SUBJECT: Special Course Fees

DATE: January 13, 2005

In accordance with Board of Regents Handbook, Title 4, Chapter 17, Section 19, *Special Course Fees*, CCSN requires an update to reflect program and course number changes. The fees currently reported are not new and have not been increased; however, this revision will accurately reflect the fees assessed for the various private music instruction courses.

CCSN	MUSA 257	N/A	\$210.00	\$210.00
CCSN	Transportation Technology (Automotive)	New*	-0-	\$250.00/ semester

*NOTE: The Transportation Technology fee is proposed for students enrolled in any Automotive course. The fee will not be assessed per course, but on a headcount basis.

Name of Fee: Private Music Instruction

Rationale for the Fee:

The private music and voice instruction fee was previously approved by the Board of Regents. The private music fee provides for individualized instruction for students who desire one-on-one instruction. The fee is utilized to compensate the instructor for payment and associated fringe benefits. This revision will update the handbook to reflect changes in course numbering associated through the implementation of common course numbering.

Number of Students Potentially Impacted by the Fee:

This fee will impact all students who choose to enroll in private music instruction. During Fall 2004 semester, 126 students, totaling 8.4FTE, enrolled in private instruction.

Location in the Handbook:

Title 4, Chapter 17, Section 19, Sub-Section 3.

Name of Fee: Transportation Technology Fee

Rationale for the Fee:

The Community College of Southern Nevada proposes a special course fee of \$250.00 per semester to be assessed to students who enroll in any course in the Automotive Technology discipline. This fee will not be assessed for each class, but per unduplicated headcount enrollment. The revenue generated will be utilized to support the development of Phase II of the Automotive Technologies Building.

The College will solicit local business and automotive industry affiliates to support students through a sponsorship program. Through this sponsorship initiative, local business and industry will be requested to pay the \$250.00 fee for students enrolled in the Automotive Technology Program.

Proceeds will be utilized to provide matching funds for the second phase of the Transportation Technologies Facility.

Number of Students Potentially Impacted by the Fee:

Based on Fall 2004 enrollment data, the College projects 459 students would have been affected in the current year. For the upcoming biennium it is projected that approximately 550-689 students will be impacted.

NAME OF FEE

Residence Hall Rates

RATIONALE FOR THE FEE

Local costs for natural gas, power, water, sewer, and garbage pick-up have all increased. This increase in fees will allow the housing program to compensate for those increases.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE

This change would affect all current and potential students of the GBC Student Housing Program. The increase in fees for the Married and Family units would only affect new residents.

3. Residence Suites Semester Rates

a. Regular semester

[\$1,250] \$1,400

b. Extended Semester Rates (Available for students attending 48-week occupational programs)

[\$1,500.00] \$1,650

Two to three students will share a suite consisting of 2-3 bedrooms, a kitchen, living area, and bathroom. Each student will have his/her own bedroom. All utilities are included except for telephone and cable television.

c. Other fees associated with the Residence Suites and Dorm Rooms

Deposit	\$100.00
Housing Agreement Process Fee	\$50.00
Cancellation Charge	\$100.00
Winter Break	\$100.00
Key Replacement	\$5.00
Mail Key Replacement	\$40.00

Note: These additional fees are not included in the residence hall rates described above. The application-processing fee is non-refundable. Full refund of the deposit is made only if the housing agreement contact is fulfilled.

Students may choose to pay in full before the start of the semester or they may choose to pay in four scheduled installments. Students that pay in full before the start of the semester will receive a \$50.00 discount. Students who choose to make installment payments will be charged a \$25.00 late fee if they are 5 or more days late.

d. Refund of Residence Suite and Dorm Room Fees

Room charges are refunded upon complete withdrawal from school or voluntary decision on the part of the student to move out. The schedule of refunds is as follows:

1-2 weeks 75%

3-6 weeks	50%
7-8 weeks	25%
9-16 weeks	no refund

4. Married and Family Apartment Rates

 (Utilities are not included)

Deposit	\$250.00
Housing Agreement Processing Fee	\$50.00
Cancellation charge	\$250.00
Key replacement charge	\$5.00
Mail Key Replacement Charge	\$40.00

Students will pay fees on a monthly basis. If payment is 5 or more days late, a late fee of \$25.00 will be assessed. Students will sign a lease consisting of the length of the semester and will be assessed a cancellation charge should they move out before the lease is complete. No refunds will be given.

