

BOARD OF REGENTS
BRIEFING PAPER

1. Agenda Item Title: Proposed Amendments to Chancellor/President Search Process and Officer in Charge Procedures

Meeting Date: March 1-2, 2018 Meeting of the Board of Regents

2. BACKGROUND & POLICY CONTEXT OF ISSUE:

The *Board of Regents' Handbook/Code* in Title 2, Chapter 1 contains different search procedures for the positions of Chancellor and President. The Code in Section 1.5.4 (Vacancy in the Office of President) sets forth in some detail the process for selection of an institution President and for the designation of an officer in charge. In contrast, the Code in Section 1.5.3 (Vacancy in the Office of Chancellor) provides very little detail regarding the process for the selection of a Chancellor and there are no provisions regarding the designation of an officer in charge in the absence of a Chancellor. The NSHE Faculty Senate Chairs and others have suggested that the Chancellor search provisions should be amended to mirror those in place for Presidents. The recent experience in the hiring of the current Chancellor has revealed a need for more specificity in the provisions governing the Chancellor search procedures.

The proposed amendments to the *Board of Regents' Handbook/Code* and the *Procedures and Guidelines Manual* are set forth in **Exhibit A**. The amendments differ slightly from the original version introduced to the Board during its meeting on December 1, 2017. The changes reflect additional input received from various NSHE constituencies, including the Faculty Senate Chairs. **Exhibit B** is a redline version showing the changes between the original and final versions of the proposed amendments.

3. SPECIFIC ACTIONS BEING RECOMMENDED OR REQUESTED:

That the Board approve amendments to the *Board of Regents' Handbook/Code* and the *Procedures and Guidelines Manual* set forth in Exhibit A – including (a) the proposed Code amendments in Title 2, Chapter 1, Sections 1.5.3 and 1.5.4 in order to make the officer in charge and the search processes for Presidents and Chancellors more consistent, (b) the proposed amendments to Title 2, Chapter 5, Section 5.6.3 clarifying that the application materials of finalists for the positions of Chancellor or President are public documents, and (3) the amendments to the *Procedures and Guidelines Manual*, Chapter 2, Sec. 1.b, clarifying that the Board Chair recommends either an interim or acting Chancellor whenever a vacancy occurs or is about to occur.

4. IMPETUS (WHY NOW?):

The recent search process for the current Chancellor has revealed a need for more specificity in Board policy regarding the search and officer in charge procedures.

5. BULLET POINTS TO SUPPORT REQUEST/RECOMMENDATION:

- The proposed amendment adds specific language to the Code regarding the designation of an officer in charge when the Chancellor is temporarily absent or the position is vacant.
- New language proposed in Code, Sections 1.5.3(a), (b) and (c) regarding officer in charge for the position of Chancellor mirrors the officer in charge provisions which already exist in Code, Sections 1.5.4 (a), (b) and (c) for the position of President and provide:
 - Defines “Officer in Charge” as the individual who designated to be in charge when the Chancellor is temporarily absent or the position is vacant.
 - A list of three System employees who can serve as the officer in charge must be on file with the Board Chair; and
 - When a vacancy occurs in the position of Chancellor, the officer in charge has all the powers of Chancellor until an acting or interim Chancellor is appointed.
- The proposed additions to the Code in Section 1.5.3, regarding the search process for Chancellor, are similar to those for presidential searches as follows:
 - Chair of the Board recommends the appointment of an acting or interim Chancellor;
 - Before making the recommendation, the Chair meets with major constituencies of NSHE

which must include presidents and faculty senate chairs, and may include others such as provosts, vice chancellors, System staff, faculty, student leadership, advisory and foundation board members, community and legislative representatives.

- The Board determines whether a search is to be conducted or whether an interim Chancellor will be appointed;
- If an acting Chancellor is appointed the Board determines the type of search to be conducted, *e.g.*, national, regional, in-state or other;
- An acting Chancellor may not be a candidate for the permanent appointment;
- An interim Chancellor may be appointed for a 1-3 year term and must serve at least one year before being made permanent;
- Before an interim Chancellor is made permanent, the Board must receive input from major constituencies at a public meeting and may conduct a periodic evaluation;
- Board Chair appoints the Regents' Chancellor Search Committee and appoints the Committee Chair;
- New language provides that "other NSHE or community representatives" may be appointed to the advisory Committee;
- Advisory Committee is non-voting;
- System affirmative action officer is an *ex officio* member of the search Committee;
- The Chair of Board establishes budget for search;
- The Chair of the Committee is responsible for initial screening to determine candidates for consideration by the Committee;
- The search Committee shall meet at the call of the Committee Chair to discuss qualifications of the recommended applicants and the recommendations of the advisory committee members;
- The search Committee interviews finalists and makes a recommendation(s) to the full Board;
- If a nominee is not appointed, the Board may direct the Committee to continue the search process;
- An affirmative vote of two-thirds of the members of the Board is required to approve any deviations from the process.
- The presidential search process in Code, Section 1.5.4 is amended to be more consistent with the Chancellor search process as follows:
 - Chancellor, in consultation with Chair of the Board, makes recommendation of acting or *interim* president;
 - In addition to listed constituencies in Subsection 1.5.4(d), faculty and staff senate representatives and student government representatives must be consulted prior to recommendation of acting of interim president;
 - The Board determines whether to conduct national, regional, in-state or other search for a permanent president;
 - If a nominee is not appointed, the Board may direct the Committee to continue the search process;
 - Chair of the search Committee is responsible for initial screening process.
- The Code, Section 5.6.3 is amended to clarify that the application materials of finalists for the positions of chancellor or president are public documents.

6. POTENTIAL ARGUMENTS AGAINST THE REQUEST/RECOMMENDATION:

- The proposed amendments limit the discretion of the full Board.
- The full Board should have the discretion to determine the specific process to be followed in the hiring of a Chancellor.

7. ALTERNATIVE(S) TO WHAT IS BEING REQUESTED/RECOMMENDED:

- None.

8. COMPLIANCE WITH BOARD POLICY:

<input type="checkbox"/> Consistent With Current Board Policy: Title #_____ Chapter #_____ Section #_____
<input checked="" type="checkbox"/> Amends Current Board Policy: Title 2, Chapter 1, Section 1.5.3 and 1.5.4, plus Title 2, Chapter 5, Section 5.6.3

<input type="checkbox"/> Other: _____
<input checked="" type="checkbox"/> Fiscal Impact: Unknown.
Explain: The costs associated with presidential searches are born by the institutions and by the System for chancellors. It is not anticipated that the proposed amendments will significantly affect the cost for these searches, but the actual impact cannot be estimated at this time.
