Bank will be used to select the external auditing firm.

Mrs. Price noted that the theft and embezzlement report
will be continually updated, and that this first report covered 1 1/2 years.

Mrs. Gallagher left the meeting.

Mrs. Price moved approval of the report and recommendations of the Audit Committee. Mrs. Sparks seconded. Motion carried.

4. Report and Recommendations of the Status of Women Committee

A report and recommendations of the Status of Women Committee was made by Regent Jill Derby, Chairman.

Dr. Derby announced that Dr. Richard Moore will serve on the Committee.

A joint meeting of the Regents' Committee on the Status of Women and the Campus Status of Women Committee Chairs was held October 19, 1994.

The following information items were reported to the Status of Women Committee:
1. Updated Campus Implementation Plans - the Campus Committee Chairs presented updated implementation plans to the Committee.

2. Review of Data Requirements: annual Campus progress reports to the Board of Regents; sexual harassment incident reports; salary/job category data compilation; UCCSN Affirmative Action Report

3. Changes to the UCCSN Code - due to the legal nature of the document and the wide applicability of the provisions, the task of revising Chapter 6 is outside the expertise of the Committee and the Campus Chairs; therefore, the Committee agreed to seek assistance from Campus personnel with legal background who could work with UCCSN's General Counsel to draft proposed language to address the concerns.

4. Spring, 1995 Meeting - to be scheduled around the March 30-31, 1995 Board of Regents' meeting

Dr. Derby moved approval of the report and recommendations of the Status of Women Committee. Mr. Klaich seconded. Motion carried.
5. Introductions

Chancellor Jarvis introduced Dr. Richard Moore, President of CCSN, and Dr. Thomas Anderes, Vice Chancellor of Finance and Administration.

Mr. Klaich introduced Mr. Mark Alden, Regent-Elect.

Mrs. Berkley introduced Senator Bob Coffin.

The following introductions were made throughout the meeting:

Chairman Eardley introduced Interim President of TMCC Rita Gubanich.

Mr. Dale Schulke, Vice President of Finance and Administration at DRI, introduced Dr. Robert Wharton, Vice President of Research at DRI.

Dr. Ron Smith, Interim Vice President of Academic Affairs at UNLV, introduced Rebecca Mills who has been named the 1994 Nevada Professor of the Year by the
Chairman Eardley introduced Mr. David Phillips, Regent-Elect.

President Calabro introduced Misty Thompson and Kara Craig, WNCC Senators.

Jason Frierson introduced Allison Johnson, ASUN Senator.

Mrs. Gallagher returned to the meeting; Mr. Klaich left the meeting.

6. Approved the Consent Agenda

Approved the Consent Agenda, which contained the following (see Ref. A, filed in the Regents' Office).

(1) Approved the minutes of the regular meeting held October 6-7, 1994, the special meeting held October 19, 1994 and the special teleconference meeting held November 4, 1994.
(2) Approved the tenure on hire for Diane Barone, Department of Education, College of Education at UNR. This faculty member was previously tenured at UNLV.

(3) Approved the transfer of Dr. Friedwardt M. Winterberg's employment with tenure at the Desert Research Institute to employment with tenure at the University of Nevada, Reno.

(4) In accordance with Board of Regents' policy, Title 4, Chapter 3, Section 13.3, Sick Leave, approved the extended sick leave for David Wilkins, TMCC, from November 21, 1994 through June 30, 1995.

(5) Approved monies expended by the Thomas and Mack Center at UNLV for printing of a catalog in excess of the stated bid limit.

During late Summer, the Thomas and Mack Center solicited 3 phone quotes for printing the Fall catalog for the Rebel Store. Thomas and Mack personnel selected the lowest bidder (Burch Incorporated in Benton Harbor, Michigan) and agreed to pay $11,507 for the printing. This amount was considerably lower than
either of the other bids; however, the Thomas and Mack Center failed to follow the bid process mandated by the Board of Regents involving the purchase of items costing $10,000 or more.

(6) Approved the authorization to utilize General Improvement Funds at WNCC in the amount of $5000 for the purpose of providing proctors and other services associated with placement testing. This request will help ensure that students are placed for success. Consequently, completion and retention rates will be improved.

(7) Approved the authorization to utilize Capital Improvement Fee Funds at UNR in the amount of $250,000 to continue to expand fiber optic capabilities on Campus. Projects planned for this year include expansion of the north-south Campus link backbone to allow additional individual users and allow future addition of video and voice services, purchase routers to control switching and provide more efficient use of multiple fiber optic lines, install Ethernet hubs in Sarah Fleischmann and Mack Social Science, enhance fiber
link to Physics and Fransden and, purchase additional network software/hardware for rapid repairs.

