BOARD OF REGENTS
BRIEFING PAPER

1. Agenda Item Title: **Handbook Revision-Standing Committees of the Board of Regents**
   Meeting Date: December 3-4, 2015

2. BACKGROUND & POLICY CONTEXT OF ISSUE:
The Board of Regents Bylaws contained in *Handbook* Title 1, Article VI, Sections 1-3 authorize the appointment of standing committees and the designation of their duties. The Chair and Vice Chair are proposing a revision to the Bylaws providing for the reorganization of the Business and Finance Committee and the Investment and Facilities Committee.

Among other duties, the Business and Finance Committee currently reviews and makes recommendations to the Board respecting operating budget requests and NSHE work programs with the primary objective of affirming the connections between the NSHE Master Plan and System-wide priorities. The Committee also makes recommendations for financing NSHE activities and expenditures of NSHE financial resources.

In addition to its investment functions, the Investment and Facilities Committee presently has oversight of property acquisitions and use, recommendations respecting NSHE capital and improvement priority lists with the primary objective of affirming connections between requests and the institutional facilities master plans, and review and recommendations regarding institutional facilities master plans and space utilization models and data.

It is more efficient to combine these functions with the related NSHE Master Plan and operating budget functions currently exercised by the Business and Finance Committee. This change in committee charges will also allow the Investment and Facilities Committee to devote full time and attention to its crucial core function of providing oversight of NSHE investment policies and programs.

In conjunction with this realignment of committee charges, the names of the two committees would be changed to the Business, Finance and Facilities Committee and the Investment Committee.

This is the second of two hearings required at regular Board meetings for a change to the Bylaws. The first hearing was at the September 10-11, 2015, meeting. A two-thirds vote in the affirmative is required to amend the Bylaws of the Board.

3. SPECIFIC ACTIONS BEING RECOMMENDED OR REQUESTED:
Revise the charge for the Business and Finance Committee and the Investment and Facilities Committee by transferring responsibility for oversight of property acquisitions and use, recommendations respecting NSHE capital and improvement priority lists with the primary objective of affirming connections between requests and the institutional facilities master plans, and review and recommendations regarding institutional facilities master plans and space utilization models and data to the former committee from the latter. Change the respective committee names to the Business, Finance and Facilities Committee and the Investment Committee.

4. IMPETUS (WHY NOW?):
The realignment of the standing committees will increase the efficiency of Board oversight and an effective efficiency measure should be implemented at the earliest practical opportunity.

5. BULLET POINTS TO SUPPORT REQUEST/RECOMMENDATION:
- The realignment of committee charges will be more efficient and result in more effective oversight of investment policies and programs.
6. POTENTIAL ARGUMENTS AGAINST THE REQUEST/RECOMMENDATION:
