BOARD OF REGENTS
BRIEFING PAPER

1. AGENDA ITEM TITLE: HANDBOOK, CODE and PROCEDURES and GUIDELINES MANUAL: Technical Name
   Revisions – University of Nevada, Las Vegas School of Medicine and University of Nevada, School of Dental Medicine

   MEETING DATE: September 7, 2018- Health Sciences System Committee

2. BACKGROUND & POLICY CONTEXT OF ISSUE:
   Existing Board policy under the Handbook, Code and within the NSHE Procedures and Guidelines Manual includes provisions regarding the “University of Nevada, Reno School of Medicine” and the “UNLV School of Medicine.” These provisions were updated by the Board of Regents at its March 2018, meeting to include the UNLV School of Medicine in all references to NSHE’s medical schools. At that time, the Board’s Health Sciences System Committee requested that the references to the “UNLV School of Medicine” be changed to the “University of Nevada, Las Vegas School of Medicine” to provide consistency with the names of the two medical schools and remove the acronym (“UNLV”) when referencing a medical school in Board policy.

   The attached policy revision addresses this name change to the “University of Nevada, Las Vegas School of Medicine.” In addition, consistent with the request to remove the acronyms from Board policy, references to the “UNLV School of Dental Medicine” are also revised to reference the “University of Nevada, Las Vegas” instead of “UNLV” in the name for purposes of Board policy.

3. SPECIFIC ACTIONS BEING RECOMMENDED OR REQUESTED:
   Update references throughout the Handbook, Code and the NSHE Procedures and Guidelines Manual to replace references to the “UNLV School of Medicine” with “the University of Nevada, Las Vegas School of Medicine.” In addition, the technical updates also include providing consistency with existing references from the “UNLV School of Dental Medicine” to the “University of Nevada, Las Vegas School of Dental Medicine.”

   These revisions include changes to the Code and are presented for action, having previously been presented for information only at the June 8, 2018 Health Sciences System Committee Meeting.

4. IMPETUS (WHY NOW?):
   The Board’s Health Sciences System Committee requested this change at its March 2018, meeting.

   ✓ Not Applicable to NSHE Strategic Plan Goals

   This proposal is a technical name change requested by the Board’s Health Sciences System Committee.

6. BULLETPONT POINTS TO SUPPORT REQUEST/RECOMMENDATION:
   • This proposal is a technical name change requested by the Board’s Health Sciences System Committee that provides consistency in the references to the two NSHE schools of medicine throughout Board policy and removes the acronyms (“UNLV”) from the references to the medical school and dental school at the University of Nevada, Las Vegas.

Section 34. Possession and Use of Marijuana

The Nevada System of Higher Education is sympathetic to the medical needs of our students, employees and visitors. A growing number of states, including Nevada, are enacting laws decriminalizing or legalizing the use, possession, delivery, manufacture, growth, distribution, production, and/or cultivation (hereinafter "use") of marijuana, including for medical purposes. Federal law prohibits the use of marijuana, including for medical purposes, on college and university campuses that receive federal funding. The following provisions shall govern the possession and use of marijuana, including for medical purposes, on NSHE property.

1. The use, possession, or cultivation of marijuana, including for medical purposes, on any NSHE or NSHE foundation owned or leased property, or at any NSHE sponsored or authorized activity, is expressly prohibited.

Further, the Board reaffirms its commitment to equal access to its programs regardless of a student’s financial circumstances, and therefore shall establish tuition rates and fees at such level as to encourage participation in a medical education.

7. Section 10. HIPAA Guidelines
The purpose of this section is to outline the basics of HIPAA. It may be useful to information technology, accounting, payroll, human resources and auditing staff who are not regularly involved in handling health care records. For more detailed information, you may contact one of the HIPAA Privacy Officers for University of Nevada, Reno [UNR], University of Nevada, Las Vegas [UNLV] or the College of Southern Nevada [CSN], or the vice chancellor for Legal Affairs Office of the NSHE.

Who is covered?
The institutions within NSHE are not primarily health care providers. We are called a Hybrid Covered Entity under HIPAA, which means that we are allowed to designate which parts of NSHE are covered. Those entities and programs that are covered are free to share health care information with each other for legitimate purposes. Those entities or programs that are not covered may not receive or obtain access to identifiable health information unless authorized by the patient. As an example, most of the University of Nevada, Reno School of Medicine and University of Nevada, Las Vegas [UNLV] School of Medicine are covered; their Human Resources Departments are not. It would not be appropriate for the University of Nevada, Reno School of Medicine and University of Nevada, Las Vegas [UNLV] School of Medicine to share a clinical record of an employee/patient with Human Resources unless the patient authorizes the disclosure. The chancellor of NSHE has designated the covered programs and departments. This may be changed from time to time. Any program or department that is not covered is not required to follow any aspect of the Privacy or Security Rules.

Section 11. HIPAA Health Care Components of NSHE

As of August 31, 2016, NSHE, a hybrid covered entity, designates its health care components as follows:

UNLV
- University of Nevada, Las Vegas [UNLV] School of Medicine, as a hybrid covered entity, and as an Organized Health Care Arrangement with its affiliated practice clinics;