(8) Approved the authorization to utilize Capital Improvement Fee Funds at TMCC in the amount of $110,444 for the following projects at TMCC:

Western Addition Project $ 60,444
Furniture, fixtures and equipment

New Library Building 50,000
Furniture, fixtures and equipment

(9) Approved the authorization to utilize Capital Improvement Fee Funds at UNLV in the amount of $250,000 for the continued lease of trailers at UNLV.

The estimated lease cost for FY 1995 is $250,000.

UNLV has 33 mobile units on lease with planned reduction and probable phase out by the end of FY 1998.
The mobile units provide 38,000 sq. ft. of space which is used primarily for faculty offices and restrooms.
Approved for authorization to utilize Capital Improvement Fee Funds at CCSN in the amount of $104,500 for the following projects at CCSN:

Construction of growing beds for $18,750
newly erected Greenhouse on the Henderson Campus

Retrofit a vacant area on the second 9,750 floor into a room that can be utilized for exercising, including doors, heating and air conditioning, tile floors, lighting and sheetrock

Construction of video camera loft in the 12,500 control room of the large lecture room to accommodate long distance learning

Installation of a sliding window to 1,500 accommodate a more efficient monitoring system in the Physical Education area

The remodeling of Sahara West Center was 35,000 accomplished during August and September
with operating dollars. The institution

is requesting Capital Fee dollars so the

Physical Plant operating accounts can be

reimbursed. The retrofit had to take

place so that classes could begin, thus

the reason for not requesting Capital Fee
dollars prior to beginning the remodeling.

Retrofit existing lights in the Art Gallery 19,500
to provide adequate lighting for Art Shows,
Cheyenne Campus

Retrofit two separate spaces to create an 7,500
enhanced working environment and maximize
space utilization, creating one office
complex and one work area, Cheyenne Campus

(11) Approved the following appointments to Advisory
Councils at UNLV:

A. Civil and Environmental Advisory Committee - add
Mr. Calvin Black

B. Information Science Research Institute (ISRI)
Advisory Board - delete Dr. Barbara Cerny and Dr. Mike O'Donnell; add Dr. Donald R. Morrison and Mr. Daniel J. Graser

(12) Approved the following additional appointments to a Rural Advisory Committee for the University of Nevada School of Medicine:

Robert Hammond
Joan Hall, R. N.
Virgil Getto

(13) Approved a 5 1/2 year contract with Pepsi Cola Bottling Co. for advertising and pouring rights for UNLV.

(14) Approved the Self-Supporting Budgets at UNR, as follows:

Mackay School of Mines
Indirect Cost Recovery

1993-94 1994-95

(15) Approved the following interlocal agreements:

A. UCCSN Board of Regents/UNR and the Nevada Army National Guard (Interlocal Contract)

Effective Date: Date approved by the Board of Regents though March 29, 1996

Amount: $41,731.56 to UNR

Purpose: To develop a comprehensive planning document which will identify the status of national resources located on lands under its jurisdiction and correlate these resources with long term budget requirements and the mission of the Nevada Army National Guard.

B. UCCSN Board of Regents/UNR and the Nevada Housing Division (Interlocal Contract)

Effective Date: Date approved by the Board
through June 30, 1995

Amount: $34,996 to UNR

Purpose: To identify other relevant agencies which control resources that could be used for housing and community development programs; to develop a consolidated plan.

C. UCCSN Board of Regents/UNR and the Nevada Housing Division (Interlocal Contract)

Effective Date: Date approved by the Board through June 30, 1995

Amount: $7,500.72 to UNR

Purpose: To conduct a semi-annual Washoe County Housing Conditions Report.

D. UCCSN Board of Regents/UNR and the State Industrial Insurance System (Interlocal Contract)

Effective Date: September 1, 1994 through March 30, 1995

Amount: $29,187 to UNR
Purpose: UNR to evaluate current SIIS client database to determine the information and format available, for a report analyzing recent client service utilization.

E. UCCSN Board of Regents/UNR and the Nevada Division of Wildlife (Interlocal Contract)

Effective Date: February 1 through March 31, 1995

Amount: $6,600 to UNR

Purpose: Use of University Inn between 2/1/95 and 3/31/95.

F. UCCSN Board of Regents/UNR and the Nevada Office of Protection and Advocacy (Interlocal Contract)

Effective Date: November 1, 1994 through June 30, 1995

Amount: $7,500 to UNR

Purpose: To produce quarterly newsletter entitled "Nevada Times" on topics of concern to Nevadans with dis-
With regard to item (13), above, it was explained that CCSN would like to be relieved of this contract because they have a different type of deal that is a profit maker to the College. However, UNLV would like to continue with this contract and General Counsel Klasic stated that it was his understanding that only 5 year employment contracts would be presented to the Board for consideration.

