

iNtegrate Project Bulletin

Supplement: iNtegrate Project Organizational Structure

The NSHE Technology Task Force

Since October 14, 2005, The Technology Task Force has been setting the goals and overseeing the iNtegrate Project.

Five members of the NSHE Board of Regents comprise the Technology Task Force: Michael Wixom (Task Force Chair), Mark Alden, Stavros Anthony, Dorothy Gallagher, and Bret Whipple.

The iNtegrate Steering Committee

The iNtegrate Steering Committee, which includes members from every institution in the Nevada System of Higher Education, drives the efforts of the six review teams and reports to the Technology Task Force.