5. Summer Session

Students in the residence suites and dorm rooms will pay a pro-rated amount dependent upon the amount of time they occupy the room. Married and family residents will pay on a monthly basis and may stay through the summer as long as they intend to register for classes in the subsequent fall semester.

NAME OF FEE

Late Payment Fee & Reinstatement Fee

RATIONALE FOR THE FEE

This change will allow the late fee to be easily assessed by the Controller's Office and will align GBC's policy with UNR and UNLV.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE

This change would affect all students that do not pay fees by the published due date.

NAME OF FEE: ATI Nursing Testing Fee

RATIONALE FOR FEE: This standardized testing program is provided by Assessment Technologies Institute, LLD. This testing service will be provided to students throughout their two years in the Nursing Program. The testing will be used to assess a student's comprehension and provide the teacher an opportunity to evaluate the student's knowledge in relation to competency in preparation for the NCLEX-RN (national licensing examination) prior to graduation.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE: All first year Nursing students are required to take NURS 317, Introduction to Human Caring: Theory. This fee would be attached to that course.

**PROPOSED
NEW AND REVISED STUDENT FEES
UNLV – FEBRUARY 2005 BOARD OF REGENTS’ MEETING**

1. NAME OF FEE: Application Fee – William S. Boyd School of Law

RATIONALE FOR THE FEE:

Since its inception in 1998, the William S. Boyd School of Law at UNLV has been fully accredited by the American Bar Association, has attained membership in the Association of American Law Schools, and has earned a strong reputation in the legal education community. The law school’s applicant pool has increased from 463 for Fall 1998 admission to 2,199 for Fall 2004 admission. Despite these significant changes, the law school’s application fee has remained \$40.

Given the number and quality of applicants over the past two years, an increase in the application fee likely would have little negative impact on the law school’s applicant pool, while generating useful funds for recruitment, increased application costs, and application processing purposes.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE:

All applicants (2,200+ for Fall 2005).

2. NAME OF FEE: Deposits (non-refundable) – School of Dental Medicine (to hold applicant’s place in class)

RATIONALE FOR THE FEE:

When applicants are accepted at most of the 56 dental schools in the United States, he/she is required to place a non-refundable deposit. This deposit at the dental school of their choice is a form of commitment to hold a place in the dental school’s next freshman class. When the applicant matriculates at that dental school, the amount of the deposit is deducted from their registration fees and / or tuition. There are five dental schools that do not have deposits, and

they are state-affiliated schools that accept in-state residents only. The rest have non-refundable deposits that range from \$100-to-\$2,500, with the average in the \$500-to-\$1,000 range. A large percentage also have a second non-refundable deposit later in the admissions' cycle, as a way of validating that the student is still committed to matriculating at that dental school.

These types of deposits are not uncommon for professional schools. Prior to the opening of UNLV's William S. Boyd School of Law, its administration requested, and the Board of Regents approved a deposit for entering students. *See Tit. 4, Ch. 17, Sec. 7.c. below.* UNLV's School of Dental Medicine (SDM) opened in 2002, and it has recently come to the administration's attention that requiring deposits would enhance the School of Dental Medicine's ability to recruit the most competitive applicants.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE:

Each year 75 students are admitted to the Program.

LOCATION IN THE HANDBOOK: Title 4, Chapter 17, Section 8.