Mrs. Sparks moved adoption of the Consent Agenda and approval of the prepared agenda with the authority to change the order of items as specified throughout the meeting. Mrs. Gallagher seconded. Motion carried.

The open meeting recessed at 11:20 A.M. for lunch and reconvened at 1:15 P.M. Thursday, December 2, 1994 with all members present except Regents Derby, Hammargren and Klaich.

7. Chairman's Report

Chairman Eardley announced the members of the Regents ad hoc TMCC Presidential Search Committee, as follows:
Dorothy Gallagher, Chairman

Mark Alden

Shelley Berkley

Madison Graves, II

Nancy Price

The Committee will seek members to serve on the Institutional Advisory Committee prior to its first meeting.

The ad hoc WNCC Presidential Search Committee will hold its organizational meeting on Monday, January 9, 1995, at WNCC, Carson Campus.

Dr. Derby returned to the meeting.

8. Chancellor's Report

Chancellor Jarvis reported that he has been meeting with various constituencies around the State: he had had meetings with faculty, staff and students on the WNCC Carson and Fallon Campuses, UNR, TMCC, CCSN, DRI and UNLV Campuses; Governor and Mrs. Miller; State Budget staff; and the senior staff of the Legislative Counsel Bureau. Plans are to meet with the editorial boards in Nevada, and to begin meeting
Accountability has been the issue dominating most conversations, and that will be addressed at this meeting as will the reassignment of Administrators to faculty. Accessibility must be addressed by the System. There is a large population of unserved students in Nevada, particularly in the southern part of the State. Enrollment has not kept pace of the growth of the State. Resources and revenue streams are other key issues to be addressed. The System must get beyond the flat enrollments of the past few years.

9. Information Only: Regents' Workshop

A Regents' Workshop was held on Faculty Workload. The Campus Academic Vice Presidents along with the System Office of Academic Affairs presented a workshop on faculty workload and faculty productivity. An overview of workload and productivity issues were presented followed by Campus presentations on faculty activities. Chancellor Jarvis explained that this presentation of faculty members gave a picture of what it means to be a faculty member. A video was presented. Dr. Phillip Boardman, UNR, acting as
moderator, related that over 30 people had helped with
this project on video and publication.

Mr. Foley left the meeting.

Dr. Boardman stated the faculty members were very pleased
to attend this meeting. Further, a study on workload is
underway and will be presented to the Board shortly. He
introduced the following faculty who were present: Robert
Albeert, Kathleen Boardman, Cindy Canuthers, Jane Haven,
Mark Meerschaert, David Sanders and Virginia Vogel.

Dr. Hammargren returned to the meeting.

Presentations were made by:

Anne Mc Dounnough - the importance of advising students

Joe Del Rosario - carrying instruction out in the
workplace

Dr. Hammargren left the meeting.

Linda Stetter - importance of bringing individuals
from business/industry/agencies
into the classroom with the students

James Deacon - research and creating educational opportunities

Scott Hawkins - technology programs/working with industry needs

Dr. Hammargren returned to the meeting.

Richard Finn - counseling, advising and teaching

Scott Casper - working with graduate students

Mrs. Berkley expressed her appreciation for the faculty.

Mrs. Sparks requested the brochures be sent to Legislators. Dr. Derby stated she appreciated hearing from the faculty. Mr. Graves stated he was very proud to be sitting as a Regent and admired the dedicated faculty. He cautioned that those few faculty who are not as dedicated, cause a negative public perception and that when the faculty workload is presented he would expect an explanation for those faculty reported as not teaching a full load. Mrs. Gallagher suggested that the focus with the Legislature and public should be on what faculty does produce – the education of the students and the very excellent job that
is being done.

The meeting recessed at 2:45 P.M. for a dedication and tour of
the new Robert L. Bigelow Physics building. The meeting recon-
vened at 8:35 A.M. Friday, December 2, 1994 with all members
present except Regents Hammargren and Klaich.

10. Approved Emeritus Status, UNLV

Approved to grant emeritus status as UNLV as follows:

Joseph C. Cathcart, Director of Purchasing and
Contract Management Emeritus, effective October 6,
1994.

Mrs. Sparks moved approval to grant emeritus status to
Joseph C. Cathcart. Mrs. Gallagher seconded. Motion
carried.

11. Information Only: Appointment, UNLV

Interim President Guinn has announced the appointment of
Dr. Ron Smith as Interim Senior Vice President/Provost,
effective October 11, 1994 at an annual salary of $120,000.
Dr. Cheryl Bowles has been appointed Interim Dean of the Graduate School.

12. Approved the Fall 1994 Enrollment Report

Ms. Karen Steinberg, Director of Institutional Research, presented the official Fall 1994 enrollment report. Ms. Steinberg summarized Campus and System data, and presented information concerning enrollment by gender, racial/ethnic designation and full-time/part-time status. The report is filed in the Regents’ Office. It will be forwarded to the State Budget Office.

