

Title 4, Chapter 10, Section 23 (7) (f) [NEW]

Policy Statement Regarding Use of System Facilities for Political Events

The primary mission of NSHE and its institutions is to educate students. In that regard, we share a common interest in making public facilities reasonably available for first amendment activities, including political candidates and events. In allowing such use, NSHE and its institutions must use care to avoid the appearance of partisanship, i.e. that the institution favors any particular candidate or party.

Single candidate events should generally be expected to pay standard facility use charges, together with any out of pocket costs, such as security, that the institution incurs as part of the event. The institution should seek advance payment of these estimated costs.

Recognized student clubs or faculty groups may sponsor candidate appearances/events if permitted by institution policy, which may result in waiver of facility use charges under institution policy. Any out of pocket costs incurred by the institution should still be paid. Student governments and institutional business of facilities officers should seek to track such appearances and encourage compliance with Section 7(b) above.

The institution may choose to host multi-candidate events as an educational service to the college or university community and the public. At the election of the institution, these events may be without charge to the candidates, whether for use of the facilities or security, as long as the institution makes its facilities available, if requested, on the same basis to all political parties.

In addition, NRS Chapter 239, Section 1 as applied to political parties may limit the fees that may be charged as follows:

Upon application by a state or county central committee, if a room or space is available in a building that is open to the general public and occupied by the government of this State or a political subdivision of this State or an agency thereof, the public officer or employee in control of the room or space shall grant the use of the room or space to the state or county central committee without charge in a presidential election year for any purpose, including conducting precinct meetings, without charge during other years for the purpose of conducting precinct meetings and at a charge not greater than that made for its use by other groups during other years for purposes other than conducting precinct meetings.