PROPOSED REVISION

TITLE 4, CHAPTER 17

Additions in **boldface**; deletions [~~stricken~~ in brackets]

Section 8. Tuition and Fees, UNLV School of Dental Medicine

- d. All entering School of Dental Medicine resident and nonresident students must, according to the date specified in the acceptance letter for admission, make a \$500 non-refundable deposit to hold the applicant's place in the class. A second \$500 non-refundable deposit will be due June 1 for all entering School of Dental Medicine resident and nonresident students who were accepted prior to June 1 and paid the initial \$500 deposit. This second non-refundable deposit is required to continue to hold the applicant's place in the class. Both of these deposits will be applied towards registration fees and / or tuition.

All entering School of Dental Medicine resident and nonresident students accepted after June 1 must, according to the date specified in the acceptance letter for admission, make a \$1,000 non-refundable deposit to hold the applicant's place in the class. This deposit is required to hold the applicant's place in the class and will be applied towards registration fees and / or tuition.

3. NAME OF FEE: Orientation Fee – Vice President of Student Life

RATIONALE FOR THE FEE:

The University of Nevada Las Vegas (UNLV) Orientation Program is an important first step for academic success at the university. Orientation is designed to facilitate student transition into UNLV and is valuable for students experiencing college for the first time, as well as for those transferring from another institution and for those returning to college later in life. UNLV Orientation Program is the gateway for student matriculation and provides workshops

and activities designed to enhance interactions among faculty, staff, and students. Activities include structured workshops for students and parents, receptions, interactive sessions such as You're a Rebel, tours, and a closing ceremony to symbolize the transition into the UNLV family.

Since 1996, this fee has been \$60. The fee has paid for identification cards, facilities, staff, catalog, supplies, receptions, and welcoming activities. The fee has not kept pace with escalating costs. We propose an increase to \$90 plus a CPI adjustment increase for subsequent years. This increase will cover program expansion to more effectively meet student needs and contribute to first-year retention and persistence; in addition, the increase will address escalating costs.

The fee increase would provide students with the following additional benefits:

- Customized programming to meet specific needs of incoming students such as a track specifically designed for transfer students, for commuter students, and/or for residential students.
- An evening program for working students who cannot attend the current program.
- A parent/family education program that would provide information regarding completing a degree and methods for supporting the student.
- A second-day plenary session to engage students in the campus community and academic mission throughout the two-day orientation experience.
- A closing ceremony to initiate students to campus life.
- Additional welcome activities to orient students during the first week of classes.
- Enhanced peer leader and mentoring programs.
- Expanded implementation of the College Student Inventory, a student assessment tool that determines appropriate interventions to enhance student success.

NUMBER OF STUDENTS POTENTIALLY IMPACTED:

All newly enrolled students (approximately 7,000 per year).

4. NAME OF FEE: Private Instrument and Voice Instruction – Department of Music

RATIONALE FOR THE FEE:

Private music lessons are part of every university music program in the United States and instructors are paid from special student fees. UNLV’s Music Department is currently collecting \$300 for 14 lessons which is equivalent to \$21.43 per hour for lessons. This amount was set in 1996. At this time, this Department is asking to increase this fee in two steps:

Step 1: \$100 increase for Fall 2005 to \$400 which is equivalent to \$28.57 per hour

Step 2: An additional \$100 increase for Spring 2006 to \$500 which is equivalent to \$35.71 per hour

These increases are requested because UNLV is now competing with other local businesses that provide lessons (e.g., Family Music Center) that pay their instructors up to \$75 per hour for private lessons. Because of this discrepancy in fees, UNLV is losing instructors who would rather work for the Family Music Center or some other company that pays more than UNLV.

The Music Department is also limited by the fact that some instruments have fewer qualified instructors available to teach, and for these instruments the Department has to pay these instructors much more. In this market a high-end professional instruction can cost as much as \$80 per hour.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE:

Approximately 430 students will be impacted by this fee.

5. NAME OF FEE: Special Course Fees - DPT 744, Gross Human Anatomy, Part I

RATIONALE FOR THE FEE:

UNLV's Department of Physical Therapy in the School of Health and Human Sciences is requesting fees to support three courses associated with the new Doctorate in Physical Therapy (DPT). The Board previously approved these fees as part of the new doctoral program at the October 14, 2004 Meeting. (The Board approved the Academic, Research & Student Affairs Committee recommendations.)