Current enrollment for UCCSN is a total of 65,598 State-supported students. In addition, all Campuses enroll students in non-State supported programs such as continuing education, correspondence courses, community services, and contract education program. The Community Colleges reported an additional 18,223 students (unduplicated headcount) in self-supported programs.

Following a decline in FTE and headcount student enrollment in the Fall of 1993, enrollment in the UCCSN experienced a modest increase in the Fall of 1994. The Fall 1994 State-
supported headcount enrollment of 65,598 students is an increase of 0.73% from total System enrollment in Fall 1993.

Fall 1994 FTE enrollment increased by 1.3%, to a total enrollment of 36,088 full-time equivalent students.

Systemwide, State-supported Fall headcount enrollment has grown 61.5% from 1984 to 1994. In 10 years, enrollment has grown from 40,613 students to 65,598 students, an increase of nearly 25,000 students. Total enrollment in the four Community Colleges has increased by more than 63%, from 20,197 students in 1984 to 32,980 in 1994. The 12,783 student increase at the Community Colleges from 1984 to 1994 accounts for 51% of the total System headcount enrollment growth over this period.

Systemwide Fall FTE enrollment has grown 69.2% from 1984 to 1994, a larger growth rate than headcount enrollment over the same period. Over the 10-year period 1984 to 1994, Systemwide FTE enrollment has grown from 21,331 to 36,088, an increase of 14,757 FTE students. Total FTE enrollment in the two Universities has increased 59.6% from 14,165 in 1984 to 22,603 in 1994. This increase of 8,438 students accounts for 57 of the total System FTE enrollment growth from 1984 to 1994. FTE enrollment in the four Community
Colleges increased 6,319 FTE students from 7,166 in 1984 to 13,485 in 1994, a growth rate of 88.2%.

The majority of UCCSN students attend on a part-time basis.
33% of 1994 students attend UCCSN Campuses full-time, an increase over the proportion of students who attended full-time in 1993. 85% of Community College students attend part-time, and 49% of University students attend part-time.
56% of students attending UCCSN Campuses are women, and 73.6% are white.

Mr. Graves questioned the proportion of full-time and part-time students in UCCSN. Mrs. Steinberg stated that UCCSN has far more part-time students than other States, probably because of the State's economy. Mr. Graves requested additional information at the next meeting.

Mrs. Price questioned whether an attitude study has been done. Mrs. Steinberg reported that UNR and UNLV may have information that would be made available.

Mrs. Berkley stated she was concerned with the flat enrollment at UNLV when Las Vegas is the fastest growing community in the country. A discussion on enrollments, funding and
legislative strategy with enrollments ensued.

Chancellor Jarvis related he had reviewed the last several years of constrained budgets and flat enrollments, and found that there has been progress with diversity, which is very encouraging and shows that the Campuses have good, strong efforts in this area. There is a concern, however, for the black minority which does not show an increase.

He continued that graduate education has increased. Chancellor Jarvis stated that there is a growing backlog of students for UCCSN to consider and that unserved and growing population must be addressed. At the same time, UCCSN cannot abandon quality for its students.

Mrs. Berkley moved to accept the enrollment report. Mrs. Gallagher seconded. Motion carried.

13. Information Only: Outstanding Faculty Recognition

At the request of the Board of Regents, each Faculty Senate Chairman reported on the outstanding faculty achievement for the institution. Ref. B is filed in the Regents' Office.
Mrs. Whitley left the meeting.

14. Information Only: Outstanding Students Recognition
At the request of the Board of Regents, each Student Government Officer reported on the outstanding student achievement from the institution. Ref. C is filed in the Regents' Office.

University of Nevada, Reno

Janelle R. Silva

University of Nevada, Las Vegas

Graduate Students:

Shawn Cruzen
Kenneth Maurice Harlan
Michael Lee Rodrique, II
Nicole Thomas

Western Nevada Community College

Jacquelyn M. Schneider

Northern Nevada Community College
Mrs. Whitley returned to the meeting.

15. Information Only: Outstanding Classified Employees

At the request of the Board of Regents, each President reported on the outstanding classified employees' achievement from the institution. Ref. D is filed in the Regents' Office.

A sort recess was called, and upon return all members were pres-
16. Information Only: Public Comment

Ms. Toni Horne, ASTM President, commented on the presentation by faculty stating that they had been very modest in their remarks; that the faculty does a lot more for the students going above and beyond what they are asked to do. She declared that the faculty deserves a great deal of recognition and they are really appreciated by the students.

