INTERNATIONAL STUDENT FEE

1. Position Statement

The recruitment, admission and advising of international students represents a tremendous cost to the University of Nevada, Reno. The logistical and administrative burdens of international students on the university are complex and expensive. Increased costs of international mailing, phone, facsimile, recruitment, specialized printing, translations and highly trained personnel forces the university to make difficult budgetary choices. These choices often leave international students short of receiving the proper levels of attention.

Because of the limited resources of the Admissions and International Student Office, the need for funding aimed directly at the international students is essential. These funds will be directly used to support programs pertaining to international students. Additionally, it is not proper to use funds dedicated to benefit university students as a whole, to support activities that benefit only international students.

2. Resolve.

International students will pay a \$100.00 per student, per semester, International Student Fee. The revenue for this fee will be used to sustain enrollment functions in the Admissions, Graduate, and International Student offices, supporting only international students.

| <u>Distribution of Revenue</u> | <u>Amount</u> |
|-----------------------------------|----------------------------------|
| Admissions Office | \$12.50 per student per semester |
| Graduate School | \$12.50 per student per semester |
| International Students & Scholars | \$75.00 per student per semester |

(B/R 3/03)

Section 11. Special Course Fees

It is the policy of the Board of Regents that the registration fee be the only fee assessed for taking a course except as outlined in this section. The reasons for these exceptions are extraordinary instruction costs due to: (a) individual instruction (e.g., private music lessons), (b) class supplies (e.g., welding), (c) third party charges for use of a facility (e.g., golf), (d) special transportation requirements, or (e) some combination of these reasons. Responsibility for implementing this policy is delegated to the Presidents up to a maximum of \$50.00 per course. Courses requiring fees higher than \$50.00 require Board of Regents approval and are listed below.