This request is to include these fees into the Handbook because they are greater than \$50 (see below). This request is to help support laboratory experiences, clinical courses, and off-site clinical experiences for our students.

DPT 744, Gross Human Anatomy, part I - \$400 per semester

Fees will be used to cover the costs of cadavers, brains, body transportation bags, medical waste disposal, uniforms (scrubs), masks, scalpels, blades, consumables, plastics, cotton-tip applicators, gauze pads, tongue depressors, buckets (for each cadaver), disposables, dissecting kits, shipping and handling, etc.

8. NAME OF FEE: Summer School Registration Fee

RATIONALE FOR THE FEE:

Since 1994, UNLV's Summer School Registration Fee, per credit has been based on the Academic Year Registration Fee, per credit, plus an additional \$3.00 fee for administrative costs associated with Summer Term. Due to the rather dramatic rise in costs over the past ten years in administering this program, the Division of Educational Outreach proposes to increase the \$3.00 fee to \$6.00.

- An increased fee from \$3.00 to \$6.00 per credit hour is requested to offset dramatic increases that have occurred in the past ten years in administering the completely self-supporting Summer Term Program.
- An increased registration fee will generate useful funds for a host of administrative responsibilities including administrative salaries and benefits, salaries and benefits of support personnel, costs of advertising and production of the catalog / schedule, all summer term operating expenses and costs affiliated with faculty and curriculum development as it relates to the summer term.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE:

Approximately 15,000 students.

Summer Programs

RATIONALE FOR THE FEE

The University requests that the summer program registration fee be increased to \$98.00 per undergraduate credit and \$130.50 per graduate credit for the 2005 Summer Session. The summer school registration fee is required to be equal to the academic year registration fee plus \$3 per Chapter 17, Section 18 of the Board of Regents Handbook. The distribution of the fee increase will be to instructional programs.

Health Service

RATIONALE FOR THE FEE

The University is requesting to increase the fee by the most recently published CPI (3.2%) plus 1% as approved at the Board of Regents meeting in April 2001. The rationale for this increase includes the following:

- The number of students attending the University has increased substantially and patient visits to the Student Health Center have increased as well.
- The cost of medical supplies and equipment continues to increase at about 10% a year.
- By incorporating this small yearly increase, it will avoid having to request a large increase from the students.

6. NAME OF FEE

Independent Learning Program (IL)

RATIONALE FOR THE FEE

Increased fees for Independent Learning Program are requested due to increases in operating costs, including printing of course materials, web packets and supplies that have increased by 5%. The funding needed for staff salaries has also increased by an additional 7-10% due to staff merit, promotion, and increased insurance costs. Also, this increase will help cover the salary for the new Instructional Designer position. It is customary for IL to maintain at least a \$5 per credit differential between IL and on-campus per credit fee costs.

7. NAME OF FEE

Orientation for new graduate students

RATIONALE FOR THE FEE

For the past six years the University has conducted a new graduate student orientation event that has ranged from a full day of briefings, panels and workshops to a two-hour afternoon social. While graduate students do not need the extensive orientation provided to freshman, it is helpful to introduce them to the Graduate School administrators, provide them with a context for beginning their graduate studies, and give them an overview of the services and facilities available to them as graduate students. By making the orientation self-supporting it would allow the Graduate Student Association contribution to be re-allocated toward scholarships.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE

RATIONALE FOR THE FEE

As is customary, this spring the Student Health Center will re-bid the Student Insurance Program. The University will provide the rationale, number of students impacted, and handbook information when the item is presented to the Board of Regents at the June 24, 2005 meeting.

9. NAME OF FEE

UN Medical Student Annual Fee for Health, Life and Disability Insurance

RATIONALE FOR THE FEE

As is customary, this spring the School of Medicine will re-bid its insurance plan. Currently the School has the same provider as the UNR students. The University will provide the rationale, number of students impacted, and handbook information when the item is presented to the Board of Regents at the June 24, 2005 meeting.