17. Information Only: UCCSN Mission Statement

The UCCSN Planning Schedule calls for Board Review and approval of the System Mission Statement in December 1994/January 1995. The System Mission Statement is the first component in the UCCSN integrated planning process that includes the System strategic directions, Campus mission statements, academic master plans, and capital and budget priorities. The current mission statement, contained in Ref. E and filed in the Regents' Office, was approved by the Board in November 1992.

Vice Chancellor Richardson discussed this mission statement.
and requested Board action on a UCCSN mission statement at the January Board meeting.

18. Report and Recommendations of the Ad Hoc UNLV Presidential Search Committee

A report and recommendations of the ad hoc UNLV Presidential Search Committee was made by Regent Jill Derby, Chairman.

The following information and action items were reported to and approved by the ad hoc UNLV Presidential Search Committee at its October 14, 1994 meeting:

1. Publication of the Leadership Statement - UNLV News and Publications Department provided camera-ready copy of the position announcement and published the Leadership Profile.

2. Position Announcement was approved. The date of November 28 was set to begin review of applications. The application files are maintained in the President's Office at UNLV, with a set of files to be sent to the Regents' Office in Reno.
3. Consultants - Four search firms had been contacted and two made presentations. The consultant is to help identify candidates and persuade them to allow their names to be used in the pool; however, Committee members, Chancellor Jarvis and Regents will also assist in the recruitment of candidates. Applications will be open.

4. Interviews of Search Firms - The Committee chose to hire Dr. John Phillips, A. T. Kearney Company, as a consultant to the Committee.

5. Procedures - The position announcement would be placed in publications immediately.

The following action and information items were reported to and approved by the ad hoc UNLV Presidential Search Committee at its October 25, 1994 meeting:

1. A fee of $30,000 for the services of Dr. John Phillips, A. T. Kearney Company, for a full range of consultant services for the UNLV Presidential Search.

2. Advertisements have been placed in the "Chronicle of
Higher Education", "Black Issues" and "Hispanic Hot-
line".

3. The new President must have an academic background with
administrative experience at the institutional level.

4. All correspondence and files would be maintained by
the office of the Vice President for Development Lyle
Rivera, with the assistance of Ms. Dianne Redsull, As-
sistant to the Vice President.

5. Assignments were made and a calendar was adopted:

December 6, review of applicants/develop evaluation
criteria of applicant files

December 19, begin formal screening process/determine
top 20-25 candidates/assignments for further recruiting

January 11, determine semi-finalists/develop and ap-
prove interview documents

January 21-22, interview semi-finalists
January 30-February 10, visits by candidates to Las Vegas and Reno

February 15, finalists recommendation

February 17, special meeting of Board of Regents,

interviews with finalists

February 23-24, Board of Regents Meeting, appointment

of President

Dr. Derby moved approval of the report and recommendations

of the ad hoc UNLV Presidential Search Committee. Mrs.

Gallagher seconded. Motion carried.

19. UCCSN 1993-97 Legislative Planning Report

Nevada Revised Statutes 396.505 calls for the Board of

Regents to prepare a comprehensive System plan. Such

planning reports are published on a biennial basis and

forwarded to the Legislature at the beginning of each

session.

The UCCSN 1993-97 Planning Report focuses on the System
Strategic Directions and Agenda for Action, Campus academic plans and UCCSN budget priorities over the next 4 years.

An overview of students, degrees awarded and enrollment projections provides a profile of the UCCSN. The report is filed in the Regents' Office.

Mrs. Price left the meeting.

Dr. Richardson stated that a report of this magnitude requires a great deal of effort by a number of people and commended Sunny Minedew, Karen Steinberg, Tamela Gorden and Mary Anne Green.

At the last session, Dr. Richardson stated the report, which is mandated by the Legislature, was presented to two non-budget committees with an extensive overview. Much of the information is covered in other reports made by the UCCSN to the Legislature. This report is used, however, for many other purposes such as to distribute information to other agencies and other states, recruitment during the Chancellor and Presidential searches. It provides an overview of the System of where it is going and where it has been.
Mrs. Gallagher suggested an executive summary be prepared.

Mr. Foley suggested an advocacy document is needed and this could be used as backup. President Calabro stated this provides a consistent message for all institutions to use.

Mrs. Price returned.

20. Approved the Principles for Senior Administrator Reassignment to Faculty

Chancellor Jarvis presented a proposal concerning senior administrative reassignments to faculty. Working with the Presidents, he presented the following:

An Administrator returning to the faculty should be compensated for faculty work.

Salary recommendation should be based upon an evaluation by the Supervisor.
Professional development leave should be available in order for the Administrator to get up to speed in his field. Students, institution and System all will benefit. Administrator will present a proposal which will be reviewed by the Supervisor and appropriate length of leave will be determined by the Supervisor.

The process will be:

The Chancellor will determine the appropriate rank, term of contract, and salary that reflects a leading faculty member of discipline that the Administrator is returning to. If the Department does not have senior faculty members, the Chancellor will need the flexibility to research and make a recommendation to the Board. A professional evaluation and salary recommendation will be made by the Chancellor. Professional development leave will usually be for a semester.

These considerations should be applied to Presidents and Presidents will be asked to apply them to their Vice Presidents.
Mrs. Gallagher moved approval of the principles and process as presented. Mr. Foley seconded.

Mrs. Price questioned whether the Board would evaluate the President. Chancellor Jarvis stated he would evaluate the President and make a recommendation to the Board and the Board would evaluate the Chancellor. Mr. Graves reminded the Board that the Chancellor job description addressed this issue. He continued that this is the first step toward accountability. Mr. Graves stated he felt tenure should be offered when a President is hired.

President Crowley related that during his presidency he has taught introduction courses, but that if he were to go back to the classroom, he would need to "re-tool", because the technology has changed so much.

Motion carried.

Chancellor Jarvis and Vice Chancellor Anderes held a discussion on a process for periodic review of current insti-
Vice Chancellor Tom Anderes presented a handout outlining a procedure which would provide an early warning of fiscal stress. A committee of the financial officers will review all institutions on a regular basis and will inform the Chancellor of any possible discrepancies so that action can be taken. The Chancellor can then inform the Board as needed.

Mrs. Gallagher stated she was delighted with the concept and requested the Chancellor to have this put into policy. Vice Chancellor Anderes stated that the Presidents are in support of this concept. He stated that the deficit at UNLV would have been caught immediately with this process. A plan will be laid out on how the funds are expended, and as expenditures are made, major shifts or transfers will raise many questions. He continued that the intent is not to deny the flexibility of use of funds, but as changes in priorities occur, this process will identify and uncover significant problems. This will not be a hindrance on expenditures on funds by Presidents.

President Guinn stated that this is a shared process and
for it to work, the Chancellor will notify the President.

This will provide a flag so that changes can be made to
correct the situation.

Mrs. Sparks commended the Chancellor and Vice Chancellor
for the concept.

The open meeting recessed at 11:35 A.M. for lunch and reconvened
at 12:35 P.M. Friday, December 2, 1994, with all members present
except Regents Foley, Hammargren and Klaich.

The UNLV Choral performed holiday songs and invited everyone to
attend the Winter Choral Celebration.

22. Information Only: Preliminary Report on Differential
Tuition and Related Matters

Last Spring when the Board of Regents adopted tuition and
fee rates for 1995-97 staff were requested to bring back
information to the Board on differential tuition and re-
lated matters. Chancellor Jarvis and staff presented the
requested report. Ref. G, filed in the Regents’ Office,
provides background information.
Chancellor Jarvis stated this was the first of several proposals which will be made to the Board on matters related to tuition and fees. After discussion at this meeting, proposals will be presented for action at the January meeting.

A slide presentation on Differential Tuition was given.

The Good Neighbor Policy provides that students are charged current in-state fees plus 50%, which is less than the normal out-of-state tuition.

The WICHE/WUE program provides that students from WICHE states except California and Arizona may enroll. Nevada exports more students than come into the State through this program, and does not cap or restrict by volume and program.

The Children of Alumni Program provides students pay in-state fees plus 50%.

Grants in Aid are limited to less than 3% of the matriculated students of the previous semester.

Dr. Hammargren entered the meeting.
Of the 1,182 students enrolled in these programs, 1,140 come from California. The Good Neighbor enrollment began in 1988 with 253; there are 1,182 students enrolled in 1994. This is larger than Grants in Aid Program. Children of Alumni had 28 enrollees in 1992, and 219 in 1994.

There are 4 issues to be considered in these programs: rapid growth in enrollment; subsidy to California; possibly lost revenue; and probably reduced access for Nevadans. There is no reciprocity to Nevada students, except in certain California counties for Community College students.

Policy elements to be considered are: cap/reduce enrollments; grandfather current students in the programs; provide equity with cost of instruction; move all nonresident students to a tuition per credit.

Mr. Graves suggested a re-evaluation of the residency guidelines which were recently adopted. Dr. Derby questioned whether Nevada students were being denied access.

President Crowley related that the former residency policies were impossible to enforce and were into the direction of
what California was doing. Limits can be set on nonresident students, as is done in Nursing and Medicine.

Mr. Graves questioned the information received from NFA that Nevada is way below the national average in student aid and actually ranks 50th in the nation. Chancellor Jarvis replied that will be addressed during discussions on in-state tuition. He related that in January a proposal of the elements on these policies will be presented. Tuition and fees need to be discussed on Campuses with students before presenting any recommendations to the Board. It is, however, a continuing discussion on budgetary matters at this time. Mrs. Gallagher stated it would be smart to have a fall-back position due to possible legislative decisions which may be made concerning the UCCSN funding.