10--38. NAME OF FEE

Special Course Fees – College of Education Supervised Internship courses

RATIONALE FOR THE FEE

Course numbers for supervised internship courses within the College of Education have changed due to the recent reorganization. In addition, a special course fee of an additional \$150 is requested for those students electing to take supervised internship courses out of Washoe County, Churchill County, Lyon County, Storey County, Douglas County, Carson City, Lake Tahoe area, Truckee, Loyalton, Portola, Doyle and Susanville. This fee will cover the additional expenditure for third party charges in providing the supervision to students during their internship in locations beyond the immediate area. When students intern in the service area of other institutions, the departments in the college are required to meet the costs of those institutions. This proposed fee increase will enable us to meet the additional costs for out-of-area interns.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE

Approximately 20 – 30 students per semester.

Special Course Fees – Natural Resources & Environmental Sciences Department courses

RATIONALE FOR THE FEE

An increase in the special course fee to \$250 is requested for ERS 460/660 (formerly RWF 460/660) Rangeland Resource Management. This fee will cover the increases in the cost of the additional expenditures in connection with this field-trip based course designed around 12 days of travel to remote rangeland systems in Nevada and other western states. These expenses include transportation, food, fees for special educational activities such as museums, State and National Park entrance fees, overnight camping fees and emergency items and repair of camping equipment. The fee for this course was last increased over 12 years ago.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE

Approximately 10-20 students per year

Special Course Fee – Recreation and Physical Education course

RATIONALE FOR THE FEE

Due to demand, the University will now be offering a course titled, Snowboarding. The assessed fee will be used to purchase a lift ticket and a two-hour lesson at an off-site ski area for 7 weeks of instruction.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE

150 students per year

39. NAME OF FEE

Special Use Fee – Lombardi Recreation Building

RATIONALE FOR THE FEE

The fees for the Campus Recreation and Wellness Program have not been increased in five years. In this time period, the Lombardi Recreation Building has become one of the

most heavily utilized facilities/programs on campus. Program participation in Campus Recreation and Wellness programs has exceeded 600,000 patron visits in 2003-04, and equipment and facility use patterns exceed the national average threefold. In the same five years, the cost of operations has increased more than 50%. Revenue generated through current membership fees is insufficient to meet the increased costs of operation.

40. NAME OF FEE

Residence Hall and Food Service Rates, UNR

RATIONALE FOR THE FEE

A base increase in rates reflects a 3.8% average increase in meal plan costs due to inflation and consistency with CPI and enables payment toward bonded indebtedness for construction of the new dining facility. The increases fall within the range that has the unanimous approval of the Residence Hall Association and have been rounded for ease in assessment, collection and distribution of charges.

NUMBER OF STUDENTS POTENTIALLY IMPACTED BY THE FEE

1,450 residence hall freshmen under the age of 21 and other students choosing a meal plan are impacted by this increase.

4. Bronze	[\$2,595]	<u>\$2,675</u>

The above academic year meal plan rates are payable fifty-five percent in the fall semester and forty-five percent in the spring semester. The spring-only rate is fifty percent of the annual rate.

b. Summer Programs

Summer school residents and other students may purchase meals on a daily cash basis or purchase a more economical meal plan. The UNR/Tokyo Program students in residence on campus must purchase a meal plan. Summer conferences will ordinarily include a meal plan tailored to the program and clientele.

41. & 42. NAME OF FEE

Residence Hall and Conference Room Rates, UNR

RATIONALE FOR THE FEE

A base increase of 4.5%-5.7% in Residence Hall rates and a 3.2-5.7% base increase to the summer student rate enable payment toward bonded indebtedness. A 3%-6% base increase to the Summer Conference rates is due to inflation and consistency with CPI and enables payment toward bonded indebtedness. The Summer Conference Package Room and Board Rates is a new program developed to address the specific needs of new conference business, i.e., summer sports festival participants. A base increase of 4.5% is due to inflation and consistency with CPI.