Vice Chancellor Anderes reported that in tentative discussions with the Governor's staff, UCCSN may be looking at a formula whereby the institutions would have to raise their tuition. They are interested in how higher education meets its highest needs. They have been very supportive.

Mrs. Berkley stated that a sensible tuition policy is
needed, but that she did not want to reverse her vote not to raise tuition this biennium. Only if additional provisions are given for the students would she change her vote.

President Crowley stated the tuition and fee increases were always painful; however, the object is to provide the best education for the students. He suggested that specific items might be guaranteed for students if tuition is raised. Mrs. Price asked that demographics of students and families be considered in any decisions.

Mr. Frank Cady, Susanville, California, presented information on Lassen County students attending UCCSN institutions under the Good Neighbor Policy. California Senator Lessly was instrumental in passing SB 2000 in California which allows for reciprocity for Community College students. He stated there were some 43 Lassen students attending Nevada institutions, and 58 Nevada students attending in Lassen County.

Mr. Ross Stevens, Susanville, stated that California has 3 separate systems and further research would be needed to assure reciprocity for University students. Mr. David
French, aide to Senator Lessly, stated that California provides funds to their institutions to offset the costs of Nevada students who attend their colleges.

Dr. Derby and Mrs. Whitley left the meeting.

Mr. French offered the assistance of his office to facilitate meetings with California representatives and to provide additional data of this great program.

A resolution from the Lassen County Commission was presented which stated that they supported the Good Neighbor Policy. Also, it was indicated that the State line is invisible because of shared watersheds and mountain ranges.

39% of their retail sales goes to Reno. Problems of water, roads and land use have often been discussed with the Washoe County Commission. Currently, internship programs are offered to UNR students. Many of the residents of northern California are more attached to the State of Nevada through these ties.

The Lassen Community College Faculty Senate President related that there are Nevada students at their College and that they rely heavily on UNR. They have faculty
members from UNR, and many of their faculty come back to
UNR for professional development.

ASUN President Jason Frierson urged that when the Board
considers in-state tuition increases, they keep in mind
benefits for the students from such increases. He stated
that students will do their part, but they must see these
benefits as a result of the increases. David Hernandez,
CCSN, related that many Community College students work,
are single parents and rely on financial aid. Tuition
raises could stop them from attending College.

ASB President Laura Burger spoke about being accountable,
and urged that the Governor also needs to be accountable
to higher education and the students. Toni Horne, TMCC,
stated that fees for students went up, but she felt
services went down. She continued that there is a need
to concentrate on Nevada and make higher education a top
priority in the State.

23. Approved Nevada Student Alliance

Approved the re-establishment of the Nevada Student Al-
liance, whose purpose is to give the students of the UCCSN
a unified voice before all Systems and legislative bodies.

Approved the Constitution of the Nevada Student Alliance
as contained in Ref. I, filed in the Regents' Office.

Mrs. Gallagher moved approval of re-establishing the Nevada
Student Alliance and its Constitution. Mrs. Sparks seconded. Motion carried.

Chairman Eardley stated the students can be a great help
in the Legislature. Mr. Frierson stated this will assist
in the Campuses pulling together and offered that they
are most willing to help during the legislative session.

24. Approved Amendment, UCCSN Code

Approved an amendment to the UCCSN Code, 1.5.4(a), Presidential Search Committee, as found in Ref. H, filed with
the permanent minutes.

As provided by policy, this document has been circulated
to Presidents and Faculty Senate Chairmen for comment.

General Counsel Klasic ordered a change to add the word
"technical" inasmuch as DRI has a technical employees
Mrs. Gallagher moved approval of the UCCSN Code amendment with the inclusion of the word "technical". Mrs. Sparks seconded. Motion carried.

25. Approved Handbook Change, Authority and Responsibility,

UCCSN

Approved a Handbook change, Title 4, Chapter 9, Section 3.4, Authority and Responsibility, as outlined below. This change is in response to a recommendation from the Quality Assurance Review presented to the Board at its October 1994 meeting.

Designing, installing and operating systems are not audit function; however, the internal auditor's objectivity is not adversely affected when the auditor recommends standards of control for systems or reviews procedures before they are implemented.

Mrs. Sparks moved approval. Mrs. Gallagher seconded. Motion carried.
26. Approved Sale of Property, CCSN

In view of existing budget constraints, approved the sale of approximately 13 acres of land located near I-5 and Washburn Road which was donated to CCSN, with the proceeds placed in the UCCSN Endowment Investment Account. Based on preliminary information of comparable property sales in the area, the sale of this property will generate approximately $200,000. The return from investment in the endowment account will provide annual resources to be used for faculty development activities.

Mrs. Sparks moved approval of the sale of property. Mrs. Berkley seconded. Motion carried.

27. Approved Sale of Property, UNR

Approved the sale of 160 acres located 13 miles east of Eureka for UNR. The Pinto Creek Ranch, which adjoins the land, has agreed to purchase the property for $60 per acre or $9600. This property has been rated by the Agricultural Extension Agent in Ely as "low to poor" range land, and in 1986 was valued at $40 per acre. Given the low appreciation rate in this area, $60 per acre appears to
be above market value. A new appraisal of the property
at this time would cost approximately $1000 nullifying
any possible gains in net proceeds.

A preliminary evaluation of information available on the
area by Nevada Bureau of Mines and Geology indicates the
likelihood of an economic mineral deposit is low. However,
as a condition of sale, the University will retain 100% of
all mineral and petroleum rights.

Mrs. Gallagher moved approval of the sale of property.

Mrs. Sparks seconded. Motion carried.

28. Approved Purchase of Property, UNR

Approved the plan to purchase a 40-acre parcel of property
known as the Burrus Mine located some 30 miles northeast
of Reno for UNR. This property will be developed into a
mining laboratory and used for teaching and research at
UNR. The Commonwealth Mine, which is currently being
used, is depleted of local natural resources and will be
replaced by the Burrus Mine in function.

The acquisition cost is estimated at $40,000, of which
$10,000 has been allocated by ASUN and $30,000 is being raised by the Nevada Mining Industry.

Mrs. Gallagher moved approval of the purchase of property.

Mrs. Sparks seconded. Motion carried.

29. Approved Purchase of Property, UNR

Approved the purchase of a single family residence at 1081 Evans Avenue for UNR. The agreed upon purchase price is $112,000. The property is situated within the University of Nevada, Reno Master Plan for land acquisition. This is one of the last remaining properties to be acquired on the west side of Evans Avenue.

Mr. Graves moved approval of the purchase of property. Mrs. Gallagher seconded. Motion carried.

30. Discussion of an Audit, UNLV

Recognizing the problems that have been identified, Dr. Hammargren requested an independent audit of the University of Nevada, Las Vegas to address future fiscal accountability, with the scope and cost of the audit to be recommended
to the Board of Regents by the Chancellor and the Audit Committee. He stated he felt the Board should posture themselves correctly before the Legislature declares an audit should be done. Mrs. Gallagher questioned why another audit should be commissioned when UNLV has been audited by outside auditors. Dr. Hammargren replied that it is the attitude that is important here. Mrs. Gallagher stated that another outside audit is not needed during the middle of a search for President at UNLV; that UNLV does not need anymore negative Press.

Mr. Graves moved to approve the concept in spirit. Mrs. Price seconded.

Mrs. Price stated there was nothing negative in this idea; that there have been audits, but only superficial audits. She stated that the Board does not know whether there are other "secret" contracts out there, and that this should be taken as a positive step and will assure that there will not be problems. She added that Presidential applicants want to see that UNLV is correcting its problems.

Mrs. Gallagher stated she was not objecting to taking steps to correct problems; however, if an audit is done, it will
come out of the budget. Steps have been taken to make corrections.

Mrs. Sparks stated that Dr. Guinn has reviewed every area and Department and should be consulted on whether there is any possible reason to revisit these areas that won't be handled by this new policy.

Dr. Guinn replied that mechanisms are in place to assure it won't happen again and that there is no need to do another audit. Changes have been made, and more will be forthcoming. No one has taken money that they shouldn't have.

Vice Chancellor Anderes stated that the Audit Committee is in the process of looking at audit functions and frequency. Additional auditors have been requested in the biennial budget and additional funds have been requested for the external audit function. He continued that this will deal with issues in the future and he wants to keep focused on the future.

Mrs. Berkley stated that the protection implemented should have a chance to operate, but if they do not work, she
pledged to propose this idea once again.

Motion failed on roll call vote:

Aye: Regents Price, Hammargren, Graves

Nay: Regents Sparks, Gallagher

Abstain: Regent Berkley, who stated she was not

against the principle of an audit, but it was

not appropriate at this time.

31. Information Only: Follow-Up Report, UCCSN Center for

Workforce Development

Regent Hammargren requested a follow-up report on a UCCSN

Center for Workforce Development. Dr. Robert Hoover, Vice

President for Academic Affairs at UNR, and Mr. Doug Burris,

Director of Community Colleges, presented the report. Dr.

Hoover provided a video presentation on manufacturing and

business/college partnerships.

32. Information Only: New Business

Mrs. Berkley stated she will request an agenda item to

discuss the controversy of the use of the name "University
of Nevada" by UNR.

The meeting adjourned at 3:15 P.M.

Mary Lou Moser
Secretary of the Board
